Online Accommodation Request Form 2019-2020

October 2019–June 2020

This document is intended to train district staff to use the online system to submit Accommodation Request Forms for designated supports requiring TEA approval for students taking STAAR and TELPAS. Screen shots of the online system are provided along with specific information regarding each step of the submission process. If any questions arise during the submission process, the district testing coordinator should contact TEA's Student Assessment Division at 512-463-9536 and ask to speak with a member of the Accommodations Task Force.
Online Accommodation Request Form

There are several steps to submitting an accommodation request through the online system. It is important to read and complete each step in its entirety before moving to another step.

One Student = One Accommodation Request Form.

In order to complete the request form, the district staff member (e.g., teacher, counselor, district testing coordinator) who is filling out the online request must have student-specific information readily available DURING the process. If applicable, have each student’s:

- Language Proficiency Assessment Committee (LPAC) paperwork, Individualized Accommodation Plan (IAP), Individualized Education Program (IEP), or other applicable documentation
- accommodation request number from previous year
- previous state and classroom testing results,
- a list of accommodations the student uses in the classroom, and/or
- notes from other teachers, counselors, or the student’s parents regarding accommodation use.

The district testing coordinator should be contacted if questions arise before, during, or after this process.

Accommodation request approvals expire June 30th following the completion of the current academic school year.

Requests that contain CONFIDENTIAL STUDENT INFORMATION will be deleted by TEA and not processed.

Within the form you may see:

- red exclamation points calling attention to important information
- blue question marks which pop-up additional helpful information for completing the form

Accommodation Request Form: General Information

Select your district name from the drop down menu.

The accommodation request process utilizes e-mail to submit, confirm, and approve/deny requests for individual students.

Refer to the Accommodation Resources webpage for policies related to accommodations for students taking STAAR®, STAAR® Spanish, and TELPAS.

Once a TEA decision has been made, the decision is valid until June 30 of that calendar year. Accommodation requests for retests need to be submitted ONLY for new requests or when there has been a change in the student's accommodation needs.

If any questions arise before, during, or after the submission process, the district testing coordinator should contact the TEA Student Assessment Division at 512-463-9536 and ask to speak with a member of the Accommodations Task Force.

⚠️ Do not include confidential student information (e.g., first and last names, PEIMS numbers, social security numbers) in your documentation. Requests that contain confidential information will not be reviewed and will be immediately deleted.

Accommodation Request Form: Eligibility Criteria and Rationale

For each accommodation requested, you must check **ALL** applicable boxes to determine if the student meets the eligibility criteria.

**Verification of Eligibility and Rationale**

- I hereby affirm that the student
  
  I. has routinely, independently, and effectively used the designated support during classroom instruction and classroom testing, and
  
  II. has been unable to effectively use any accessibility features or locally approved supports to address this need.
  
  **OR** has an emergency situation that cannot be resolved using locally approved supports to address their need.

**Extra Day** *(Check all student eligibility criteria that apply.)*

Submit an Accommodation Request Form to TEA if the student meets at least one of the following:

- The student has a severe impairment in vision (e.g., uncorrected vision, nystagmus, qualifies for special education services with a Visual Impairment [VI]). This includes students who take the braille test and require an extra day.

- The student has a severe behavioral or emotional disabling condition, the manifestation of which makes him or her unable to continue working for a prolonged period of time or during certain times of the day.

- The student has a severe physical disability or medical condition that limits the amount of time the student is able to continue working due to severe fatigue or decreased energy and stamina.

- The student is identified with an autism spectrum disorder and will be unable to complete the assessment in one day due to severe behavioral or emotional reactions that cannot be appropriately managed without an additional day of testing.

**The rationale for Extra Day must contain the following information.**

- Describe the disability that prevents the student from completing the test within the prescribed time limit. Be specific about the characteristics of the condition, symptoms, and level of severity the student experiences. Phrases like "severe fatigue" and "shuts down" are not sufficient. The description should be student specific and individualized. For instance, explain what happens when the student becomes fatigued or shuts down.
Accommodation Request Form: Eligibility Criteria and Rationale

For each accommodation request, specific information must be included in the rationale section of the Accommodation Request Form. This information will be the objective evidence used by the TEA to determine whether the accommodation is approved for use on a state assessment. It is important to address each bullet in detail in your rationale. The rationale provided should give evidence that the student routinely uses the requested designated support(s) and has shown effectiveness in classroom instruction and testing.

A Prior year Request ID will need to be completed in order to continue with the Accommodation Request Form. It is important to include the Request ID from a previous year so that the TEA Accommodation Task Force (ATF) members can refer to it when reviewing the request and making a determination. The Request ID number is found on the request confirmation and in the accommodation request decision notification email sent to the district test coordinator. If the student has no prior requests (i.e., students enrolled in grade 3) then type in NA.
Accommodation Request Form: Eligibility Criteria and Rationale

The Rationale is Documented drop-down menu will need to be completed in order to continue with the Accommodation Request Form. This information confirms the student eligibility requirements were met and documented in the appropriate paperwork.

NOTE: When an ARF is submitted for an Emergency or Unexpected Situation accommodation request, then select Not Documented and provide in the rationale the reason for the request and all the designated supports attempted.

Accommodation Request Form: Administrative Information

You may enter a “Local Tracking number.” This number is for local use only and allows districts to keep track of accommodation requests within the district. Do not use a student’s SSN or PEIMS number, as this is confidential information. TEA does not use the local tracking number, but it will print on your confirmation page along with a separate accommodation Request ID. When district personnel contact TEA, we will need the Request ID number to locate a request.
You may submit supporting documentation regarding the student and/or the accommodation(s) requested. If more than one attachment is necessary, click the Add Attachment button. There is a three-file maximum, and you should limit each file to 4 MB or less.

Confidential student information, such as pages from an IEP or medical documents, should never be attached to a request. Attachments providing additional support for your rationale should include only a summary of local documentation. If TEA staff needs more detailed information, your ATF representative will contact you.

Review the form carefully to make sure you have entered all relevant information. Click the checkbox to confirm that you have NOT included confidential student information. Click the SEND button. This will take you to the confirmation page.
Accommodation Request Form: Confirmation

This confirmation page contains a summary of all the information you entered. At this time, a Request ID is assigned by TEA. You will need this Request ID if you contact the district testing coordinator or TEA about the request. Please note that this confirmation page is NOT an approval of the request. It is recommended that you print this confirmation page for your records.

If you need to enter another request, click on Make another request.

Accommodation Request Form Confirmation

This page confirms that you have completed the process for requesting an accommodation. An email has been sent to your district testing coordinator. Once the Accommodation Task Force receives verification from your district testing coordinator, your request will be processed.
