What is IDEA-B LEA MOE?

- Maintenance of Effort (MOE) requires local educational agencies (LEAs) to maintain the level of state and local funds they spend to support federal programs from one fiscal year to the next.
- If your organization receives a federal grant awarded under the Individuals with Disabilities Education Act, Part B (IDEA-B), the MOE requirement specifies that you must spend at least the same amount of state and local funds to provide services to students with disabilities that you spent in the previous fiscal year.

You must comply with the MOE requirement to receive IDEA-B funding each fiscal year ([34 CFR §300.203](#)).

What is IDEA-B LEA MOE? (Continued)

TEA uses TSDS PEIMS data to determine compliance for any LEA that receives IDEA-B federal funding.

Four test options to establish Compliance:

- Test 1: Local Only Expenditures
- Test 2: State and Local Expenditures
- Test 3: Local Only Expenditures per pupil
- Test 4: State and Local Expenditures per pupil

Compliance Review Process

- Complete calculation tool to pre-determine status
- Preliminary non-compliant LEAs then submit allowable exceptions

Exceptions Review Process

Final Compliance Reviews

- Final reports determine compliance with MOE
- Non-Compliance results in a refund
