NAME OF CONTRACTOR

It is mutually understood and agreed by and between the undersigned contracting parties of the above numbered contract to amend said Contract effective *September 1, 2016* as follows:

ARTICLE II. PERIOD OF CONTRACT

TEA is exercising the option to renew the contract as allowed in the Contract term for a three-year period from September 1, 2016 through August 31, 2019. Contract may be extended up to three additional fiscal years under the same or different terms subject to appropriation of funds by the United States Education Department, the State Board of Education as well as the Texas Legislature for this project. The Proclamation which calls for new instructional materials for subject areas covered in this contract will tentatively be effective September 2019.

ARTICLE III. PURPOSE OF CONTRACT

The Contractor is to continue to produce Braille copies of textbooks and perform functions and duties described herein and in the appendices to the original Contract on "as needed basis". The updated Estimated Price Worksheets, Braille Copies Package A and B, for this amendment are hereby incorporated into the amendment in reference. Deliverables are based solely on orders placed throughout the duration of this contract. *Estimated price worksheets include only Estimated Total Pages and Estimated Package Price Totals (See Attachment L and M), and will not coincide with the Contract total value.*

Contractor is hereby granted permission to list and sell braille instructional material copies produced for the Texas Education Agency under this Contract on the American Printing House for the Blind's, Louis Database on a limited, revocable, nontransferable, non-assignable, and nonexclusive basis, which will not place the State of Texas, TEA, or its employees or representatives in a negative light. The braille instructional material copies must still be sold at the TEA contract price. This permission shall remain in effect for two (2) years after the materials go-out-of-adoption and the contract has expired, at which time this license and permission shall automatically terminate.

TEA reserves the right to request changes in personnel assigned to the project. The TEA Project Manager must pre-approve any changes in key personnel throughout the contract term. Substitutions are not permitted without written approval of TEA Project Manager. Contractor further agrees that acceptance of funds under this Contract acts as acceptance for TEA to conduct an audit or investigation in connection with those funds. Contractor, subcontractors, and any entities receiving funds through this Contract shall cooperate fully with TEA in the conduct of the audit or investigation, including providing all records pertaining to this Contract that are requested.

J. **Time Delays; Suspension; Sanctions for Failure to Perform; Noncompliance:**

Time is of the Essence.

Contractor's timely performance is essential to this contract.

Suspension

If this Contract is suspended by TEA prior to its expiration date, the reasonable monetary value of services properly performed by Contractor pursuant to this contract prior to suspension shall be determined by TEA and paid to Contractor as soon as reasonably possible. K. Information Security Requirements, Proprietary, FERPA, and Confidential Information:

Access to TEA Confidential Information

Contractor represents and warrants that it will take all necessary and appropriate action within its abilities to safeguard TEA Confidential Information and to protect it from unauthorized disclosure. If Contractor discloses any TEA Confidential Information to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Contractor. Whenever communications with Contractor necessitate the release of TEA Confidential Information, additional TEA Confidential forms will need to be signed by each individual who will require access to or may be exposed to that information. Contractor shall access TEA's systems or TEA Confidential Information only for the purposes for which it is authorized. TEA reserves the right to review Contractor's security policy to ensure that any data that is on Contractor's servers is secure. Contractor shall cooperate fully by making resources, personnel, and systems access available to TEA and TEA's authorized representative(s).

Contractor shall ensure that any TEA Confidential Information in the custody of Contractor is properly sanitized or destroyed when the information is no longer required to be retained by TEA or Contractor in accordance with this contract. Electronic media used for storing any TEA Confidential Information must be sanitized by clearing, purging or destroying in accordance with such standards established by the National Institute of Standards and Technology and the Center for Internet Security. These standards are also required if Contractor is collecting, maintaining, or analyzing data gathered, collected, or provided under this Contract. Contractor must maintain a record documenting the removal and completion of all sanitization procedures with the following information:

1. Date and time of sanitization/destruction;
2. Description of the item(s) and serial number(s) if applicable;
3. Inventory number(s); and
4. Procedures and tools used for sanitization/destruction.

No later than 60 days from Contract expiration or termination or as otherwise specified in this Contract, Contractor must complete the sanitization and destruction of the data and provide to TEA documentation that the sanitization has been completed. The documents must be certified by an authorized agent of the company.

FERPA

Contractor, its employees and subcontractor's, agree that in executing tasks on behalf of the TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information within 60 days of project completion. Contractor also agrees not to disclose any information to which it is privy under this Contract without the prior consent of the agency.

Access to Internal TEA Network and Systems

As a condition of gaining remote access to any internal TEA network and systems, Contractor must comply with TEA's policies and procedures. TEA's remote access request procedures will require Contractor to submit TEA Applicable Access Request forms for TEA's review and approval. Remote access technologies provided by Contractor must be approved by TEA's Information Security Officer. TEA, in its sole discretion, may deny network or system access to any individual that does not complete the required forms. Contractor must secure its own connected systems in a manner consistent with TEA's requirements. TEA reserves the right to audit the security measures in effect on Contractor's connected systems without prior warning. TEA also reserves the right to immediately terminate network and system connections not meeting such requirements.

Disclosure of Security Breach

Contractor shall provide notice to TEA's Project Manager and TEA's Information Security Officer as soon as possible following Contractor's discovery or reasonable belief that there has been unauthorized use, exposure, access, disclosure, compromise, modification, or loss of sensitive or TEA Confidential Information ("Security Incident"). Within 24 hours of the discovery or reasonable belief of a Security Incident, Contractor shall provide a written report to TEA's Information Security Officer detailing the circumstances of the incident which includes at a minimum:

1. Description of the nature of the Security Incident;
2. The type of TEA information involved;

3. Who may have obtained the information;
4. What steps Contractor has taken or will take to investigate the Security Incident;
5. What steps Contractor has taken or will take to mitigate any negative effect of the Security Incident; and
6. A point of contact for additional information.

Each day thereafter until the investigation is complete, Contractor shall provide TEA's Information Security Officer with a written report regarding the status of the investigation and the following additional information as it becomes available:

1. Who is known or suspected to have gained unauthorized access to TEA information;
2. Whether there is any knowledge if TEA information has been abused or compromised;
3. What additional steps Contractor has taken or will take to investigate the Security Incident;
4. What steps Contractor has taken or will take to mitigate any negative effect of the Security Incident; and
5. What corrective action Contractor has taken or will take to prevent future similar unauthorized use or disclosure.

Contractor shall confer with TEA's Chief Information Security Officer regarding the proper course of the investigation and risk mitigation. TEA reserves the right to conduct an independent investigation of any Security Incident, and should TEA choose to do so, Contractor shall cooperate fully by making resources, personnel, and systems access available to TEA and TEA's authorized representative(s). Subject to review and approval of TEA's Information Security Officer, Contractor, at its own cost, shall provide notice that satisfies the requirements of applicable law to individuals whose personal, confidential, or privileged data were compromised or likely compromised as a result of the Security Incident. If TEA, in its sole discretion, elects to send its own separate notice, then all costs associated with preparing and providing notice shall be reimbursed to TEA by Contractor. If Contractor does not reimburse such costs within 30 days of TEA's written request, then TEA shall have the right to collect such costs.

- P. **Federal Regulations Applicable to All Federally Funded Contracts:** The Code of Federal Regulations (CFR) annual edition is the codification of the general and permanent rules published in the Federal Register by the departments and agencies of the Federal Government produced by the Office of the Federal Register (OFR) and the Government Publishing Office. - S. **Forms, Assurances, and Reports:** Contractor shall timely make and file with the proper authorities all forms, assurances and reports required by federal laws and regulations. TEA shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to TEA's attention, and may deny payment or recover payments made by TEA to Contractor in the event of Contractor's failure so to comply. Contractor who is indebted or owes delinquent taxes to the state will have any payments under the Contract applied toward the debt or delinquent taxes owed the state until the account is paid in full, regardless of when the debt or delinquency was incurred. This provision does not apply if the warrant or transfer results in payments being made in whole or in part with money paid to the state by the Federal Government. Pursuant to 34 TAC §201.14 -18 and Texas Government Code, Chapter 2161, Contractors shall maintain business records documenting compliance with the HUB subcontracting plan (HSP) and shall submit a compliance report to TEA monthly, in the format required by TEA. The compliance report submission shall be required as a condition for payment. If Contractor subcontracts any part of the Contract in a manner that is not consistent with its HSP, the selected respondent must submit a revised HSP before subcontracting any of the work under the Contract. If Contractor subcontracts any of the work without prior authorization and without complying with this section, Contractor is deemed to have breached the Contract and is subject to any remedial actions provided by Government Code, Chapter 2161, and other applicable state law.
- Y. **Public Information:** TEA is subject to the provisions of the Texas Public Information Act. If a request for disclosure of this Contract or any information related to the goods or services provided under the Contract or information provided to TEA under this Contract constituting a record under the Act is received by TEA, the information must qualify for an exception provided by the Act in order to be withheld from public disclosure. Contractor authorizes TEA to submit any information contained in the Contract, provided under the Contract, or otherwise requested to

be disclosed, including information Contractor has labeled as confidential proprietary information, to the Office of the Attorney General for a determination as to whether any such information may be exempt from public disclosure under the Act. If TEA does not have a good faith belief that information may be subject to an exception to disclosure, TEA is not obligating itself by this Contract to submit the information to the Attorney General. It shall be the responsibility of Contractor to make any legal argument to the Attorney General or appropriate court of law regarding the exception of the information in question from disclosure. Contractor waives any claim against and releases from liability TEA, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by Contractor and determined by the Attorney General or a court of law to be subject to disclosure under the Act.

Under [Section 2252.907](#) of the Texas Government Code, a contract between a state governmental entity and a non-governmental contractor involving the exchange or creation of public information, as defined by the [Texas Government Code Section 552.002](#), must require the non-governmental contractor to make any information created or exchanged with the state pursuant to this contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. TEA Project Manager will provide the specific format by which Contractor is required to make the information accessible by the public.

- II. **Excluded Parties List System:** TEA and Contractor must adhere to the directions provided in the President's [Executive Order \(EO\) 13224](#), Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, which may be viewed at <http://www.whitehouse.gov/briefing-room/presidential-actions/executive-orders>. That Executive Order prohibits any transaction or dealing by United States persons, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the General Services Administration's Excluded Parties List System (EPLS) which may be viewed on the System for Award Management (SAM) site at <http://www.sam.gov>.
- MM. **Social Security Numbers Withheld:** TEA will not provide Social Security Numbers (SSNs) to any Contractor under this Contract unless specifically specified as part of the Contract Project requirements. TEA, its Contractors and their subcontractors, will not require or request school districts to provide SSNs under this Contract. Contractor agrees that in executing tasks on behalf of TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information to TEA within 30 days of project completion. An authorized officer of Contractor must certify that ALL records have either been properly destroyed or returned to TEA in order to close out the Contract.
- QQ. **Nondisclosure; Press Releases:** All information gathered, produced, derived, obtained, analyzed, controlled or Accessed by Contractor in connection with this Contract shall be and remain confidential and shall not be released or disclosed by Contractor without the prior written consent of TEA, which consent must specifically identify the confidential Independent Contractor: Contractor or Contractor's employees, representatives, agents and any subcontractors shall serve as an independent contractor in providing the services under any purchase order resulting from this Contract. Contractor or Contractor's employees, representatives, agents and any subcontractors shall not be employees of TEA. Should Contractor subcontract any of the services required in this Contract, Contractor expressly understands and acknowledges that in entering into such subcontract(s), TEA is in no manner liable to any subcontractor(s) of Contractor. In no event shall this provision relieve bidder of the responsibility for ensuring that the services rendered under all subcontracts are rendered in compliance with this Contract.
- PP. **Contractor Performance:** All state agencies must report unsatisfactory Contractor performance on purchases over \$25,000. Proposers who are in default or otherwise not in good standing under any other current or prior contract with TEA at the time of selection will not be eligible for award of this Contract. A Proposer's past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of Government Code [§§ 2155.074, 2155.075, 2156.007, 2157.003, and 2157.125](#). Proposers may fail this selection criterion for any of the following conditions: A score of less than 90% in Contractor Performance System, currently under a Corrective Action Plan, having repeated negative Contractor performance reports for the same reason, having purchase orders that have been cancelled in the previous 12 months for non-performance (i.e. late delivery, etc.). TEA may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through Contractor Performance Tracking System (as authorized by [34 Texas Administrative Code §20.108](#)). TEA or a designee may conduct periodic contract compliance reviews without advance notice, to monitor performance. TEA may examine other sources of Contractor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of TEA, and any negative findings, as determined by TEA, may result in non-award to the Proposer.
- Agencies report satisfactory and exceptional Contractor performance to assist in determining best value. In accordance with [Texas Government Code, §2155.074 and §2155.75](#), Contractor performance may be used as a factor in future contract awards. Contractor performance information is located on the CPA website at <https://www.comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>
- QQ. **Termination:** This Contract shall terminate upon full performance of all requirements contained in this Contract, unless otherwise extended or renewed as provided in accordance with the Contract Terms and Conditions.

1. **Termination for Convenience:** TEA may terminate this Contract at any time, in whole or in part, without penalty, by providing 15 calendar days' advance written notice to Contractor. In the event of such a termination, Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. 2. **Termination for Cause/Default:** If Contractor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, TEA may, upon written notice of default to Contractor, immediately terminate all or any part of the Contract. TEA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TEA notifies Contractor in writing prior to the exercise of such remedy.

Contractor shall remain liable for all covenants and indemnities under the Contract. Contractor shall be liable for all costs and expenses, including court costs, incurred by TEA with respect to the enforcement of any of the remedies listed herein.

3. **Termination Due to Changes in Law:** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either party cannot reasonably fulfill this Contract and if the parties cannot agree to an amendment that would enable substantial continuation of the Contract, the parties shall be discharged from any further obligations under this contract.

6. **Contract Transition:** In the event a subsequent competitive solicitation is awarded to a New Contractor, the Outgoing Contractor shall hand-over to the New Contractor all "Works" including but not limited to the following: data, materials, database access, intellectual property, source code, training materials, access to websites, asset transfer, and maintenance of service commitments. If the solicitation documents and contract documents for a TEA contract submitted to the Texas Comptroller of Public Accounts' Contract Advisory Team (CAT) (contracts with a value of at least \$10 million pursuant to Texas Government Code Section 2262.101(1)) substantially changes, agencies are required to resubmit their solicitation documents(s) for CAT review. Changes in the major contract solicitation are considered substantial when: 1) the solicitation change caused the estimated value for the original term of the contract, not including renewal periods,

to increase by 20% or more; 2) or there are significant revisions, deletions and/or additions to the specifications, statement of work (SOW), set(s) of deliverables, performance measures, payment methodology, etc.

1. For all other contracts (excludes major contracts) the Contractor is permitted to re-budget among direct cost categories within the approved budget to meet unanticipated requirements and to make limited changes 25% or up to \$1,000 in a direct category in the approved budget without the issuance of a written Amendment as long as the total budget amount does not change. Contractors are required to report deviations from budget and request prior approvals from the TEA Project Manager. Additionally, a revised budget document must be submitted to TEA Project Manager for approval. Once approved, the documents must be submitted to the Contract staff for incorporation into the contract file. Failure to submit the budget documents will result in invoices being rejected or payment delayed.
 2. Written amendments are required for the following Contract changes:
 - a. Any revision which would result in the need for additional funding;
 - b. Revisions or additions to the scope of work, deliverables, or objectives of the Contract (regardless of whether there is an associated budget revision requiring prior approval). Increases of 20% or more for major contracts must be approved by the Texas Comptroller;
 - c. A request to extend the period of the Contract;
 - d. Any reduction of funds or reduction in the scope of work;
 - e. Whenever a line item within a class/object code is added;
 - f. An increase in the quantity of capital outlay item(s) requested; and

Additional information and a Direct Deposit Authorization application may be found at: <https://fm.xcpa.state.tx.us/fm/payment/index.php> Invoices must be submitted to TEAAccountsPayable@tea.texas.gov and TEA Project Manager. Any payment owed by TEA must be transmitted electronically to Contractor no later than 30 days after the later of:
1. Day on which TEA received the goods;
 2. Date the performance of the service under the Contract is completed; or
 3. Day on which TEA received the complete and correct invoice for goods or services.

Payment for service(s) described in this Contract is contingent upon satisfactory completion of the deliverables or services. TEA project manager may also utilize a Deliverables and Services Review and Acceptance Process written procedures. When the formal procedures are to be utilized, the TEA project manager will provide to the selected Contractor a copy of the Handbook. Contractor must submit final deliverables to TEA for review and approval prior to invoicing. These include test items developed under the Contract. "Final" deliverable means a deliverable that, in the belief and testimony of Contractor, is in final completed form and in compliance with all required specifications as defined by project documentation and this Contract. TEA will review each deliverable, including test items, submitted by Contractor for quality and alignment to the deliverable definition agreed to under the "Deliverables and Services Definition Process". TEA will have 15 working days to approve a deliverable or request revisions to the deliverable. TEA must review and approve any deliverable before it may be invoiced by Contractor. If TEA finds a submitted deliverable to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process" provided by the TEA Program Manager, located in the Service Level Agreement or the Contract Monitoring Tool. Contractor will have 10 working days to provide a Corrective Action Plan and address the quality or other compliance requirement and resubmit the deliverable. Additional costs incurred by Contractor that result from repeated submissions and revising of substandard deliverables will be borne solely by Contractor and not charged against the Contract or to TEA. This process will apply to all deliverables and requirements of the Contract, including test items developed. This does not preclude an arrangement that allows Contractor to bill against a deliverable as progress is made toward completing that deliverable, so long as documentation of such progress in a form and nature satisfactory to TEA is provided and is approved by TEA. It is up to Contractor to request incremental billing based on progress towards a deliverable, and such a request must be approved by TEA prior to submission of any invoice by Contractor. TEA reserves the right to reject and not provide payment for deliverables found to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", including test items developed under the Contract. Contractor is strongly encouraged to collaborate with TEA on draft versions of any deliverables or services and request review(s) of such draft versions before submitting a final version.

The fees may not be arbitrarily imposed after execution of the Contract. The release of retainage shall be requested in the final invoice.

Unless otherwise stated, payment under this Contract will be made upon performance of services based upon submission of an expenditure report/invoice, properly prepared and certified, outlining expenditures by cost category. Include the Contract number, purchase order number, and the Texas Comptroller of Public Accounts Texas Identification Number (TIN) on all invoices/expenditure reports. The cost categories provided in the expenditure report/invoice must coincide with the cost categories detailed in the approved budget. A list of tasks/activities performed during the invoice period must accompany the expenditure report/invoice. The final

expenditure report/invoice is due within 45 days after the end of the Contract. Payment on the final expenditure report is contingent upon receipt of all reports/products required by this Contract.

An encumbrance, accounts payable, and expenditure, as with all other contract accounting terms, will be as defined in the *Financial Accounting and Reporting Module of TEA Financial Accountability System Resource Guide*. All goods must have been received and all services rendered by the ending date of this Contract in order for Contractor to include these costs as either expenditures or as accounts payable and, thereby, recover funds due. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures.

Contractor who is indebted or owes delinquent taxes to the state will have any payments under the Contract applied toward the debt or delinquent taxes owed the state until the amount is paid in full, regardless of when the debt or delinquency was incurred. TEA shall determine whether a payment law prohibits the Comptroller from issuing a warrant or initiating an electronic funds transfer to a person before TEA enters into a written contract with that person.
