**S. Forms, Assurances, and Reports:** Contractor shall timely make and file with the proper authorities all forms, assurances and reports required by federal laws and regulations. TEA shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to TEA's attention, and may deny payment or recover payments made by TEA to Contractor in the event of Contractor's failure so to comply. Contractor who is indebted or owes delinquent taxes to the state will have any payments under the Contract applied toward the debt or delinquent taxes owed the state until the account is paid in full, regardless of when the debt or delinquency was incurred. This provision does not apply if the warrant or transfer results in payments being made in whole or in part with money paid to the state by the Federal Government. Pursuant to 34 TAC 201.14 -18 and TGC 2161, Contractors shall maintain business records documenting compliance with the HUB Subcontracting Plan (HSP) and shall submit a compliance report to the contracting agency monthly, in the format required by the Agency. The compliance report submission shall be required as a condition for payment. If the Contractor subcontracts any part of the contract in a manner that is not consistent with its HUB subcontracting plan, the selected respondent must submit a revised HUB subcontracting plan before subcontracting any of the work under the contract.

If the Contractor subcontracts any of the work without prior authorization and without complying with this section, the Contractor is deemed to have breached the contract and is subject to any remedial actions provided by Government Code, Chapter 2161, and other applicable state law.

**T. Signature Authority; Final Expression; Superseding Document:** Contractor certifies that the person signing this Contract has been properly delegated this authority. The Contract represents the final and complete expression of the terms of agreement between the parties. The Contract supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises or warranties that differ from the Contract shall have no force or effect. The Contract may be modified, amended or extended only by formal written amendment properly executed by both TEA and Contractor.

- U. **Antitrust:** By signing this Contract, Contractor, represents and warrants that neither Contractor nor any firm, corporation, partnership, or institution represented by Contractor, or anyone acting for such firm, corporation or institution has, (1) violated the antitrust laws of the State of Texas under Tex. Bus. & Com. Code, Chapter 15, or the federal antitrust laws; or (2) communicated directly or indirectly the Proposal to any competitor or any other person engaged in such line of business during the procurement process for this Contract.
- V. **Family Code Applicability:** By signing this Contract, Contractor, if other than a state Party, certifies that under Section 231.006, Family Code, that Contractor is not ineligible to receive specified grant, loan, or payment under this Contract and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate. TEA reserves the right to terminate this Contract if Contractor is found to be ineligible to receive payment. If Contractor is found to be ineligible to receive payment and the Contract is terminated, Contractor is liable to TEA for attorney's fees, the costs necessary to complete the Contract, including the cost of advertising and awarding a second contract, and any other damages or relief provided by law or equity.
- W. **Dispute Resolution:** The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used by TEA and Contractor to attempt to resolve all disputes arising under this Contract. The parties may agree to mediation of their dispute at any time. However, if all issues in dispute are not completely resolved through direct negotiations between the parties within 180 days after the Agency receives Contractor's notice of claim, then the parties must submit the dispute to mediation before a mutually acceptable mediator in Travis County, Texas. The mediation must be completed on or before 270 days after the Agency receives Contractor's notice of claim. Completion of the mediation is a condition precedent to the filing of a contested case hearing under Chapter 2260. The Agency's participation in mediation or any other dispute resolution process shall not waive any of the Agency's contractual or legal rights and remedies, including but not limited to sovereign immunity.
- X. **Interpretation:** In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, Appendices, Terms and Conditions, Special Provisions, Exhibits, and Attachments or other documents, the TEA Contract and its Terms and Conditions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this Contract.
- Y. **Education Service Center:** No funds transferred to regional education service centers or to school districts may be used to hire a registered lobbyist.
- Z. **Compliance with Laws:** Contractor shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any court or administrative bodies or tribunals in any matter affecting Contractor's performance, including if applicable, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, prompt payment and licensing laws and regulations. For the entire duration of the Contract, Contractor shall maintain all required licenses, certifications, permits, and any other documentation necessary to perform this Contract. When required or requested by the Agency, Contractor shall furnish TEA with satisfactory proof of its compliance with this provision.
- AA. **Public Information:** The TEA is subject to the provisions of the Texas Public Information Act. If a request for disclosure of this Contract or any information related to the goods or services provided under the Contract or information provided to the TEA under this Contract constituting a record under the Act is received by the TEA, the information must qualify for an exception provided by the Texas Public Information Act in order to be withheld from public disclosure. Contractor authorizes the TEA to submit any information contained in the Contract, provided under the Contract, or otherwise requested to be disclosed, including information Contractor has labeled as confidential proprietary information, to the Office of the Attorney General for a determination as to whether any such information may be exempt from public disclosure under the Act. If the TEA does not have a good faith belief that information may be subject to an exception to disclosure, the TEA is not obligating itself by this Contract to submit the information to the Attorney General. It shall be the responsibility of the Contractor to make any legal argument to the Attorney General or appropriate court of law regarding the exception of the information in question from disclosure. The Contractor waives any claim against and releases from liability the TEA, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by the Contractor and determined by the Attorney General or a court of law to be subject to disclosure under the Texas Public Information Act.  
Contractor is required to make any information created or exchanged with the state pursuant to this Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. The TEA Project Manager will provide the specific format by which the Contractor is required to make the information accessible by the public.
- BB. **Gratuities:** By signing this Contract, Contractor represents and warrants that the Contractor has not given, offer to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted response.

- CC. Venue and Jurisdiction:** Subject to and without waiving any of the Agency's rights, including sovereign immunity, this Contract is governed by and construed under and in accordance with the laws of the State of Texas. Venue for any suit concerning this solicitation and any resulting contract or purchase order shall be in a court of competent jurisdiction in Travis County, Texas.
- DD. Protests:** Any actual or prospective Bidder, Respondent, or Contractor who is aggrieved in connection with the solicitation, evaluation, or award of this or any other contract by the Texas Education Agency may submit a formal protest to the Director of the Agency's Contracts and Purchasing Division. This protest procedure shall be the exclusive method by which anyone may make a challenge to any aspect of the Agency's contracting process. The Agency will not be required to consider the merits of any protest unless the written protest is submitted within ten (10) working days after such aggrieved person knows, or reasonably should have known, of the occurrence of the action which is protested. The protest document must meet with all requirements in applicable law and Agency's rules (Title 19 of the Texas Administrative Code at § 30.2002) <http://ritter.tea.state.tx.us/rules/tac/index.html>.
- If the protest procedure results in a final determination by the Agency that a violation of law has occurred in its contracting process in a case in which a contract has been awarded, then the Agency may declare the contract void at inception. In that event, the party who had been awarded the contract shall have no rights under the contract and no remedies under the law against the Agency
- EE. Liability for and Payment of Taxes:** Contractor represents and warrants that it shall pay all taxes or similar amounts resulting from this Contract, including, but not limited to, any federal, State, or local income, sales or excise taxes of Contractor or its employees. TEA shall not be liable for any taxes resulting from this Contract.
- FF. Severability:** In the event that any provision of this Contract is later determined to be invalid, void, or unenforceable, the invalid provision will be deemed severable and stricken from the Contract as if it had never been incorporated herein. The remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
- GG. Conformance:** The Contractor warrants that all goods and services furnished shall conform in all respects to the terms of this Contract, including any drawings, specifications or standards incorporated herein, and any defects in materials, workmanship, and free from such defects in design. In addition, contractor warrants that goods and services are suitable for and will perform in accordance with the purposes for which they are intended.
- HH. Felony Criminal Convictions:** Contractor represents and warrants that Contractor has not and Contractor's employees assigned to TEA projects have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, Contractor has fully advised TEA as to the facts and circumstances surrounding the conviction.
- II. Criminal Background Checks:** If during the term of this Contract, Contractor, and/or Contractor staff, or subcontractor have access to Texas public school campuses, all Contractor and/or Contractor's staff must submit to a national criminal history record information review (includes fingerprinting) and meet all eligibility standards and criteria as set by Agency before serving in assignments on behalf of the Agency. This requirement applies to all individuals who currently serve or will serve in Agency assignments that have the possibility of direct contact with students. Assignments are contingent upon meeting Agency eligibility standards. Contractor and/or any staff member of Contractor who may perform services under this contract must complete this criminal history review before the beginning of an assignment. If said individuals have not completed this requirement or the review results in a determination that Contractor is not eligible for assignment, this contract will be terminated effective immediately or the date of notice of non-eligibility, whichever is earliest.
- JJ. Assignment of Contract:** This Contract may not be assigned, sold, or transferred without the express written consent of the TEA Purchasing, Contracts, and Agency Services (PCAS) Division. An attempted assignment after Contract award without the TEA approval will constitute a material breach of contract.
- KK. Buy Texas:** In accordance with Government Code, Section 2155.444, the State of Texas requires that during the performance of a contract for services, Contractor shall purchase products and materials produced in the State of Texas when available at a price and time comparable to products and materials produced outside the state. This provision does not apply if Contractor receives any federal funds under this Contract.
- LL. Excluded Parties List System:** The Texas Education Agency and the Contractor must adhere to the directions provided in the President's Executive Order (EO) 13224, Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, which may be viewed at <http://www.whitehouse.gov/briefing-room/presidential-actions/executive-orders>. That Executive Order prohibits any transaction or dealing by United States persons, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the General Services Administration's Excluded Parties List System (EPLS) which may be viewed on the System for Award Management (SAM) site at <http://www.sam.gov>.

**MM. Suspension and Debarment:** Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntary excluded from participation in this transaction by any federal, state or local government entity and that Contractor is in compliance with the State of Texas statutes and rules relating to procurement. If Contractor is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this contract.

**NN. Electronic and Information Resources Accessibility Standards and Reporting:** State agencies shall procure products which comply with the State of Texas Accessibility requirements for Electronic Information Resources specified in 1TAC Chapter 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation.

Section 508 of the US Rehabilitation Act of 1973 has been revised and adopted. Therefore, all current and potential Contractors are hereby notified of the requirement. The current technical requirements for accessibility contained within this regulation form the basis for our Texas TAC rules on EIR Accessibility.

This refresh of 508 uses the WCAG 2.0 AA Accessibility Guidelines (also ISO/IEC standard 40500) as the new technical standard that Federal agencies are now required to meet when procuring products and services. With the adoption of 508 requirements being adopted, DIR will be modifying the TAC rules to synchronize with it.

Given this coming change, all Texas agencies and institutions of higher education have begun using or specifying WCAG 2.0 AA guidelines for the design of new websites or web applications. The rationale is twofold:

1. It could be technically difficult and expensive to bring these websites/applications to WCAG 2.0 AA later.
2. WG 2.0 AA is a superior, more flexible standard and is in use all over the world. If a website is compliant with WCAG 2.0 AA, it will, by default comply with our current TAC rules on EIR Accessibility.

Web development Contractors should already be familiar with designing to this standard, and their ability to meet these standards should be a strong consideration in the selection process. The free online resources listed below are available to assist developers and content producers in transitioning to these guidelines.

[WCAG 2.0 at a glance](#)

[IBM Developer Guidelines Web Checklist](#)

[Webaim.org Accessibility Checklist](#)

Contractor must employ real users with disabilities for manual testing. Contract is required to provide a report that will include the results of auto-testing, screen-by-screen assessments, pass/fail status for each of the identified compliance standards to be met and recommendations for how to repair the screens/pages that do not meet the standards. Remediation recommendations shall be provided to the code level. The report should include documentation of the experience of real users with disabilities and may recommend techniques for improving the usable accessibility of the application. Awarded Vendor shall validate, by title, if all accessibility requirements have been met.

All websites must follow Federal 508 accessibility requirements and Web Content Accessibility Guidelines (WCAG) 2.0 AA standards and be tested for accessibility before acceptance by TEA. For sites developed outside of TEA, the Contractor must contract with a third party with expertise and a proven track record in accessibility testing. The third party must evaluate the site and produce a report that verifies the site is compliant to (WCAG) 2.0 AA.

**OO. Collusion:** Contractor certifies and represents that Contractor has not colluded with, nor received any assistance from, any person who was paid by TEA to prepare specifications or a solicitation on which a Contractor's bid or proposal is based and will not allow any person who prepared the respective specifications or solicitation to participate financially in any contract award.

**PP. Social Security Numbers Withheld:** TEA will not provide Social Security Numbers (SSNs) to any Contractor under this contract unless specifically specified as part of the project requirements. TEA, its Contractors and their subcontractors, will not require or request school districts to provide SSNs under this contract. Contractor agrees that in executing tasks on behalf of the TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information to TEA within thirty (30) days of project completion. An authorized officer of the company must certify that ALL records have either been properly destroyed or returned to the Agency in order to close out the contract.

**QQ. Proprietary; Confidential Information; Nondisclosure; Press Releases:** All information gathered, produced, derived, obtained, analyzed, controlled or Accessed by Contractor in connection with a contract resulting from this RFP ("Confidential Information") shall be and remain Confidential Information and shall not be released or disclosed by Contractor without the prior written consent of the TEA, which consent must specifically identify the Confidential Information to be disclosed by Contractor and the nature of the disclosure for which consent is

sought. Contractor, its employees and subcontractors, agree that in executing tasks on behalf of the TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information within thirty (30) days of project completion. Contractor also agrees not to disclose any information to which it is privy under this Contract without the prior consent of the agency. Contractor will indemnify and hold harmless the State of Texas, its officers and employees, and TEA, its officers and employees for any claims or damages that arise from the disclosure by Contractor or its Contractors of information held by the State of Texas.

Except when defined as part of the Work under this Contract, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of TEA.

**RR. Independent Contractor:** Contractor shall serve as an independent Contractor in providing services under this Contract. Contractor's employees are not and shall not be construed as employees or agents of the State of Texas.

**SS. Contractor Performance:** All state agencies must report unsatisfactory Contractor performance on purchases over \$25,000. Contractors who are in default or otherwise not in good standing under any other current or prior contract with TEA at the time of selection will not be eligible for award of this contract. A Contractor's past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of §§2155.074, 2155.075, 2156.007, 2157.003, and 2157.125, Gov't Code. Contractor s may fail this selection criterion for any of the following conditions: A score of less than 90% in the Contractor Performance System, currently under a Corrective Action Plan, having repeated negative Contractor performance reports for the same reason, having purchase orders that have been cancelled in the previous 12 months for non-performance (i.e. late delivery, etc.). TEA may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Contractor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.108), TEA may examine other sources of Contractor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of TEA, and any negative findings, as determined by TEA, may result in non-award to the Contractor.

Agencies report satisfactory and exceptional Contractor performance to assist in determining best value. In accordance with Texas Government Code, §2155.074 and §2155.75, Contractor performance may be used as a factor in future contract awards. Contractor performance information is located on the CPA website at [http://www.cpa.state.tx.us/procurement/prog/vendor\\_performance/](http://www.cpa.state.tx.us/procurement/prog/vendor_performance/)

**TT. Termination:** This Contract shall terminate upon full performance of all requirements contained in this Contract, unless otherwise extended or renewed as provided in accordance with the Contract terms and conditions.

1. **Termination for Convenience:** TEA may terminate this Contract at any time, in whole or in part, without penalty, by providing fifteen (15) calendar days advance written notice to the other Party. In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TEA shall be liable for reimbursing only those expenses incurred by the Contractor that are permitted, properly performed under this Contract and were incurred prior to the effective termination date.

2. **Termination for Cause/Default:** If the Contractor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, TEA may, upon written notice of default to the Contractor, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

TEA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TEA notifies the Contractor in writing prior to the exercise of such remedy.

The Contractor shall remain liable for all covenants and indemnities under the Contract. The Contractor shall be liable for all costs and expenses, including court costs, incurred by TEA with respect to the enforcement of any of the remedies listed herein.

3. **Termination Due to Changes in Law:** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either Party cannot reasonably fulfill this Contract and if the Parties cannot agree to an amendment that would enable substantial continuation of the Contract, the Parties shall be discharged from any further obligations under this Contract.

4. **Rights upon Termination or Expiration of Contract:** In the event that the Contract is terminated for any reason, or upon its expiration, TEA shall retain ownership of all associated work products and documentation obtained from the Contractor under the Contract.
5. **Survival of Terms:** Termination of the Contract for any reason shall not release the Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.
6. **Contract Transition:** In the event a subsequent competitive solicitation is awarded to a New Contractor, the Outgoing Contractor shall hand-over to the New Contractor all "Works" including but not limited to the following: data, materials, database access, intellectual property, source code, training materials, access to websites, asset transfer, and maintenance of service commitments. The purpose of transition planning is to ensure a seamless and continuous service when changing from one contract to another. The Outgoing Contractor will begin shipping, transmitting or providing access to all appropriate materials and data to the New Contractor within 10 days of announcement of award at the New Contractor's expense for data processing and production, packing and shipping. The Outgoing Contractor will be responsible for providing the services identified in the Contract until all records have been completely transferred to the New Contractor. The Outgoing Contractor is responsible for performing due diligence to ensure that all the transition activities are identified and completed during the Contract Transition.

The Outgoing Contractor shall submit to TEA requested reports and data. TEA will not release the final invoice until all materials are returned to TEA or their designee. The TEA Project Manager shall approve the Transition Plan prior to its implementation. The Transition Plan must minimize the impacts on continuity of operations and maintain communication with the TEA Project Manager and the New Contractor.

- UU. Amendments:** All Amendments to this Contract will be in a manner as prescribed by the Agency Contracting Process and are, subject to Paragraph B of the Terms and Conditions and will be made on AMENDMENT TO TEXAS EDUCATION AGENCY STANDARD CONTRACT form. All Amendments will be initiated by the TEA Contracts staff. An Amendment to this Contract will become effective on the date of signature of TEA or the effective date shown on the Amendment document whichever is first.

If the initial major contract (defined as expected value of \$10M or more) solicitation document submitted to the CPA Contract Advisory Team (CAT) changes substantially, agencies are required to resubmit their solicitation documents(s) for CAT review. Changes in the major contract solicitation are considered substantial when: 1) the solicitation change caused the estimated value for the original term of the contract, not including renewal periods, to increase by 25% or more; 2) or there are significant revisions, deletions and/or additions to the specifications, statement of work (SOW), set(s) of deliverables, performance measures, payment methodology, etc.

1. The Contractor is permitted to re-budget among direct cost categories within the approved budget to meet unanticipated requirements and to make limited changes to the approved budget without the issuance of a written Amendment as long as the total budget amount does not change. However, a revised budget document must be preapproved by the TEA Project Manager before the making the changes. Once approved, the documents must be submitted to the Contracts office for incorporation into the Contract file. Failure to submit the budget documents will result in invoices being rejected or payment delayed.
2. Written Amendments are required for the following Contract changes:
  - a. Any revision which would result in the need for additional funding
  - b. Any revision to the scope of work, deliverables, or objectives of the Contract (regardless of whether there is an associated budget revision requiring prior approval) additionally increases of 25% or more for Major Contracts must be approved by the Comptroller
  - c. A request to extend the period of the Contract
  - d. Cumulative transfers among direct cost categories which exceed or are expected to exceed 25 percent of the current total approved budget category
  - e. Any reduction of funds or reduction in the scope of work
  - f. Whenever a line item within a class/object code is added
  - g. An increase in the quantity of capital outlay item(s) requested
  - h. An increase or decrease in the number of positions charged to Contract

All Amendments must be signed by both parties.

VV. **Payment:** Payment for goods or services purchased with appropriated funds will be issued by electronic Direct Deposit from the State Treasury. Direct Deposit is the preferred method of payment. Any payment owed by an Agency must be transmitted electronically to the Contractor no later than 30 days after the later of the following:

- (1) Day on which the Agency received the goods
- (2) Date the performance of the service under the contract is completed
- (3) Day on which the Agency received the complete and correct invoice for goods or services

Invoices must be submitted to [TEAAccountsPayable@tea.texas.gov](mailto:TEAAccountsPayable@tea.texas.gov), the TEA Project Manager and when applicable the designated Contract Manager. Additional information and a Direct Deposit Authorization application may be found at: <https://fm.xcpa.state.tx.us/fm/payment/index.php>.

1. Payment for service(s) described in this Contract is contingent upon satisfactory completion of the **Deliverables and Services Review and Acceptance Process**. The Contractor must submit final deliverables to TEA for review and approval prior to invoicing. These include test items developed under the contract. "Final" deliverable means a deliverable that, in the belief and testimony of the Contractor, is in final completed form and in compliance with all required specifications as defined by project documentation and this contract. TEA will review each deliverable, including test items, submitted by the Contractor for quality and alignment to the deliverable definition agreed to under the "Deliverables and Services Definition Process". TEA will have fifteen (15) working days to approve a deliverable or request revisions to the deliverable. TEA must review and approve any deliverable before it may be invoiced by the Contractor. If TEA finds a submitted deliverable to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", the Contractor will have ten (10) working days to address the quality or other compliance requirement and resubmit the deliverable. Additional costs incurred by the Contractor that result from repeated submissions and revising of substandard deliverables will be borne solely by the Contractor and not charged against the contract or to TEA. This process will apply to all deliverables and requirements of the Contract, including test items developed. This does not preclude an arrangement that allows the Contractor to bill against a deliverable as progress is made toward completing that deliverable, so long as documentation of such progress in a form and nature satisfactory to TEA is provided and is approved by TEA. It is up to the Contractor to request incremental billing based on progress towards a deliverable, and such a request must be approved by TEA prior to submission of any invoice by the Contractor. TEA reserves the right to reject and not provide payment for deliverables found to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", including test items developed under the Contract. The Contractor is strongly encouraged to collaborate with TEA on draft versions of any deliverables or services and request review(s) of such draft versions before submitting a final version.
2. Retainage: TEA may withhold 5% or less of each payment as retainage for certain projects. Retainage fees shall be documented in the Contract and may not be arbitrarily imposed after execution of the Contract. The release of retainage may be requested in the final invoice.
3. Unless otherwise stated, payment under this Contract will be made upon performance of services based upon submission of an expenditure report/invoice, properly prepared and certified, outlining expenditures by cost category. Include the contract number, purchase order number, and the Texas Comptroller of Public Accounts Texas Identification Number (TIN) on all invoices/expenditure reports. The cost categories provided in the expenditure report/invoice must coincide with the cost categories detailed in the approved budget. A list of tasks/activities performed during the invoice period must accompany the expenditure report/invoice. The final expenditure report/invoice is due within forty-five days after the end of the Contract. Payment on the final expenditure report is contingent upon receipt of all reports/products required by this Contract.
4. An encumbrance, accounts payable, and expenditure, as with all other contract accounting terms, will be as defined in the *Financial Accounting and Reporting Module of the TEA Financial Accountability System Resource Guide*. All goods must have been received and all services rendered by the ending date of this Contract in order for Contractor to include these costs as either expenditures or as accounts payable and, thereby, recover funds due. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures.
5. Contractor who is indebted or owes delinquent taxes to the State will have any payments under the Contract applied toward the debt or delinquent taxes owed the State until the amount is paid in full, regardless of when the debt or delinquency was incurred. TEA shall determine whether a payment law prohibits the Comptroller from issuing a warrant or initiating an electronic funds transfer to a person before TEA enters into a written contract with that person.

Vendor Contract No. \_\_\_\_\_

signature due to the dissolution of Vendor or Vendor's unreasonable failure to respond to Customer's repeated requests for such signature on any document reasonably necessary for any purpose set forth in the foregoing sentence, Vendor hereby irrevocably designates and appoints Customer and its duly authorized officers and agents as Vendor's agent and Vendor's attorney-in-fact to act for and in Vendor's behalf and stead to execute and file any such document and to do all other lawfully permitted acts to further any such purpose with the same force and effect as if executed and delivered by Vendor, provided however that no such grant of right to Customer is applicable if Vendor fails to execute any document due to a good faith dispute by Vendor with respect to such document. It is understood that such power is coupled with an interest and is therefore irrevocable. Customer shall have the full and sole power to prosecute such applications and to take all other action concerning the Work Product, and Vendor shall cooperate, at Customer's sole expense, in the preparation and prosecution of all such applications and in any legal actions and proceedings concerning the Work Product.

### **D. Waiver of Moral Rights.**

Vendor hereby irrevocably and forever waives, and agrees never to assert, any Moral Rights in or to the Work Product which Vendor may now have or which may accrue to Vendor's benefit under U.S. or foreign copyright or other laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted. Vendor acknowledges the receipt of equitable compensation for its assignment and waiver of such Moral Rights. The term "Moral Rights" shall mean any and all rights of paternity or integrity of the Work Product and the right to object to any modification, translation or use of the Work Product, and any similar rights existing under the judicial or statutory law of any country in the world or under any treaty, regardless of whether or not such right is denominated or referred to as a moral right.

### **E. Confidentiality.**

All documents, information and materials forwarded to Vendor by Customer for use in and preparation of the Work Product shall be deemed the confidential information of Customer, and subject to the license granted by Customer to Vendor under sub-paragraph H. Hereunder, Vendor shall not use, disclose, or permit any person to use or obtain the Work Product, or any portion thereof, in any manner without the prior written approval of Customer.

### **F. Injunctive Relief.**

The Contract is intended to protect Customer's proprietary rights pertaining to the Work Product, and the Intellectual Property Rights therein, and any misuse of such rights would cause substantial and irreparable harm to Customer's business. Therefore, Vendor acknowledges and stipulates that a court of competent jurisdiction may immediately enjoin any material breach of the intellectual property, use, and confidentiality provisions of this Contract, upon a request by Customer, without requiring proof of irreparable injury as same should be presumed.

### **G. Return of Materials Pertaining to Work Product.**

## EXHIBIT 1

DIR Contract No. DIR-SDD-1998

Vendor Contract No. \_\_\_\_\_

Upon the request of Customer, but in any event upon termination or expiration of this Contract or a Statement of Work, Vendor shall surrender to Customer all documents and things pertaining to the Work Product, including but not limited to drafts, memoranda, notes, records, drawings, manuals, computer software, reports, data, and all other documents or materials (and copies of same) generated or developed by Vendor or furnished by Customer to Vendor, including all materials embodying the Work Product, any Customer confidential information, or Intellectual Property Rights in such Work Product, regardless of whether complete or incomplete. This section is intended to apply to all Work Product as well as to all documents and things furnished to Vendor by Customer or by anyone else that pertains to the Work Product.

### **H. Vendor License to Use.**

Customer hereby grants to Vendor a non-transferable, non-exclusive, royalty-free, fully paid-up license to use any Work Product solely as necessary to provide the Services to Customer. Except as provided in this Section, neither Vendor nor any Subcontractor shall have the right to use the Work Product in connection with the provision of services to its other customers without the prior written consent of Customer, which consent may be withheld in Customer's sole discretion.

### **I. Third-Party Underlying and Derivative Works.**

To the extent that any Vendor IP or Third Party IP are embodied or reflected in the Work Product, or are necessary to provide the Services, Vendor hereby grants to the Customer, or shall obtain from the applicable third party for Customer's benefit, the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license, for Customer's internal business purposes only, to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such Vendor IP or Third Party IP and any derivative works thereof embodied in or delivered to Customer in conjunction with the Work Product, and (ii) authorize others to do any or all of the foregoing. Vendor agrees to notify Customer on delivery of the Work Product or Services if such materials include any Third Party IP. On request, Vendor shall provide Customer with documentation indicating a third party's written approval for Vendor to use any Third Party IP that may be embodied or reflected in the Work Product.

### **J. Agreement with Subcontracts:**

Vendor agrees that it shall have written agreement(s) that are consistent with the provisions hereof related to Work Product and Intellectual Property Rights with any employees, agents, consultants, contractors or subcontractors providing Services or Work Product pursuant to the Contract, prior to their providing such Services or Work Product, and that it shall maintain such written agreements at all times during performance of this Contract, which are sufficient to support all performance and grants of rights by Vendor. Copies of such agreements shall be provided to the Customer promptly upon request.

### **K. License to Customer.**

Vendor grants to Customer, a perpetual, irrevocable, royalty free license, solely for the Customer's internal business purposes, to use, copy, modify, display, perform (by any means), transmit and prepare derivative works of any Vendor IP embodied in or delivered

to Customer in conjunction with the Work Product. The foregoing license includes the right to sublicense third parties, solely for the purpose of engaging such third parties to assist or carryout Customer's internal business use of the Work Product. Except for the preceding license, all rights in Vendor IP remain in Vendor.

### **L. Vendor Development Rights.**

To the extent not inconsistent with Customer's rights in the Work Product or as set forth herein, nothing in this Contract shall preclude Vendor from developing for itself, or for others, materials which are competitive with those produced as a result of the Services provided hereunder, provided that no Work Product is utilized, and no Intellectual Property Rights of Customer therein are infringed by such competitive materials. To the extent that Vendor wishes to use the Work Product, or acquire licensed rights in certain Intellectual Property Rights of Customer therein in order to offer competitive goods or services to third parties, Vendor and Customer agree to negotiate in good faith regarding an appropriate license and royalty agreement to allow for such.

### **10. Authorized Exceptions to Appendix A, Standard Terms and Conditions for Services Contracts.**

No exceptions have been agreed to by DIR and Vendor.

### **C. Invalid Term or Condition**

1) To the extent any term or condition in the Contract conflicts with the applicable Texas and/or United States law or regulation, such Contract term or condition is void and unenforceable. By executing a contract which contains the conflicting term or condition, DIR makes no representations or warranties regarding the enforceability of such term or condition and DIR does not waive the applicable State and/or United States law or regulation which conflicts with the Contract term or condition.

2) If one or more term or condition in the Contract, or the application of any term or condition to any party or circumstance, is held invalid, unenforceable, or illegal in any respect by a final judgment or order of the State Office of Administrative Hearings or a court of competent jurisdiction, the remainder of the Contract and the application of the term or condition to other parties or circumstances shall remain valid and in full force and effect.

### **D. Assignment**

DIR or Vendor may assign the Contract without prior written approval to: i) a successor in interest (for DIR, another state agency as designated by the Texas Legislature), or ii) a subsidiary, parent company or affiliate, or iii) as necessary to satisfy a regulatory requirement imposed upon a party by a governing body with the appropriate authority. ### H. Proof of Financial Stability

Either DIR or Customer may require Vendor to provide proof of financial stability prior to or at any time during the contract term.

## 4. Intellectual Property Matters

### A. Definitions

1) "Work Product" means any and all deliverables produced by Vendor for Customer under a Statement of Work issued pursuant to this Contract, including any and all tangible or intangible items or things that have been or will be prepared, created, developed, invented or conceived at any time following the effective date of the Contract, including but not limited to any (i) works of authorship (such as manuals, instructions, printed material, graphics, artwork, images, illustrations, photographs, computer programs, computer software, scripts, object code, source code or other programming code, HTML code, flow charts, notes, outlines, lists, compilations, manuscripts, writings, pictorial materials, schematics, formulae, processes, algorithms, data, information, multimedia files, text web pages or web sites, other written or machine readable expression of such works fixed in any tangible media, and all other copyrightable works), (ii) trademarks, service marks, trade dress, trade names, logos, or other indicia of source or origin, (iii) ideas, designs, concepts, personality rights, methods, processes, techniques, apparatuses, inventions, formulas, discoveries, or improvements, including any patents, trade secrets and know-how, (iv) domain names, (v) any copies, and similar or derivative works to any of the foregoing, (vi) all documentation and materials related to any of the foregoing, (vii) all other goods, services or deliverables to be provided to Customer under the Contract or a Statement of Work, and (viii) all Intellectual Property Rights in any of the foregoing, and which are or were created, prepared, developed, invented or conceived for the use or benefit of Customer in connection with this Contract or a Statement of Work, or with funds appropriated by or for Customer or Customer's benefit: (a) by any Vendor personnel or Customer personnel, or (b) any Customer personnel who then became personnel to Vendor or any of its affiliates or subcontractors, where, although creation or reduction-to-practice is completed while the person is affiliated with Vendor or its personnel, any portion of same was created, invented or conceived by such person while affiliated with Customer.

2) "Intellectual Property Rights" means the worldwide legal rights or interests evidenced by or embodied in: (i) any idea, design, concept, personality right, method, process, technique, apparatus, invention, discovery, or improvement, including any patents, trade secrets, and know-how; (ii) any work of authorship, including any copyrights, moral rights or neighboring rights; (iii) any trademark, service mark, trade dress, trade name, or other indicia of source or origin; (iv) domain name registrations; and (v) any other proprietary or similar rights. The Intellectual Property Rights of a

## **EXHIBIT 1**

### **Appendix A Standard Terms and Conditions for Deliverables Based Information Technology Services (DBITS) Contracts**

party include all worldwide legal rights or interests that the party may have acquired by assignment or license with the right to grant sublicenses.

3) “Statement of Work” means a document signed by Customer and Vendor describing a specific set of activities and/or deliverables, which may include Work Product and Intellectual Property Rights, that Vendor is to provide Customer, issued pursuant to the Contract.

4) “Third Party IP” means the Intellectual Property Rights of any third party that is not a party to this Contract, and that is not directly or indirectly providing any goods or services to Customer under this Contract.

5) “Vendor IP” shall mean all tangible or intangible items or things, including the Intellectual Property Rights therein, created or developed by Vendor (a) prior to providing any Services or Work Product to Customer and prior to receiving any documents, materials, information or funding from or on behalf of Customer relating to the Services or Work Product, or (b) after the Effective Date of the Contract if such tangible or intangible items or things were independently developed by Vendor outside Vendor’s provision of Services or Work Product for Customer hereunder and were not created, prepared, developed, invented or conceived by any Customer personnel who then became personnel to Vendor or any of its affiliates or subcontractors, where, although creation or reduction-to-practice is completed while the person is affiliated with Vendor or its personnel, any portion of same was created, invented or conceived by such person while affiliated with Customer.

#### **B. Ownership.**

As between Vendor and Customer, the Work Product and Intellectual Property Rights therein are and shall be owned exclusively by Customer, and not Vendor. Vendor specifically agrees that the Work Product shall be considered “works made for hire” and that the Work Product shall, upon creation, be owned exclusively by Customer. To the extent that the Work Product, under applicable law, may not be considered works made for hire, Vendor hereby agrees that the Contract effectively transfers, grants, conveys, assigns, and relinquishes exclusively to Customer all right, title and interest in and to all ownership rights in the Work Product, and all Intellectual Property Rights in the Work Product, without the necessity of any further consideration, and Customer shall be entitled to obtain and hold in its own name all Intellectual Property Rights in and to the Work Product. Vendor acknowledges that Vendor and Customer do not intend Vendor to be a joint author of the Work Product within the meaning of the Copyright Act of 1976. Customer shall have access, during normal business hours (Monday through Friday, 8AM to 5PM) and upon reasonable prior notice to Vendor, to all Vendor materials, premises and computer files containing the Work Product. Vendor and Customer, as appropriate, will cooperate with one another and execute such other documents as may be reasonably appropriate to achieve the objectives herein. No license or other right is granted hereunder to any Third Party IP, except as may be incorporated in the Work Product by Vendor.

## **EXHIBIT 1**

### **Appendix A Standard Terms and Conditions for Deliverables Based Information Technology Services (DBITS) Contracts**

#### **C. Further Actions.**

Vendor, upon request and without further consideration, shall perform any acts that may be deemed reasonably necessary or desirable by Customer to evidence more fully the transfer of ownership and/or registration of all Intellectual Property Rights in all Work Product to Customer to the fullest extent possible, including but not limited to the execution, acknowledgement and delivery of such further documents in a form determined by Customer. In the event Customer shall be unable to obtain Vendor's signature due to the dissolution of Vendor or Vendor's unreasonable failure to respond to Customer's repeated requests for such signature on any document reasonably necessary for any purpose set forth in the foregoing sentence, Vendor hereby irrevocably designates and appoints Customer and its duly authorized officers and agents as Vendor's agent and Vendor's attorney-in-fact to act for and in Vendor's behalf and stead to execute and file any such document and to do all other lawfully permitted acts to further any such purpose with the same force and effect as if executed and delivered by Vendor, provided however that no such grant of right to Customer is applicable if Vendor fails to execute any document due to a good faith dispute by Vendor with respect to such document. It is understood that such power is coupled with an interest and is therefore irrevocable. Customer shall have the full and sole power to prosecute such applications and to take all other action concerning the Work Product, and Vendor shall cooperate, at Customer's sole expense, in the preparation and prosecution of all such applications and in any legal actions and proceedings concerning the Work Product.

#### **D. Waiver of Moral Rights.**

Vendor hereby irrevocably and forever waives, and agrees never to assert, any Moral Rights in or to the Work Product which Vendor may now have or which may accrue to Vendor's benefit under U.S. or foreign copyright or other laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted. Vendor acknowledges the receipt of equitable compensation for its assignment and waiver of such Moral Rights. The term "Moral Rights" shall mean any and all rights of paternity or integrity of the Work Product and the right to object to any modification, translation or use of the Work Product, and any similar rights existing under the judicial or statutory law of any country in the world or under any treaty, regardless of whether or not such right is denominated or referred to as a moral right.

#### **E. Confidentiality.**

All documents, information and materials forwarded to Vendor by Customer for use in and preparation of the Work Product shall be deemed the confidential information of Customer, and subject to the license granted by Customer to Vendor under subparagraph H. Hereunder, Vendor shall not use, disclose, or permit any person to use or obtain the Work Product, or any portion thereof, in any manner without the prior written approval of Customer.

## **EXHIBIT 1**

### **Appendix A**

#### **Standard Terms and Conditions for Deliverables Based Information Technology Services (DBITS) Contracts**

##### **F. Injunctive Relief.**

The Contract is intended to protect Customer's proprietary rights pertaining to the Work Product, and the Intellectual Property Rights therein, and any misuse of such rights would cause substantial and irreparable harm to Customer's business. Therefore, Vendor acknowledges and stipulates that a court of competent jurisdiction may immediately enjoin any material breach of the intellectual property, use, and confidentiality provisions of this Contract, upon a request by Customer, without requiring proof of irreparable injury as same should be presumed.

##### **G. Return of Materials Pertaining to Work Product.**

## 1. INTRODUCTION

---

It is the intent of the Texas Education Agency (TEA) to solicit proposals to provide Java Development of the Texas Student Data System (TSDS) in accordance with all requirements stated herein. The awarded Vendor will provide one (1) personnel to complete Java Development services for TSDS components/applications including but not limited to the Early Childhood Data System (ECDS) collections and Validation Tool in conformance with statutory requirements specified in House Bill 4.

## 2. BACKGROUND

---

The Texas Student Data System (TSDS) is a statewide system for collecting and reporting education data for publicly funded schools in the State of Texas. Replacing and expanding on the existing legacy system, TSDS offers an easier way to collect and manage data – saving schools time and money, while empowering educators with more valuable data to provide students a brighter future.

## 3. SCOPE OF WORK

---

### 3.1 System Overview

The TSDS consists of multiple components. These components are contained in the Education Data Warehouse (EDW). The components of the EDW are:

- a. **Unique ID** - TSDS module for managing identification numbers
- b. **Operational Data Store (ODS)** – the system's data store, will include a wide range of educational data from the Local Education Agency (LEAs), spanning multiple years
- c. **Dashboard Data Mart (DDM)** – a voluntary repository for multiple years of performance data that uses information loaded by participating LEAs to the ODS to calculate performance metrics and power the optional studentGPS™ Dashboards
- d. **studentGPS™ Dashboards** – studentGPS™ is the graphical user interface that will display the performance metrics as other related data to the LEAs
- e. **PEIMS Data Mart (PDM)** – a repository for multiple years of performance data that uses information loaded by the LEAs to the ODS to be utilized by the TSDS PEIMS application
- f. **Person Enrollment Tracker (PET)** – a record of current student enrollment across the state based on weekly enrollment loads. PET lets authorized users locate students who are no longer enrolled at their district or charter school
- g. **TSDS PEIMS** – the replacement for EDIT+, TSDS PEIMS is a repository for PEIMS data and enables the selective loading, validation, and reporting required to finalize and submit a PEIMS collection
- h. **Texas Education Data Standards (TEDS)** – provides specifications for loading LEA educational data into the EDW for reporting and analysis purposes. TEDS is based on the national Ed-Fi standards and is more expandable and widely compatible than the legacy PEIMS standards

## ATTACHMENT 3

- i. **TSDS Validation Tool** – TSDS validation tool offers the system users a utility to allow for validation of the data set prior to submission to TEA. This validation reduces errors and data problems upon submission and provides for a smoother, more efficient, data submission event
- j. **Early Education Data System** – the TSDS module for data collection to support Kindergarten Readiness reporting

### 3.3 Architecture

The diagram below describes the high-level architecture of the TSDS production environment.

### ATTACHMENT 3

#### 3.4 Texas Student Data System Data Standards

TEDS is a critical part of the new TSDS vision. These XML-based standards allow TEA to respond more swiftly and cost-effectively to changing data reporting requirements, while conforming to US Department of Education best practices. TEDS is applied at the point that local systems create an extract for TSDS: that extract must be in TEDS-compliant XML format. As the extracted data is loaded to the ODS, it will be validated against TEDS.

TEDS includes all data elements, code tables, business rules, and data validations needed to load Local Education Agency (LEA—Texas school district or charter school) education data to TSDS for PEIMS, the studentGPS™ Dashboards and the Early Childhood Data System.

The following link serves as the central location for TEDS standards and information: [http://www.texasstudentdatasystem.org/TSDS/TEDS/TEDS\\_Latest\\_Release/](http://www.texasstudentdatasystem.org/TSDS/TEDS/TEDS_Latest_Release/).

#### 3.5 Description of Services

TEA provides the following as a high-level description of the services required. Selection of the Vendor includes an evaluation of the Vendor's approach and methodology for performing the services described below:

##### B. Documentation

The awarded Vendor must maintain all existing documentation and create additional documentation as the need arises. All documentation must comply with the State accessibility standard appropriate for the content and purpose. Statewide accessibility information is available at <http://dir.texas.gov/View-Resources/Pages/Content.aspx?id=36>.

## ATTACHMENT 3

The TEA Information Technology/Statewide Education Data Systems (ITS/SEDS) Development Manager and the TSDS ECDS Project Manager will jointly review and approve all documentation. Documentation must be provided electronically and be suitable for printing. The awarded Vendor staff needs to maintain the following documentation:

- Validation Tool System Design Documentation (SDD)
- Unit Test Cases for Validation Tool
- Unit Test Cases for ECDS

### C. Quality Control Management

The TEA TSDS Applications Project Manager will perform any quality assurance reviews necessary to ensure the highest quality work product and deliverables in accordance with the requirements identified through the Contract. Additionally, the TEA TSDS Applications Development Manager and Project Manager will perform tasks to ensure all deliverables are received as scheduled, free of defects; and that all risks are identified as early as possible so appropriate actions are taken to mitigate each risk. The awarded Vendor must make available all data, work schedules, project plans, correspondence, deliverable documentation, and any other documents deemed necessary for the TEA TSDS Applications Development Manager and Project Manager to determine the completeness and quality of the deliverables produced and the overall progress of the work. At no additional expense to TEA, the awarded Vendor shall make all corrections necessary to resolve any quality issues found by the TEA TSDS Applications Development Manager and Project Manager.

## 4. REPORTING

---

### 4.1 Exception Reporting

The awarded Vendor will provide an additional management report to the TEA ITS/SEDS Development Manager if the Vendor is submitting invoices to TEA on any amount above the original price agreed. The report must include, at minimum, the following:

- a. Date of the report
- b. Name of the author of the report
- c. Original agreed upon price value of the request
- d. Invoice amount
- e. Explanation of the reason for variance

The TEA TSDS Applications Development and Project Managers will determine the need for other management reporting for larger maintenance or enhancement efforts based on the size or complexity of the change. Documents will be prepared using Microsoft Office products and submitted electronically to the TEA TSDS Applications Project Manager via email. If the document size prevents delivery via email, then the Vendor may submit the documents on compact disk.

### 4.2 Production Operation Requirements

Vendor staff will be on site every day in eight (8) hour shifts from 7:00 A.M. to 7:00 P.M. Central Time, on regular State business days. The TSDS applications are required to be operational for online transaction processing from the TEA TSDS Portal.

### 7.3 Family Educational Rights and Privacy Act (FERPA)

FERPA (20 U.S.C. §1232g; 34 CFR Part 99) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under applicable programs of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. The rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students." FERPA outlines the circumstances in which schools are required to have written permission from a parent or eligible student in order to release information from a student's education record. The initial Contractors designed and constructed the TSDS application to follow the FERPA guidelines. Any modifications made to TSDS must also adhere to the FERPA guidelines. Vendor staff having access to data stored within TSDS must protect the confidentiality of the data following FERPA guidelines.

### 7.4 Escalation Procedure

Personnel issues arising during the performance of the SOW will follow these procedures:

- a. When a conflict arises between TEA and the Vendor, the Project Team member(s) will first strive to work out the problem internally

## ATTACHMENT 3

- c. Level 2: If the conflict is not resolved within three working days after escalating to Level 1, the TEA Executive Sponsor will meet with the Vendor Project Executive to resolve the issue
- d. If the conflict remains unresolved after Level 2 intervention, then either party may terminate the Contract. If the conflict is addressed by termination, TEA agrees to pay the Vendor for all accepted deliverables through termination
- e. During any conflict resolution, Vendor agrees to provide services relating to items not in dispute, to the extent practicable pending resolution of the conflict. TEA agrees to pay invoices per the SOW and Contract

### 8. PERIOD OF PERFORMANCE

---

The term of any contract resulting from the SOW will be from contract award through August 31, 2016. TEA, at its own discretion, may extend any contract awarded pursuant to this SOW for up to twelve months (one fiscal year) under the same or different terms in accordance with the Vendor's Department of Information Resources DBITS contract. If a contract is awarded to a new Vendor rather than to the current Vendor, then a one-month transition period will be required at the beginning of the contract from September 1 – 30, 2016 at no additional cost to TEA. This is necessary to ensure a smooth transition from the current Vendor supporting the TSDS testing to the new Vendor.

### 9. INVOICES

---

The Vendor shall submit an invoice specifying the key task worked on by the contractor(s), as specified in section 3.2 Objectives, and the hours devoted to that key task. ### 10. VENDOR RESPONSE

---

#### 10.1 Conflict of Interest

A Vendor will not be selected if it has a conflict of interest that will or may arise during the performance of its obligations under the contract. For this reason, Vendor's response to this SOW must disclose any existing or potential conflicts of interest or possible issues that might create appearances of impropriety relative to the submission of a proposal from Vendor and its proposed subcontractors', possible selection as Successful Vendor, or its performance of the Contract.

As part of this disclosure requirement, each Vendor must include in its proposal all past and present contractual, business, financial or personal relationships between Vendor and TEA and between Vendor's proposed subcontractors, if any, and TEA. For purposes of this disclosure requirement, (i) "past" is defined as within the two (2) calendar years prior to the deadline for submission of proposals in response to this SOW; (ii) TEA is defined as the statewide elected official who heads the agency as well as the agency's employees or recent former employees; and (iii) "recent former employees" are defined as those TEA employees who have terminated agency employment within the two (2) calendar years prior to the deadline for submission of proposals in response to this SOW. For each item, Vendor must provide a detailed explanation of why Vendor does or does not believe such item poses a conflict of interest, potential conflict of interest, or appearance of impropriety issue relative to Vendor's submission of a proposal, possible selection as awarded Contractor or its performance of the Contract.

## ATTACHMENT 3

For purposes of this SOW, "personal relationship" is defined as a current or past connection other than a clearly contractual, business, financial, or similar relationship and includes family relationships or other connections outside simply providing a response to this SOW. For this purpose, "family relationship" means a relationship within the third degree of consanguinity or second degree of affinity (see Chapter 573 of the Texas Government Code) which defines these degrees of consanguinity and affinity.

Connections other than such family relationships fall within this definition and must be disclosed if a reasonable person could expect the connection to diminish Vendor's independence of judgment or effectiveness in the performance of Vendor's responsibilities to TEA or the State under the Contract. Connections also fall within this definition if a reasonable person could expect the connection, within the overall context of Vendor's submission of a proposal, possible selection as awarded Contractor, or its performance of the Contract, to create an issue for the agency's consideration relative to a potential appearance of impropriety or conflict of interest.

Vendor certifies that they are compliant with Texas Government Code, Title 6, Subtitle B, Section 669.003 of the Government Code, relating to contracting with executive head of a state agency. If Section 669.003 applies, Vendor will complete the following information in order for the proposal to be evaluated: Name of Former Executive; Name of State Agency; Date of Separation from State Agency; Position with Bidder; and Date of Employment with Bidder.

If the circumstances certified by Vendor change or additional information are obtained subsequent to submission of responses, by submitting a proposal Vendor agrees that it is under a continuing duty to supplement its response under this provision and that the duty to disclosure of any conflicts of interest is an ongoing obligation throughout the term of the contract. Vendor shall submit updated information as soon as reasonably possible upon learning of any change to their affirmation.

### 10.2 Response Format and Content

Responses must be written on 8 ½" × 11" white paper and be limited to one hundred (100) pages, not including appendices and attachments. Responses shall include a "Table of Contents" and give page numbers for each part of the qualifications. Submit responses in a manner that does not carry any benefit, keepsake, or value for members of the review panel.

### 10.3 Response Cover Page

Responses should include a cover page that clearly states the name of the firm or organization and the name, position, and telephone number of the Vendor's project administrator whom TEA may contact regarding the response, Attachment A.

### 10.4 Response Checklist

This checklist is to assist Vendors in ensuring that all information is included in their response. Vendors must refer to the appropriate section of the SOW for detailed information on the following.

### 13.7 Disclosure of Response Content

After contract award, responses are subject to release under the Texas Government Code, Chapter 552, Public Information Act. Vendors must indicate on their response cover if their submission contains proprietary information.

### 13.8 Review of Responses

TEA may ask the Vendors receiving the most favorable ratings during the first round of selection to send a representative to Austin, Texas, for finalist presentations August 25 – 28, 2015. TEA will rate the responses again following oral presentations. TEA will notify Vendors in writing of the selection or non-selection for award. TEA will destroy additional copies of responses not selected for award in accordance with the TEA-approved records retention policy. TEA will select responses based on the ability of each Vendor to carry out all of the requirements contained in the SOW. TEA will base its selection on, among other things, demonstrated competence and qualifications of the Vendor and on the reasonableness of the proposed cost. TEA will apply the following criteria in assigning the total number of points of each portion of the SOW in selecting a Vendor:

Categories	Possible Points
<b>A. Staffing and personnel qualifications</b> <ol style="list-style-type: none"> <li>1. Knowledge, Skills, and Abilities of individual candidates as related to the SOW tasks and deliverables</li> <li>2. Experience of the individual candidates as related to the SOW tasks</li> </ol>	30
<b>B. Vendor experience and past project performance</b> <ol style="list-style-type: none"> <li>1. The track record of Vendor in performing similar projects successfully</li> <li>2. Ability of the Vendor to acquire quality staff and knowledgeable resources</li> <li>3. Vendor's financial viability and stability</li> <li>4. Education and public sector experience may be given additional consideration</li> </ol>	20
<b>C. Understanding of the services to be performed</b> <ol style="list-style-type: none"> <li>1. Approach to meeting the requirements and deliverables, in sufficient detail, to demonstrate understanding of the SOW.</li> </ol>	25
<b>D. Cost-Effectiveness and Appropriateness of Financial Resources Dedicated to Project</b>	25
<b>TOTAL</b>	<b>100</b>

TEA determines weights based on the criticality of the particular factor to the selection process. TEA cautions Vendors not to minimize the importance of adequate responses in any area because it carries less weight than other areas.

TEA may develop a "short list" of qualified offers, and may determine that the Vendor(s) should submit a Best and Final Offer (BAFO). TEA will give each "short-listed" Vendor a reasonable opportunity for discussion and revision of their offer. After receipt of the BAFO(s), TEA will re-evaluate all Vendors submitting a BAFO based on the Evaluation Criteria.

A preference may be given as authorized by the Texas Government Code. In addition, according to the Consultant law TGC 2254.021-.040, TEA can give preference to a Vendor whose principal place of business is in the state or who will manage the contract wholly from an office in the state TGC § 2254.021. The Agency shall also give preference, among proposals that are otherwise comparable, to a proposal submitted by a Historically Underutilized Business (HUB).

Pursuant to Government Code, the state auditor may conduct an audit or investigation of the contractor or any other entity or person receiving funds from the state directly under this contract or indirectly through a subcontract under this contract. The acceptance of funds by the Contractor or any other entity or person directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Contractor or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Contractor and the requirement to cooperate is included in any subcontract it awards.

Contractor further agrees that acceptance of funds under this contract acts as acceptance for TEA to conduct an audit or investigation in connection with those funds. Contractor, subcontractors, and any entities receiving funds through this contract shall cooperate fully with TEA in the conduct of the audit or investigation, including providing all records pertaining to this contract that are requested.

- I. **Intellectual Property Ownership:** Contractor agrees that all Works are, upon creation, works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered works made for hire, Contractor hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Contractor agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Contractor for the Contract Project, granting Contractor rights sufficient to support the performance and grant of rights to TEA by Contractor. Copies of such agreements shall be provided to TEA promptly upon request.

Contractor warrants that (i) it has the authority to grant the rights herein granted, (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Contract, and Contractor will not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. These warranties will survive the termination of the Contract. If any preexisting rights are embodied in the Works, Contractor grants to TEA the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such preexisting rights and any derivative works thereof and (ii) authorize others to do any or all of the foregoing. **For Colleges and Universities:** The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works created or conceived by colleges or universities under the Contract, they are granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. Contractor shall access TEA's systems or Confidential TEA Information only for the purposes for which it is authorized. TEA reserves the right to review the Contractor's security policy to ensure that any data that is on the Contractor's servers is secure. Remote access technologies provided by Contractor must be approved by TEA's Information Security Officer. TEA, in its sole discretion, may deny network or system access to any individual that does not complete the required forms. Contractor must secure its own connected systems in a manner consistent with TEA's requirements. TEA reserves the right to audit the security measures in effect on Contractor's connected systems without prior warning. TEA also reserves the right to immediately terminate network and system connections not meeting such requirements.

This applies whether the property is developed or purchased by Contractor pursuant to this Contract or is provided by TEA to Contractor for use in the Contract Project. - X. Interpretation:** In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, Appendices, Terms and Conditions, Special Provisions, Exhibits, and Attachments or other documents, the TEA Contract and its Terms and Conditions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this Contract.

Contractor authorizes the TEA to submit any information contained in the Contract, provided under the Contract, or otherwise requested to be disclosed, including information Contractor has labeled as confidential proprietary information, to the Office of the Attorney General for a determination as to whether any such information may be exempt from public disclosure under the Act. If the TEA does not have a good faith belief that information may be subject to an exception to disclosure, the TEA is not obligating itself by this Contract to submit the information to the Attorney General. It shall be the responsibility of the Contractor to make any legal argument to the Attorney General or appropriate court of law regarding the exception of the information in question from disclosure. The Contractor waives any claim against and releases from liability the TEA, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by the Contractor and determined by the Attorney General or a court of law to be subject to disclosure under the Texas Public Information Act.
- Contractor is required to make any information created or exchanged with the state pursuant to this Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state.** The TEA Project Manager will provide the specific format by which the Contractor is required to make the information accessible by the public.
- BB. Gratuities:** By signing this Contract, Contractor represents and warrants that the Contractor has not given, offer to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted response.
- CC. Venue for any suit concerning this solicitation and any resulting contract or purchase order shall be in a court of competent jurisdiction in Travis County, Texas.
- DD. Protests:** Any actual or prospective Bidder, Respondent, or Contractor who is aggrieved in connection with the solicitation, evaluation, or award of this or any other contract by the TEA may submit a formal protest to the Director of the Agency's Contracts and Purchasing Division. This protest procedure shall be the exclusive method by which anyone may make a challenge to any aspect of the Agency's contracting process. The Agency will not be required to consider the merits of any protest unless the written protest is submitted within ten (10) working days after such aggrieved person knows, or reasonably should have known, of the occurrence of the action which is protested. The protest document must meet with all requirements in applicable law and Agency's rules (Title 19 of the Texas Administrative Code at § 30.2002) <http://ritter.tea.state.tx.us/rules/tac/index.html>.

## ATTACHMENT 3

If the protest procedure results in a final determination by the Agency that a violation of law has occurred in its contracting process in a case in which a contract has been awarded, then the Agency may declare the contract void at inception. In that event, the party who had been awarded the contract shall have no rights under the contract and no remedies under the law against the Agency

- EE. Liability for and Payment of Taxes:** Contractor represents and warrants that it shall pay all taxes or similar amounts resulting from this Contract, including, but not limited to, any federal, State, or local income, sales or excise taxes of Contractor or its employees. TEA shall not be liable for any taxes resulting from this Contract.
- FF. Severability:** In the event that any provision of this Contract is later determined to be invalid, void, or unenforceable, the invalid provision will be deemed severable and stricken from the Contract as if it had never been incorporated herein. The remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
- GG. Conformance:** The Contractor warrants that all goods and services furnished shall conform in all respects to the terms of this Contract, including any drawings, specifications or standards incorporated herein, and any defects in materials, workmanship, and free from such defects in design. In addition, Contractor warrants that goods and services are suitable for and will perform in accordance with the purposes for which they are intended.
- HH. Felony Criminal Convictions:** Contractor represents and warrants that Contractor has not and Contractor's employees assigned to TEA projects have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, Contractor has fully advised TEA as to the facts and circumstances surrounding the conviction.
- II. Criminal Background Checks:** If during the term of this Contract, Contractor, and/or Contractor staff, or subcontractor have access to Texas public school campuses, all Contractor and/or Contractor's staff must submit to a national criminal history record information review (includes fingerprinting) and meet all eligibility standards and criteria as set by Agency before serving in assignments on behalf of the Agency. This requirement applies to all individuals who currently serve or will serve in Agency assignments that have the possibility of direct contact with students. Assignments are contingent upon meeting Agency eligibility standards. Contractor and/or any staff member of Contractor who may perform services under this contract must complete this criminal history review before the beginning of an assignment. If said individuals have not completed this requirement or the review results in a determination that Contractor is not eligible for assignment, this contract will be terminated effective immediately or the date of notice of non-eligibility, whichever is earliest.
- JJ. Assignment of Contract:** This Contract may not be assigned, sold, or transferred without the express written consent of the TEA Purchasing, Contracts, and Agency Services (PCAS) Division. An attempted assignment after Contract award without the TEA approval will constitute a material breach of contract.
- KK. Buy Texas:** In accordance with Government Code, Section 2155.444, the State of Texas requires that during the performance of a contract for services, Contractor shall purchase products and materials produced in the State of Texas when available at a price and time comparable to products and materials produced outside the state. This provision does not apply if Contractor receives any federal funds under this Contract.
- LL. Excluded Parties List System:** The Texas Education Agency and the Contractor must adhere to the directions provided in the President's Executive Order (EO) 13224, Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, which may be viewed at <http://www.whitehouse.gov/briefing-room/presidential-actions/executive-orders>. That Executive Order prohibits any transaction or dealing by United States persons, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the General Services Administration's Excluded Parties List System (EPLS) which may be viewed on the System for Award Management (SAM) site at <http://www.sam.gov>.
- MM. Suspension and Debarment:** Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntary excluded from participation in this transaction by any federal, state or local government entity and that Contractor is in compliance with the State of Texas statutes and rules relating to procurement. If Contractor is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this contract.
- NN. Electronic and Information Resources Accessibility Standards and Reporting:** State agencies shall procure products which comply with the State of Texas Accessibility requirements for Electronic Information Resources specified in 1TAC Chapter 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation.

Section 508 of the US Rehabilitation Act of 1973 has been revised and adopted. Therefore, all current and potential Contractors are hereby notified of the requirement. The current technical requirements for accessibility contained within this regulation form the basis for our Texas TAC rules on EIR Accessibility.

## ATTACHMENT 3

This refresh of 508 uses the WCAG 2.0 AA Accessibility Guidelines (also ISO/IEC standard 40500) as the new technical standard that Federal agencies are now required to meet when procuring products and services. With the adoption of 508 requirements being adopted, DIR will be modifying the TAC rules to synchronize with it.

Given this coming change, all Texas agencies and institutions of higher education have begun using or specifying WCAG 2.0 AA guidelines for the design of new websites or web applications. The rationale is twofold:

1. It could be technically difficult and expensive to bring these websites/applications to WCAG 2.0 AA later.
2. WG 2.0 AA is a superior, more flexible standard and is in use all over the world. If a website is compliant with WCAG 2.0 AA, it will, by default comply with our current TAC rules on EIR Accessibility.

Web development Contractors should already be familiar with designing to this standard, and their ability to meet these standards should be a strong consideration in the selection process. The free online resources listed below are available to assist developers and content producers in transitioning to these guidelines.

WCAG 2.0 at a glance

IBM Developer Guidelines Web Checklist

Webaim.org Accessibility Checklist

Contractor must employ real users with disabilities for manual testing. Contract is required to provide a report that will include the results of auto-testing, screen-by-screen assessments, pass/fail status for each of the identified compliance standards to be met and recommendations for how to repair the screens/pages that do not meet the standards. Remediation recommendations shall be provided to the code level. The report should include documentation of the experience of real users with disabilities and may recommend techniques for improving the usable accessibility of the application. Awarded Vendor shall validate, by title, if all accessibility requirements have been met.

All websites must follow Federal 508 accessibility requirements and Web Content Accessibility Guidelines (WCAG) 2.0 AA standards and be tested for accessibility before acceptance by TEA. For sites developed outside of TEA, the Contractor must contract with a third party with expertise and a proven track record in accessibility testing. The third party must evaluate the site and produce a report that verifies the site is compliant to (WCAG) 2.0 AA.

- OO. Collusion:** Contractor certifies and represents that Contractor has not colluded with, nor received any assistance from, any person who was paid by TEA to prepare specifications or a solicitation on which a Contractor's bid or proposal is based and will not allow any person who prepared the respective specifications or solicitation to participate financially in any contract award.
- PP. Social Security Numbers Withheld:** TEA will not provide Social Security Numbers (SSNs) to any Contractor under this contract unless specifically specified as part of the project requirements. TEA, its Contractors and their subcontractors, will not require or request school districts to provide SSNs under this contract. Contractor agrees that in executing tasks on behalf of the TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information to TEA within thirty (30) days of project completion. An authorized officer of the company must certify that ALL records have either been properly destroyed or returned to the Agency in order to close out the Contract.
- QQ. Proprietary; Confidential Information; Nondisclosure; Press Releases:** All information gathered, produced, derived, obtained, analyzed, controlled or Accessed by Contractor in connection with a contract resulting from this RFP ("Confidential Information") shall be and remain Confidential Information and shall not be released or disclosed by Contractor without the prior written consent of the TEA, which consent must specifically identify the Confidential Information to be disclosed by Contractor and the nature of the disclosure for which consent is sought. Contractor, its employees and subcontractors, agree that in executing tasks on behalf of the TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information within thirty (30) days of project completion. Contractor also agrees not to disclose any information to which it is privy under this Contract without the prior consent of the agency. Contractor will indemnify and hold harmless the State of Texas, its officers and employees, and TEA, its officers and employees for any claims or damages that arise from the disclosure by Contractor or its Contractors of information held by the State of Texas.
- Except when defined as part of the Work under this Contract, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of TEA.
- RR. Independent Contractor:** Contractor shall serve as an independent Contractor in providing services under this Contract. Contractor's employees are not and shall not be construed as employees or agents of the State of Texas.

## ATTACHMENT 3

**SS. Contractor Performance:** All state agencies must report unsatisfactory Contractor performance on purchases over \$25,000. Contractors who are in default or otherwise not in good standing under any other current or prior contract with TEA at the time of selection will not be eligible for award of this contract. A Contractor's past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of §§2155.074, 2155.075, 2156.007, 2157.003, and 2157.125, Gov't Code. Contractor's may fail this selection criterion for any of the following conditions: A score of less than 90% in the Contractor Performance System, currently under a Corrective Action Plan, having repeated negative Contractor performance reports for the same reason, having purchase orders that have been cancelled in the previous 12 months for non-performance (i.e. late delivery, etc.). TEA may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Contractor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.108), TEA may examine other sources of Contractor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of TEA, and any negative findings, as determined by TEA, may result in non-award to the Contractor.

Agencies report satisfactory and exceptional Contractor performance to assist in determining best value. In accordance with Texas Government Code, §2155.074 and §2155.75, Contractor performance may be used as a factor in future contract award. Contractor performance information is located on the CPA website at [http://www.cpa.state.tx.us/procurement/prog/vendor\\_performance/](http://www.cpa.state.tx.us/procurement/prog/vendor_performance/).

**TT. Termination:** This Contract shall terminate upon full performance of all requirements contained in this Contract, unless otherwise extended or renewed as provided in accordance with the Contract terms and conditions.

1. **Termination for Convenience:** TEA may terminate this Contract at any time, in whole or in part, without penalty, by providing fifteen (15) calendar days advance written notice to the other Party. In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TEA shall be liable for reimbursing only those expenses incurred by the Contractor that are permitted, properly performed under this Contract and were incurred prior to the effective termination date.

2. **Termination for Cause/Default:** If the Contractor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, TEA may, upon written notice of default to the Contractor, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

TEA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TEA notifies the Contractor in writing prior to the exercise of such remedy.

The Contractor shall remain liable for all covenants and indemnities under the Contract. The Contractor shall be liable for all costs and expenses, including court costs, incurred by TEA with respect to the enforcement of any of the remedies listed herein.

3. **Termination Due to Changes in Law:** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either Party cannot reasonably fulfill this Contract and if the Parties cannot agree to an amendment that would enable substantial continuation of the Contract, the Parties shall be discharged from any further obligations under this Contract.

4. **Rights upon Termination or Expiration of Contract:** In the event that the Contract is terminated for any reason, or upon its expiration, TEA shall retain ownership of all associated work products and documentation obtained from the Contractor under the Contract.

5. **Survival of Terms:** Termination of the Contract for any reason shall not release the Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.

6. **Contract Transition:** In the event a subsequent competitive solicitation is awarded to a New Contractor, the Outgoing Contractor shall hand-over to the New Contractor all "Works" including but not limited to the following: data, materials, database access, intellectual property, source code, training materials, access to websites, asset transfer, and maintenance of service commitments. The purpose of transition planning is to ensure a seamless and continuous service when changing from one contract to another. The Outgoing Contractor will begin shipping, transmitting or providing access to all appropriate materials and data to the New Contractor within 10 days of announcement of award at the New Contractor's expense for data processing and production, packing and shipping. The Outgoing Contractor will be responsible for providing the services identified in the Contract until all records have been completely transferred to

## ATTACHMENT 3

the New Contractor. The Outgoing Contractor is responsible for performing due diligence to ensure that all the transition activities are identified and completed during the Contract Transition.

The Outgoing Contractor shall submit to TEA requested reports and data. TEA will not release the final invoice until all materials are returned to TEA or their designee. The TEA Project Manager shall approve the Transition Plan prior to its implementation. The Transition Plan must minimize the impacts on continuity of operations and maintain communication with the TEA Project Manager and the New Contractor.

**UU. Amendments:** All Amendments to this Contract will be in a manner as prescribed by the Agency Contracting Process and are, subject to Paragraph B of the Terms and Conditions and will be made on AMENDMENT TO TEXAS EDUCATION AGENCY STANDARD CONTRACT form. All Amendments will be initiated by the TEA Contracts staff. An Amendment to this Contract will become effective on the date of signature of TEA or the effective date shown on the Amendment document whichever is first.

If the initial major contract (defined as expected value of \$10M or more) solicitation document submitted to the CPA Contract Advisory Team (CAT) changes substantially, agencies are required to resubmit their solicitation documents(s) for CAT review. Changes in the major contract solicitation are considered substantial when: 1) the solicitation change caused the estimated value for the original term of the contract, not including renewal periods, to increase by 25% or more; 2) or there are significant revisions, deletions and/or additions to the specifications, statement of work (SOW), set(s) of deliverables, performance measures, payment methodology, etc.

1. The Contractor is permitted to re-budget among direct cost categories within the approved budget to meet unanticipated requirements and to make limited changes to the approved budget without the issuance of a written Amendment as long as the total budget amount does not change. However, a revised budget document must be preapproved by the TEA Project Manager before the making the changes. Once approved, the documents must be submitted to the Contracts office for incorporation into the Contract file. Failure to submit the budget documents will result in invoices being rejected or payment delayed.
2. Written Amendments are required for the following Contract changes:
  - a. Any revision which would result in the need for additional funding
  - b. Any revision to the scope of work, deliverables, or objectives of the Contract (regardless of whether there is an associated budget revision requiring prior approval) additionally increases of 25% or more for Major Contracts must be approved by the Comptroller
  - c. A request to extend the period of the Contract
  - d. Cumulative transfers among direct cost categories which exceed or are expected to exceed 25 percent of the current total approved budget category
  - e. Any reduction of funds or reduction in the scope of work
  - f. Whenever a line item within a class/object code is added
  - g. An increase in the quantity of capital outlay item(s) requested
  - h. An increase or decrease in the number of positions charged to Contract

All Amendments must be signed by both parties.

**VV. Payment:** Payment for goods or services purchased with appropriated funds will be issued by electronic Direct Deposit from the State Treasury. Direct Deposit is the preferred method of payment. Any payment owed by an Agency must be transmitted electronically to the Contractor no later than 30 days after the later of the following:

- (1) Day on which the Agency received the goods
- (2) Date the performance of the service under the contract is completed
- (3) Day on which the Agency received the complete and correct invoice for goods or services

Invoices must be submitted to [TEAAccountsPayable@tea.texas.gov](mailto:TEAAccountsPayable@tea.texas.gov), the TEA Project Manager and when applicable the designated Contract Manager. Additional information and a Direct Deposit Authorization application may be found at: <https://fm.xcpa.state.tx.us/fm/payment/index.php>.

- A. Payment for service(s) described in this Contract is contingent upon satisfactory completion of the **Deliverables and Services Review and Acceptance Process**. The Contractor must submit final deliverables to TEA for review and approval prior to invoicing. These include test items developed under the contract. "Final" deliverable means a deliverable that, in the belief and testimony of the Contractor, is in final completed form and in compliance with all required specifications as defined by project documentation and this Contract. TEA will review each deliverable, including test items, submitted by the Contractor for quality and alignment to the deliverable definition agreed to under the "Deliverables and Services Definition Process". TEA will have fifteen (15) working days to approve a deliverable or request revisions to the deliverable. TEA must review and approve any deliverable before it may be invoiced by the Contractor. If TEA finds a submitted deliverable to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", the

### ATTACHMENT 3

Contractor will have ten (10) working days to address the quality or other compliance requirement and resubmit the deliverable. Additional costs incurred by the Contractor that result from repeated submissions and revising of substandard deliverables will be borne solely by the Contractor and not charged against the Contract or to TEA. This process will apply to all deliverables and requirements of the Contract, including test items developed. This does not preclude an arrangement that allows the Contractor to bill against a deliverable as progress is made toward completing that deliverable, so long as documentation of such progress in a form and nature satisfactory to TEA is provided and is approved by TEA. It is up to the Contractor to request incremental billing based on progress towards a deliverable, and such a request must be approved by TEA prior to submission of any invoice by the Contractor. TEA reserves the right to reject and not provide payment for deliverables found to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", including test items developed under the Contract. The Contractor is strongly encouraged to collaborate with TEA on draft versions of any deliverables or services and request review(s) of such draft versions before submitting a final version.

- B. Retainage: TEA may withhold 5% or less of each payment as retainage for certain projects. Retainage fees shall be documented in the Contract and may not be arbitrarily imposed after execution of the Contract. The release of retainage may be requested in the final invoice.
- C. Unless otherwise stated, payment under this Contract will be made upon performance of services based upon submission of an expenditure report/invoice, properly prepared and certified, outlining expenditures by cost category. Include the contract number, purchase order number, and the Texas Comptroller of Public Accounts Texas Identification Number (TIN) on all invoices/expenditure reports. The cost categories provided in the expenditure report/invoice must coincide with the cost categories detailed in the approved budget. A list of tasks/activities performed during the invoice period must accompany the expenditure report/invoice. The final expenditure report/invoice is due within forty-five days after the end of the Contract. Payment on the final expenditure report is contingent upon receipt of all reports/products required by this Contract.
- D. An encumbrance, accounts payable, and expenditure, as with all other contract accounting terms, will be as defined in the *Financial Accounting and Reporting Module of the TEA Financial Accountability System Resource Guide*. All goods must have been received and all services rendered by the ending date of this Contract in order for Contractor to include these costs as either expenditures or as accounts payable and, thereby, recover funds due. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures.
- E. Contractor who is indebted or owes delinquent taxes to the State will have any payments under the Contract applied toward the debt or delinquent taxes owed the State until the amount is paid in full, regardless of when the debt or delinquency was incurred. TEA shall determine whether a payment law prohibits the Comptroller from issuing a warrant or initiating an electronic funds transfer to a person before TEA enters into a written contract with that person.

Contractor may verify their account status by accessing the Comptroller's website at [https://fm.xcpa.state.tx.us/fm/pubs/purchase/restricted/index.php?section=indebted&page=persons\\_indebted](https://fm.xcpa.state.tx.us/fm/pubs/purchase/restricted/index.php?section=indebted&page=persons_indebted)

- YY. Force Majeure:** Neither Contractor nor Texas Education Agency shall be liable to the other for any delay in, nor failure of performance, of any requirement included in any Contract resulting from this RFP caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.
- ZZ.
