APPENDIX 1

Statement of Work and Budget

Independent Evaluation of the Validity and Reliability of STAAR Grades 3-8 Assessments

SUMMARY OF PROPOSED TASKS

Per Human Resources Research Organization's (HumRRO) proposal of work dated October 29, 2015, HumRRO proposes the following work for all general education assessments in grades 3-8 (reading and mathematics in grades 3-8, science in grades 5 and 8, writing in grades 4 and 7, social studies in grade 8).

Content Validity Study -- HumRRO researchers will conduct a content validity evaluation for TEA. The purpose of the content validity study is to evaluate how well: (1) the assessments reflect the intended test blueprint; (2) the items' pre-coded classification of content and process expectations (standards) reflect independent ratings; and (3) the tests and blueprint reflect the Texas Essential Knowledge and Skills curriculum standards.

Replication to Estimate Test Reliability -- HumRRO will use Texas student field-test data to replicate the psychometric processing used to develop the 2016 operational test forms. This will allow HumRRO to generate the item parameters and reliability estimates independently for the assessments. HumRRO will then compare their reliability estimates to those generated by TEA and ETS.

Document Review -- The operational procedures to develop, prepare, administer, score, and analyze the STAAR grades 3-8 assessments requires substantial coordination among test development processes. Documentation is crucial to ensuring that appropriate processes and quality checks are followed to develop reliable and valid assessments. HumRRO will review documentation and processing steps for the tests to determine if appropriate procedures to develop valid and reliable tests are documented.

If the TEA does not have a good faith belief that information may be subject to an exception to disclosure, the TEA is not obligating itself by this Contract to submit the information to the Attorney General. It shall be the responsibility of the Contractor to make any legal argument to the Attorney General or appropriate court of law regarding the exception of the information in question from disclosure. The Contractor waives any claim against and releases from liability the TEA, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by the Contractor and determined by the Attorney General or a court of law to be subject to disclosure under the Texas Public Information Act.
- Contractor is required to make any information created or exchanged with the state pursuant to this Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. - W. Venue and Jurisdiction:** Subject to and without waiving any of the Agency's rights, including sovereign immunity, this Contract is governed by and construed under and in accordance with the laws of the State of Texas. Venue for any suit concerning this solicitation and any resulting contract or purchase order shall be in a
- X. Severability:** In the event that any provision of this Contract is later determined to be invalid, void, or unenforceable, the invalid provision will be deemed severable and stricken from the Contract as if it had never been incorporated herein. The remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
- Y. Conformance:** The Contractor warrants that all goods and services furnished shall conform in all respects to the terms of this Contract, including any drawings, specifications or standards incorporated herein, and any defects in materials, workmanship, and free from such defects in design. In addition, contractor warrants that goods and services are suitable for and will perform in accordance with the purposes for which they are intended.
- Z. Felony Criminal Convictions:** Contractor represents and warrants that Contractor has not and Contractor's employees assigned to TEA projects have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, Contractor has fully advised TEA as to the facts and circumstances surrounding the conviction.
- AA. Criminal Background Checks:** If during the term of this Contract, Contractor, and/or Contractor staff, or subcontractor have access to Texas public school campuses, all Contractor and/or Contractor's staff must submit to a national criminal history record information review (includes fingerprinting) and meet all eligibility standards and criteria as set by Agency before serving in assignments on behalf of the Agency. This requirement applies to all individuals who currently serve or will serve in Agency assignments that have the possibility of direct contact with students. Assignments are contingent upon meeting Agency eligibility standards. Contractor and/or any staff member of Contractor who may perform services under this contract must complete this criminal history review before the beginning of an assignment. If said individuals have not completed this requirement or the review results in a determination that Contractor is not eligible for assignment, this contract will be terminated effective immediately or the date of notice of non-eligibility, whichever is earliest.
- BB. Assignment of Contract:** This Contract may not be assigned, sold, or transferred without the express written consent of the TEA Purchasing, Contracts, and Agency Services (PCAS) Division. An attempted assignment after Contract award without the TEA approval will constitute a material breach of contract.
- CC. Buy Texas:** In accordance with Government Code, Section 2155.444, the State of Texas requires that during the performance of a contract for services, Contractor shall purchase products and materials produced in the State of Texas when available at a price and time comparable to products and materials produced outside the state. This provision does not apply if Contractor receives any federal funds under this Contract.
- DD. Excluded Parties List System:** The Texas Education Agency and the Contractor must adhere to the directions provided in the President's Executive Order (EO) 13224, Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, which may be viewed at <http://www.whitehouse.gov/briefing-room/presidential-actions/executive-orders>. That Executive Order prohibits any transaction or dealing by United States persons, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the General Services

Administration's Excluded Parties List System (EPLS) which may be viewed on the System for Award Management (SAM) site at <http://www.sam.gov>.

- EE. **Suspension and Debarment:** Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntary excluded from participation in this transaction by any federal, state or local government entity and that Contractor is in compliance with the State of Texas statutes and rules relating to procurement. If Contractor is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this contract.
- FF. **Electronic and Information Resources Accessibility Standards and Reporting:** State agencies shall procure products which comply with the State of Texas Accessibility requirements for Electronic Information Resources specified in 1TAC Chapter 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation.

Section 508 of the US Rehabilitation Act of 1973 has been revised and adopted. Therefore, all current and potential Contractors are hereby notified of the requirement. The current technical requirements for accessibility contained within this regulation form the basis for our Texas TAC rules on EIR Accessibility.

This refresh of 508 uses the WCAG 2.0 AA Accessibility Guidelines (also ISO/IEC standard 40500) as the new technical standard that Federal agencies are now required to meet when procuring products and services. With the adoption of 508 requirements being adopted, DIR will be modifying the TAC rules to synchronize with it.

Given this coming change, all Texas agencies and institutions of higher education have begun using or specifying WCAG 2.0 AA guidelines for the design of new websites or web applications. The rationale is twofold:

1. It could be technically difficult and expensive to bring these websites/applications to WCAG 2.0 AA later.
2. WCAG 2.0 AA is a superior, more flexible standard and is in use all over the world. If a website is compliant with WCAG 2.0 AA, it will, by default comply with our current TAC rules on EIR Accessibility.

Web development Contractors should already be familiar with designing to this standard, and their ability to meet these standards should be a strong consideration in the selection process.

The free online resources listed below are available to assist developers and content producers in transitioning to these guidelines.

Contractor must employ real users with disabilities for manual testing. Contract is required to provide a report that will include the results of auto-testing, screen-by-screen assessments, pass/fail status for each of the identified compliance standards to be met and recommendations for how to repair the screens/pages that do not meet the standards. Remediation recommendations shall be provided to the code level. The report should include documentation of the experience of real users with disabilities and may recommend techniques for improving the usable accessibility of the application. Awarded Vendor shall validate, by title, if all accessibility requirements have been met.

All websites must follow Federal 508 accessibility requirements and Web Content Accessibility Guidelines (WCAG) 2.0 AA standards and be tested for accessibility before acceptance by TEA. For sites developed outside of TEA, the contractor must contract with a third party with expertise and a proven track record in accessibility testing. The third party must evaluate the site and produce a report that verifies the site is compliant to (WCAG) 2.0 AA.

- GG. **Social Security Numbers Withheld:** TEA will not provide Social Security Numbers (SSNs) to any Contractor under this contract unless specifically specified as part of the project requirements. TEA, its Contractors and their subcontractors, will not require or request school districts to provide SSNs under this contract. Contractor agrees that in executing tasks on behalf of the TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information to TEA within thirty (30) days of project completion. An authorized officer of the company must certify that ALL records have either been properly destroyed or returned to the Agency in order to close out the contract.
- HH. **Proprietary; Confidential Information; Nondisclosure; Press Releases:** All information gathered, produced, derived, obtained, analyzed, controlled or Accessed by Contractor in connection with a contract resulting from this RFP ("Confidential Information") shall be and remain Confidential Information and shall not be released or disclosed by Contractor without the prior written consent of the TEA, which consent must specifically identify the Confidential Information to be disclosed by Contractor and the nature of the disclosure for which consent is sought. Contractor, its employees and subcontractors, agree that in executing tasks on behalf of the TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information within thirty (30) days of project completion. Contractor also agrees not to disclose any information to which it is privy under this Contract without the prior consent of the agency. Contractor will indemnify and hold harmless the State of Texas, its officers and employees, and TEA, its officers

and employees for any claims or damages that arise from the disclosure by Contractor or its Contractors of information held by the State of Texas.

Except when defined as part of the Work under this Contract, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of TEA.

II. Independent Contractor: Contractor shall serve as an independent Contractor in providing services under this Contract. Contractor's employees are not and shall not be construed as employees or agents of the State of Texas.

JJ. Contractor Performance: All state agencies must report unsatisfactory Contractor performance on purchases over \$25,000. Contractors who are in default or otherwise not in good standing under any other current or prior contract with TEA at the time of selection will not be eligible for award of this contract. A Contractor's past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of §§2155.074, 2155.075, 2156.007, 2157.003, and 2157.125, Gov't Code. Contractors may fail this selection criterion for any of the following conditions: A score of less than 90% in the Contractor Performance System, currently under a Corrective Action Plan, having repeated negative Contractor performance reports for the same reason, having purchase orders that have been cancelled in the previous 12 months for non-performance (i.e. late delivery, etc.). TEA may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Contractor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.108), TEA may examine other sources of Contractor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of TEA, and any negative findings, as determined by TEA, may result in non-award to the Contractor.

Agencies report satisfactory and exceptional Contractor performance to assist in determining best value. In accordance with Texas Government Code, §2155.074 and §2155.75, Contractor performance may be used as a factor in future contract awards.

Contractor performance information is located on the CPA website at http://www.cpa.state.tx.us/procurement/prog/vendor_performance/

KK. Termination: This Contract shall terminate upon full performance of all requirements contained in this Contract, unless otherwise extended or renewed as provided in accordance with the Contract terms and conditions.

1. **Termination for Convenience:** TEA may terminate this Contract at any time, in whole or in part, without penalty, by providing fifteen (15) calendar days advance written notice to the other Party. In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TEA shall be liable for reimbursing only those expenses incurred by the Contractor that are permitted, properly performed under this Contract and were incurred prior to the effective termination date.

2. **Termination for Cause/Default:** If the Contractor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, TEA may, upon written notice of default to the Contractor, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

TEA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TEA notifies the Contractor in writing prior to the exercise of such remedy.

The Contractor shall remain liable for all covenants and indemnities under the Contract. The Contractor shall be liable for all costs and expenses, including court costs, incurred by TEA with respect to the enforcement of any of the remedies listed herein.

3. **Termination Due to Changes in Law:** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either Party cannot reasonably fulfill this Contract and if the Parties cannot agree to an amendment that would enable substantial continuation of the Contract, the Parties shall be discharged from any further obligations under this Contract.

4. **Rights upon Termination or Expiration of Contract:** In the event that the Contract is terminated for any reason, or upon its expiration, TEA shall retain ownership of all associated work products and documentation obtained from the Contractor under the Contract.

5. **Survival of Terms:** Termination of the Contract for any reason shall not release the Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the

provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.

LL. Amendments: All Amendments to this Contract will be in a manner as prescribed by the Agency Contracting Process and are, subject to Paragraph B of the Terms and Conditions and will be made on AMENDMENT TO TEXAS EDUCATION AGENCY STANDARD CONTRACT form. All Amendments will be initiated by the TEA Contracts staff. An Amendment to this Contract will become effective on the date of signature of TEA or the effective date shown on the Amendment document whichever is first.

1. The Contractor is permitted to re-budget among direct cost categories within the approved budget to meet unanticipated requirements and to make limited changes to the approved budget without the issuance of a written Amendment as long as the total budget amount does not change. However, a revised budget document must be preapproved by the TEA Project Manager before the making the changes. Once approved, the documents must be submitted to the Contracts office for incorporation into the Contract file. Failure to submit the budget documents will result in invoices being rejected or payment delayed.
2. Written Amendments are required for the following Contract changes:
 - a. Any revision which would result in the need for additional funding;
 - b. Any revision to the scope of work, deliverables, or objectives of the Contract (regardless of whether there is an associated budget revision requiring prior approval) additionally increases of 25% or more for Major Contracts must be approved by the Comptroller;
 - c. A request to extend the period of the Contract;
 - d. Cumulative transfers among direct cost categories which exceed or are expected to exceed 25 percent of the current total approved budget category;
 - e. Any reduction of funds or reduction in the scope of work;
 - f. Whenever a line item within a class/object code is added;
 - g. An increase in the quantity of capital outlay item(s) requested; and
 - h. An increase or decrease in the number of positions charged to Contract.

All Amendments must be signed by both parties.

MM. Payment: Payment for goods or services purchased with appropriated funds will be issued by electronic Direct Deposit from the State Treasury. Direct Deposit is the preferred method of payment. Any payment owed by an Agency must be transmitted electronically to the Contractor no later than 30 days after the later of:

- (1) Day on which the Agency received the goods;
- (2) Date the performance of the service under the contract is completed; or
- (3) Day on which the Agency received the complete and correct invoice for goods or services.

Invoices must be submitted to TEAAccountsPayable@tea.texas.gov, the TEA Project Manager and when applicable the designated Contract Manager.

Additional information and a Direct Deposit Authorization application may be found at: <https://fm.x.cpa.state.tx.us/fm/payment/index.php>.

1. Payment for service(s) described in this Contract is contingent upon satisfactory completion of the **Deliverables and Services Review and Acceptance Process**. The Contractor must submit final deliverables to TEA for review and approval prior to invoicing. These include test items developed under the contract. "Final" deliverable means a deliverable that, in the belief and testimony of the Contractor, is in final completed form and in compliance with all required specifications as defined by project documentation and this contract. TEA will review each deliverable, including test items, submitted by the Contractor for quality and alignment to the deliverable definition agreed to under the "Deliverables and Services Definition Process". TEA will have fifteen (15) working days to approve a deliverable or request revisions to the deliverable. TEA must review and approve any deliverable before it may be invoiced by the Contractor. If TEA finds a submitted deliverable to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", the Contractor will have ten (10) working days to address the quality or other compliance requirement and resubmit the deliverable. Additional costs incurred by the Contractor that result from repeated submissions and revising of substandard deliverables will be borne solely by the Contractor and not charged against the contract or to TEA. This process will apply to all deliverables and requirements of the Contract, including test items developed. This does not preclude an arrangement that allows the Contractor to bill against a deliverable as progress is made toward completing that deliverable, so long as documentation of such progress in a form and nature satisfactory to TEA is provided and is approved by TEA. It is up to the Contractor to request incremental billing based on progress towards a deliverable, and such a request must be approved by TEA prior to submission of any invoice by the Contractor. TEA reserves the right to reject and not provide payment for deliverables found to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", including test items developed under the Contract. The Contractor is strongly encouraged to

collaborate with TEA on draft versions of any deliverables or services and request review(s) of such draft versions before submitting a final version.

2. Retainage: TEA may withhold 5% or less of each payment as retainage for certain projects. Retainage fees shall be documented in the Contract and may not be arbitrarily imposed after execution of the Contract. The release of retainage may be requested in the final invoice.
3. Unless otherwise stated, payment under this Contract will be made upon performance of services based upon submission of an expenditure report/invoice, properly prepared and certified, outlining expenditures by cost category. Include the contract number, purchase order number, and the Texas Comptroller of Public Accounts Texas Identification Number (TIN) on all invoices/expenditure reports. The cost categories provided in the expenditure report/invoice must coincide with the cost categories detailed in the approved budget. A list of tasks/activities performed during the invoice period must accompany the expenditure report/invoice. The final expenditure report/invoice is due within forty-five days after the end of the Contract. Payment on the final expenditure report is contingent upon receipt of all reports/products required by this Contract.
4. An encumbrance, accounts payable, and expenditure, as with all other contract accounting terms, will be as defined in the *Financial Accounting and Reporting Module of the TEA Financial Accountability System Resource Guide*. All goods must have been received and all services rendered by the ending date of this Contract in order for Contractor to include these costs as either expenditures or as accounts payable and, thereby, recover funds due. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures.
5. Contractor who is indebted or owes delinquent taxes to the State will have any payments under the Contract applied toward the debt or delinquent taxes owed the State until the amount is paid in full, regardless of when the debt or delinquency was incurred. TEA shall determine whether a payment law prohibits the Comptroller from issuing a warrant or initiating an electronic funds transfer to a person before TEA enters into a written contract with that person.

Contractor may verify their account status by accessing the Comptroller's website at https://fm.xcpa.state.tx.us/fm/pubs/purchase/restricted/index.php?section=indebted&page=persons_indebted

NN. Prohibition of text messaging and emailing while driving during official federal grant business: Contractors and their staff, subcontractors, consultants etc. are prohibited from texting messaging while driving a government owned vehicle or while driving their own privately owned vehicle during official business, or from using government supplied electronic equipment to text message or email while driving. Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership On Reducing Text Messaging While Driving," effective October 1, 2009.

Contractor represents and warrants that all of the above coverage is with companies licensed in the state of Texas, with "A" rating from A.M. Best, and authorized to provide the corresponding coverage. Contractor also represents and warrants that all policies contain endorsements prohibiting cancellation except upon at least thirty (30) days prior written notice to TEA. Contractor represents and warrants that it shall maintain the above insurance coverage during the term of this Contract, and shall provide TEA with an executed copy of the policies immediately upon request.

PP. Force Majeure: Neither Contractor nor Texas Education Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in any Contract resulting from this RFP caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.

QQ. Drug Free Workplace Policy: The Contractor shall comply with the applicable provisions of the Drug-Free Work Place Act of 1988 (Public Law 100-690, Title V, Subtitle D; 41 U.S.C. 701 ET SEQ.) and maintain a drug-free work environment; and the final rule, government-wide requirements for drug-free work place requirements

under the Code of Federal Regulations incorporated by reference and the Contractor shall comply with the relevant provisions thereof, including any amendments or revisions that may hereafter be issued.

- RR. The defaulting Contractor will not be considered in the re-solicitation and may not be considered in future solicitations for the same type of work, unless the specification or scope of work significantly changed. The period of suspension will be determined by the Agency based on the seriousness of the default.
