

The Texas Education Agency (TEA) adopts an amendment to §74.1023, concerning the financial aid application requirement for high school graduation. The amendment is adopted without changes to the proposed text as published in the February 13, 2026 issue of the *Texas Register* (51 TexReg 812) and will not be republished. The adopted amendment reflects statutory requirements and updates the methods of proof to verify completion of a financial aid application.

REASONED JUSTIFICATION: Texas Education Code (TEC), §28.0256, requires a student to complete a financial aid application, either the Free Application for Federal Student Aid (FAFSA) or the Texas Application for Student Financial Aid (TASFA), in order to graduate. The statute provides an exception for students to opt out of the financial aid application requirement by submitting a form signed by a parent, guardian, or student aged 18 years old or older that authorizes the student to decline to comply with the financial aid application graduation requirement. A high school counselor may also authorize a student to decline to comply with the financial aid application graduation requirement for good cause. The opt-out form must be approved by TEA. Additionally, the statute prohibits a counselor from indicating that a student has not complied with the financial aid requirement if the school district or open-enrollment charter school has not provided an opt-out form to the student or student's parent or legal guardian and prohibits a counselor from indicating the manner in which a student met the requirement, except for the purpose of complying with the reporting requirement under TEC, §28.0256(e)(2).

The adopted amendment to 19 TAC §74.1023 aligns the rule with statute. The adopted amendment updates the methods of proof for verification that a student has completed the financial aid application requirement for graduation; prohibits a counselor from indicating that a student has not complied with the financial aid requirement if the school district or open-enrollment charter school has not provided an opt-out form to the student or student's parent or legal guardian; and prohibits a counselor from indicating the manner in which a student met the requirement, except for the purpose of complying with the reporting requirement under TEC, §28.0256(e)(2).

SUMMARY OF COMMENTS AND AGENCY RESPONSES: The public comment period on the proposal began February 13, 2026, and ended March 16, 2026. No public comments were received.

STATUTORY AUTHORITY. The amendment is adopted under TEC, §28.0256(a), which requires each student to complete and submit a FAFSA or a TASFA before graduating from high school; TEC, §28.0256(b), which allows a student to formally opt out of the financial aid application requirement by submitting a TEA-approved form; TEC, §28.0256(c), which requires that the adopted opt-out form provide the option for the student's parent or legal guardian, as applicable, to decline to complete and submit an application; TEC, §28.0256(d), which prohibits a counselor from indicating that a student has not complied with the financial aid application requirement if the school district or open-enrollment charter school has not provided the adopted opt-out form to the student or student's parent or legal guardian. Additionally, TEC, §28.0256(d), establishes that a counselor may indicate the manner in which a student complied with the financial aid application requirement only as necessary for the district or school to comply with reporting requirements under TEC §28.0256(e)(2); and TEC, §28.0256(d) and (e)(2), which add open-enrollment charter schools to the financial aid application requirements.

CROSS REFERENCE TO STATUTE. The amendment implements TEC, §28.0256(a)-(e).
