### 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

# Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

#### A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the program will address the mission and needs.

Recruitment and retention of high-quality teachers is more challenging than ever, especially for teachers in hard to fill areas. Azle ISD is committed to recruiting high-quality teachers, implementing a sustainable salary scale, strategic staffing plan, and developing an overall program that rewards and recruits high-quality teachers. A key component of finding high-quality teachers is the recruitment of students who are in university educational programs. Due to a lack of student enrollment in university education programs, competition for new teachers is fierce. Paid teacher residencies allow Azle ISD to be competitive in our recruitment of aspiring teachers. Azle ISD feels confident that we are developing an outstanding residency system, and once residents are placed in our district, we will have an excellent chance of retaining them as full time teachers.

#### B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed.

Primary project personnel involved in the Paid Teacher Residency program will have experience that reflects the district goal of recruitment and retention of highly effective teachers.

Qualifications—5 years experience in the public school setting required. Campus, HR, and Finance administrative backgrounds preferred. Proven effective leadership experience required.

- Executive Director of Educational Leadership-this person leads the Azle ISD Human Resources and Curriculum Departments and actively manages the Azle ISD TASB Staffing Review and TASB Compensation Plan review and is currently the program manager of the TEA Strategic Compensation Grant. Also, the individual is responsible for the initial development of the current paid residency affiliation with Tarleton State University.

- Personnel and Grant Compliance Coordinator- experienced Human Resources employee who has actively participated in all TASB studies, the Strategic Compensation Grant, paid residency programs, and TIA.

No additional staffing is proposed. All positions are existing positions.

#### C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives?

Teacher recruitment and retention greatly affects student learning. The number one impact on student learning is the classroom teacher, and finding highly effective teachers for each classroom is a major goal of Azle ISD. Students enrolled in university education programs want to be educators and are being trained to be educators. Our objective is to recruit people who want to be teachers, and provide them with the supports they need to be successful and highly effective. Azle ISD strategies include providing a paid residency, providing high quality paid mentors, and providing support and monitoring from the highest levels of district administration. The Azle ISD Superintendent has been an active participant in our governance meetings with Tarleton State University and was a Azle ISD welcome agent and active participate in our Spring 2024 Tarleton paid resident onboarding. The presence and participation of our superintendent is indicative of our commitment to paid residents and the recruitment and training of highly effective teachers. Other strategies include, scheduled cohort meetings with central administration and the superintendent to address needs, surveys to provide opportunities for feedback, mentor training and required record-keeping, classroom supplies, and other supportive measures.

Azle ISD campus administration use TTESS and conducts formal and informal observations throughout the year. Likewise, the university has scheduled performance assessment cycles that include site coordinator walkthroughs, observations, conferences, and scheduled governance meetings with mentor teachers and district administration. ## 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

### **Program Description PS3014 - Program Narrative**

#### **G. TEA Program Requirements**

1. 1. Description of instructional and talent development needs and strategies: The program elements describe how teacher residencies will be made sustainable

through strategic staffing models where residents support other instructional needs in the district/charter, such as substitute teaching or para-professional responsibilities (among other options). Describe the instructional and talent pipeline needs of your LEA. a. What vacancies (if any) exist in your district? b. What other instructional needs exist? How could residencies address this issue? (e.g., Tutoring support, small group Tier I support, etc.) c. How do paid teacher residencies fit into your broader talent strategy this year? For the next five years?
Azle ISD is faced with staffing challenges in many areas, but special education, bilingual education, and core content areas are the most difficult vacancies to fill.
Azle ISD teacher residents provide many supports including Tier I small group instruction and tutoring, but have also provided much needed social and emotional care for students. Teacher residents have been especially beneficial in providing one on one support for students who are struggling in reading.
Azle ISD has a goal of recruiting and retaining high-quality teachers. Teacher residency programs have demonstrated ongoing success equipping and retaining highly effective teachers. Azle ISD has been actively involved and will remain committed to teacher residents for this year and well into the future. Azle will always invest in opportunities to engage with individuals who have benefited from strong educator preparation programs. Paid teacher residents are part of the strategic staffing of Azle ISD. Currently, teacher residents are allowed to substitute teach one day a week. This opportunity helps reduce our substitute costs and the savings are used to support teacher resident costs.
2. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

3. 2. Commitment of local resources: Please review the Program Elements section of the program guidelines. How will you, alongside your partner EPP, commit resources and time to 1) the year-long design process and 2) the implementation support year? Please share the following information: a. Who from the district/charter will be leading this work? Is their role a new or existing one? b. How does their role fit into broader talent management at your district? c. How will you track and maintain evidence of this district/charter lead's time? d. What will the person in this role do after the grant ends? How might you fund this role after the grant ends?
Jessica Hanson is the Azle ISD Executive Director of Educational Leadership. This is an existing role and will continue to be funded by the district after the conclusion of the grant. Mrs. Hanson has been the Azle lead for our current Teacher Resident partnership with Tarleton State University, Azle TEA Strategic Compensation grant, and the Azle TASB Staffing and Compensation Reviews. She has coordinated the new teacher orientations, overseen the mentor program, and been the lead person for Azle ISD for recruitment and retention of high-quality teachers. Her expertise as a SHRM certified Human Resources expert and as a former campus principal with curriculum and instructional expertise provides the district with outstanding leadership for the Teacher Resident program. Azle ISD, led by Mrs. Hanson, has entered into an MOU with Tarleton State University and both parties have committed to the partnership requirements of active participation, time, and resources.
4. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

5. 3. Description of partnership foundations: Applicants may have one or more EPP partners from the 2023-2024 Vetted Teacher Residency Program List (link located on TEA Grant Opportunities page). Please list your partner(s) and the following partnership foundations information: a. If applicable, how many years have you been engaged in a residency partnership? If the EPP partnership is new, how did your LEA staff decide to partner with this EPP? b. If applicable, how many residents have you placed each year of that partnership?
Existing partnership-Tarleton State University.  Azle ISD began conversations with Tarleton during the Spring and Summer of 2022. During the Summer and Fall of 2022, Azle and Tarleton worked to together and prepared for the placement of teacher residents to begin in January of 2023.  Azle ISD hosted 6 Tarleton Residents beginning in January 2023. The residents returned for the Fall semester of the 2023-2024 school year and finished in December 2023.  Azle ISD currently has 7 Tarleton Residents. These residents started in January 2024 and will conclude at the end of the Fall semester of the 2024-2025

### 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

# Program Description PS3014 - Program Narrative

6.	c. If applicable, describe your practices for shared governance, or the review of residency program data to inform shared decision-making about teacher
	candidate and host teacher supports. How often do you meet with your EPP partners to review this data? As a partnership, how do you manage follow-up and
	response to data? If the partnership is new, describe what plans you and the EPP have for the questions above. d. Describe any other key features of your
	partnership's progress toward building a residency program.

Leaders will conduct the quarterly governance meetings and collect, organize, and disaggregate Teacher Resident and program data including, but not limited to:

Governance meeting include:

Dean of the College of Education, Associate Dean of the College of Education, Department Head, Curriculum & Instruction, Director of Educator Preparation Services, Azle ISD Executive Director of Educational Leadership, Azle ISD Superintendent, Azle ISD Personnel and Grant Compliance Coordinator, and Azle ISD campus principals where residents are placed.

7. 4. Commitment to shared communication: Describe how you will maintain strong communication throughout the design and implementation of the sustainable teacher residency program with your EPP partners and your technical assistance provider. a. How will you demonstrate evidence of communication and ongoing engagement with your partner and provider? b. If this is an existing partnership, what shared processes or norms do the LEA staff and EPP faculty currently have in place in order to address issues with residency (e.g., challenges for residents, host teachers, school sites, etc.)? c. If this is a new partnership, how does the LEA plan to work with the EPP to manage issues that arise with residency (e.g., challenges for residents, host teachers, school sites, etc.)?

Existing partnership-

	Azle ISD and Tarleton State University have developed strong communication channels. Our close proximity to both the Fort Worth campus and the homes of current Tarleton staff allows for in-person contact to occur more frequently than most partnerships. The district and university have established open lines of communication with multiple parties from each entity. Phone and email correspondence is on-going with all stakeholders and meetings are documented via calendar invites, email and phone logs. Many Azle ISD central office administrators are graduates of Tarleton and have developed personal and professional relationships with Tarleton staff members which helps to strengthen the partnership communication.
