Dear Ms. Sauberer,

In accordance with the Texas Education Code, Educational Testing Service and Pearson certify that the attached prices per private school student do not exceed the prices for administering the same assessment to a student enrolled in a Texas public school district.

In the 2016-2017 school year there were 4,310 students in 30 private schools that took the State of Texas Assessments of Academic Readiness and Texas English Language Proficiency Assessment System assessments.

Sincerely,

Sarah Rhame
Texas Program Director
