3. Shared Services Arrangements

Shared services arrangements (SSAs) are/are not permitted for this grant.

Check the box below if applying as fiscal agent.

The LEA or ESC submitting this application is the fiscal agent of a planned SSA. All participating agencies will enter into a written SSA agreement describing the fiscal agent and SSA member responsibilities. All participants understand that the "Shared Services Arrangement Attachment" must be completed and signed by all SSA members, and submitted to TEA before the 80% reserve on the NOGA is lifted.

4. Identify/Address Needs

List up to three quantifiable needs, as identified in your needs assessment, that these program funds will address. Describe your plan for addressing each need.

| Quantifiable Need | Plan for Addressing Need |
|--|---|
| Recruit and retain students to meet student | Provide funding for marketing and advertising efforts to support strategic and |
| enrollment targets (see Program Requirements on p10 | effective recruitment efforts. A diverse marketing strategy which includes digital/ |
| of this grant application for enrollment targets). | social media advertisements, radio advertisements, print advertisements, and |
| | other methods will be deployed to help achieve the enrollment goals. |
| Recruit, develop, train, and retain a high-quality faculty | Emphasis is placed on identifying and recruiting the best-qualified faculty, and |
| and staff to prepare for the school opening and | ensuring that high-achieving faculty and staff persons are consistently provided |
| ultimately deliver a high-quality education to students | professional growth opportunities. BASIS faculty will be provided training specific |
| served at this campus. | to BASIS curriculum, pedagogy, and instructional systems. |
| · | , |
| Purchase instructional materials, furniture, fixtures and | Provide funding to support the acquisition of required classroom equipment, |
| equipment needed for the campus. | school fixtures, instructional supplies and materials, and tools to support the |
| | implementation of high-quality education programming. |
| | |
| | |

5. SMART Goal

Describe the summative SMART goal you have identified for this program (a goal that is Specific, Measurable, Achievable, Relevant, and Timely), either related to student outcome or consistent with the purpose of the grant.

By end of school year 2023-24, 85% of students in all STAAR tested grades and subjects will achieve Approaches Grade Level Performance, 60% will achieve Meets Grade Level Performance, and 35% will achieve Masters Grade Level Performance on the STAAR assessments.

6. Measurable Progress

Identify the benchmarks that you will use at the end of the first three grant quarters to measure progress toward meeting the process and implementation goals defined for the grant.

First-Quarter Benchmark

06/14/2022 – 12/31/2022 (Planning phase - prior to opening of campus)

Conduct marketing and events to ensure successful Open Enrollment period in fall 2022 for student recruitment. Hire and onboard Head of School for this campus. Identify other members of the school's leadership team. Develop strategy for spring hiring season.

Initiate procurement process as appropriate for instructional materials, furniture, fixtures and equipment needed for the campus.

| For TEA Use Only: | | | |
|---|----|----------------------------------|------------|
| Adjustments on this page have been confirmed with _ | by | of TEA by phone / fax / email on | <u>-</u> . |

8. Measurable Progress (Cont.)

Second-Quarter Benchmark

01/01/2023 – 06/30/2023 (Planning phase - prior to opening of campus)

Continue student recruitment efforts to ensure the campus opens at or above year 1 enrollment targets.

Hire the additional faculty and staff needed for pre-opening and year 1 operations. Plan BASIS summer institute training.

Procure instructional materials, furniture, fixtures and equipment needed for the campus.

Third-Quarter Benchmark

07/01/2023 - 01/31/2024 (Campus opens August 2023)

Conduct BASIS summer institute training.

All students who failed a portion of the STAAR 2023 will be identified and targeted for interventions. The school will administer benchmarks to determine baseline academic performance. These assessments will identify additional at-risk students in the areas of math and reading. Academic support plans will be created and implemented for these students.

7. Project Evaluation and Modification

Describe how you will use project evaluation data to determine when and how to modify your program. If your benchmarks or summative SMART goals do not show progress, describe how you will use evaluation data to modify your program for sustainability.

Student recruitment: Reevaluate needs and/or strategy based on advertising analytics, community response, and enrollment progress; growth and marketing teams meet regularly to discuss project status and unforeseen challenges for all goals and adjust accordingly.

Faculty/Staff recruitment: Reevaluate needs and/or strategy based on hiring progress; growth and HR teams maintain regular communication.

Procure instructional materials, furniture, fixtures and equipment: Reevaluate needs based on facility and enrollment adjustments as needed.

Student outcomes: Prior to the beginning of the school year, we review STAAR data and create strategic academic plans for students at risk of failing. As a data-driven network, we also collectively analyze data from other measures to identify areas for growth for students, content areas, grade levels, and campuses. This data allows schools to compare results across the network and share best practices should a particular campus not be meeting its goals. In the given benchmark intervals, if students are not trending to meet their goals, administrators will use this data to adjust plans and instructional strategies as needed with teachers during their regular team meetings. Our twoteacher model in grades K-3 especially allows for these adjustments as teachers are able to provide targeted interventions individually and in small groups. Students not progressing as expected in grades 4 and up receive additional support during their study hall periods and have access to teachers after school during group tutorial sessions. Our campus is also outfitted with a variety of intervention curricula to meet students' needs should additional or alternative resources be needed. Each summer, school administrators participate in network-wide professional development that focuses on using data to inform instruction and improve results.

8. Statutory/Program Assurances

The following assurances apply to this grant program. In order to meet the requirements of the grant, the grantee must comply with these assurances. Check each of the following boxes to indicate your compliance.

- 1. The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this grant will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
- 2. The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- ☑ 3. The applicant provides assurance to adhere to all Statutory Requirements, TEA Program Requirements, and Performance Measures, as noted in the 2022–2024 Charter School Program Grant (Subchapter C and D) Program Guidelines, and shall provide the Texas Education Agency, upon request, any performance data necessary to assess the success of the grant program.
- X 4. The applicant provides assurance that they accept and will comply with Every Student Succeeds Act Provisions and **Assurances** requirements
- 5. The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 TAC 206, 1 TAC Chapter 213, Federal Section 508 standards, and the WCAG 2.0 AA Accessibility Guidelines.
- ☒ 6. The applicant provides assurance that their financial accounting system adheres to the following requirements:
 - a. accommodates the minimum 15-digit account code mandated by the FASRG;
 - b. generates information needed for PEIMS reporting; and
 - c. ensures adequate accountability of state and federal funds.

If the applicant's financial accounting system is not approved by TEA, the applicant assures that it will budget and acquire an acceptable accounting system and training with these grant funds. Additionally, the applicant will be required to submit proof of an acceptable accounting system prior to receiving continued and/or additional funding.

- X 7. The applicant provides assurance that it will maintain clear documentation and data for the school and students served by this grant program, will comply with any reporting and evaluation requirements that may be established by the TEA, and will submit the reports in the format and manner requested by TEA's Division of Financial Compliance. Grantees will be required to cooperate with the team that has been contracted to evaluate the use of the grant funds.
- 区 8. The applicant provides assurance that it has on file a certificate of occupancy or the equivalent, for the instructional facility. At any time, should the TEA Charter School Administration Division request a copy, the applicant will provide such copy immediately.
- S. According to Title IV, Part C of ESSA, to receive federal grant funds of any type, including U. S. Department of Education funds, the charter school must meet the following definition. By signing Attachment #1 and submitting the application, the authorized official of the public charter school certifies that each of the statements in the definition is true and that the school is in compliance with this definition. A charter school is not eligible to receive any federal funds at any time, formula or discretionary, from TEA if it does not comply with this definition.

9. Statutory Requirements

1. Describe the roles and responsibilities of the eligible applicant, any partner organizations, and charter management organizations, as applicable, including the administrative and contractual roles and responsibilities of such partners.

BASIS Texas Charter Schools, Inc. (BTCSI) is a nonprofit organization providing a network of high quality public charter schools in Texas and has been operating since school year 2013-2014. BTCSI currently serves in excess of 3,000 students across seven campuses, four primary schools and three upper schools. BTCSI has a well-distinguished Board of Directors. The Board of Directors has employed a Superintendent and an Executive Director to meet its fiduciary responsibilities. Both are located in San Antonio, Texas, and bring over 20 years of combined experience in the education industry.

BASIS Texas Charter Schools, Inc. has entered into a service agreement with BASIS.ed to provide certain services, such as Growth Development, Financial, Compliance, Curriculum, Human Resources and Technology. The BASIS.ed CEO has over 20 years of experience in education. The BASIS.ed Texas Office includes the Vice President of Growth, Senior Director of Planning and Development, Associate Vice President of Human Resources and Talent Acquisition and Vice President of Academics who provide direct support to each campus Head of School and Head of Operations and work to ensure all BASIS Texas Charter Schools meet requirements. The Superintendent and Executive Director work closely with BASIS.ed to prepare routine reports to the BTCSI Board of Directors and various external agencies.

2. Describe the quality controls agreed to between the eligible applicant and the authorized public chartering agency involved (TEA), such as a contract or performance agreement, how a school's performance in the state's accountability system and impact on student achievement (which may include student academic growth) will be one of the most important factors for renewal or revocation of the school's charter, and how the authorized public chartering agency involved (TEA) will reserve the right to revoke or not renew a school's charter based on financial, structural, or operational factors involving the management of the school.

BASIS Texas Charter Schools' consistent level of success stems directly from our highly skilled and passionate subject-expert teachers and their use of the BASIS Charter School Curriculum. We understand that the performance of our schools in the state's accountability system will be one of the most important factors of the school's charter. In 2019, BASIS Texas Charter Schools was among the highest-rated districts in Bexar County with an overall rating of an "A", a score of 98 out of 100. The BASIS Texas Charter School campuses meets or exceeds the state average in most subjects and grades, and has earned a number of distinction designations in 2019. Texas Education Agency rated BASIS Texas Charter Schools with an overall performance score of an "A" in student achievement, school progress and closing the gaps, which positions current and new BASIS Texas Charter Schools with high performance achievement levels. BASIS Texas Charter Schools have an "A"-"Superior" FIRST rating by the Texas Education Agency based on fiscal year 2020 data, which positions us with high financial strength.

3. Describe how the autonomy and flexibility granted to the proposed charter school or high-quality charter school campus is consistent with the definition of a charter school in Section 4310, including how the proposed charter school campus will have a high degree of autonomy over budget and operations and personnel decisions. Include a detailed description of the ways in which the proposed charter school or high-quality charter school campus will be permitted to govern autonomously, as evidenced by the day-to-day decision makers at the campus and their input with regard to the school's curriculum, calendar, budget, and daily operations. For a charter school campus authorized by the local board of trustees pursuant to TEC, Chapter 12, Subchapter C, describe how this autonomy is above and beyond the degree of flexibility and autonomy afforded to traditional campuses within the school district.

The campus will be consistent with the federal definition of "charter school" under Public Law 114-95, Title IV, Part C, Section 4310 and BASIS Texas Charter Schools, Inc. contract with the Texas Education Agency. BASIS Cedar Park Primary campus will maintain a high degree of autonomy over its financial, logistical, and educational operations, as well as personnel decisions. We will adhere to public school requirements according to charter school terms. The BASIS school managers typically include a Head of School, a Head of Operations, a Director of Student Affairs, and a Director of Academic Program. The Head of Operations manages facilities, human resources, finance, accounting, events, and logistics. The Head of School hires and manages academic personnel, academic/curriculum services, student performance/processes and reports. Teachers have the autonomy to present subject matter in their own creative and engaging ways, with accountability for outcomes

9. Statutory Requirements (Cont.)

4. Describe how the eligible applicant will solicit and consider input from parents and other members of the community on the implementation and operation of the proposed charter school campus.

BASIS Texas Charter Schools, Inc. values community outreach and input. We will start hosting information sessions, coffee chats, parent panels, and other similar events for this campus in late summer 2022. These events will create opportunities for the community to learn more about BASIS Texas Charter Schools and to interact with BASIS leaders and teachers. All of these events include opportunities for Q&A and interactions with members of the community. These events could be inperson, virtual, or hybrid depending on the current situation with the pandemic and how the community responds to different event settings. In addition, the school's Head of School, Registrar, and others will devote time to reach out to individual families via phone and email to answer questions, gather input, and address any concerns. The school will create and rely on its Booster Club, a parent volunteer organization that acts as the "social glue" between the families at the school. Once the campus is operational, an online Parent Portal will provide a direct line from parents to the school and parent surveys are conducted to solicit formal feedback from families.

5. Describe the eligible applicant's planned activities and expenditures of grant funds to open and prepare for the operation of the proposed charter school or high-quality charter school campus, and how the eligible applicant will maintain financial sustainability after the end of the grant period.

BASIS Cedar Park Primary campus has a development plan and team that is confident to continue the operation of a successful high-quality charter school campus. BASIS Texas Charter Schools, Inc. is prepared for the operation. Financial sustainability is solid along with steady enrollment growth and outstanding student achievement. BASIS Texas Charter schools have an "A" Superior rating on Charter FIRST, by the Texas Education Agency based on Fiscal Year 2020 data, which positions us at a solid sustainability level.

Planned expenditures are for student recruitment, furniture, fixtures, equipment, and technology set-up and equipment for teachers and students. These planned activities address the needs of facility and instructional equipment and materials, open enrollment, and implementation of IT infrastructures.

Financial sustainability during the grant period and thereafter are not limited to the following: Texas Education Agency through the School Foundation Fund based on student count and growth. The Individual Disability Education Act (IDEA) related to students with disabilities, ESSA Consolidated Funds for Title II and III related to professional development/ program enhancements, school fund raising, a network-wide Annual Teacher Fund structure, and other grants will support sustainability. The Superintendent and Executive Director roles actively engage in the community to ensure continued financial interest and sustainability. We will join in the local initiatives. BASIS.ed will provide support through the Finance Division, Grants Development, Curriculum, Marketing, HR, and Technology to ensure full sustainability.

6. Describe how the eligible applicant will support the use of effective parent, family, and community engagement strategies to operate the proposed charter school campus.

Engagement activities for BASIS Cedar Park Primary are numerous. BASIS Texas Charter School, Inc. actively interface with community members, businesses, and philanthropy groups building relationships for future support and input into campus operations. BASIS.ed Texas Central Office provides feet on the ground in Texas to strengthen the growth and operations of BASIS Texas Charter Schools. School leadership will engage in dialogue with parents on individual student needs as well as school-wide operations. Additional communication for Parents/Guardians is through the School's Parent Square Directory, an electronic system in which issues or concerns, or questions can be exchanged. Every time school personnel interact with parents in-person or electronically, or through social events, that dialogue is valued and considered in the school's operation for continued improvements. School surveys throughout the year to Parents/Guardians will provide data to guide the decisions of senior leadership as they engage in on-going communications with community members and stakeholders. The results help school leadership in addressing improvements and development of additional solutions. Throughout the school year and largely during summer months, school leadership engage in planning and consideration of input to make a responsive school to the community.

CDN 015834 Vendor ID 45-4269957 Amendment # N/A

Appendix I: Negotiation and Amendments

Leave this section blank when completing the initial application for funding.

An amendment must be submitted when the program plan or budget is altered for the reasons described in the "When to Amend the Application" document posted on the <u>Administering a Grant</u> page of the TEA website and may be emailed to <u>competitivegrants@tea.texas.gov</u> Include all sections pertinent to the amendment (including budget attachments), along with a completed and signed copy of page 1 of the application. More detailed amendment instructions can be found on the last page of the budget template.

You may duplicate this page.

For amendments, choose the section you wish to amend from the drop down menu on the left. In the text box on the right, describe the changes you are making and the reason for them.

Always work with the most recent negotiated or amended application. If you are requesting a revised budget, please include the budget attachments with your amendment.
