

INCLUSION OF EOC RESULTS IN 2016 INDEX 4

Students Who Do Not Change Campuses within the 2016 Accountability Cycle

Scenario 1:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus A	Fall 2015	Spring 2016	
		CAMPUS A			CAMPUS A	CAMPUS A
	Subject 1	<i>(r) Algebra I = Final Level II</i>				
	Subject 2				<i>(r) Biology = Level II Satisfactory Standard</i>	
	Subject 3				<i>(1st) U.S. History = Final Level II</i>	

Note: (1st) = First-time tester in 2016 accountability cycle, (r) = Tested prior to the 2016 accountability cycle

One subject is included in Index 4: Social Studies

Algebra I: Not included in Campus A (not tested for the first time within the 2016 accountability cycle).

Biology: Not included in Campus A (not tested for the first time within the 2016 accountability cycle).

U.S. History: Included in Campus A (tested for the first time in 2016 accountability cycle and met the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on the one subject included for Campus A).

Scenario 2:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus A	Fall 2015	Spring 2015	
		CAMPUS A			CAMPUS A	CAMPUS A
	Subject 1	<i>(1st) English I = Final Level II</i>				
	Subject 2	<i>(1st) Biology = Level I (fail)</i>			<i>(r) Biology = Level I (fail)</i>	
	Subject 3				<i>(1st) U.S. History = Final Level II</i>	

Three subjects are included in Index 4: English Language Arts (ELA), Science, and Social Studies

English I: Included in Campus A (tested for the first time within the 2016 accountability cycle and met accountability subset).

Biology: Included in Campus A (tested for the first time within the 2016 accountability cycle and met accountability subset).

U.S. History: Included in Campus A (tested for the first time in 2016 accountability cycle and met the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on two of three subjects for Campus A).

Students Who Change Campuses One Time during the 2016 Accountability Cycle

Scenario 3:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus B	Fall 2015	Spring 2016	
		CAMPUS A			CAMPUS B	CAMPUS B
	Subject 1	<i>(1st) English I = Final Level II</i>			No retest taken	No retest taken
	Subject 2	<i>(1st) Biology = Level I (fail)</i>			<i>(r) Biology = Level I (fail)</i>	No retest taken
	Subject 3				<i>(1st) U.S. History = Final Level II</i>	

Two subjects are included in Index 4: Science and Social Studies

English I: Not included in Campus A (tested for the first time within the 2016 accountability cycle, however, the campus with the most recent test result, Campus B, is included in Index 4).

Biology: Included in Campus B (tested for the first time within the 2016 accountability cycle and met accountability subset).

U.S. History: Included in Campus B (tested for the first time in 2016 accountability cycle and met the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus B but did not meet the Postsecondary Readiness Standard (achieved Final Level II on only one of two subjects for Campus B).

Scenario 4:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus B	Fall 2015	Spring 2016
		CAMPUS A		CAMPUS B	CAMPUS B
	Subject 1	<i>(1st) Algebra I = Final Level II</i>		No retest taken	No retest taken
	Subject 2	<i>(1st) Biology = Final Level II</i>		No retest taken	No retest taken

Two subjects are included in Index 4: Mathematics and Science

Algebra I: Included in Campus A (tested for the first time within the 2016 accountability cycle and met accountability subset.)

Biology: Included in Campus A (tested for the first time within the 2016 accountability cycle and met accountability subset.)

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on two subjects for Campus A).

Scenario 5:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus B	Fall 2015	Spring 2016
		CAMPUS A		CAMPUS B	CAMPUS B
	Subject 1	<i>(1st) Algebra I = Level I (fail)</i>		<i>(r) Algebra I = Final Level II</i>	No retest taken
	Subject 2	<i>(1st) Biology = Level I (fail)</i>		No retest taken	No retest taken

One subject is included in Index 4: Mathematics

Algebra I: Included in Campus B (tested for the first time within the 2016 accountability cycle, best test at Campus B, and met accountability subset).

Biology: Not included in Campus A (tested for the first time within the 2016 accountability cycle, however, the campus with the most recent test result, Campus B, is included in Index 4).

Final Outcome: The student is counted in the STAAR results for Campus B and met the Postsecondary Readiness Standard (achieved Final Level II on the one subject included for Campus B).

Scenario 6:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus B	Fall 2015	Spring 2016
		CAMPUS A		CAMPUS B	CAMPUS B
	Subject 1	<i>(r) Algebra I = Level I (fail)</i>		<i>(r) Algebra I = Level II Satisfactory Standard</i>	
	Subject 2			No retest taken	<i>(1st) English II = Level II Satisfactory Standard</i>

One subject is included in Index 4: ELA

Algebra I: Not included in either Campus A or Campus B (not tested for the first time within the 2016 accountability cycle).

English II: Included in Campus B (tested for the first time within the 2016 accountability cycle and met accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus B, but did not meet the Postsecondary Readiness Standard (did not achieve Final Level II on the one subject included for Campus B).

Scenario 7:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus B	Fall 2015	Spring 2016
		CAMPUS A		CAMPUS B	CAMPUS B
	Subject 1	<i>(1st) Algebra I = Final Level II</i>		No retest taken	No retest taken
	Subject 2			<i>(1st) English II = Final Level II</i>	No retest taken
	Subject 3			<i>(1st) U.S. History = Final Level II</i>	

Two subjects are included in Index 4: ELA and Social Studies

Algebra I: Not included in Campus A (tested for the first time within the 2016 accountability cycle, however, the campus with the most recent test result, Campus B, is included in Index 4).

English II: Included in Campus B (tested for the first time in 2016 accountability cycle and met the accountability subset).

U.S. History: Included in Campus B (tested for the first time in 2016 accountability cycle and met the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus B and met the Postsecondary Readiness Standard (achieved Final Level II on two subjects for Campus B).

Scenario 8:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus A	Fall 2015	Spring 2016
		CAMPUS A		CAMPUS A	CAMPUS B
	Subject 1	<i>(1st) Algebra I = Level I (fail)</i>		No retest taken	<i>(r) Algebra I = Final Level II</i>
	Subject 2			<i>(1st) English II = Final Level II</i>	No retest taken
	Subject 3			<i>(1st) U.S. History = Final Level II</i>	

One subject is included in Index 4: ELA

Algebra I: Not included in either Campus A or Campus B (tested for the first time in 2016 accountability cycle, best test result found at Campus B, but did not meet the accountability subset).

English II: Included in Campus A (tested for the first time in 2016 accountability cycle and met the accountability subset).

U.S. History: Not included in Campus B (tested for the first time in 2016 accountability cycle, but did not meet the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on the one subject included for Campus A).

Students Who Change Campuses More Than Once During the 2016 Accountability Cycle

Scenario 9:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus B	Fall 2015	Spring 2016
		CAMPUS A		CAMPUS A	CAMPUS B
	Subject 1	<i>(1st) Algebra I = Level I (fail)</i>		No retest taken	<i>(r) Algebra I = Level II Satisfactory Standard</i>
	Subject 2			<i>(1st) English II = Final Level II</i>	No retest taken
	Subject 3			<i>(1st) U.S. History = Level I (fail)</i>	

Two subjects are included in Index 4: Mathematics and Social Studies

Algebra I: Included in Campus B (tested for first time in 2016 accountability cycle, best result was at Campus B and met accountability subset).

English II: Not included in Campus A (tested for the first time in 2016 accountability cycle but did not meet accountability subset).

U.S. History: Included in Campus B (tested for the first time in 2016 accountability cycle and met accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus B but did not meet the Postsecondary Readiness Standard (achieved Final Level II on one of two subjects for Campus B).

INCLUSION OF EOC RESULTS IN 2016 INDEX 4

Students Who Change Campuses During the 2016 Spring EOC Testing Administration

English I and English II EOC assessment results are processed by the test contractor so that the campus at which the student tested in May receives the March English I and English II EOC results. Therefore, to meet the accountability subset, the student must have been administered the May assessment at the same campus at which they were enrolled on fall snapshot.

Scenario 10:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus A	Fall 2015	Spring 2016	
					March	May
	Testing Campus	CAMPUS A			CAMPUS A	CAMPUS A
Campus Reported on CAF	CAMPUS A		CAMPUS A	CAMPUS B	CAMPUS B	
Subject 1	<i>(1st) Algebra I = Level I (fail)</i>		No retest taken		<i>(r) Algebra I = Level II Satisfactory Standard</i>	
Subject 2				<i>(1st) English II = Final Level II</i>		
Subject 3					<i>(1st) U.S. History = Level I (fail)</i>	

No subjects are included in Index 4.

Algebra I: Not included in either Campus A or Campus B (tested for the first time in 2016 accountability cycle, best test result found at Campus B, but did not meet the accountability subset).

English II: Not included in either Campus A or Campus B (tested for the first time in 2016 accountability cycle, but did not meet the accountability subset).

U.S. History: Not included in either Campus A or Campus B (tested for the first time in 2016 accountability cycle, but did not meet the accountability subset).

Scenario 11:

Fall 2014 Snapshot Campus A	Subjects	Summer 2015	Fall 2015 Snapshot Campus B	Fall 2015	Spring 2016	
					March	May
	Testing Campus	CAMPUS A			CAMPUS A	CAMPUS A
Campus Reported on CAF	CAMPUS A		CAMPUS A	CAMPUS B	CAMPUS B	
Subject 1	<i>(1st) Algebra I = Level I (fail)</i>		No retest taken		<i>(r) Algebra I = Level II Satisfactory Standard</i>	
Subject 2				<i>(1st) English II = Final Level II</i>		
Subject 3					<i>(1st) U.S. History = Level I (fail)</i>	

Three subjects are included in Index 4: Math, English Language Arts (ELA), and Social Studies

Algebra I: Included in Campus B (tested for first time in 2016 accountability cycle, best result was at Campus B and met accountability subset).

English II: Included in Campus B (tested for first time in 2016 accountability cycle and met accountability subset).

U.S. History: Included in Campus B (tested for the first time in 2016 accountability cycle and met accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus B but did not meet the Postsecondary Readiness Standard (achieved Final Level II on one of two subjects for Campus B).

Scenario 12:
