

Description of Change

Change #1: Priority Points (September 20, 2024)

The purpose of this errata is to notify prospective applicants of an update to the Priority Points list (mpa-c4-priority-points.docx) to include all LEAs who are participating or have participated in Paid Teacher Residencies as part of TCLAS Decision 5 or the Texas Strategic Staffing Grant for Sustainable, Paid Teacher Residency Program for either SY 2023-25 or SY 2024-26. Prior to September 20, 2024, not all LEAs participating in these programs were awarded priority points for Paid Teacher Residencies. As of September 20, 2024, the updated Priority Points list has been added to the [MPA website](#), and the outdated list has been removed.

Change #2: Priority Points (October 4, 2024)

The About Priority Points tab of the Priority Points list (mpa-c4-priority-points.docx) has been updated to include information on how priority points for will be assigned for charter networks and SB 1882 Operating Partner applicants. See the FAQ posted on October 4, 2024 for additional information.

Change #3: Qualtrics Application (October 4, 2024)

The MPA Team provided further clarification on Question #1 of the Qualtrics application to include charter networks and SB 1882 Operating Partners. More information on the eligibility and application requirements for charter networks and SB 1882 Operating Partners may be found in the FAQs document posted to the MPA website.

Change #4: Campus Implementation List (October 4, 2024)

A column was added to the Campus Implementation List for applicants to indicate their CDN as well as CDCNs.
