2024-2026 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all
 - 📝 The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this LOI will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
 - The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
 - The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2024-2026 Grow Your Own Education and Training for High School Pathways Program Guidelines.
 - The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2024-2026 Grow Your Own Education and Training for High School Pathways Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
 - The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.

B. TEA Program Assurances Regarding the Memorandum of Understanding

- The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - 🏿 a. By May 31, 2024, the LEA must have a signed letter of commitment or MOU for all Education & Training teachers that receive a stipend through the Grow Your Own Grant. At minimum, the MOU should include the following: i. Grant assurances listed under "2. Education and Training Course Implementation" and "3. Education and Training Supports" ii. Agreement to serve as an Education and Training teacher of record for the full two-year grant timeline iii. Total stipend amount that the teacher will receive iv. Stipend payment schedule (disbursed over the two-year grant timeline and no earlier than Fall 2024) and payment
 - 🧳 b. If using grant funding for field site teacher stipends, the LEA must have a signed agreement for all field site teachers that receive a stipend through the Grow Your Own Grant.
 - e c. If implementing dual credit Education and Training courses, by May 31, 2024, the LEA must have a signed letter of commitment or MOU for the partnering Institution of Higher Education (IHE). At minimum, the MOU should include the following: i. Grant assurances listed under "2. Education and Training Course Implementation" and "3. Education and Training Supports" ii. Length of agreement for IHE partnership
 - d. The LEA will retain documentation locally of each MOU and submit it to TEA upon request.

C. TEA Program Assurances Regarding the Education and Training Course Implementation (must be included in MOUs)

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all
 - 🥡 a. The LEA assures that each high school campus within the participating LEA will implement at least the Instructional Practices and/or Practicum courses in the Education and Training course sequence in 2024-2025, and at least both stated courses in 2025-2026, with the teachers receiving the stipend as teachers of record for both courses or either course. i. For example, the LEA selects an eligible, non-dual credit Education and Training teacher to receive a stipend through the Grow Your Own grant. The LEA pays the teacher a stipend disbursed over the two-year grant timeline starting in Fall 2024. The teacher stipend recipient serves as the teacher of record for Instructional Practices in 2024-2025 and both Instructional Practices and Practicum in 2025-2026.
 - 🧳 b. To receive a stipend for teaching dual credit, an Education and Training teacher must hold a master's degree in an education-related field and be the teacher of record for at least one dual credit course section in 2024-2025 and two dual credit course sections in 2025-2026 within the Education and Training course sequence
 - c. All LEA high schools must establish and/or grow a chapter of a Career and Technical Student Organization (CTSO) that supports the Education and Training career cluster through either the Texas Association of Future Educators (TAFE) or Family, Career and Community Leaders of America (FCCLA) and participate in at least one competitive event per year.

Program Description PS3013 - Program Plan

D. TEA Program Assurances Regarding Education and Training Supports (must be included in MOUs)

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - a. The LEA assures that all LEA high schools participate in a TEA-led virtual workshop in Summer 2024. All Education and Training teacher stipend recipients, principals, counselors, and LEA grant managers must attend. Participants who attended any previous Grow Your Own Summer Institutes must still attend.
 - b. The LEA assures that each Education and Training teacher stipend recipient will pilot the TEA Education and Training curriculum. If they are using a dual credit or different high-quality curriculum, the LEA must provide the corresponding scope and sequence(s) and/or evidence of course offerings.
 - e c. The LEA assures that each Education and Training teacher stipend recipient will receive TEA implementation supports and coaching by participating in online collaborative communities to be scheduled by TEA, not to exceed 6 hours per semester.
 - d. The LEA assures that Education and Training teacher stipend recipients participate in surveys and, if requested, focus groups not to exceed 1 hour per semester and administered by TEA to receive input on the Education and Training programming.
 - e. LEA grant managers shall support Practicum in Education and Training implementation, including but not limited to student scheduling, identifying field sites and field site teachers, and coordinating student transportation to field sites.

E. TEA Program Assurances Regarding Performance Reporting

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - a. LEAs shall develop a marketing and recruitment plan to increase enrollment in high school Education and Training courses. Upon request, all LEA high schools will submit their plan for marketing and student recruitment to TEA each year.
 - b. The LEA must, upon request, submit reports on progress towards performance measures to TEA. If requested, LEAs must participate in focus groups and surveys to give input on the Education and Training programming.
 - ✓ c. By May 31, 2024, all grant-funded teachers must be identified and submitted to TEA.

F. TEA Program Assurances Regarding Amendments (See the General and Fiscal Guidelines, Amending the Application)

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - a. If a teacher is unable to continue with the grant program, LEAs must file an application amendment and provide TEA with an update of the new amount of teacher stipend recipient(s) within 30 days of notification.
 - b. LEAs must file application amendments within 7 days of a request from TEA.

G. TEA Program Assurances Regarding Eligibility Requirements of Stipend Recipients

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required. The LEA assures that it will select stipend recipients according to the following eligibility requirements:
 - 1. Non-dual credit teachers of record for Principles of Education and Training, Instructional Practices, and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the Grow Your Own grant will address the LEA's teacher pipeline needs.

FISD already has a robust Education and Training Program in place. The GYO grant will help us grow and sustain the program in such a way as to support and encourage FHS students who complete the program to pursue and obtain a college degree and teacher certification so that they then return to us as teachers in high needs areas such as Bilingual Education, Special Education and secondary Math and English. We just completed our first year of offering dual credit courses for our Education and Training students which will provide them a head start as they pursue their college education. They will leave high school with 3 credits for Introduction to Teaching and 3 credits for Introduction to Special Populations in Education.

Current Numbers:

Instructional Practices in Education(Dual Credit Courses) - 37

Practicum 1: 9

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed. Include each of the following individuals and a description of each role: the LEA's grant manager, LEA leaders involved in program implementation, the campus principals, college/career counselors, and teachers of participating Education and Training high schools, and any other personnel responsible for implementation the grant.

-Masters in Curriculum and Instruction with Principal Certification Courses

- -16 years in education
- -10 years teaching the Education and Training Pathway

Role:

- Teach Child Development, Instructional Practices(dual credit courses), Practicum 1 & 2.
- Manage the practicum program, by communicating with principals and teachers in the district to set up student internships, manage paperwork necessary for the internship process, observe students on a regular basis including the mandatory 3 observations each semester, oversee the building of portfolios by the students, monitor and adjust students participation based on feedback given by the site teachers.
- Communicate with the college to provide instruction that meets the assigned objectives for each college course. Communicate with students about grades and monitor their progress.

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives? Include a description of the talent management strategy including your LEA's approach to recruiting, hiring, and retaining qualified teachers, related to those goals/objectives.

The goal of our program is to find, mentor, and instill in our students the desire and belief that they can go to college, be successful college students, become certified teachers, and return to Ferris ISD and make a difference in the lives of the next generation of Ferris Yellowjackets.

Enrollment Goals for 2024-25:

Instructional Practices in Education(Dual Credit Courses) - 50

Communication and Technologies in Education - 27

Practicum 1: 10 Practicum 2: 3

Students Targeted for GYO Program Participation:

Current E&T students with potential for success through college and teacher cert

Students in the top 50% of their class (top 25% preferred)

Students on the A/B Honor Roll

Honor Roll and class rank lists will be cross-referenced with the demographics of the overall student body

Students who are biliterate (English/Spanish)

Targeted Recruitment Activities:

Posters promoting the E&T program prominently displayed at FJH and FHS

Daily school announcements promoting the E&T program

Social media posts promoting the E&T program on the FISD, FHS, and FJH FB and Twitter

E&T promotional flyers distributed at 8th grade course fair and FHS course fair

Daily promotion of the E&T program during CTE month

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

Targeted Recruitment Activities (cont.):

Periodic Remind and social media posts to inform parents of the program

GYO Leadership Team will meet with FHS counselors to ensure understanding of program benefits and expectations for promotion of the program during student course selection

GYO Leadership Team will visit AP Spanish and Native Speaker Spanish classes to present the program to bilingual/biliterate students.

GYO Leadership Team will poll faculty members re: students with high interest and potential t

Increasing Program Enrollment:

Current Instructional Practices students speak to Principles of E&T and Human Growth & Development students to explain program advantages.

Reach out to 2019 FHS graduates who completed the program and invite them to speak to Instructional Practices students about their experience with the program and how it impacts them now in the college environment.

Reach out to current FISD teachers who began their careers as paras (D. Castillo, B. Cook, G. Abrego, D. Sierra, S. Layne, et al.) and ask them to speak to 8th and 9th grade English classes and Principles of E&T classes to talk about their experience working as a para while pursuing teacher certification. Provide honor cords to be worn at graduation for graduating seniors who complete Practicum and are accepted to an EPP.

Provide free parking passes for FHS Practicum students and reserve special parking spaces for them with signage indicating the spaces are "Future FISD Teacher Parking Only."

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

FHS E&T teacher(s), counselor, and administrator will attend TEA Summer GYO Institute.

Establish recruitment plan for 2024-2025 E&T courses

Collect baseline enrollment data at EOY(Student surveys, passing rates, college enrollment, etc.) (May 2024 and May 2025)

Develop field experience plan for Practicum students for 2024-2025 & 2025-26.

Order any needed supplies and materials for E&T courses - (district funds)

Survey 2024 graduates who participated in E&T courses regarding their experiences as it pertains to needed support and program accessibility

Collect and analyze E&T enrollment data and TAFE membership data to evaluate recruitment practices based on increase over 2023-2024 data.

Analyze E&T enrollment data to determine students' demographic alignment to overall student demographics. Does E&T enrollment mirror the student body?

G. Additional TEA Program Requirements

1. Stipend Recipient Recruitment: Describe the plan to recruit Education and Training teachers and field site teachers who are interested and eligible in participating in the program and receiving stipends. The plan must include strategies to equitably recruit diverse individuals and identify individuals with potential criteria including a demonstrated track record of success and/or achievement, involvement in student organizations and/or school activities, strong evaluation ratings, and strong relationships with students.

We already have an existing program with a Master's degreed teaching professional with a proven track record of leading and successful program. As our program grows and additional teachers are needed, we will consider the following when recruiting:

T-TESS ratings, TIA Status, pedagogy, mentoring/coaching experience/capability, sponsorship of student organizations, and high level of district involvement beyond the classroom. Masters degree given preference as well as dual credit teaching experience.

2. Program Implementation Support: Describe the types of support that will be provided to Education and Training teacher stipend recipients to ensure successful implementation of the curriculum and program. The definition of successful programming should align with the major goals/objectives of the program.

The Director of CTE will work closely with the Principal, Counselor, an E&T teacher to ensure the program receives the needed time in the Master Schedule to allow for the dual credit courses and the field experience opportunities that are needed to successfully implement and complete the program. The teacher will also be afforded the opportunity to attend any required and/or needed professional development opportunities to enhance their abilities to reach our diverse student population to ensure their success in our dual credit courses and in college after HS Graduation. Planning time as well as travel time to supervise students in their field experiences will also be accounted for in the master schedule. To ensure students are prepared for the dual credit courses, a pathway of courses leading up to the Instructional Practices & Practicum courses will be offered.
