## **Shared Services Arrangements**

SSAs are **not permitted** for this grant.

#### **Identify/Address Needs**

List up to three quantifiable needs, as identified in your needs assessment, that these program funds will address. Describe your plan for addressing each need.

Quantifiable Need	Plan for Addressing Need
Maximize academic achievement of every child especially focusing on challenging math and science curriculum and other STEM areas on project-based learning (PBL)	The school will replicate/implement standards-focused project-based learning (PBL). Highlighting the STEM areas, the STT model emphasizes a cross-disciplinary, multi-secondary approach. This approach leads to higher levels of student engagement as a result of students having the opportunity to determine the focus of their intellectual exploration based on their own unique
Focus on assessment and interventions with di erentiation for ESL and special education students	Implementation of the core curriculum will be supported by the purposeful use of diagnostic, formative, benchmark, and summative assessments aligned to the standards. School's comprehensive approach to assessments will give teachers the information they need to understand the specific abilities of each student.
Recruit, develop, and retain a talented workforce	To minimize the challenges, the new campus will enhance the salary scale with a compensation system that rewards all sta for performance. The school will design multiple career pathways for high performing teachers. Ongoing PD will be provided for administrators and teachers to ensure they have regular

#### **SMART Goal**

Describe the summative SMART goal you have identified for this program (a goal that is Specific, Measurable, Achievable, Relevant, and Timely), either related to student outcome or consistent with the purpose of the grant.

80% of all students assessed will achieve Satisfactory performance in Reading/ELA on 2023 STAAR 80% of all students assessed will achieve Satisfactory performance in Math on 2023 STAAR

70% of ELL/Sp. Ed. Students assessed will achieve Satisfactory performance in Reading/ELA on 2023 STAAR

70% of ELL/Sp. Ed. Students assessed will achieve Satisfactory performance in Math on 2023 STAAR

SST-Schertz will provide 30 hours of PD for teachers

#### **Measurable Progress**

Identify the benchmarks that you will use at the end of the first three grant quarters to measure progress toward meeting the process and implementation goals defined for the grant.

#### First-Quarter Benchmark

Fall Measures of Academic Progress® MAP® administered two times a year to assess academic goals and student growth.

70% or more students will pass STAAR practice 1 (Fall)

Students identified will be enrolled in campus intervention programs

ESL/Sp.Ed. 60% or more students will pass STAAR practice 1 (Fall)

Students identified will be enrolled in campus intervention programs

Students progress reports are mailed/hand delivered to parents

Instructional sta will start receiving 30 hours or more of targeted PD in their content area

### **Program Assurances**

The following assurances apply to this grant program. In order to meet the requirements of the grant, the grantee must comply with these assurances. Check each of the following boxes to indicate your compliance.

- 1. The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this grant will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
- 2. The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- ☑ 3. The applicant provides assurance to adhere to all Statutory Requirements, TEA Program Requirements, and
  Performance Measures, as noted in the 2021–2023 Charter School Program Grant (Subchapter C and D) Program
  Guidelines, and shall provide the Texas Education Agency, upon request, any performance data necessary to assess the
  success of the grant program.
- ☑ 4. The applicant provides assurance that their financial accounting system adheres to the following requirements:
  - a. accommodates the minimum 15-digit account code mandated by the FASRG;
  - b. generates information needed for PEIMS reporting; and
  - c. ensures adequate accountability of state and federal funds.

If the applicant's financial accounting system is not approved by TEA, the applicant assures that it will budget and acquire an acceptable accounting system and training with these grant funds. Additionally, the applicant will be required to submit proof of an acceptable accounting system prior to receiving continued and/or additional funding.

- ∑ 5. The applicant provides assurance that it will maintain clear documentation and data for the school and students served by this grant program, will comply with any reporting and evaluation requirements that may be established by the TEA, and will submit the reports in the format and manner requested by TEA's Division of Financial Compliance. Grantees will be required to cooperate with the team that has been contracted to evaluate the use of the grant funds.
- ☑ 6. The applicant provides assurance that it has on file a certificate of occupancy or the equivalent, for the instructional facility. At any time, should the TEA Charter School Administration Division request a copy, the applicant will provide such copy immediately.
- ▼ 7. According to Title IV, Part C of ESSA, to receive federal grant funds of any type, including U. S. Department of Education funds, the charter school must meet the following definition. By signing Attachment #1 and submitting the application, the authorized official of the public charter school certifies that each of the statements in the definition is true and that the school is in compliance with this definition. A charter school is not eligible to receive any federal funds at any time, formula or discretionary, from TEA if it does not comply with this definition.
- 8. Open-enrollment charter holders applying on behalf of a high-quality campus approved by the commissioner of education: The applicant provides assurance that the existing charter, as approved by the applicable state authorizer (the State Board of Education or the commissioner of education), and the Application for High-Quality Campus Designation, under which the new charter school campus was approved by the commissioner of education, are incorporated by reference into this grant application and address statutory requirements in compliance with PL 114-95, Title IV, Part C, ESSA.

The following assurances apply to this grant program. In order to meet the requirements of the grant, the grantee must comply with these assurances. Check each of the following boxes to indicate your compliance.

- 9. Charters established under TEC Chapter 12, Subchapter C: The applicant provides assurance that the campus charter school will:
  - a. Maintain documentation which clearly demonstrates the supplementary nature of these funds;
  - b. be established according to and in compliance with TEC, Chapter 12, Subchapter C, Sections 12.051-12.065;
  - c. be designated as a campus charter in the Texas Education Agency (TEA) organizational database, AskTED, prior to operating as a campus charter for the 2021-2022 or 2022-2023 school year; and
  - d. be permitted to govern autonomously, as evidenced by the day-to-day decision makers at the campus charter school and their input with regard to the school's curriculum, calendar, budget, and daily operations. This autonomy will be above and beyond the degree of flexibility and autonomy afforded to traditional campuses within the district. traditional campuses within the district.
- □ 10. Charters established under TEC Chapter 12, Subchapter C, must also comply with the following: As per Title V, Part B, Subpart 1, Section 5204(f)(4)(B), a LEA may not deduct funds for administrative fees or expenses from a subgrant awarded to an eligible applicant, unless the eligible applicant enters voluntarily into a mutually agreed upon arrangement for administrative services with the relevant LEA. Absent such approval, the LEA shall distribute all subgrant funds to the eligible applicant without delay.
- ☐ 11. Charters established under TEC Chapter 12, Subchapter C, for the purpose of replicating an existing high-quality charter school, must also comply with the following: The applicant provides assurance that the school district will:
  - a. participate in the Texas Authorizer Leadership Academy (TALA) program;
  - b. review and adopt the Texas Education Agency's model Chapter 12, Subchapter C authorizer policies and charter application (Model District Authorizing Policy and Model Local Campus Partner Application can be found at <a href="https://txpartnerships.org/tools/">https://txpartnerships.org/tools/</a>);
  - c. annually publish its authorizer policies;
  - d. submit its updated authorizer policies and charter application to TEA, along with the exact web address where this information is posted on the district's website, by October 1, 2021;
  - e. work with a high-quality charter management organization (CMO) or create an innovation management organization (IMO) that will have its own independent board, separate and apart from the school district's board of trustees, to oversee management of the originating campus and its replication; and
  - f. work with a high-quality charter management organization (CMO) or create an innovation management organization (IMO) that will have an Executive Director/Chief Executive Officer (CMO) who is responsible for management of the originating campus and its replication.

Amendment #

#### **Statutory Requirements**

1. Describe the roles and responsibilities of the eligible applicant, any partner organizations, and charter management organizations, as applicable, including the administrative and contractual roles and responsibilities of such partners.

The Board of Directors is responsible for governing the charter school, ensuring the school is executing on its mission in all aspects. The primary purpose of the Board is to provide oversight which delegating day-to-day management of the school to the Superintendent. The Board will set compensation for hire, oversee, and evaluate the Superintendent. The Superintendent reports to the Board. The Superintendent will hire and evaluate all members of the school's sta and will be accountable to the Board for the school's organizational and academic success. The Board will ensure that School of Science and Technology Schertz successfully executes on its mission to prepare all students for admission to, success in, and graduation from college. It will also ensue the school is fiscally responsible, that it adheres to the school's charter agreement with the authorizer, and that it complies with All applicable local, state, and federal law.

2. Describe the quality controls agreed to between the eligible applicant and the authorized public chartering agency involved (TEA), such as a contract or performance agreement, how a school's performance in the state's accountability system and impact on student achievement (which may include student academic growth) will be one of the most important factors for renewal or revocation of the school's charter, and how the authorized public chartering agency involved (TEA) will reserve the right to revoke or not renew a school's charter based on financial, structural, or operational factors involving the management of the school.

SST Schertz has a written performance contract with the authorized public chartering agency in the State that includes a description of how student performance will be measured in charter schools pursuant to State assessments that are required of others schools and pursuant to any other assessments mutually agreeable to the authorized public chartering agency and the charter school. The new campus will set the following student performance standards as goals other than currently operated campuses. 1) By July 2023, 80% of all students assessed in STAAR will achieve satisfactory performance on the Reading/ELA. 2) By July 2023, 80% of all students assessed in STAAR will achieve satisfactory performance on the Mathematics. 3) By July 2023, 62% of all special education and ESL students assessed in STAAR will achieve satisfactory performance on the Reading/ELA. 4) By July 2023, 62% of all special education and ESL students assessed in STAAR will achieve satisfactory performance on the Mathematics. The SST Board of Trustees may place a charter campus or charter program on probation or revoke a charter if it finds that the charter campus or program: a. Violates a provision of applicable

3. Describe how the autonomy and flexibility granted to the proposed charter school or high-quality charter school campus is consistent with the definition of a charter school in Section 4310, including how the proposed charter school campus will have a high degree of autonomy over budget and operations and personnel decisions. Include a detailed description of the ways in which the proposed charter school or high-quality charter school campus will be permitted to govern autonomously, as evidenced by the day-to-day decision makers at the campus and their input with regard to the school's curriculum, calendar, budget, and daily operations. For a charter school campus authorized by the local board of trustees pursuant to TEC, Chapter 12, Subchapter C, describe how this autonomy is above and beyond the degree of flexibility and autonomy afforded to traditional campuses within the school district.

The campus principal will be the primary steward of instruction, responsible for ensuring that it is aligned to the charter's mission and goals. In addition, the Principal will monitor student achievement outcomes on an interim and yearly basis and be held accountable for student achievement targets that are set by the charter. The principal will make day-to-day decisions regarding instruction. The charter district policy regarding the school calendar, administrative requirements, and student school calendar were specifically assigned to the principal and approved by the Board of Trustees in an e-ort to provide the campus with flexibility needed to accomplish the goals of the campus.

Additionally, the grant budget was created to reflect the needs of the campus utilizing the Needs Assessment outlined on page 7 # 5. The principal served a key contributor to providing input throughout the process. The budget has been reviewed and approved by the campus principal as meeting the current and future needs of the newly created High-Quality Replicated Charter campus. Flexibility will be a orded to the campus principal in selecting.

Amendment #

## **Statutory Requirements**

4. Describe how the eligible applicant will solicit and consider input from parents and other members of the community on the implementation and operation of the proposed charter school campus.

Build strong parent involvement and Public/Community Support STT Schertz will have a Parent website that provides information on academic achievement and has various resources that enhances child learning beyond school hours. Various parent events and communication tools (academic performance nights, parent teacher conferences, parent newsletters) will be utilized to inform parents. In order to boost public support and increase college/career readiness, the school will cultivate partnerships with area business, educational, and civic organizations. Perspective families will receive a preview and workshop of the new High-Quality Replicated charter school once it is completed. Parents will have the opportunity to hear the principal which perspective students will receive a tour of the classrooms and also meet and greet some of the hired teachers and sta. As part of the workshop, parents will be encouraged to discuss the new school and what they want for their children's education. SST Schertz will assimilate this critical feedback into the school's format and resources. Parental Outreach an indispensable element of SST Schertz success will be parental involvement. We believe that when parents, communities, and the school work together, children succeed and that when families take part in their children's education, children do better at school. For this reason, SST created a Parent Connect website, both English and Spanish, to provide information on the concept taught for each subject, list of resources for each courses.

5. Describe the eligible applicant's planned activities and expenditures of grant funds to open and prepare for the operation of the proposed charter school or high-quality charter school campus, and how the eligible applicant will maintain financial sustainability after the end of the grant period.

In developing a budget for this grant program, the campus principal and the school design team, consisting of industry, SST Central O ce Leadership Team and the Board were tasked with reviewing the charter components and developing a budget on how grant fund would best be used. Five category needs were identified and used to determine budget parameters: lab supplies/computers, 3 months' salary for school leaders/extra duty pay, recruitment materials, project evaluator and professional development/training. Speaking with industry professionals, classroom teachers and professional consultants derived information for the budget. District quotes were used to inform decision-making concerning technology and curriculum software costs, which serve as a large component of the requests for this STEM driven school. Since the curriculum will be driven by industry-let projects, the designed team felt that allocating money to the curriculum and project-based learning materials would serve the school need as industry forms projects. Professional development funds, according to the group, should be used for project-based learning training, blended learning, and personalized learning. All purchases were deemed allowable activities and use of funds as per the grant purpose and TEA guidelines related to specific costs.

SST Central O ce Leadership team will integrate, share resources from other existing programs and assist the SST Schertz High-Quality Replication campus to implement the grant objectives after the Charter School Program grant funds expire. Our Development team is currently reaching out to philanthropic community in San Antonio area to cultivate relationships.

6. Describe how the eligible applicant will support the use of effective parent, family, and community engagement strategies to operate the proposed charter school campus.

We believe that when parents, communities and the school work together, children succeed and that when families take part in their children's education, children do better at school. For this reason, SST created a Parent Connect website, both English and Spanish, to provide information on the concept taught for each subject, list of resources for each course including online access for curriculum materials as well as other online resources that enhance learning beyond school hours. Various parent events and communication tools (academic performance nights, parent teacher conferences, parent newsletters) will be utilized to inform parents. In order to boost public support and increase college/career readiness, the school will cultivate partnerships with area business, educational, and civic organizations. Perspective families will have the opportunity to meet the principal, perspective students will receive a tour of the classrooms and also meet and greet some of the hired teachers and sta. As part of the workshop, parents will be encouraged to discuss the new school and what they want for their children's education. SST Schertz will assimilate this critical feedback into the school's format and resources.
