Certification and Incorporation Statement

I hereby certify that the information contained in this application is, to the best of my knowledge, correct and that the organization named above has authorized me as its representative to obligate this organization in a legally binding contractual agreement. I further certify that any ensuing program and activity will be conducted in accordance with all applicable Federal and State laws and regulations; application guidelines and instructions; the general provisions and assurances, debarment and suspension certification, lobbying certification requirements, special provisions and assurances, and the schedules submitted. It is understood by the applicant that this application constitutes an offer and, if accepted by the Texas Education Agency or renegotiated to acceptance, will form a binding agreement.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this IDC will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
 - The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
 - The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program Program Guidelines.
 - The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
 - The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.

B. Program Assurances Regarding Applicant-EPP Partnership

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- A. The applicant must assure that they have a signed letter of commitment with an educator preparation program included on the Vetted Teacher Residency Program list. The letter should confirm the partnership with the applicant for year-long residencies, and the EPP's commitment to strategic staffing efforts and partnership responsibilities outlined in the grant assurances.
 - B. The applicant must assure that they will hold structured governance meetings with their EPP partner at least quarterly to analyze teacher resident data and develop plans for teacher residency continuous improvement during the SY 25-26 residency implementation year.
 - C. The applicant must assure that they will provide preferential hiring, to the greatest extent possible, to teacher residents who have successfully completed the teacher residency program and received standard certification.
 - D. The applicant must assure that they will report the following data to TEA during the SY 25-26 grant implementation year: I. Number of teacher residents participating in the year-long teacher residency, II. Demographics of teacher residents participating in the program, III. Number and type of teacher certifications awarded to teacher residents IV. Selected staffing models implemented

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3013 - Program Plan

C. Texas Strategic Staffing (TSS) Technical Assistance for Design and Implementation and Shared District/Charter and EPP

Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- A. The applicant and their EPP partner(s) assure to sign a letter of commitment or an established memorandum of understanding (MOU) with the regional Texas Strategic Staffing technical assistance provider or, where necessary, TEA appointed technical assistance provider.
 - B. The applicant must assure that the lead point-person would be engaged in all the strategic staffing responsibilities during the design and implementation year, including coordinating with other key district/charter leadership at various points of the design process, and manage implementation year.
 - C. The applicant must assure they will work closely with a technical assistance provider for the 24-25 and 25-26 school years to make key decisions and design structures that enable internal capacity to continue the strategic staffing models without the support of the technical assistance provider in SY 2026-2027 and beyond.
 - D. The applicant and their partner EPP(s) must assure they will set shared goals for district/charter paid resident placements in mutually beneficial staffing model positions.
 - E. The applicant and EPP partner must assure that the teacher resident year-long clinical teaching assignment provides candidates with one full school year of clinical teaching, to include the first and last day of school, in a classroom with a qualified host teacher in the classroom teaching assignment(s) that matches the certification category sought by the candidate. The residency must include a minimum of 750 hours in total, with a minimum of 21 hours per week during a school week that does not include closures or disruptions, and the program must document reduced clinical experience hours during weeks with closures or disruptions. (Please note: Updates to this requirement may occur pending State Board of Educator Certification (SBEC) revisions to Texas Administrative Code establishing rules for vetted residency programs. Requirements for the residency experience will align with any rules adopted into TAC for 24-25 or 25-26.)
 - F. The applicant and EPP partner must assure that they will provide training and support in mentorship and co-teaching best practices for host teachers.
 - G. The applicant and EPP partner must assure that they will adhere to all educator preparation program requirements in the Texas Administrative Code (TAC).
 - H. The applicant must assure that a designated team of district/charter, campus, and partner EPP-level leaders will actively participate in strategic staffing model training and technical assistance support activities beginning in SY 2024-2025. The designated team must include at least one district/charter and EPP-level leader and a selected set of leaders from each campus on which teacher residents are placed.
 - I. The applicant and EPP must attend sustainability meetings with their technical assistance provider each semester of SY 2025-2026 implementation year in order to determine sustainable strategic staffing model and funding sources after the life of the grant.
 - J. The applicant must assure that they will design and implement a strategic staffing model plan that will ensure that the teacher residency model will be sustainable, fully-funded by district/charter dollars, by SY 2025-2026. The plan must include sustainable funding for teacher resident stipends/salaries.

D. Program Assurances Regarding High-Quality, Sustainable Residency Funding

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- A. The applicant must assure that they will provide each teacher resident placed within the district/charter a stipend. Districts/Charters will work with their EPP to mutually agree on a stipend amount. The minimum recommended stipend amount per resident is \$10,000-\$12,000 per year; districts and EPPs should make a good faith effort to get as close as possible to (or higher than) the recommended stipend amount.
 - B. The applicant must assure that they will allocate and use the residency and strategic staffing implementation funding specifically for program specific requirements.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the program will address the mission and needs.

College Station ISD respectfully requests grant funding to continue the work that we have already done to implement teacher residencies in our district while also engaging with a new EPP partner. During the TCLAS grant, we were partnered with Texas A&M University and placed 45 residents within our district. Because TAMU is no longer a vetted EPP, College Station ISD would like to create a new partnership with Sam Houston State University so that we can continue training residents in our school district. This will require a return to the design phase of development, but we will be well-equipped with knowledge and experience in order to quickly make this new residency partnership successful from the very beginning.

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed.

Because College Station ISD participated in the TCLAS Decision 5 grant opportunity, we have a plethora of knowledgeable faculty and staff to ensure successful implementation of the program. The upcoming grant, if awarded, will be led by the Executive Director of Elementary Education, who organized all residency activities and program requirements from 2021-2024. Additionally, the program will be supported by the Director of Human Resources, who previously served as a member of the governance committee for the existing residency program. The Executive Director of Elementary Education serves as a member of the superintendent's cabinet and has direct communication with other senior leadership in the district regarding programmatic decisions. Further, the Director of Human Resources has the ability to analyze and to make recommendations for ways to fund the residency through strategic staffing.

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives?

Goals and objectives of the program include:

- a) Host a minimum of five teacher residents during each school year, fully funded through district resources
- b) Increased student performance in classrooms where a resident is present as a co-teacher, measured by STAAR data and district formative assessments
- c) Hire 100% of teacher residents as teachers in CSISD upon their graduation and certification

These goals will be accomplished using the following strategies:

- a) Work with the new EPP (Sam Houston State University) to vet residency candidates to ensure the very best candidates are selected for the program
- b) Work with the EPP and technical service provider to evaluate additional funding sources in the district and their viability; these include residents as substitutes, exchanging paraprofessional positions for resident positions, and the use of Title I funds for the residency program
- c) Train residents, mentors, and campus administrators on co-teach best practices and use of student data to drive instruction to ensure that students are the ultimate beneficiaries of the residency program
- d) Prioritize and recruit residents for the staffing areas of highest need within the district, including special education and bilingual education

2. If needed, use this space to continue the Goals, Objectives and Strategies response. Enter N/A if the additional space is not needed.

N/A

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

College Station ISD is committed to working in partnership with the EPP and TSS to monitor performance throughout the life of the grant while also providing necessary evaluation data to TEA and any other partners. Data collection will include interviews with administrators, residents, and mentor teachers, surveys, and student performance data on NWEA MAP, district common assessments, and STAAR.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

E. Budget Narrative

1. Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs.

Grant funds will be utilized for district staff time to plan and implement the residency program in partnership with the EPP and technical service provider. While College Station ISD has previously implemented a residency program, partnering with the new provider will require a return to the planning and strategic design phase while also closely working together during implementation to ensure success of the resident as well as the program. Some funds will be required for travel so that in-person meetings can be held with the governance group as well as site visits on campuses who host residents.

2. If needed, use this space to continue the Budget Narrative response. Enter N/A if the additional space is not needed.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

F. Request for Grant Funds

List all of the allowable grant-related activities for which you are requesting grant funds. Include the amounts budgeted for each activity. Group similar activities and costs together under the appropriate heading. This section takes the place of the budget schedules during the initial submission process. If selected for award, applicants will be required to budget planned expenditures in the budget schedules provided by eGrants during negotiations.

1. Payroll Costs-Include a description of the cost(s) and a dollar amount. If you will not be budgeting in this class/object code, please enter "N/A" or "\$0."

\$70,000 - a percentage of time and effort for two district leadership staff members to coordinate all aspects of the residency program

2. Professional and Contracted Services-Include a description of the cost(s) and a dollar amount. If you will not be budgeting in this class/object code, please enter "N/A" or "\$0."

N/A

3. Supplies and Materials-Include a description of the cost(s) and a dollar amount. If you will not be budgeting in this class/object code, please enter "N/A" or "\$0."

N/A

4. Other Operating Costs-Include a description of the cost(s) and a dollar amount. If you will not be budgeting in this class/object code, please enter "N/A" or "\$0."

\$10,000 for travel costs for governance meetings and site visits

5. Total Grant Award Requested- Be sure to include the sum of the amounts in all class/object codes and any administrative costs in this total. Only a dollar amount will be accepted for this answer.

\$80,000

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

G. TEA Program Requirements

1. Description of instructional and talent development needs and strategies: The program elements describe how teacher residencies will be made sustainable through strategic staffing models where residents support other instructional needs in the district/charter, such as substitute teaching or para-professional responsibilities (among other options). Describe the instructional and talent pipeline needs of your LEA. a. What vacancies (if any) exist in your district? b. What other instructional needs exist? How could residencies address this issue? (e.g., Tutoring support, small group Tier I support, etc.) c. How do paid teacher residencies fit into your broader talent strategy this year? For the next five years?

College Station ISD has several staffing and pipeline needs that can be met through the residency program. First, we continue to have a shortage of substitute teachers, with our fill-rate regularly dipping into the low 70% range. When fill rates are low, it impedes our ability to offer training to teachers during the course of the school day because training sessions must be canceled at the last minute. Having available teacher residents will allow us to plan staff training activities on days that residents are available to sub, resulting in many fewer cancellations. Additionally, residents in our current model are utilized in small group and accelerated instruction in order to ensure that all students are learning at high levels. Preliminary data shows that students in a classroom with a resident as co-teacher demonstrate greater growth and achievement than classrooms without a resident.

Additionally, the residency program allows us to target and train teachers in our hard to fill areas such as special education and bilingual education. We frequently find ourselves with long-term vacancies in special education and under-certified teachers in our bilingual classrooms. During the 23-24 school year, we had 9 special education teacher vacancies in the fall semester and 6 in the spring semester. The residency program will allow us to target those areas and fill areas that have consistently been a staffing need.

2. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

3. 2. Commitment of local resources: Please review the Program Elements section of the program guidelines. How will you, alongside your partner EPP, commit resources and time to 1) the year-long design process and 2) the implementation support year? Please share the following information: a. Who from the district/charter will be leading this work? Is their role a new or existing one? b. How does their role fit into broader talent management at your district? c. How will you track and maintain evidence of this district/charter lead's time? d. What will the person in this role do after the grant ends? How might you fund this role after the grant ends?

The Director of Human Resources will lead the work during the design process and implementation year, with the assistance of the Executive Director of Elementary Education. The Executive Director has led this work previously and has the background knowledge and experience to work alongside the HR Director as she learns about the program. While the HR Director is an existing role, it will allow the Human Resources department to maintain a focus on recruitment and training of quality staff. These two positions will complete time and effort documentation in order to track and maintain evidence of time on the project. Once the grant ends, the leaders will continue to organize the acceptance and training of teacher residents while using local funds to support these positions. Funding will come from the savings associated with strategic staffing models.

4. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

5. 3. Description of partnership foundations: Applicants may have one or more EPP partners from the 2023-2024 Vetted Teacher Residency Program List (link located on TEA Grant Opportunities page). Please list your partner(s) and the following partnership foundations information: a. If applicable, how many years have you been engaged in a residency partnership? If the EPP partnership is new, how did your LEA staff decide to partner with this EPP? b. If applicable, how many residents have you placed each year of that partnership?

Our EPP partner for this grant is Sam Houston State University. College Station ISD has worked with SHSU to place student teachers for many years, but this will be our first partnership in residency work. In consultation with our technical assistance provider at Region 6, we decided that expanding our partnership with SHSU into the residency model would be in the best interest of both the university and the district, and we look forward to the opportunity to work together in this expanded capacity. With our previous EPP partner, College Station ISD has placed 10-20 residents per school year.

SAS#: TSSGAA24

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

6. c. If applicable, describe your practices for shared governance, or the review of residency program data to inform shared decision-making about teacher candidate and host teacher supports. How often do you meet with your EPP partners to review this data? As a partnership, how do you manage follow-up and response to data? If the partnership is new, describe what plans you and the EPP have for the questions above. d. Describe any other key features of your partnership's progress toward building a residency program.

Because this partnership is new, the lead professionals from the district, EPP, and technical assistance provider will meet at the beginning of the grant period to outline practices of shared governance and decision making, as well as host supports. Because both the district and the EPP have existing partnerships with other entities, we will be able to discuss best practices from our experiences and make a plan that will best serve our teachers and students. We will plan to meet four times per school year to review program data and outline follow up steps and responsibilities for each party. Data reviewed will include mentor and resident feedback and student performance data.

7. 4. Commitment to shared communication: Describe how you will maintain strong communication throughout the design and implementation of the sustainable teacher residency program with your EPP partners and your technical assistance provider. a. How will you demonstrate evidence of communication and ongoing engagement with your partner and provider? b. If this is an existing partnership, what shared processes or norms do the LEA staff and EPP faculty currently have in place in order to address issues with residency (e.g., challenges for residents, host teachers, school sites, etc.)? c. If this is a new partnership, how does the LEA plan to work with the EPP to manage issues that arise with residency (e.g., challenges for residents, host teachers, school sites, etc.)?

In this new partnership, the EPP and district will create a handbook for information about handling issues that may come up during the course of residency as well as to outline the communication plan and pathways. Communication will occur in the four yearly governance meetings as well as on an "as needed" basis throughout the year. Further, the district and EPP partner will develop a timeline of tasks to be completed (such as recruiting, interviewing, training, etc.) and communicate progress toward completion throughout the life of the grant.

8. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

9. 5. If you have previously engaged in Strategic Staffing or previously received Texas COVID Learning Acceleration Supports (TCLAS) Decision 5 or the 23-25 Strategic Staffing grants, describe your plans for this grant. a. What data is driving the decision to engage in another cycle of design and implementation of Strategic Staffing? b. What new instructional needs have arisen? c. What are your goals for this second round of design? The second year of implementation? If your district has not previously engaged in Strategic Staffing, please enter N/A.

College Station ISD previously partnered with Texas A&M University to develop a residency program for the district. While College Station ISD has completed all tasks associated with the program to a high degree of success, Texas A&M failed to meet the requirements to remain a vetted EPP. As a result, College Station has sought out a new partnership with Sam Houston State that will allow the great work of our program to continue while we learn and grow with a new partner. This will require the district to engage in a design year again, but we will do so with high-quality experience and understanding of what the residency program entails. Our residents have not only been a great source of staffing for us, they have also served to curtail some substitute shortages and shown increased student outcomes. For these reasons, continuing the residency program is highly desirable for the district.

10. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

11. 6. For districts/charters that have engaged in an Effective Schools Framework (ESF) diagnostic process during or before the 23-24 school year, please provide the year the district went through the diagnostic and the priority focus area in the space below. If your district is also taking part in the 23-24 pilot of Texas Strategic Leadership (TSL), please note this here. If this question does not apply you, please enter N/A.

Part 4: Confirmation of Payroll Requirements

Confirmation of Payroll Requirements	
1. <input type="checkbox"/> The grantee certifies the federally funded portion of this position and duties are reasonable, necessary, allowable and allocable under the applicable federal fund source. The grantee further certifies that it is in compliance with the federal supplement, not supplant provision applicable to each federal fund source. The grantee assures the grant-funded portion of this position and duties meet the purpose, goals, and objectives of the federal fund source. Documentation must be maintained locally by the grantee that clearly demonstrates the allowable and supplemental nature of the position, as required by each federal fund source, and will provide such documentation to TEA upon request.
