Texas Student Assessment Program
2025-2026

Consolidated Accountability Data File Format

Overview

The Consolidated Accountability File (CAF) combines all STAAR, STAAR Spanish, STAAR Alternate 2, TELPAS and TELPAS Alternate data within the current accountability year into one record for a student. The record also includes data for the student for any assessments within the previous accountability year. Records for which a student cannot be assigned a Texas Unique ID are not combined with data from another reporting administration, and conflicting data for a grade 3–8 subject, End of Course (EOC) or TELPAS/TELPAS ALT within a reporting administration are not combined with other testing data for a student. For significant changes implemented in TELPAS, STAAR grades 3–8, EOC reporting, as well as TELPAS Alternate or STAAR Alternate 2, refer to individual data file formats for those assessments. The CAF data file has been condensed have been updated throughout the layout.

New Field:

- Parental Permission

NOTE: The data will be provided in a comma separated values file format with the layout defined below. The file extension will be .csv.

		EOC Cumulative History Information	
1	CU_STU	Student's Performance Standard for Level II	A single passing standard is used for all subjects and is set depending on when a student is first eligible to take any of the EOC tests required for graduation. (Only one standard for STAAR Alternate 2 exists, so students assessed with STAAR Alternate 2 are assigned performance standard 1.) 1 = Approaches Grade Level Passing Standard for Students who took their first EOC test prior to the December 2015 administration. 2 = Approaches Grade Level Passing Standard for Students who took their first EOC test in the December 2015 administration or beyond. 3 = Approaches Grade Level Passing Standard for Students who took their first EOC test in the Spring 2023 administration or beyond.
