CLI Programs Improving Child Care Quality

Since 2003

Since 2006

Since 2017

Since 2017

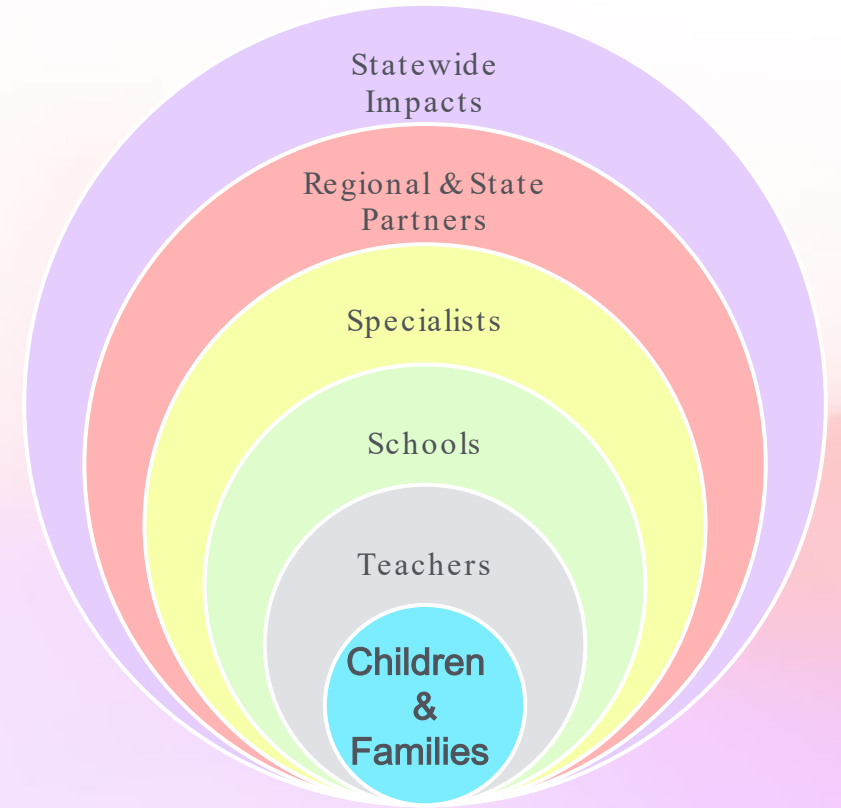

Since 2020

Since **2003**, CLI has served as the **State Center** to encourage the expansion of our programs and to **focus, develop, and orchestrate** the statewide implementation of **evidence -based practices** in early education.

CLI Programs Improving Child Care Quality

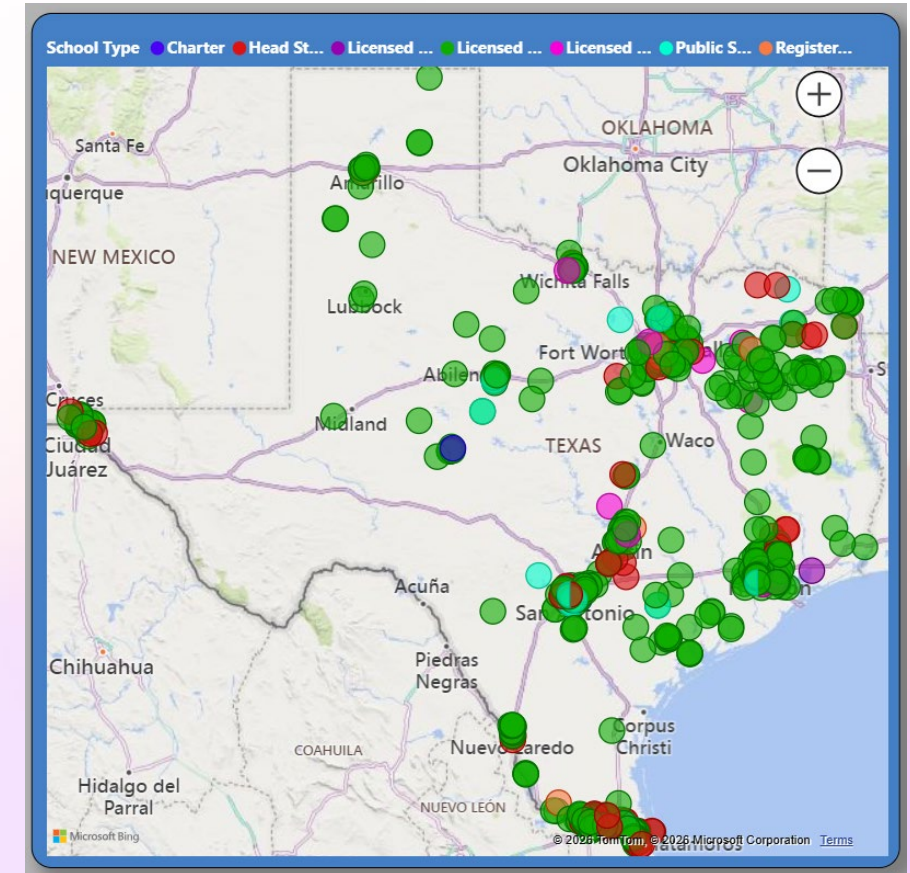

CLI is focused on lifting child care quality by positively impacting key early childhood professionals to support child outcomes.

- **Providing direct service to teachers** : TSR
- **Delivering services to specialists** : ITSN, Texas Rising Star
- **Supporting high -quality statewide implementation** with TWC: Texas Rising Star assessment and mentoring
- **Building ECE career pathways** : TECPDS
- **And, scaling resources to schools and families** through CLI Engage with support from TWC and TEA

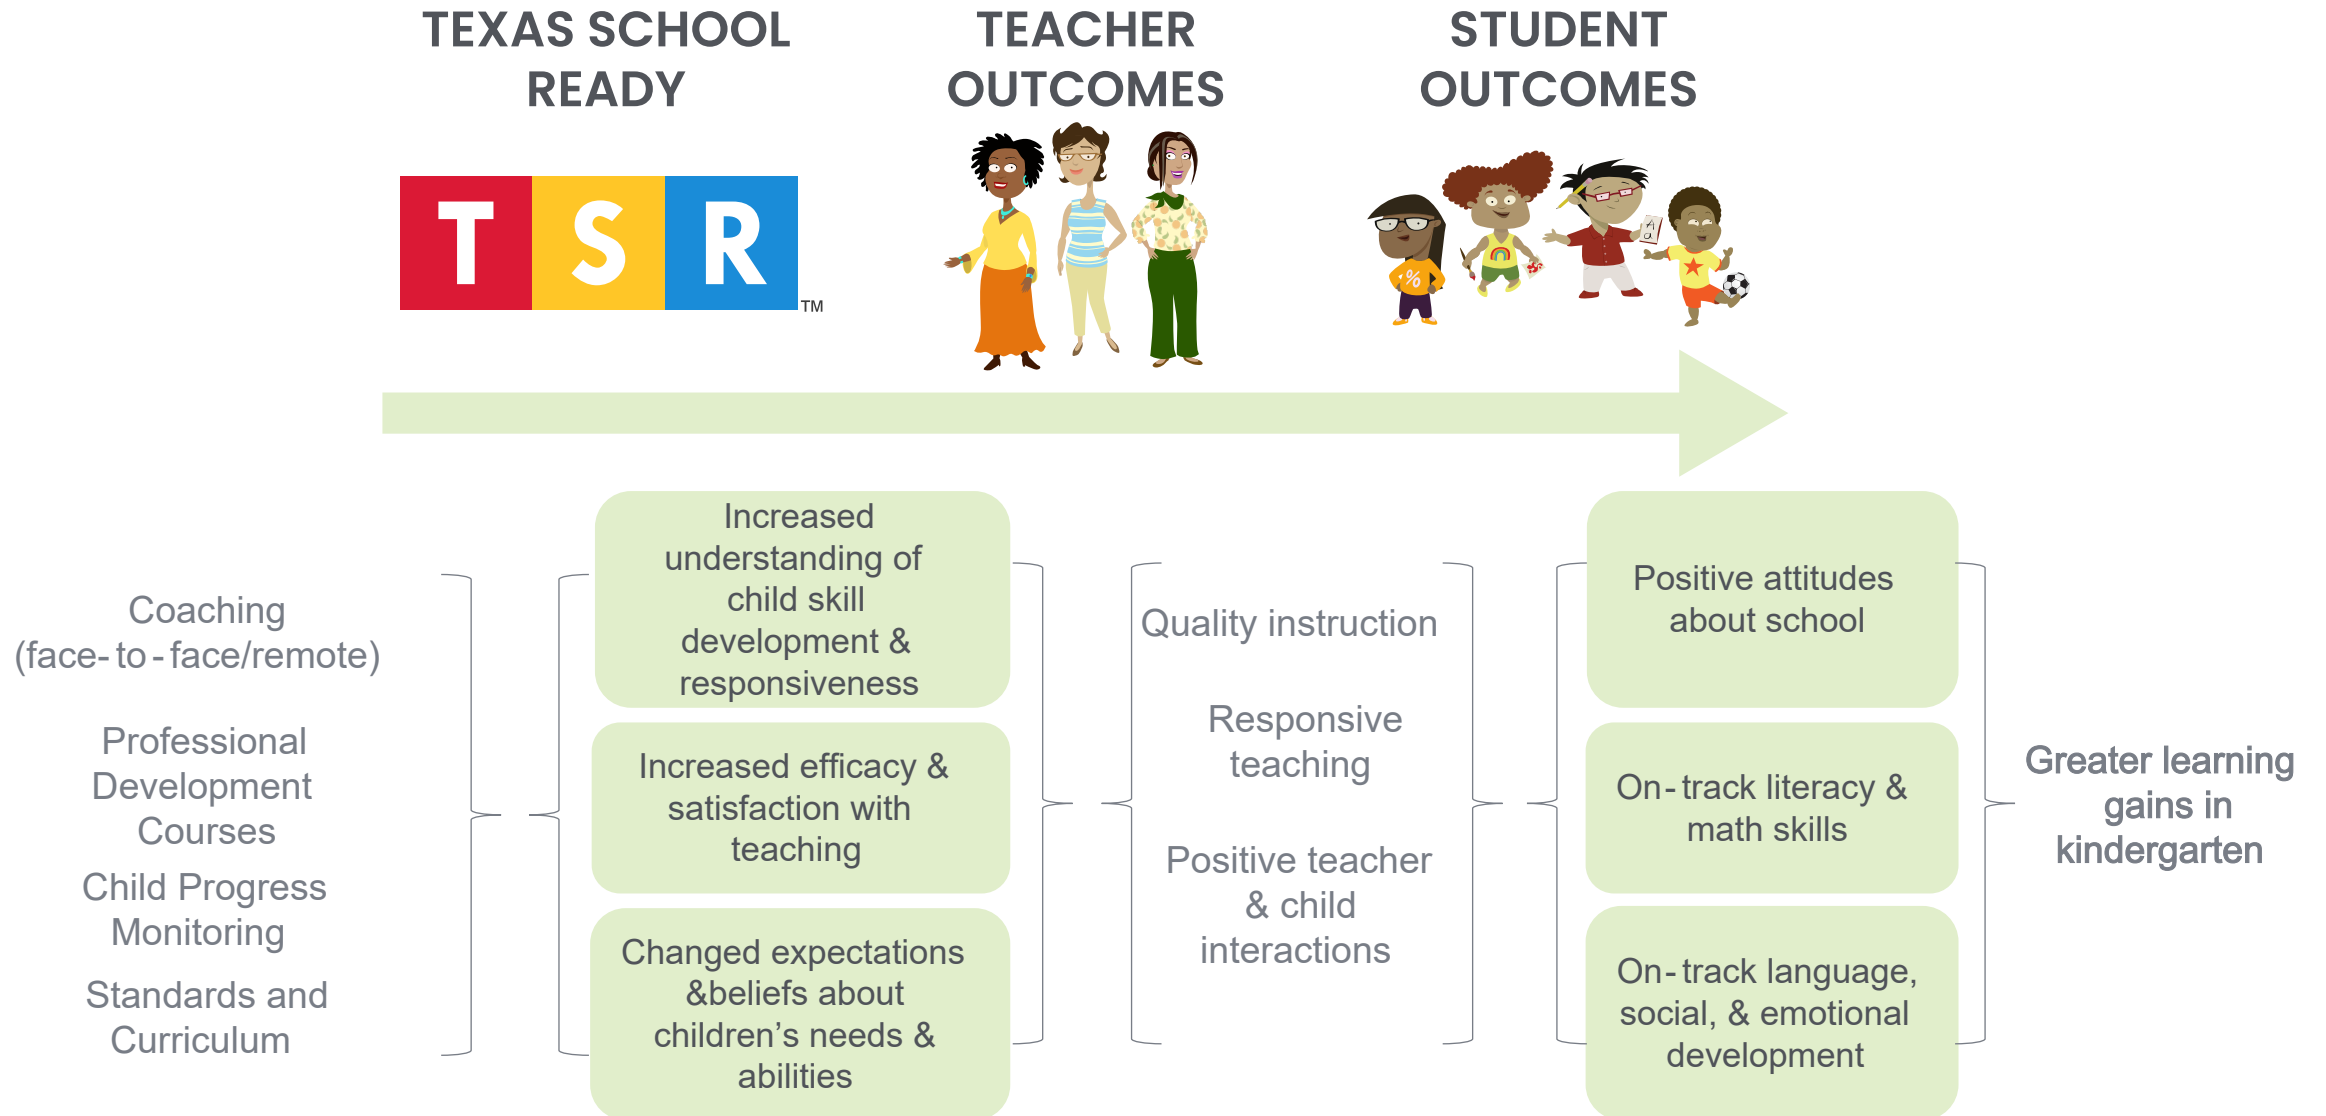

TSR's Key Ingredients

- Facilitated teacher professional development
- Technology - driven child progress monitoring
- Ongoing teacher coaching
 - Face-to-face or remote/ virtual
- Research-based curriculum and materials
- Lifting quality across settings

Quality Inputs that Lead to Kindergarten Readiness

Access to Quality Care for Families

Expanding provider enrollment in statewide programs focused on quality improvement based in evidence-based practices, so families have access in their communities.

- Texas School Ready
- Texas Rising Star

Implementation Lessons

Learned

- Transparent competencies for all staff implementing quality improvement programs
 - Administrators, teachers, and specialists
- Reliable tools to measure quality and confirm fidelity of implementation
 - Consistent feedback loops so data informs service delivery at all levels
