Subject: Notification of Correction of Noncompliance

Dear Dr. Malinda Golden:

The purpose of this correspondence is to notify the Belton Independent School District of the correction of noncompliance identified in the Cyclical Desk Review.

Belton ISD received notification of noncompliance in a letter dated 7/24/2025 listing the following areas of noncompliance:

- IEP Development: Development of measurable annual goals
34 CFR §300.320(a)(2)(i); 19 TAC §89.1055(b)
- Transition: Measurable postsecondary goals
19 TAC §89.1055 (l)(1); 34 CFR §300.320(b)(1)

The corrective action plan addressed identified noncompliance. The local education agency (LEA) submitted documentation to the Texas Education Agency (TEA) demonstrating the noncompliance has been corrected. Based on this evidence, the issue is considered resolved, and no further action is required at this time.

Sincerely,

Division of Monitoring, Review, and Support
