2024-2026 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this LOI will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
- The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2024-2026 Grow Your Own Education and Training for High School Pathways Program Guidelines.
- The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2024-2026 Grow Your Own Education and Training for High School Pathways Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
- The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.

B. TEA Program Assurances Regarding the Memorandum of Understanding

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- a. By May 31, 2024, the LEA must have a signed letter of commitment or MOU for all Education & Training teachers that receive a stipend through the Grow Your Own Grant. At minimum, the MOU should include the following: i. Grant assurances listed under "2. Education and Training Course Implementation" and "3. Education and Training Supports" ii. Agreement to serve as an Education and Training teacher of record for the full two-year grant timeline iii. Total stipend amount that the teacher will receive iv. Stipend payment schedule (disbursed over the two-year grant timeline and no earlier than Fall 2024) and payment process for the teacher recipient
- b. If using grant funding for field site teacher stipends, the LEA must have a signed agreement for all field site teachers that receive a stipend through the Grow Your Own Grant.
- c. If implementing dual credit Education and Training courses, by May 31, 2024, the LEA must have a signed letter of commitment or MOU for the partnering Institution of Higher Education (IHE). At minimum, the MOU should include the following: i. Grant assurances listed under "2. Education and Training Course Implementation" and "3. Education and Training Supports" ii. Length of agreement for IHE partnership
- d. The LEA will retain documentation locally of each MOU and submit it to TEA upon request.

C. TEA Program Assurances Regarding the Education and Training Course Implementation (must be included in MOUs)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- a. The LEA assures that each high school campus within the participating LEA will implement at least the Instructional Practices and/or Practicum courses in the Education and Training course sequence in 2024-2025, and at least both stated courses in 2025-2026, with the teachers receiving the stipend as teachers of record for both courses or either course. i. For example, the LEA selects an eligible, non-dual credit Education and Training teacher to receive a stipend through the Grow Your Own grant. The LEA pays the teacher a stipend disbursed over the two-year grant timeline starting in Fall 2024. The teacher stipend recipient serves as the teacher of record for Instructional Practices in 2024-2025 and both Instructional Practices and Practicum in 2025-2026.
- b. To receive a stipend for teaching dual credit, an Education and Training teacher must hold a master's degree in an education-related field and be the teacher of record for at least one dual credit course section in 2024-2025 and two dual credit course sections in 2025-2026 within the Education and Training course sequence.
- c. All LEA high schools must establish and/or grow a chapter of a Career and Technical Student Organization (CTSO) that supports the Education and Training career cluster through either the Texas Association of Future Educators (TAFE) or Family, Career and Community Leaders of America (FCCLA) and participate in at least one competitive event per year.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3013 - Program Plan

D. TEA Program Assurances Regarding Education and Training Supports (must be included in MOUs)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- a. The LEA assures that all LEA high schools participate in a TEA-led virtual workshop in Summer 2024. All Education and Training teacher stipend recipients, principals, counselors, and LEA grant managers must attend. Participants who attended any previous Grow Your Own Summer Institutes must still attend.
 - b. The LEA assures that each Education and Training teacher stipend recipient will pilot the TEA Education and Training curriculum. If they are using a dual credit or different high-quality curriculum, the LEA must provide the corresponding scope and sequence(s) and/or evidence of course offerings.
 - c. The LEA assures that each Education and Training teacher stipend recipient will receive TEA implementation supports and coaching by participating in online collaborative communities to be scheduled by TEA, not to exceed 6 hours per semester.
 - d. The LEA assures that Education and Training teacher stipend recipients participate in surveys and, if requested, focus groups not to exceed 1 hour per semester and administered by TEA to receive input on the Education and Training programming.
 - e. LEA grant managers shall support Practicum in Education and Training implementation, including but not limited to student scheduling, identifying field sites and field site teachers, and coordinating student transportation to field sites.

E. TEA Program Assurances Regarding Performance Reporting

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- a. LEAs shall develop a marketing and recruitment plan to increase enrollment in high school Education and Training courses. Upon request, all LEA high schools will submit their plan for marketing and student recruitment to TEA each year.
 - b. The LEA must, upon request, submit reports on progress towards performance measures to TEA. If requested, LEAs must participate in focus groups and surveys to give input on the Education and Training programming.
 - c. By May 31, 2024, all grant-funded teachers must be identified and submitted to TEA.

F. TEA Program Assurances Regarding Amendments (See the General and Fiscal Guidelines, Amending the Application)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- a. If a teacher is unable to continue with the grant program, LEAs must file an application amendment and provide TEA with an update of the new amount of teacher stipend recipient(s) within 30 days of notification.
 - b. LEAs must file application amendments within 7 days of a request from TEA.

G. TEA Program Assurances Regarding Eligibility Requirements of Stipend Recipients

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required. The LEA assures that it will select stipend recipients according to the following eligibility requirements:
- 1. Non-dual credit teachers of record for Principles of Education and Training, Instructional Practices, and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. As of the grant start date (June 1, 2024), teachers must have been employed as a teacher within the eligible LEA during the 2023-2024 school year; participants may not be new employees of the LEA in the 2024-2025 school year. c. Teachers must show measurable evidence of student achievement within a diverse student population. d. Teachers must attend the TEA-led Summer 2024 Grow Your Own Grant workshop, implement the TEA Education and Training curriculum (unless provided evidence of other high-quality curriculum), and participate in online collaborative communities.
 - 2. Dual credit teachers of record who teach Instructional Practices and/or Practicum in Education and Training a. Teachers must hold a standard or life teacher certificate in the state of Texas (note: any Texas teaching certificate qualifies teachers to teach Principles of Education and Training, Instructional Practices, and Practicum in Education and Training). b. As of the grant start date (June 1, 2024), teachers must have been employed as a teacher within the eligible LEA during the 2023-2024 school year; participants may not be new employees of the LEA in the 2024-2025 school year.
 - 2. Dual credit teachers of record who teach Instructional Practices and/or Practicum in Education and Training c. Teachers must show measurable evidence of student achievement within a diverse student population. d. Teachers must attend the TEA-led Summer 2024 Grow Your Own Grant workshop, implement the TEA Education and Training curriculum (unless provided evidence of other high-quality curriculum), and participate in online collaborative communities. e. Teachers receiving the dual credit stipend must hold a master's degree with 18 credit hours in education and be able to be approved by the partner IHE as a dual credit instructor.
 - 3. Education and Training field site teachers a. Teachers who, along with the Education and Training stipend teacher recipient, jointly directs and supervises high school Education and Training students participating in Instructional Practices and/or Practicum in Education and Training courses. b. Teachers must show measurable evidence of student achievement within a diverse student population.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the Grow Your Own grant will address the LEA's teacher pipeline needs.

Richardson ISD has offered a Career & Technical Education pathway aimed at growing future teachers for over 30 years. What started as a small program at one high school with one teacher has grown into a district and community wide initiative. The RISD Teaching Pathway, now referred to as our Grow2Teach PTECH Academy, currently serves 400 students from all four high schools. Our CTE Teaching pathway begins in grade eight with the opportunity for students to earn high school credit in Principles of Education. It continues through grade 12, allowing students to take classes in Child Development, Instructional Practices, Practicum of Education and earn an Educational Aide Certificate. Most recently, RISD has partnered with Dallas College to offer an Associate of Arts in Teaching. Our mission is to continue to increase and diversify our current teacher pipeline until we can hire all future teachers and educational aides from our own GYO program. Our specific need, which can be met through these grant funds, is to retain quality CTE teachers who hold a Master's degree in Education, so they are able to become the credentialed instructors of our dual credit education courses. We are confident that this model will provide our students with the acceleration needed to complete the teacher certification requirements and return to teaching in Richardson ISD, completely or nearly debt free.

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed. Include each of the following individuals and a description of each role: the LEA's grant manager, LEA leaders involved in program implementation, the campus principals, college/career counselors, and teachers of participating Education and Training high schools, and any other personnel responsible for implementation the grant.

The existing positions of Director of Career and Technical Education will collaborate with the Executive Director of Federal Programs and Grants as well as the Executive Director of Human Resources to oversee implementation, delivery, and compliance of this project. The other personnel involved in the delivery of this project include the Education and Training teachers. In Richardson ISD we have recently partnered with Dallas College to launch the Associate of Arts in Teaching. Because of that, we require that our Education and Training teachers hold a current valid certification and a Master's degree in Education. They are required to go through the credentialing process for Dallas College. In addition, the teachers will be required to be trained as a TAFE sponsor and serve as a campus TAFE sponsor. Other personnel that will help to support the work include the CTE and Dual Credit Specialists, counselors, Instructional coaches, cooperating teachers to oversee student interns, and the Dallas College Success Coaches.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives? Include a description of the talent management strategy including your LEA's approach to recruiting, hiring, and retaining qualified teachers, related to those goals/objectives.

The major goals of this program include: recruiting and retaining qualified Education and Training teachers; increasing our enrollment and completion rate of our Education and Training pathway; increasing our enrollment and retention of our AAT program; and diversifying our future teacher pipeline to meet the growing educational needs of our district. Richardson ISD recently adopted Strategic Plan 2023-2028. This new, five-year plan is a commitment that RISD will reimagine the way we recruit and retain quality staff through comprehensive strategies. The specific goals included are as follows: Attract and hire high-quality and diverse teachers and staff; Retain high-quality, diverse, and experienced teachers and staff; Provide competitive compensation, incentives and benefits that attract and retain high-quality and diverse teachers and staff; and Cultivate a culture based on mutual trust and respect in which all employees feel heard and valued and that promotes the recruitment and retention of a high-quality and diverse staff. In addition, the Grow 2 Teach Program is exclusively available to Richardson ISD students who want to pursue a career in teaching and education. RISD high school students who successfully complete requirements within the CTE Teaching Internship program are eligible. Students meeting the requirements will earn a Letter of Invitation from the Richardson ISD Human Resources Department for a future professional teaching position.

2. Please continue the response here if needed. Please enter N/A if the additional space is not needed.

A new strategy that we have added to this is to also offer students the opportunity to return as an Educational Aide immediately upon graduation. This would allow students to work as an aide, while they finish their teacher certification, continuing the relationship with the district and deepening their experience in the classroom.

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

One of the most important performance indicators for this program is the number of high quality teachers who are leading our CTE Education and Training pathways. It is our hope that we will use this program to recruit and/or retain certified, high quality teachers who have a Master's degree in Education and qualify to be credentialed as a dual credit instructor. In addition, another vital performance indicator will be student enrollment and retention, in not just our CTE Education pathway, but also specifically in our Associate of Art in Teaching pathway. It is our belief that having qualified, credentialed teachers in place will have a direct impact on our enrollment, retention, and completion. We also plan to measure TAFE participation and success, as we feel that there is correlation between success in TAFE and long term completion in our pathway and teacher certification and success. Ultimately, we hope to see an increase in the Richardson local teacher pipeline participation, specifically measuring the percentage of program participants who successfully complete their training and enter the teaching profession, thereby addressing teacher shortages and promoting local talent development.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

E. Budget Narrative

- Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs. This question has been broken into two sections. Please enter "NA" for the second section if the additional space is not needed. Outline the proposed budget and amounts for funding the grant program through the following allowable uses: a. Education and Training stipend(s) disbursed over the two-year grant timeline and no earlier than Fall 2024 b. Education and Training field site teacher stipend(s) disbursed within the first, second, or both years of the grant timeline (specify accordingly) and no earlier than Fall 2024

The main purpose of the funds allocated to this project will be used to provide stipends to our Education and Training teachers. It is our goal to have four dual credit credentialed teachers, which would require \$5,500 stipends per teacher per year beginning in Fall of 2024, and an additional \$5,500 for year two per teacher, which would require a total of \$44,000 in stipends over the two year period. We believe that offering stipends provides a competitive edge in attracting high-quality teachers to our district. In today's competitive job market, competitive compensation is essential for attracting top talent. By offering stipends, we can incentivize highly qualified educators to join our team and remain committed to our district. Stipends provide much-needed financial support to educators, many of whom face financial challenges due to low salaries and high living costs. Financial assistance in the form of stipends can help alleviate financial burdens, making teaching a more viable and attractive career option for individuals who may otherwise be deterred by financial constraints. Currently we have provided stipends to our Education and Training teachers using TCLAS funds, which are set to expire. If awarded this grant, we hope to continue these stipends using the GYO grant funds for the next two years, then adjusting our current budget as needed to be able to continue providing some type of competitive stipend in the future to sustain this program.

- c. Implementation costs, limited to: i. Student transportation to and from E&T field sites for Instructional Practices and/or Practicum courses ii. CTSO event/conference participation, membership fees, and travel costs iii. Substitute coverage for teachers to participate in implementation supports and CTSO activities d. Additional funding for high schools: i. Without existing E&T courses in the 2023-2024 school year, or ii. Implementing dual credit E&T courses beginning in the 2024-2025 school year

The remaining \$6,000 in funds associated with this grant will be dedicated to supporting TAFE CTSO participation, membership fees, and travel costs.

G. Additional TEA Program Requirements

1. Stipend Recipient Recruitment: Describe the plan to recruit Education and Training teachers and field site teachers who are interested and eligible in participating in the program and receiving stipends. The plan must include strategies to equitably recruit diverse individuals and identify individuals with potential criteria including a demonstrated track record of success and/or achievement, involvement in student organizations and/or school activities, strong evaluation ratings, and strong relationships with students.

To ensure effective recruitment of a high quality, diverse teacher pool, RISD plans to first conduct an equity assessment of current recruitment practices to identify any biases or barriers that may hinder the recruitment of diverse individuals. In addition, we will then implement targeted outreach strategies to reach diverse candidates, including individuals from underrepresented racial and ethnic backgrounds and veterans. We will actively collaborate with community organizations, professional associations, and minority-serving institutions to expand the recruitment pool. We also plan to use the stipend to recruit from local colleges and will use state and region wide posting opportunities to find the best possible candidates.

2. Program Implementation Support: Describe the types of support that will be provided to Education and Training teacher stipend recipients to ensure successful implementation of the curriculum and program. The definition of successful programming should align with the major goals/objectives of the program.

We will begin by pairing our Education and Training CTE teachers with experienced mentors who can provide invaluable guidance, support, and professional development opportunities. These teachers will also be a part of a monthly CTE teacher professional development academy that focuses on best practices. Our CTE department will also provide access to high-quality curriculum resources, instructional materials, and lesson plans specific to supporting Education and Training teachers in planning and delivering engaging and effective instruction. Access to digital resources, textbooks, lab equipment, and other teaching materials can enhance the quality of instruction and student learning experiences. Layers of support will be provided for the task of delivering dual credit instruction, including a College Success Coach provided by Dallas College, PTECH support teams, and a campus advanced academics counselor. RISD will also seek out training opportunities for our teachers that specialize in hidden bias in teaching and professional learning that focuses on equity-oriented, anti-racist, and humanizing pedagogy. Finally, the CTE team will support Ongoing CTSO participation in an effort to increase growth and readiness in students and program enrollment and retention.
