This document is intended to train district staff to use the online system to submit Accommodation Request Forms for designated supports requiring TEA approval for students taking STAAR and TELPAS. Screen shots of the online system are provided along with specific information regarding each step of the submission process. If any questions arise during the submission process, the district testing coordinator should contact TEA's Student Assessment Division at 512-463-9536 and ask to speak with a member of the Accommodations Task Force.
Online Accommodation Request Form

- There are several steps to submitting an accommodation request through the online system. It is important to read and complete each step in its entirety before moving to another step.

- **One Student = One Accommodation Request Form.**

- In order to complete the request form, the district staff member (e.g., teacher, counselor, district testing coordinator) who is filling out the online request must have student-specific information readily available DURING the process. If applicable, have each student’s:
  - LPAC paperwork, Individualized Accommodation Plan (IAP), Individualized Education Program (IEP), or other applicable documentation
  - accommodation request number from previous year
  - previous state and classroom testing results,
  - a list of accommodations the student uses in the classroom, and/or
  - notes from other teachers, counselors, or the student’s parents regarding accommodation use.

- The district testing coordinator should be contacted if questions arise before, during, or after this process.

- Accommodation request approvals expire June 30th of the current year.

- Requests that contain CONFIDENTIAL STUDENT INFORMATION will be deleted by TEA and not processed.

- Within the form you may see:

  - red exclamations points calling attention to important information
  - blue question marks which pop-up additional helpful information for completing the form
  - underlined links to additional sources of information (links will open in a new browser window or tab)
Training Site

For district staff who have never used the online Accommodation Request Form (ARF) or who need to practice using this system, a training site is available. The Training Site can be utilized for training sessions and will not actually send emails to your DTC.

On the first web page of the ARF in the upper left corner is a link box. Click the **Training Site** link to begin a training session. It is important to remember that this is only a training site, and no Accommodation Request Form will be sent.

Please note that the “Training Site” link changes to “Live Site” in order to return to the actual ARF system. Click the **Live Site** link to return to the online system and send an actual accommodation request.
Accommodation Request Form: General Information

Select your district name from the drop down menu.

The accommodation request process utilizes e-mail to submit, confirm, and approve/deny requests for individual students.

Refer to the Accommodation Resources webpage for policies related to accommodations for students taking STAAR®, STAAR® Spanish, and TELPAS.

Once a TEA decision has been made, the decision is valid until June 30 of that calendar year. Accommodation requests for retests need to be submitted ONLY for new requests or when there has been a change in the student's accommodation needs.

If any questions arise before, during, or after the submission process, the district testing coordinator should contact the TEA Student Assessment Division at 512-463-9536 and ask to speak with a member of the Accommodations Task Force.

Do not include confidential student information (e.g., first and last names, PEIMS numbers, social security numbers) in your documentation. Requests that contain confidential information will not be reviewed and will be immediately deleted.

Accommodation Request Form: Eligibility Criteria and Rationale

For each accommodation requested, you must check all applicable boxes to determine if the student meets the eligibility criteria. If the required boxes are not checked, you will not be able to submit the request.

The student must meet these eligibility criteria.

In addition, the student must meet at least one of these following eligibility criteria.
Accommodation Request Form: Eligibility Criteria and Rationale

For each accommodation request, specific information must be included in the rationale section of the Accommodation Request Form. This information will be the objective evidence used by TEA to determine whether or not the accommodation is approved for use on a state assessment. It is very important to address each bullet in detail in your rationale.

<table>
<thead>
<tr>
<th>THE SPECIFIC INFORMATION BELOW MUST BE PROVIDED AS THE RATIONALE ON THE ACCOMMODATION REQUEST FORM.</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Describe the impairment in vision or physically disabling condition that creates a need for a Mathematics Scribe accommodation. Be specific about the characteristics of the condition, symptoms, and level of severity the student experiences. The description should be specific and individualized. Include specific reasons why the student is not able to write his or her own computations, use other accommodations, or use any allowable test administration procedures or materials to address the disability.</td>
</tr>
<tr>
<td>• Attach a sample of the student’s handwritten computations if legibility is the issue.</td>
</tr>
<tr>
<td>• Describe what has been done to accommodate the student’s needs in previous years. If the student was approved to receive this accommodation in previous years, include the Accommodations Request Form ID number(s).</td>
</tr>
</tbody>
</table>

If the student received this accommodation in a prior year, provide the Request ID number and the effectiveness of the accommodation within your rationale.

**Enter the Rationale in the textbox below.**

For additional information, see the accommodation request process documents.

Character Count: 0 (Max. 3000 characters)

Do not include actual names in your rationale. We suggest you replace student names with “the student”. If you want information from a prior request to be considered with this new request, you must include any prior year request ID(s) within this rationale.

It is important to include the Request ID from a previous year so that TEA ATF members can refer to it when making a determination. The Request ID number is found on the request confirmation and in the accommodation request decision notification email sent to the district test coordinator.
Accommodation Request Form: Administrative Information

You may enter a “Local Tracking number.” This number is for local use only and allows districts to keep track of accommodation requests within the district. Do not use a student’s SSN or PEIMS number, as this is confidential information. TEA does not use the local tracking number, but it will print on your confirmation page along with a separate accommodation Request ID. When district personnel contact TEA, we will need the Request ID number to locate a request.

Accommodation Request Form: Supporting Documentation

You may submit supporting documentation regarding the student and/or the accommodation(s) requested. If more than one attachment is necessary, click the Add Attachment button. There is a 3 file maximum, and you should limit each file to 4 MB or less.

Confidential student information, such as pages from an IEP or medical documents, should never be attached to a request. Attachments providing additional support for your rationale should include only a summary of local documentation. If TEA staff needs more detailed information, they will contact you.
Review the form carefully to make sure you have entered all relevant information.

Click the checkbox to confirm that you have not included confidential student information. Click the **SEND** button. This will take you to the confirmation page.

**Accommodation Request Form: Error Message**

If any required information is missing from the request form, you will see an error message identifying the missing information. Scroll up and add the information, and then Press the **SEND** button again.
Accommodation Request Form: Confirmation

This confirmation page contains a summary of all the information you entered. At this time, a Request ID is assigned by TEA. You will need this Request ID if you contact the district testing coordinator or TEA about the request. Please note that this confirmation page is NOT an approval of the request. It is recommended that you print this confirmation page for your records.

If you need to enter another request, click on Make another request.

Accommodation Request Form Confirmation

This page confirms that you have completed the process for requesting an accommodation. An email has been sent to your district testing coordinator. Once the Accommodation Task Force receives verification from your district testing coordinator, your request will be processed.
