Certification and Incorporation Statement

I hereby certify that the information contained in this application is, to the best of my knowledge, correct and that the organization named above has authorized me as its representative to obligate this organization in a legally binding contractual agreement. I further certify that any ensuing program and activity will be conducted in accordance with all applicable Federal and State laws and regulations; application guidelines and instructions; the general provisions and assurances, debarment and suspension certification, lobbying certification requirements, special provisions and assurances, and the schedules submitted. It is understood by the applicant that this application constitutes an offer and, if accepted by the Texas Education Agency or renegotiated to acceptance, will form a binding agreement.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this LOI will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
 - The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
 - The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2024-2026 Grow Your Own Education and Training for High School Pathways Program Guidelines.
 - The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2024-2026 Grow Your Own Education and Training for High School Pathways Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
 - ▼ The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.

B. TEA Program Assurances Regarding the Memorandum of Understanding

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - a. By May 31, 2024, the LEA must have a signed letter of commitment or MOU for all Education & Training teachers that receive a stipend through the Grow Your Own Grant. At minimum, the MOU should include the following: i. Grant assurances listed under "2. Education and Training Course Implementation" and "3. Education and Training Supports" ii. Agreement to serve as an Education and Training teacher of record for the full two-year grant timeline iii. Total stipend amount that the teacher will receive iv. Stipend payment schedule (disbursed over the two-year grant timeline and no earlier than Fall 2024) and payment process for the teacher recipient
 - b. If using grant funding for field site teacher stipends, the LEA must have a signed agreement for all field site teachers that receive a stipend through the Grow Your Own Grant.
 - c. If implementing dual credit Education and Training courses, by May 31, 2024, the LEA must have a signed letter of commitment or MOU for the partnering Institution of Higher Education (IHE). At minimum, the MOU should include the following: i. Grant assurances listed under "2. Education and Training Course Implementation" and "3. Education and Training Supports" ii. Length of agreement for IHE partnership
 - d. The LEA will retain documentation locally of each MOU and submit it to TEA upon request.

C. TEA Program Assurances Regarding the Education and Training Course Implementation (must be included in MOUs)

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - a. The LEA assures that each high school campus within the participating LEA will implement at least the Instructional Practices and/or Practicum courses in the Education and Training course sequence in 2024-2025, and at least both stated courses in 2025-2026, with the teachers receiving the stipend as teachers of record for both courses or either course. i. For example, the LEA selects an eligible, non-dual credit Education and Training teacher to receive a stipend through the Grow Your Own grant. The LEA pays the teacher a stipend disbursed over the two-year grant timeline starting in Fall 2024. The teacher stipend recipient serves as the teacher of record for Instructional Practices in 2024-2025 and both Instructional Practices and Practicum in 2025-2026.

 - c. All LEA high schools must establish and/or grow a chapter of a Career and Technical Student Organization (CTSO) that supports the Education and Training career cluster through either the Texas Association of Future Educators (TAFE) or Family, Career and Community Leaders of America (FCCLA) and participate in at least one competitive event per year.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

D. TEA Program Assurances Regarding Education and Training Supports (must be included in MOUs)

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - a. The LEA assures that all LEA high schools participate in a TEA-led virtual workshop in Summer 2024. All Education and Training teacher stipend recipients, principals, counselors, and LEA grant managers must attend. Participants who attended any previous Grow Your Own Summer Institutes must still attend.
 - b. The LEA assures that each Education and Training teacher stipend recipient will pilot the TEA Education and Training curriculum. If they are using a dual credit or different high-quality curriculum, the LEA must provide the corresponding scope and sequence(s) and/or evidence of course offerings.
 - e c. The LEA assures that each Education and Training teacher stipend recipient will receive TEA implementation supports and coaching by participating in online collaborative communities to be scheduled by TEA, not to exceed 6 hours per semester.
 - d. The LEA assures that Education and Training teacher stipend recipients participate in surveys and, if requested, focus groups not to exceed 1 hour per semester and administered by TEA to receive input on the Education and Training programming.
 - e. LEA grant managers shall support Practicum in Education and Training implementation, including but not limited to student scheduling, identifying field sites and field site teachers, and coordinating student transportation to field sites.

E. TEA Program Assurances Regarding Performance Reporting

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - a. LEAs shall develop a marketing and recruitment plan to increase enrollment in high school Education and Training courses. Upon request, all LEA high schools will submit their plan for marketing and student recruitment to TEA each year.
 - b. The LEA must, upon request, submit reports on progress towards performance measures to TEA. If requested, LEAs must participate in focus groups and surveys to give input on the Education and Training programming.
 - ✓ c. By May 31, 2024, all grant-funded teachers must be identified and submitted to TEA.

F. TEA Program Assurances Regarding Amendments (See the General and Fiscal Guidelines, Amending the Application)

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - a. If a teacher is unable to continue with the grant program, LEAs must file an application amendment and provide TEA with an update of the new amount of teacher stipend recipient(s) within 30 days of notification.

G. TEA Program Assurances Regarding Eligibility Requirements of Stipend Recipients

- 1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required. The LEA assures that it will select stipend recipients according to the following eligibility requirements:
 - 1. Non-dual credit teachers of record for Principles of Education and Training, Instructional Practices, and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. As of the grant start date (June 1, 2024), teachers must have been employed as a teacher within the eligible LEA during the 2023-2024 school year; participants may not be new employees of the LEA in the 2024-2025 school year. c. Teachers must show measurable evidence of student achievement within a diverse student population. d. Teachers must attend the TEA-led Summer 2024 Grow Your Own Grant workshop, implement the TEA Education and Training curriculum (unless provided evidence of other high-quality curriculum), and participate in online collaborative communities.
 - 2. Dual credit teachers of record who teach Instructional Practices and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. As of the grant start date (June 1, 2024), teachers must have been employed as a teacher within the eligible LEA during the 2023-2024 school year; participants may not be new employees of the LEA in the 2024-2025 school year.
 - 2. Dual credit teachers of record who teach Instructional Practices and/or Practicum in Education and Training c. Teachers must show measurable evidence of student achievement within a diverse student population. d. Teachers must attend the TEA-led Summer 2024 Grow Your Own Grant workshop, implement the TEA Education and Training curriculum (unless provided evidence of other high-quality curriculum), and participate in online collaborative communities. e. Teachers receiving the dual credit stipend must hold a master's degree with 18 credit hours in education and be able to be approved by the partner IHE as a dual credit instructor.
 - 3. Education and Training field site teachers a. Teachers who, along with the Education and Training stipend teacher recipient, jointly directs and supervises high school Education and Training students participating in Instructional Practices and/or Practicum in Education and Training courses. b. Teachers must show measurable evidence of student achievement within a diverse student population.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the Grow Your Own grant will address the LEA's teacher pipeline needs.

The mission of Life School's E&T program of study is to equip students with the skills necessary to prepare them for a future occupation in education. As part of this mission we partner with elementary campuses to provide a comprehensive academic learning experience that prepares students for leadership positions in the workforce and/or post secondary community. In response to high teacher turnover & a lack of qualified candidates, Life School has focused on developing a Grow Your Own (GYO) program to establish a teacher pipeline from within. In our 25 years, we have hired over 75 former students. Our students who return as staff are aligned to our mission & strategic plan, which includes providing a supportive & collaborative environment. Our recent graduates reflect our student body, allowing for increased diversity. In the last 3 years, 28 Education & Training (E&T) students graduated with their educational aide certification. Life School has employed students who have both completed their program of study and graduated from high school as aides within the district as they are completing their degrees. As a new program, there has not been enough time for the students to complete a 4-year degree and return as a teacher. We anticipate them applying for teaching positions once they have completed their degree and certification requirements. Our CTE program manager and teachers of E&T teachers track students post high school.

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed. Include each of the following individuals and a description of each role: the LEA's grant manager, LEA leaders involved in program implementation, the campus principals, college/career counselors, and teachers of participating Education and Training high schools, and any other personnel responsible for implementation the grant.

Stephanie Colwell, Chief Talent Officer - staffing, recruitment of "Teach for Life" and GYO participants, MOUs with participants EPP and IHE, budget tracking for GYO programs, stipends for E&T participants, coordination of GYO Summer Institute participants. Megan Beck, Chief Financial Officer - certifies grant applications, certifies expenditure report, and monitors budget and expenses throughout the life of the grant. Leigh Dopson, Career and Technical Education (CTE) and College, Career & Military Readiness (CCMR) Manager - oversees CTE curriculum, budget, Program of Study development, as well as college/career preparedness. Kay Bateman, Federal Programs Manager - responsible for submitting expenditure and compliance reports, submits grant applications, and monitors budget and expenses throughout the life of the grant. Freddie Stanmore, Life High School Waxahachie Principal - recruitment of "Teach for Life" and GYO participants, organizes and approves TAFE functions and competitions. Works with E&T teacher on program implementation, attends the GYO Summer Institute Day 1, and works with the counselor to ensure the course guide criteria are met. Johnathan Griffin, Life School Oak Cliff Secondary Principal - recruitment of "Teach for Life" and GYO participants, organizes and approves TAFE functions and competitions. Works with E&T teacher on program implementation, attends the GYO Summer Institute Day 1, and works with the counselor to ensure the course guide criteria are met.

	program implementation, attends the GTO Summer institute Day 1, and works with the counselor to ensure the course guide criteria are met.	
2.	Please continue the response here if needed. Please enter N/A if the additional space is not needed.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives? Include a description of the talent management strategy including your LEA's approach to recruiting, hiring, and retaining qualified teachers, related to those goals/objectives.

This program supports students through Education and Training (E&T) courses, field experiences, obtaining their educational aide certification, and offering employment as a certified educational aide upon graduation from high school. As an educational aide they complete their bachelor's degree and transition to a teaching position once they meet requirements. Life School teachers are supported by curriculum coordinators, district and campus instructional coaches, mentors and campus administration.

By the Summer of 2025, Life School will increase enrollment in its E&T courses by at least 10%. This will be accomplished by the marketing and recruitment efforts of the E&T Program of Study. Marketing and recruitment begins as early as elementary, as we place E&T students within elementary classrooms to complete practicum experience. Life school E&T students wear uniforms on a daily basis, but on the days they are going to elementary campuses they are allowed to wear their E&T shirts advertising their participation in the program. In middle school, we host an annual CTE fair for both students and parents emphasizing the different programs of study, including E&T. As they transition into high school, they meet individually with counselors as they set up their degree plans and course of study they would like to pursue in high school.

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

Students participating in our E&T courses are workforce-ready and better prepared for college degrees due to their field experience and participation in TAFE. The classes and field experience provides students with real-world exposure to the field of education, resulting in an easier transition to the workforce and a commitment to the profession.

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

We are anticipating 25 completers for 23-24 and 29 for 24-25 for the E&T POS. Current demographics are: 20% male, 80% female, 4% White, 48% AA, and 48% Hispanic. All students are active members and compete in TAFE. The number of completers has increased by 44% over the last 5 years. Of those completers, roughly 25% will return to Life School for employment after completing their 4-year degree. This is based on the knowledge that some students move away for college vs remaining closer to home. The number of graduates receiving the Educational Aide I certification has increased by 62% from last year to this year. The certification allows the student to be job ready and create teachers/potential teachers for us to hire as a district. This data is tracked through enrollment reports and CCMR spreadsheets, which are tools to measure performance. Counselors meet one-on-one with all HS students every year to discuss classes and career interests. Both schools are designated as Title I SW; therefore, we provide transportation to partner schools and pay for all certification costs, closing the opportunity gap. As a district, we have doubled the enrollment in the education & Training POS in 5 yrs. Beyond HS graduation, we send out a survey to postgraduates (all CTE who earned a certification) to follow up about career choice and the impact of CTE/certification; the results will be used for continued marketing of the program.

 School Year: 2023-2024

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

E. Budget Narrative

1. Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs. This question has been broken into two sections. Please enter "NA" for the second section if the additional space is not needed. Outline the proposed budget and amounts for funding the grant program through the following allowable uses: a. Education and Training stipend(s) disbursed over the two-year grant timeline and no earlier than Fall 2024 b. Education and Training field site teacher stipend(s) disbursed within the first, second, or both years of the grant timeline (specify accordingly) and no earlier than Fall 2024

Life School is actively growing our E&T POS. We are committing to paying stipends to 2 teachers who teach the E&T training courses. These teachers will attend the Summer 2024 TEA-led GYO Institute. Students are invested in the career path they are exploring with the E&T pathway. They are members of TAFE and compete in local and state competitions. They are provided with the opportunities and resources needed to be successful in this career path. As the E&T program has been implemented and we continue to grow, we anticipate an increase in the number of students returning to our district to become teachers. Stipends for teachers - \$11,000 two teachers (\$5,500 LHSW, \$5,500 LSOC); Implementation Costs: Transportation to and from field sites for practicum - \$850 (LHSW), CTSO event/Conference participation, membership fees, and travel \$9,150 (\$4,150 LHSW, \$5,000 LSOC). After the life of the GYO grant, state CTE funds will be used to pay for TAFE fees, supplies, and instructional materials to continue the program.

	c. Implementation costs, limited to: i. Student transportation to and from E&T field sites for Instructional Practices and/or Practicum courses ii. CTSO event/conference participation, membership fees, and travel costs iii. Substitute coverage for teachers to participate in implementation supports and CTSO activities d. Additional funding for high schools: i. Without existing E&T courses in the 2023-2024 school year, or ii. Implementing dual credit E&T courses beginning in the 2024-2025 school year

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

G. Additional TEA Program Requirements

1. Stipend Recipient Recruitment: Describe the plan to recruit Education and Training teachers and field site teachers who are interested and eligible in participating in the program and receiving stipends. The plan must include strategies to equitably recruit diverse individuals and identify individuals with potential criteria including a demonstrated track record of success and/or achievement, involvement in student organizations and/or school activities, strong evaluation ratings, and strong relationships with students.

When recruiting internal candidates, the following factors will be considered in the selection process: an acceptable or higher evaluation rating, disciplinary/attendance records, campus involvement (committee participation, parent night involvement, student activities, etc.), and the ability to build professional relationships with students which results in program retention and growth. Candidates must be able to make the extra time commitment required to supervisor students who are participating in TAFE competitions which are held outside of the school day.

2. Program Implementation Support: Describe the types of support that will be provided to Education and Training teacher stipend recipients to ensure successful implementation of the curriculum and program. The definition of successful programming should align with the major goals/objectives of the program.

Teachers sign an MOU agreeing to teach the courses required in the Education and Training Program of Study for the duration of the school year and continue the work in their TAFE chapters. The teachers also agree to attend the TEA GYO Teacher Institute each year. The teachers will receive \$2,750 each spread over the two year grant period, for a total of \$5,500 each, and paid in May of each year.

In addition, Life School provides teacher support through campus instructional coaches, PLCs between E&T teachers, and campus professional development.

Part 4: Confirmation of Payroll Requirements

Confirmation of Payroll Requirements

The grantee certifies the federally funded portion of this position and duties are reasonable, necessary, allowable and allocable under the applicable federal fund source. The grantee further certifies that it is in compliance with the federal supplement, not supplant provision applicable to each federal fund source. The grantee assures the grant-funded portion of this position and duties meet the purpose, goals, and objectives of the federal fund source. Documentation must be maintained locally by the grantee that clearly demonstrates the allowable and supplemental nature of the position, as required by each federal fund source, and will provide such documentation to TEA upon request.
