- (b) The school district or open-enrollment charter school in which the individual is enrolled or was last enrolled shall determine whether the individual may qualify to graduate and receive a high school diploma on the basis of the alternative requirements for graduation.
- (c) The alternative requirements for graduation shall permit an individual to qualify to graduate and receive a high school diploma if the individual:
 - (1) has met the performance standard on an alternate assessment as specified in §101.4003 of this title (relating to Texas Assessment of Knowledge and Skills Exit-Level Alternate Assessments);

- (e) A decision regarding whether the individual qualifies to graduate and receive a high school diploma is final and may not be appealed.
- (f) The school district or open-enrollment charter school shall maintain documentation to support the decision to award or not award an individual a high school diploma.
- (g) Provisions of this section expire September 1, 2019.
