

Ed-Flex Schoolwide Eligibility Waiver

2023-2024 Random Validation Process

Program Requirements Selected

Documenting overall compliance for a program requirement may require several forms of documentation to be maintained locally and available upon request by TEA and/or an auditor.

Program Requirements Selected

To ensure overall compliance with program requirements, LEAs should refer to the Program Guide and/or other program-related resources that reference the multiple forms of documentation required to be maintained locally.

Program Requirements Selected

The documentation requested for submission during the random validation process may not include all forms of documentation that are required to be maintained locally.

From this statewide pool, 10 LEAs/campuses have been selected.

Supporting Documentation Form

When the LEA first requests a Schoolwide Eligibility Waiver for a campus by checking the corresponding box on the SC5000 in the Consolidated Federal Grant Application, the LEA is instructed to complete a Supporting Documentation Form, to be maintained locally and to be available on request.
