Certification and Incorporation Statement

I hereby certify that the information contained in this application is, to the best of my knowledge, correct and that the organization named above has authorized me as its representative to obligate this organization in a legally binding contractual agreement. I further certify that any ensuing program and activity will be conducted in accordance with all applicable Federal and State laws and regulations; application guidelines and instructions; the general provisions and assurances, debarment and suspension certification, lobbying certification requirements, special provisions and assurances, and the schedules submitted. It is understood by the applicant that this application constitutes an offer and, if accepted by the Texas Education Agency or renegotiated to acceptance, will form a binding agreement.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3013 - Program Plan

A. Standard Statutory/Program Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this IDC will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
 - The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
 - The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program Program Guidelines.
 - The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
 - The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 Texas Administrative Code (TAC) 206, 1 TAC Chapter 213, Federal Section 508 standards, and the Web Content Accessibility Guidelines (WCAG) 2.0 level AA.

B. Program Assurances Regarding Applicant-EPP Partnership

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
- A. The applicant must assure that they have a signed letter of commitment with an educator preparation program included on the Vetted Teacher Residency Program list. The letter should confirm the partnership with the applicant for year-long residencies, and the EPP's commitment to strategic staffing efforts and partnership responsibilities outlined in the grant assurances.
 - B. The applicant must assure that they will hold structured governance meetings with their EPP partner at least quarterly to analyze teacher resident data and develop plans for teacher residency continuous improvement during the SY 25-26 residency implementation year.
 - C. The applicant must assure that they will provide preferential hiring, to the greatest extent possible, to teacher residents who have successfully completed the teacher residency program and received standard certification.
 - D. The applicant must assure that they will report the following data to TEA during the SY 25-26 grant implementation year: I. Number of teacher residents participating in the year-long teacher residency, II. Demographics of teacher residents participating in the program, III. Number and type of teacher certifications awarded to teacher residents IV. Selected staffing models implemented

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3013 - Program Plan

C. Texas Strategic Staffing (TSS) Technical Assistance for Design and Implementation and Shared District/Charter and EPP

Assurances

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - A. The applicant and their EPP partner(s) assure to sign a letter of commitment or an established memorandum of understanding (MOU) with the regional Texas Strategic Staffing technical assistance provider or, where necessary, TEA appointed technical assistance provider.
 - B. The applicant must assure that the lead point-person would be engaged in all the strategic staffing responsibilities during the design and implementation year, including coordinating with other key district/charter leadership at various points of the design process, and manage implementation year.
 - C. The applicant must assure they will work closely with a technical assistance provider for the 24-25 and 25-26 school years to make key decisions and design structures that enable internal capacity to continue the strategic staffing models without the support of the technical assistance provider in SY 2026-2027 and beyond.
 - D. The applicant and their partner EPP(s) must assure they will set shared goals for district/charter paid resident placements in mutually beneficial staffing model positions.
 - E. The applicant and EPP partner must assure that the teacher resident year-long clinical teaching assignment provides candidates with one full school year of clinical teaching, to include the first and last day of school, in a classroom with a qualified host teacher in the classroom teaching assignment(s) that matches the certification category sought by the candidate. The residency must include a minimum of 750 hours in total, with a minimum of 21 hours per week during a school week that does not include closures or disruptions, and the program must document reduced clinical experience hours during weeks with closures or disruptions. (Please note: Updates to this requirement may occur pending State Board of Educator Certification (SBEC) revisions to Texas Administrative Code establishing rules for vetted residency programs. Requirements for the residency experience will align with any rules adopted into TAC for 24-25 or 25-26.)
 - F. The applicant and EPP partner must assure that they will provide training and support in mentorship and co-teaching best practices for host teachers.
 - G. The applicant and EPP partner must assure that they will adhere to all educator preparation program requirements in the Texas Administrative Code (TAC).
 - H. The applicant must assure that a designated team of district/charter, campus, and partner EPP-level leaders will actively participate in strategic staffing model training and technical assistance support activities beginning in SY 2024-2025. The designated team must include at least one district/charter and EPP-level leader and a selected set of leaders from each campus on which teacher residents are placed.
 - I. The applicant and EPP must attend sustainability meetings with their technical assistance provider each semester of SY 2025-2026 implementation year in order to determine sustainable strategic staffing model and funding sources after the life of the grant.
 - J. The applicant must assure that they will design and implement a strategic staffing model plan that will ensure that the teacher residency model will be sustainable, fully-funded by district/charter dollars, by SY 2025-2026. The plan must include sustainable funding for teacher resident stipends/salaries.

D. Program Assurances Regarding High-Quality, Sustainable Residency Funding

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.
 - A. The applicant must assure that they will provide each teacher resident placed within the district/charter a stipend. Districts/Charters will work with their EPP to mutually agree on a stipend amount. The minimum recommended stipend amount per resident is \$10,000-\$12,000 per year; districts and EPPs should make a good faith effort to get as close as possible to (or higher than) the recommended stipend amount.
 - B. The applicant must assure that they will allocate and use the residency and strategic staffing implementation funding specifically for program specific requirements.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

Please include complete responses for each question below.

A. Summary of Program

1. Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the program will address the mission and needs.

Our goal is to recruit year-long residents to train them in the "Leadership Prep Way" so that upon graduation, they are highly effective teachers and because they were so supported throughout their residency, they accept a full-time teaching position in our district. If awarded grant funds, Leadership Prep School will utilize the funding to partially fund a grant coordinator's salary to support LPS' mission of recruiting, supporting, and retaining highly effective teachers. To meet the mission, the grant coordinator will have the following goals:
Facilitate current and future partnerships with EPPs in placing year-long residences in high-needs areas in our district
Support and further develop our year-long teacher mentorship program, which would include year-long residents
During the design year, assess the quality of our current mentorship program
Collaborate with other Region 10 districts awarded grant funds, Region 10 Strategic Staffing professionals, and our partner EPPs Facilitate the recruitment of residents from partner EPPs
Develop strategies to retain residents including but not limited to pairing them with a highly effective mentor teacher
Evaluate and adjust the compensation of residents as needed
Develop local protocols for residents including substitute teaching

B. Qualifications and Experience for Key Personnel

1. Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed.

New position - New Teacher Coordinator -Bachelor's Degree, Certified Teacher Successful teaching experience (5+ years) Experience in leading teams of teachers, Effective communication and organization skills, principal or superintendent certificate preferred.

C. Goals, Objectives and Strategies

1. Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives?

The main objective of the proposed program is to create a highly effective and sustainable pipeline of high-quality teachers that will be professionally grown within our district. Residents will attend collaborative team meetings daily as well as other professional development with their mentors. Mentors will be trained and the objectives of the program will be clear as well as measurable. Mentors will model highly effective instructional practices and provide a gradual release to the residents when it is evident that they are ready to achieve a co-teaching environment. Residents will serve as substitutes in classrooms once or twice weekly in order to have a diverse experience and become familiar with the total campus culture. Mentors and residents will debrief regularly about goals, performance, progress, and areas of needed growth. Through this process, the District will ensure by retaining the residents as classroom teachers an increased access for all students to a high-quality teacher. We want all students to have a high-quality, effective teacher, and this grant provides the opportunity to do so.

2. If needed, use this space to continue the Goals, Objectives and Strategies response. Enter N/A if the additional space is not needed.

N/A

Organization: LEADERSHIP PREP SCHOOL

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

D. Performance and Evaluation Measures

1. Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies.

LPS, in partnership with EPP and Regional Service Center, will collaboratively prioritize skills needed by residents, and create a plan to build those skills, create rubrics for residency performance focusing on effective content practices, and create and conduct evaluation surveys from all parties impacted including campus administration, mentors, residents, and EPP staff. Teacher residents will be evaluated using the T-TESS model. This will measure their ability to build pedagogical content knowledge practices and apply them in an instructional setting. By the end of the residency year, residents should demonstrate the ability to design clear, well-organized sequential lessons that reflect best practices, align with standards, and are appropriate for diverse learners. The level of mastery will be determined by the T-TESS criteria in relation to student performance. Students across grade levels will be given pre-assessments, formative assessments, and common assessments at the end of each unit of study. Data from these assessments will be compared between the control group of classrooms without residents in addition to a classroom teacher to classrooms with a resident and mentor teacher to evaluate the effectiveness of our program. Overall successful student growth and program effectiveness will be measured by resident retention rates within the district. Residents who show evidence of success in their residency through student performance will be looked at for retention.

E. Budget Narrative

1. Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs.

The \$80,000 grant award would pay \$40,000 of the program manager's salary for 2 years. Reallocation of funds currently being used for that purpose will enable stipends for mentor teachers and compensation for residents who work on days not committed to residency. Having reallocated funds increases the amount of time we have to look at budgets to find more sustainable resources to continue to build the year-long residency program. One possible source of funding is the amount spent on substitutes to help while teachers and interventionists provide HB 4545 instruction.

2. If needed, use this space to continue the Budget Narrative response. Enter N/A if the additional space is not needed.

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

F. Request for Grant Funds

List all of the allowable grant-related activities for which you are requesting grant funds. Include the amounts budgeted for each activity. Group similar activities and costs together under the appropriate heading. This section takes the place of the budget schedules during the initial submission process. If selected for award, applicants will be required to budget planned expenditures in the budget schedules provided by eGrants during negotiations.

1. Payroll Costs-Include a description of the cost(s) and a dollar amount. If you will not be budgeting in this class/object code, please enter "N/A" or "\$0."

\$80,000 - The entire grant budget will be allocated to the salary of the new teacher coordinator to ensure that the program guidelines and goals of the grant and District are met.

2. Professional and Contracted Services-Include a description of the cost(s) and a dollar amount. If you will not be budgeting in this class/object code, please enter "N/A" or "\$0."

N/A

3. Supplies and Materials-Include a description of the cost(s) and a dollar amount. If you will not be budgeting in this class/object code, please enter "N/A" or "\$0."

N/A

4. Other Operating Costs-Include a description of the cost(s) and a dollar amount. If you will not be budgeting in this class/object code, please enter "N/A" or "\$0."

N/A

5. Total Grant Award Requested- Be sure to include the sum of the amounts in all class/object codes and any administrative costs in this total. Only a dollar amount will be accepted for this answer.

\$80000

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

G. TEA Program Requirements

1. Description of instructional and talent development needs and strategies: The program elements describe how teacher residencies will be made sustainable through strategic staffing models where residents support other instructional needs in the district/charter, such as substitute teaching or para-professional responsibilities (among other options). Describe the instructional and talent pipeline needs of your LEA. a. What vacancies (if any) exist in your district? b. What other instructional needs exist? How could residencies address this issue? (e.g., Tutoring support, small group Tier I support, etc.) c. How do paid teacher residencies fit into your broader talent strategy this year? For the next five years?

Currently, we are in need of 3 K-6 teachers, one middle school math, one middle school science and one high school English teacher as well as 3 special education teachers at all grade levels. With the grant technical assistance will be invaluable in designing a systematic way for resident teachers to support instructional needs on campuses. For our district, we plan to utilize resident teachers as tutors/push-in small group support in areas where small group instruction could accelerate learning and close achievement gaps., then, as needed, as substitutes. We have seen a large increase in EL students, special education students and at risk students in our district. Identifying the subjects, grade levels, and campuses where this support would be most beneficial, and correlating that with resident and mentor availability, will be a complex task. Scheduling of targeted tutoring/push-in support will need to work around the resident teacher's own educational/class requirements. Technical assistance can help to develop a plan that allows for tutoring/push-in support at the elementary level and substitute support. Ideally, the plan will also allow resident teachers opportunities to see other teachers, classrooms, and campuses.

2. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

3. 2. Commitment of local resources: Please review the Program Elements section of the program guidelines. How will you, alongside your partner EPP, commit resources and time to 1) the year-long design process and 2) the implementation support year? Please share the following information: a. Who from the district/charter will be leading this work? Is their role a new or existing one? b. How does their role fit into broader talent management at your district? c. How will you track and maintain evidence of this district/charter lead's time? d. What will the person in this role do after the grant ends? How might you fund this role after the grant ends?

LPS is committed to having a person in place with allocated time and resources for the completion of the year-long design process, as well as the implementation support year. This New Teacher Coordinator will be responsible for supporting the campus administrators, residents, and mentors as they navigate the process. Time and effort will be documented, and included in a shared document to enhance transparency and ensure equity in the division of duties.

LPS is committed to working with EPP and Service Providers to create a year-long residency process that is effective in providing a quality preparation program. Residents participating in the program will be and will feel that they are ready for their first year teaching. Mentors involved in the process will be trained and become high-quality mentor teachers.

LPS is committed to finding the needed resources to sustain the year-long residency program after the grant period ends. Campus administration will be given training necessary to provide support to residents and mentors.

LPS is committed to supporting residents by providing time for training and college requirements, including residents in professional development opportunities, and providing financial compensation for days worked that they are not required to be with mentor.

LPS is committed to supporting mentor teachers by providing necessary training and resources. Financial compensation will also be given for extra time and effort put forth by mentor teacher

4. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

5. 3. Description of partnership foundations: Applicants may have one or more EPP partners from the 2023-2024 Vetted Teacher Residency Program List (link located on TEA Grant Opportunities page). Please list your partner(s) and the following partnership foundations information: a. If applicable, how many years have you been engaged in a residency partnership? If the EPP partnership is new, how did your LEA staff decide to partner with this EPP? b. If applicable, how many residents have you placed each year of that partnership?

We have been in conversations with Dallas College about a residency partnership over the past year. We chose this EPP to partner with based on the quality of the students coming out of the program. We have agreed to place a minimum of 3 paid residents from their program. This will be our first year to engage in the program. Being a recipient of this grant will allow the District to improve our current mentor-teacher program. Through a partnership with the EPP and technical assistance provider, we will be able to collaborate, perform a needs assessment, and use this data to drive the blueprint of our strategic staffing plan. We are excited about the possibilities that this grant will provide us for improvement and high-quality staffing in high-needs areas.

SAS#: TSSGAA24

2024-2026 Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program

Program Description PS3014 - Program Narrative

6. c. If applicable, describe your practices for shared governance, or the review of residency program data to inform shared decision-making about teacher candidate and host teacher supports. How often do you meet with your EPP partners to review this data? As a partnership, how do you manage follow-up and response to data? If the partnership is new, describe what plans you and the EPP have for the questions above. d. Describe any other key features of your partnership's progress toward building a residency program.

LPS plans to work together with Dallas College to create procedures for shared governance and create authentic ways to evaluate the year-long residency program. LPS anticipates skills that focus on effective content practices will be prioritized, measured, reviewed, and modified accordingly. We will meet at least quarterly to review program data and make changes or reinforcements as needed throughout the course of the year to support building a sustainable pipeline of high-quality teachers.

7. 4. Commitment to shared communication: Describe how you will maintain strong communication throughout the design and implementation of the sustainable teacher residency program with your EPP partners and your technical assistance provider. a. How will you demonstrate evidence of communication and ongoing engagement with your partner and provider? b. If this is an existing partnership, what shared processes or norms do the LEA staff and EPP faculty currently have in place in order to address issues with residency (e.g., challenges for residents, host teachers, school sites, etc.)? c. If this is a new partnership, how does the LEA plan to work with the EPP to manage issues that arise with residency (e.g., challenges for residents, host teachers, school sites, etc.)?

Grant Program guidelines provide the minimum standards for communication. LPS anticipates there being more communication than one meeting per quarter. The prospective new teacher coordinator will work with Dallas College and the service provider and will foster the existing relationships to provide for transparency and open communication. With today's technology, it is very simple to create Google drives to share forms, logs, policies, and procedures. Virtual meetings decrease the amount of time away from "the office", and allow team members to meet more often. LPS will designate time for the grant manager to focus on creating and maintaining the year-long residency program. Doing so will allow for timely follow-up to all data, needs, concerns, or celebrations. Documentation of meeting agendas and minutes from the meetings will allow there to be a seamless transition from meeting to meeting and to help monitor progress throughout the school year. For any issues that arise throughout the residence, a meeting will be set up with the EPP and LPS to discuss a course of action needed or not and then proceed from there.

8. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.

N/A

9. 5. If you have previously engaged in Strategic Staffing or previously received Texas COVID Learning Acceleration Supports (TCLAS) Decision 5 or the 23-25 Strategic Staffing grants, describe your plans for this grant. a. What data is driving the decision to engage in another cycle of design and implementation of Strategic Staffing? b. What new instructional needs have arisen? c. What are your goals for this second round of design? The second year of implementation? If your district has not previously engaged in Strategic Staffing, please enter N/A.

N/A

10. If needed, use this space to continue the previous response. Enter N/A if the additional space is not needed.
