

# Summary of Proposed ESSA Amendment – March 2025

The Texas Education Agency (TEA) has submitted an amendment to the state's Every Student Succeeds Act (ESSA) plan to align language included in the ESSA state plan to federal statute and current state initiatives.

## Disproportionate Rates of Access to Educators

The agency is proposing updating the language in this section to match the language in ESSA Section 1112 (b)(2)). The agency is also updating the website link for the toolkit for local education agency (LEA) resources and updated the strategies section to reflect current implementation of the Teacher Incentive Allotment (TIA).

## School Conditions

The agency is proposing updating the language in this section to reflect current state law and the agency's work to implement these sections of the Texas Education Code.
