 - Provide same services in Federal and non-Federal programs.
 - *Resource: Supplement, Not Supplant Handbook (Pages 5-8)*

 - Documentation that prior fund source is no longer available.

- *Resource: Supplement, Not Supplant Handbook*

Traditional SNS Questions to Ask When Planning

- Is the activity/service required by state or local law?
- Did the LEA provide this activity/service in the prior year?
- What funds did the LEA use to provide the activity/service?

What is Evidence-Based?

Title II, Part A- Areas of Focus Cont'd

Other Evidence-Based Activities Sec 8101(21)(A)

- i. demonstrates a statistically significant effect on improving student outcomes or other relevant outcomes based on –
 - i. *strong evidence* from at least one well-designed and well-implemented experimental study; or
 - ii. *moderate evidence* from at least one well-designed and well-implemented quasi-experimental study; or
 - iii. *promising evidence* from at least one well-designed and well-implemented correlational study with statistical controls for selection bias; or ii.
- ii. demonstrates a rationale based on high-quality research findings or positive evaluation that such activity, strategy, or intervention is likely to improve student outcomes or other relevant outcomes; and
- iii. includes ongoing efforts to examine the effects of such activity, strategy, or intervention.

(emphasis added)

Other Evidence-Based Activities

- As part of the planning process,
 - Document why the LEA expects the activity to have a positive effect.
 - Consider whether the LEA can replicate the results of the study.
 - Consider whether the LEA implementing the activity in appropriate context.

Reducing Class Size

Is class-size reduction a Title II, Part A allowable use of funds and under what conditions?

It is allowable. **However**, the district must have evidence from research that shows that the class-size reduction for the grade, subject and number of students in question is actually effective.

Use of funds

Title II, Part A Use of Funds

1. Supplement, Not Supplant
2. Prioritization of funds for campuses in School Improvement and with high percentages of low-income students
3. Activities and/or Resources
 - a. Comprehensive Needs Assessment (highly recommended!)
 - b. District Improvement Plan
 - i. Alignment with challenging State academic standards
 - ii. Meaningful consultation and coordination
 - c. Reasonable
 - d. Necessary
 - e. Allocable
 - f. Allowable under Title II, Part A
4. EDGAR Requirements
5. LEA Policies and Procedures

Program Requirements

Title II, Part A Program Compliance Requirements

Alignment of Activities to the Challenging State Academic Standards

Meaningful Consultation

Coordination

Prioritization of Funds

System of Professional Growth and Improvement

Private Nonprofit School Participation

1. Alignment of Activities to the Challenging State Academic Standards

- Title II, Part A program activities are required to be aligned to the challenging State academic standards.
- Establishing Program Requirement Compliance
- Include a statement in the District Improvement Plan that describes how the LEA will ensure that the activities to be carried out under Title II, Part A will be aligned with the challenging State academic standards.
- Retain related activity documentation.

2. Meaningful Consultation

- Planning
- Implementation
- Evaluation

Required Stakeholders

- Teachers,
- Principals,
- Other School Leaders,
- Paraprofessionals (including organizations representing such individuals),
- Specialized Instructional Support Personnel,
- Charter School Leaders (in an LEA that has charter schools),
- Parents,
- Community Partners, AND
- Other Organizations or Partners

Other School Leaders [Sec. 8101(44)]

- The term "school leader" means a principal, assistant principal, or other individual who is:
 - an employee or officer of an elementary school or secondary school, local educational agency, or other entity operating an elementary school or secondary school; **AND**
 - responsible for the daily instructional leadership and managerial operations in the elementary school or secondary school building.
- For example, LEA central office staff meet the first part of the definition but may not meet the second part. As a result, they are not identified as a 'school leader'.

Specialized Instructional Support Personnel [Section 8101(47)(A)(i)]

- School Counselors
- School Social Workers
- School Psychologists
- School Nurses
- Speech Language Pathologists
- School Librarians
- Other qualified professional personnel involved in providing assessment; diagnosis; counseling; educational, therapeutic, and other necessary services (including related services) as part of a comprehensive program to meet student needs

Meaningful Consultation Cont'd

- Seek our diverse perspectives within stakeholder groups
- Make stakeholders aware of past and current use of Title II, Part A funds
- Include analysis of effectiveness of current and proposed activities
- Are stakeholders involved in the planning processes on an ongoing basis?
- Are the activities associated with the meaningful consultation of stakeholders held at a variety of times to ensure attendance and engagement?
- Are the planning activities part of a process rather than an event?

Be on the lookout for...

- Is this process laid out in your District Improvement Plan?
 - If so, can it be improved?
- LEAs are required to seek advice from the required stakeholders.
 - An invitation is not the same as getting their feedback.
- What avenues can you think of to gather feedback and advice?

3. Coordination

- **Coordination** with other federal, state, and local programs, and with other related strategies, programs, and activities being conducted in the community.
- **Benefits:**
 - Increase program effectiveness
 - Eliminate duplication
 - Reduce fragmentation of instructional program

How do I document?

Coordination is about establishing relationships with others and preventing working in silos.

Are there other programs, entities, community organizations that can assist with such activity?

Example: Cloudy ISD has a child advocacy center within its boundaries. Yearly, the center provides professional development for the LEA staff. In this example, the LEA is coordinating with community organizations in order to provide quality professional development that is targeted to their community needs as identified in their needs assessment and their DIP.

What other federal and state programs/initiatives can you think of that you could coordinate efforts in the Title II, Part A umbrella?

4. Prioritization of Funds

- To schools identified for school improvement under Section 1111
- To schools that have the highest percentage of low-income children
- Include a statement in District plan that describes how the LEA prioritized its Title II, Part A funds.

How do I document?

Is there a description of Prioritization of Funds in your District Improvement Plan?

“The LEA has two campuses identified for school improvement under Section 1111; however, because all the professional development needs of these campuses have been met through the Title I School Improvement Grant, the LEA has focused the use of its Title II, Part A funds at campuses with the highest percentages of low-income students.”

Things change. It is best practice to have a methodology developed in the event the LEA needs it and recognized in their District Improvement Plan.

Sample of Supporting Documentation

Campus Name	School Improvement (Y/N)	Poverty %	Title II, Part A
Campus A Elementary	N	76%	\$25,000
Campus B Middle	Y	70%	Needs met by SIG
Campus C Elementary	N	50%	\$25,000
Campus D Middle	Y	52%	Needs met by SIG
Campus E Elementary	N	45%	\$25,000
Campus F High School	N	42%	\$20,000
TOTAL	--	--	\$95,000

5. System of Professional Growth and Improvement

- LEAs are required to have a system of professional growth & improvement such as –
 - induction for teachers, principals, or other school leaders;
 - opportunities to build capacity of teachers;
 - opportunities to develop meaningful teacher leadership.
- Include a statement in District or Campus plan that describes the system of professional growth and improvement.

6. Equitable Services to Private Non-Profit Schools

As specified in ESSA, Section 8501
