

Governor's Task Force on Governance of Early Childhood Education and Care

Agenda

Tuesday, June 30, 2026

9:00 a.m. – 2:00 p.m.

William B. Travis State Office Building Room G-100C

Objectives:

1. Understand the history, existing capacity, and limitations for implementing an integrated data system (ECIDS)
2. Identify essential data elements and links needed for effective planning, monitoring, and accountability
3. Explore strategies to improve family experience in finding quality child care.
4. Discuss how data could be used to drive continuous quality improvement at both the provider and agency levels.

- I. Call to Order, Welcome, and Opening Remarks (*Chairman Peter Holt*)
- II. Invited Testimony – History of EC Data in Texas
- III. Invited Testimony – Stakeholder Experiences
- IV. Multi-state Panel on Research-Based Best Practice for Quality
- V. Public Testimony on the Importance of Quality Across Early Education and Care Settings

Closed Session

- VI. Adjourn
