Contractor shall access TEA's systems or Confidential TEA Information only for the purposes for which it is authorized. TEA reserves the right to review Contractor's security policy to ensure that any data that is on Contractor's servers is secure. Contractor shall cooperate fully by making resources, personnel, and systems access available to TEA and TEA's authorized representative(s).

Contractor shall ensure that any Confidential TEA Information in the custody of Contractor is properly sanitized or destroyed when the information is no longer required to be retained by TEA or Contractor in accordance with this Contract. Electronic media used for storing any Confidential TEA Information must be sanitized by clearing, purging or destroying in accordance with such standards established by the National Institute of Standards and Technology and the Center for Internet Security. These standards are also required if Contractor is collecting, maintaining, or analyzing data gathered, collected, or provided under this Contract. Contractor must maintain a record documenting the removal and completion of all sanitization procedures with the following information:

- (1) Date and time of sanitization/destruction;
- (2) Description of the item(s) and serial number(s) if applicable;
- (3) Inventory number(s); and
- (4) Procedures and tools used for sanitization/destruction.

No later than 60 days from Contract expiration or termination or as otherwise specified in this Contract, Contractor must complete the sanitization and destruction of the data and provide documentation to TEA that the sanitization has been completed. The documents must be certified by an authorized agent of the company.

Access to Internal TEA Network and Systems

As a condition of gaining remote access to any internal TEA network and systems, Contractor must comply with TEA's policies and procedures. TEA's remote access request procedures will require Contractor to submit TEA Applicable Access Request forms for TEA's review and approval. Remote access technologies provided by Contractor must be approved by TEA's Information Security Officer. TEA, in its sole discretion, may deny network or system access to any individual that does not complete the required forms. Contractor must secure its own connected systems in a manner consistent with TEA's requirements. TEA reserves the right to audit the security measures in effect on Contractor's connected systems without prior warning. TEA also reserves the right to immediately terminate network and system connections not meeting such requirements.

Disclosure of Security Breach

Contractor shall provide notice to TEA's Project Manager and TEA's Information Security Officer as soon as possible following Contractor's discovery or reasonable belief that there has been unauthorized use, exposure, access, disclosure, compromise, modification, or loss of sensitive or confidential TEA information ("Security Incident"). Within 24 hours of the discovery or reasonable belief of a Security Incident, Contractor shall provide a written report to TEA's Information Security Officer detailing the circumstances of the incident which includes at a minimum:

- (1) Description of the nature of the Security Incident;
- (2) The type of TEA information involved;
- (3) Who may have obtained the information;
- (4) What steps Contractor has taken or will take to investigate the Security Incident;
- (5) What steps Contractor has taken or will take to mitigate any negative effect of the Security Incident; and
- (6) A point of contact for additional information.

Each day thereafter until the investigation is complete, Contractor shall provide TEA's Information Security Officer with a written report regarding the status of the investigation and the following additional information as it becomes available:

- (1) Who is known or suspected to have gained unauthorized access to TEA information;
- (2) Whether there is any knowledge if TEA information has been abused or compromised;
- (3) What additional steps Contractor has taken or will take to investigate the Security Incident;
- (4) What steps Contractor has taken or will take to mitigate any negative effect of the Security Incident; and
- (5) What corrective action Contractor has taken or will take to prevent future similar unauthorized use or disclosure.

Contractor shall confer with TEA's Chief Information Security Officer regarding the proper course of the investigation and risk mitigation. TEA reserves the right to conduct an independent investigation of any Security Incident, and should TEA choose to do so, Contractor shall cooperate fully by making resources, personnel, and

systems access available to TEA and TEA's authorized representative(s). Subject to review and approval of TEA's Information Security Officer, Contractor, at its own cost, shall provide notice that satisfies the requirements of applicable law to individuals whose personal, confidential, or privileged data were compromised or likely compromised as a result of the Security Incident. If TEA, in its sole discretion, elects to send its own separate notice, then all costs associated with preparing and providing notice shall be reimbursed to TEA by Contractor. If Contractor does not reimburse such costs within 30 days of TEA's written request, then TEA shall have the right to collect such costs.

- L. **Refunds Due to TEA:** If TEA determines that TEA is due a refund of money paid to Contractor pursuant to this Contract, Contractor shall pay the money due to TEA within 30 days of Contractor's receipt of written notice that such money is due to TEA. If Contractor fails to make timely payment, TEA may obtain such money from Contractor by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent applications for said funds.
- M. **Capital Outlay:** If Contractor purchases capital outlay (furniture and/or equipment) to accomplish the Contract Project, title will remain with Contractor for the period of the Contract. TEA reserves the right to transfer capital outlay items for contract noncompliance during the contract period or as needed after the ending date of the Contract. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in Contractor's accounting record. This provision is applicable when federal funds are utilized for the Contract.
- N. **TEA Property (terms):** In the event of loss, damage or destruction of any property owned by or loaned by TEA while in the custody or control of Contractor, Contractor shall indemnify TEA and pay to TEA the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of Contractor's receipt of written notice of TEA's determination of the amount due. This applies whether the property is developed or purchased by Contractor pursuant to this Contract or is provided by TEA to Contractor for use in the Contract Project. If Contractor fails to make timely payment, TEA may obtain such money from Contractor by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to Contractor by TEA.
- O. **State of Texas Laws:** In the conduct of the Contract Project, Contractor shall be subject to laws or rules of the State of Texas pertaining to and or governing this Contract and the Contract Project. This Contract constitutes the entire agreement between TEA and Contractor for the accomplishment of the Contract Project. This Contract shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Contract.
- P. **Point of Contact and Escalation:** All notices, reports and correspondence required by this Contract shall be in writing and delivered to TEA Project Manager listed below or their successors in office. Within 30 days of execution of a contract, the respective Parties will designate the next level of personnel within each organization to address conflicts or ambiguity that cannot be resolved at the Project Manager level.

TEA shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to TEA's attention, and may deny payment or recover payments made by TEA to Contractor in the event of Contractor's failure so to comply. Contractor who is indebted or owes delinquent taxes to the state will have any payments under the Contract applied toward the debt or delinquent taxes owed the state until the account is paid in full, regardless of when the debt or delinquency was incurred. This provision does not apply if the warrant or transfer results in payments being made in whole or in part with money paid to the state by the Federal Government. Pursuant to 34 TAC §201.14 -18 and Texas Government Code, Chapter 2161, Contractors shall maintain business records documenting compliance with the HUB subcontracting plan (HSP) and shall submit a compliance report to TEA monthly, in the format required by TEA. The compliance report submission shall be required as a condition for payment. If Contractor subcontracts any part of the Contract in a manner that is not consistent with its HSP, the selected respondent must submit a revised HSP before subcontracting any of the work under the Contract. If Contractor subcontracts any of the work without prior authorization and without complying with this section, Contractor is deemed to have breached the Contract and is subject to any remedial actions provided by Government Code, Chapter 2161, and other applicable state law.
- S. Signature Authority; Final Expression; Superseding Document:** Contractor certifies that the person signing this Contract has been properly delegated this authority. The Contract represents the final and complete expression of the terms of agreement between the parties. The Contract supersedes any previous understandings or negotiations between the parties. The Contract may be modified, amended or extended only by formal written amendment properly executed by both TEA and Contractor.
- T. Antitrust:** By signing this Contract, Contractor, represents and warrants that neither Contractor nor any firm, corporation, partnership, or institution represented by Contractor, or anyone acting for such firm, corporation or institution has, (1) violated the antitrust laws of the State of Texas under Texas Business and Commerce Code, Chapter 15, or the federal antitrust laws; or (2) communicated directly or indirectly the Proposal to any competitor or any other person engaged in such line of business during the procurement process for this Contract.
- U. Family Code Applicability:** By signing this Contract, Contractor, if other than a state party, certifies that under Section 231.006, Family Code, that Contractor is not ineligible to receive specified grant, loan, or payment under this contract and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate. TEA reserves the right to terminate this Contract if Contractor is found to be ineligible to receive payment. If Contractor is found to be ineligible to receive payment and the Contract is terminated, Contractor is liable to TEA for attorney's fees, the costs necessary to complete the Contract, including the cost of advertising and awarding a second Contract, and any other damages or relief provided by law or equity.
- V. Dispute Resolution:** The dispute resolution process provided for in the Texas Government Code, Chapter 2260 must be used by TEA and Contractor to attempt to resolve all disputes arising under this Contract. The parties may agree to mediation of their dispute at any time. However, if all issues in dispute are not completely resolved through direct negotiations between the parties within 180 days after TEA receives Contractor's notice of claim, then the parties must submit the dispute to mediation before a mutually acceptable mediator in Travis County, Texas. The mediation must be completed on or before 270 days after TEA receives Contractor's notice of claim. Completion of the mediation is a condition precedent to the filing of a contested case hearing under Chapter 2260. TEA's participation in mediation or any other dispute resolution process shall not waive any of TEA's contractual or legal rights and remedies, including but not limited to sovereign immunity.
- W. Interpretation:** In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, Appendices, General Provisions, Special Provisions, Exhibits, and Attachments or other documents, TEA Contract and its General Provisions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this Contract.
- X. Compliance with Laws:** Contractor shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any court or administrative bodies or tribunals in any matter affecting Contractor's performance, including if applicable, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, prompt payment and licensing laws and regulations. For the entire duration of the Contract, Contractor shall maintain all required licenses, certifications, permits, and any other

documentation necessary to perform this Contract. When required or requested by TEA, Contractor shall furnish TEA with satisfactory proof of its compliance with this provision.

- Y. Public Information:** TEA is subject to the provisions of the Texas Public Information Act. If a request for disclosure of this Contract or any information related to the goods or services provided under the Contract or information provided to TEA under this Contract constituting a record under the Act is received by TEA, the information must qualify for an exception provided by the Act in order to be withheld from public disclosure. Contractor authorizes TEA to submit any information contained in the Contract, provided under the Contract, or otherwise requested to be disclosed, including information Contractor has labeled as confidential proprietary information, to the Office of the Attorney General for a determination as to whether any such information may be exempt from public disclosure under the Act. If TEA does not have a good faith belief that information may be subject to an exception to disclosure, TEA is not obligating itself by this Contract to submit the information to the Attorney General. It shall be the responsibility of Contractor to make any legal argument to the Attorney General or appropriate court of law regarding the exception of the information in question from disclosure. Contractor waives any claim against and releases from liability TEA, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by Contractor and determined by the Attorney General or a court of law to be subject to disclosure under the Act.
- Under Section 2252.907 of the Texas Government Code, a contract between a state governmental entity and a non-governmental contractor involving the exchange or creation of public information, as defined by the Texas Government Code Section 552.002, must require the non-governmental contractor to make any information created or exchanged with the state pursuant to this Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. TEA Project Manager will provide the specific format by which Contractor is required to make the information accessible by the public.
- Z. Gratuities:** By signing this Contract, Contractor represents and warrants that Contractor has not given, offer to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted response.

Venue for any suit concerning this solicitation and any resulting contract or purchase order shall be in a court of competent jurisdiction in Travis County, Texas.
- BB. Protests:** Any actual or prospective Bidder, Respondent, or Contractor who is aggrieved in connection with the solicitation, evaluation, or award of this or any other contract by TEA may submit a formal protest to the Director of TEA's Contracts, Purchasing and Agency Services (PCAS) Division. This protest procedure shall be the exclusive method by which anyone may make a challenge to any aspect of TEA's contracting process. TEA will not be required to consider the merits of any protest unless the written protest is submitted within 10 working days after such aggrieved person knows, or reasonably should have known, of the occurrence of the action which is protested. The protest document must meet with all requirements in applicable law and rules (Title 19 of the Texas Administrative Code, §30.22 and §30.2002).
- If the protest procedure results in a final determination by TEA that a violation of law has occurred in its contracting process in a case in which a contract has been awarded, then TEA may declare the Contract void at inception. In that event, the party who had been awarded the Contract shall have no rights under the Contract and no remedies under the law against TEA.
- CC. Liability for and Payment of Taxes:** Contractor represents and warrants that it shall pay all taxes or similar amounts resulting from this Contract, including, but not limited to, any federal, state, or local income, sales or excise taxes of Contractor or its employees. TEA shall not be liable for any taxes resulting from this Contract.
- DD. Severability:** In the event that any provision of this Contract is later determined to be invalid, void, or unenforceable, the invalid provision will be deemed severable and stricken from the Contract as if it had never been incorporated herein. The remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
- EE. Conformance:** Contractor warrants that all goods and services furnished shall conform in all respects to the terms of this Contract, including any drawings, specifications or standards incorporated herein, and any defects in materials, workmanship, and free from such defects in design. In addition, Contractor warrants that goods and services are suitable for and will perform in accordance with the purposes for which they are intended.
- FF. Felony Criminal Convictions:** Contractor represents and warrants that Contractor has not and Contractor's employees assigned to TEA projects have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, Contractor has fully advised TEA as to the facts and circumstances surrounding the conviction.

- GG. Assignment of Contract:** This Contract may not be assigned, sold, or transferred without the express written consent of TEA Purchasing, Contracts, and TEA Services (PCAS) Division. An attempted assignment after Contract award without TEA approval will constitute a material breach of Contract.
- HH. Buy Texas:** In accordance with Government Code, Section 2155.444, the State of Texas requires that during the performance of a Contract for services, Contractor shall purchase products and materials produced in the State of Texas when available at a price and time comparable to products and materials produced outside the state. This provision does not apply if Contractor receives any federal funds under this Contract.
- II. Excluded Parties List System:** TEA and Contractor must adhere to the directions provided in the President's Executive Order (EO) 13224, Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, which may be viewed at <http://www.whitehouse.gov/briefing-room/presidential-actions/executive-orders>. That Executive Order prohibits any transaction or dealing by United States persons, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the General Services Administration's Excluded Parties List System (EPLS) which may be viewed on the System for Award Management (SAM) site at <http://www.sam.gov>.
- JJ. Suspension and Debarment:** Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntary excluded from participation in this transaction by any federal, state or local government entity and that Contractor is in compliance with the State of Texas statutes and rules relating to procurement. If Contractor is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this Contract.
- KK. Electronic and Information Resources Accessibility Standards:** State agencies shall procure products which comply with the State of Texas Accessibility requirements for Electronic Information Resources specified in 1 TAC Chapter 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation.

Section 508 of the US Rehabilitation Act of 1973 has been revised and adopted. Therefore, all current and potential contractors are hereby notified of the requirements. The current technical requirements for accessibility contained within this regulation form the basis for our Texas TAC rules on EIR Accessibility.

This refresh of 508 uses the WCAG 2.0 AA Accessibility Guidelines (also ISO/IEC standard 40500) as the new technical standard that federal agencies are required to meet when procuring products and services. The Texas Department of Information Resources is modifying the TAC rules to align with it.

Given this change, all Texas agencies and institutions of higher education must begin using or specifying WCAG 2.0 AA guidelines for the design of new websites or web applications. The rationale is twofold:

1. It is technically difficult and expensive to bring these websites/applications to WCAG 2.0 AA later.
2. WG 2.0 AA is a superior, more flexible standard and is in use all over the world. If a website is compliant with WCAG 2.0 AA, it will, by default comply with our current TAC rules on EIR Accessibility.

Web development Contractors should already be familiar with designing to this standard, and their ability to meet these standards should be a strong consideration in the selection process.

The free online resources listed below are available to assist developers and content producers in transitioning to these guidelines.

[WCAG 2.0 at a glance](#)

[IBM Developer Guidelines Web Checklist](#)

[Webaim.org Accessibility Checklist](#)

All websites must follow Federal 508 accessibility requirements and Web Content Accessibility Guidelines (WCAG) 2.0 AA standards and be tested for accessibility before acceptance by TEA. For sites developed outside of TEA, the vendor must contract with a third party with expertise and a proven track record in accessibility testing. This company must evaluate the site and produce a report that verifies the site is compliant to (WCAG) 2.0 AA.

The awarded Contractor must employ real users with disabilities for manual testing. Contractor must provide a report that will include the results of auto-testing, screen-by-screen assessments, pass/fail status for each of the identified compliance standards to be met and recommendations for how to repair the screens/pages that do not meet the standards. Remediation recommendations shall be provided to the code level. The report should include documentation of the experience of real users with disabilities and may recommend techniques for improving the usable accessibility of the application. Contractor shall validate, by title, if all accessibility requirements have been met.

- LL. Collusion:** Contractor certifies and represents that Contractor has not colluded with, nor received any assistance from, any person who was paid by TEA to prepare specifications or a solicitation on which a Contractor's bid or proposal is based and will not allow any person who prepared the respective specifications or solicitation to participate financially in any contract award.

MM. Social Security Numbers Withheld: TEA will not provide Social Security Numbers (SSNs) to any Contractor under this Contract unless specifically specified as part of the project requirements. An authorized officer of the company must certify that ALL records have either been properly destroyed or returned to TEA in order to close out the Contract.

NN. Nondisclosure; Press Releases: All information gathered, produced, derived, obtained, analyzed, controlled or Accessed by Contractor in connection with a contract resulting from a solicitation ("Confidential Information") shall be and remain Confidential Information and shall not be released or disclosed by Contractor without the prior written consent of TEA, which consent must specifically identify the Confidential Information to be disclosed by Contractor and the nature of the disclosure for which consent is sought. Contractor, its employees and subcontractors, agree that in executing tasks on behalf of TEA.

Contractor will indemnify and hold harmless the State of Texas, its officers and employees, and TEA, its officers and employees for any claims or damages that arise from the disclosure by Contractor or its Contractors of information held by the State of Texas, except when defined as part of the Work under this Contract.

Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of TEA.

OO. Independent Contractor: Contractor shall serve as an independent Contractor in providing services under this Contract. Contractor's employees are not and shall not be construed as employees or agents of the State of Texas.

PP. Contractor Performance: All state agencies must report unsatisfactory Contractor performance on purchases over \$25,000. Proposers who are in default or otherwise not in good standing under any other current or prior contract with TEA at the time of selection will not be eligible for award of this Contract. A Proposer's past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of Government Code §§ 2155.074, 2155.075, 2156.007, 2157.003, and 2157.125. Proposers may fail this selection criterion for any of the following conditions: A score of less than 90% in Contractor Performance System, currently under a Corrective Action Plan, having repeated negative Contractor performance reports for the same reason, having purchase orders that have been cancelled in the previous 12 months for non-performance (i.e. late delivery, etc.). TEA may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through Contractor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.108). TEA or a designee may conduct periodic contract compliance reviews without advance notice, to monitor performance. TEA may examine other sources of Contractor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of TEA, and any negative findings, as determined by TEA, may result in non-award to the Proposer.

Agencies report satisfactory and exceptional Contractor performance to assist in determining best value. In accordance with Texas Government Code, §2155.074 and §2155.75, Contractor performance may be used as a factor in future contract awards.

Contractor performance information is located on the CPA website at http://www.cpa.state.tx.us/procurement/proq/vendor_performance/

QQ. Termination: This Contract shall terminate upon full performance of all requirements contained in this Contract, unless otherwise extended or renewed as provided in accordance with the Contract Terms and Conditions.

- 1. Termination for Convenience:** TEA may terminate this Contract at any time, in whole or in part, without penalty, by providing 15 calendar days advance written notice to Contractor. In the event of such a termination, Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TEA shall be liable for reimbursing only those expenses incurred by Contractor that are permitted, properly performed under this Contract and were incurred prior to the effective termination date.
- 2. Termination for Cause/Default:** If Contractor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, TEA may, upon written notice of default to Contractor, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

TEA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TEA notifies Contractor in writing prior to the exercise of such remedy.

Contractor shall remain liable for all covenants and indemnities under the Contract. Contractor shall be liable for all costs and expenses, including court costs, incurred by TEA with respect to the enforcement of any of the remedies listed herein.

3. **Termination Due to Changes in Law:** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either party cannot reasonably fulfill this Contract and if the parties cannot agree to an amendment that would enable substantial continuation of the Contract, the parties shall be discharged from any further obligations under this Contract.
4. **Rights upon Termination or Expiration of Contract:** In the event that the Contract is terminated for any reason, or upon its expiration, TEA shall retain ownership of all associated work products and documentation obtained from Contractor under the Contract.
5. **Survival of Terms:** Termination of the Contract for any reason shall not release Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, invoice and fees verification.
6. **Contract Transition:** In the event a subsequent competitive solicitation is awarded to a New Contractor, the Outgoing Contractor shall hand-over to the New Contractor all "Works" including but not limited to the following: data, materials, database access, intellectual property, source code, training materials, access to websites, asset transfer, and maintenance of service commitments. The purpose of transition planning is to ensure a seamless and continuous service when changing from one contract to another. The Outgoing Contractor will begin shipping, transmitting or providing access to all appropriate materials and data to the New Contractor within 10 days of announcement of award at the New Contractor's expense for data processing and production, packing and shipping. The Outgoing Contractor will be responsible for providing the services identified in the Contract until all records have been completely transferred to the New Contractor. The Outgoing Contractor is responsible for performing due diligence to ensure that all the transition activities are identified and completed during the contract transition.

The Outgoing Contractor shall submit to TEA requested reports and data. TEA will not release the final invoice until all materials are returned to TEA or their designee. TEA Project Manager shall approve the Transition Plan prior to its implementation. The Transition Plan must minimize the impacts on continuity of operations and maintain communication with TEA Project Manager and the New Contractor.

RR. Amendments: All amendments to this Contract will be in a manner as prescribed by TEA Contracting Process and are, subject to Paragraph B of the General Provisions and will be made on AMENDMENT TO TEA STANDARD CONTRACT form. All amendments will be initiated by TEA PCAS staff. An amendment to this Contract will become effective on the date of signature of TEA or the effective date shown on the amendment document whichever is first. All amendments must be signed by both parties.

If the initial major contract (defined as expected value of \$10 million or more) solicitation document submitted to the CPA Contract Advisory Team (CAT) changes substantially, agencies are required to resubmit their solicitation documents(s) for CAT review. Changes in the major contract solicitation are considered substantial when: 1) the solicitation change caused the estimated value for the original term of the Contract, not including renewal periods, to increase by 20% or more; 2) or there are significant revisions, deletions and/or additions to the specifications, statement of work (SOW), set(s) of deliverables, performance measures, payment methodology, etc.

1. The Contractor is permitted to re-budget among direct cost categories within tasks (less than 25%) in the approved budget to meet unanticipated requirements and to make limited changes to the approved budget without the issuance of a written Amendment as long as the total budget amount does not change. However, a revised budget document must be preapproved by the TEA Project Manager before the making the changes. Once approved, the documents must be submitted to the Contracts office for incorporation into the Contract file. Failure to submit the budget documents will result in invoices being rejected or payment delayed.
2. Written amendments are required for the following contract changes:
 - a. Any revision which would result in the need for additional funding;
 - b. Any revision to the scope of work, deliverables, or objectives of the Contract (regardless of whether there is an associated budget revision requiring prior approval) additionally increases of 25% or more for Major Contracts must be approved by the Comptroller;
 - c. A request to extend the period of the contract;
 - d. Cumulative transfers among direct cost categories/tasks which exceed or are expected to exceed 25% of the current total approved budget category/task;
 - e. Any reduction of funds or reduction in the scope of work;
 - f. Whenever a line item within a class/object code is added;
 - g. An increase in the quantity of capital outlay item(s) requested; and/or

Direct Deposit is the preferred method of payment. Any payment owed by TEA must be transmitted electronically to Contractor no later than 30 days after the later of:

1. Day on which TEA received the goods;
2. Date the performance of the service under the contract is completed; or
3. Day on which TEA received the complete and correct invoice for goods or services.

Invoices must be submitted to TEAAccountsPayable@tea.texas.gov and TEA Project Manager.

Additional information and a Direct Deposit Authorization application may be found at: <https://fmx.cpa.state.tx.us/fm/payment/index.php>.

1. Payment for service(s) described in this Contract is contingent upon satisfactory completion of the **Deliverables and Services Review and Acceptance Process**. The Contractor must submit final deliverables to TEA for review and approval prior to invoicing. These include test items developed under the contract. "Final" deliverable means a deliverable that, in the belief and testimony of the Contractor, is in final completed form and in compliance with all required specifications as defined by project documentation and this contract. TEA will review each deliverable, including test items, submitted by the Contractor for quality and alignment to the deliverable definition agreed to under the "Deliverables and Services Definition Process". TEA will have fifteen (15) working days to approve a deliverable or request revisions to the deliverable. TEA must review and approve any deliverable before it may be invoiced by the Contractor. If TEA finds a submitted deliverable to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", the Contractor will have ten (10) working days to address the quality or other compliance requirement and resubmit the deliverable. Additional costs incurred by the Contractor that result from repeated submissions and revising of substandard deliverables will be borne solely by the Contractor and not charged against the contract or to TEA. This process will apply to all deliverables and requirements of the Contract, including test items developed. This does not preclude an arrangement that allows the Contractor to bill against a deliverable as progress is made toward completing that deliverable, so long as documentation of such progress in a form and nature satisfactory to TEA is provided and is approved by TEA. It is up to the Contractor to request incremental billing based on progress towards a deliverable, and such a request must be approved by TEA prior to submission of any invoice by the Contractor. TEA reserves the right to reject and not provide payment for deliverables found to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", including test items developed under the Contract. The Contractor is strongly encouraged to collaborate with TEA on draft versions of any deliverables or services and request review(s) of such draft versions before submitting a final version.
2. Retainage: TEA may withhold 5% or less of each payment as retainage for certain projects. Retainage fees must be stated in the competitive solicitation and documented in the Contract. The fees may not be arbitrarily imposed after execution of the Contract. The release of retainage shall be requested in the final invoice.
3. Unless otherwise stated, payment under this Contract will be made upon performance of services based upon submission of an expenditure report/invoice, properly prepared and certified, outlining expenditures by cost category. Include the contract number, purchase order number, and the Texas Comptroller of Public Accounts Texas Identification Number (TIN) on all invoices/expenditure reports. The cost categories provided in the expenditure report/invoice must coincide with the cost categories detailed in the approved budget. A list of tasks/activities performed during the invoice period must accompany the expenditure report/invoice. The final expenditure report/invoice is due within 45 days after the end of the Contract. Payment on the final expenditure report is contingent upon receipt of all reports/products required by this Contract.
4. An encumbrance, accounts payable, and expenditure, as with all other contract accounting terms, will be as defined in the *Financial Accounting and Reporting Module of TEA Financial Accountability System Resource Guide*. All goods must have been received and all services rendered by the ending date of this Contract in order for Contractor to include these costs as either expenditures or as accounts payable and, thereby, recover funds due. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures.
5. Contractor who is indebted or owes delinquent taxes to the state will have any payments under the Contract applied toward the debt or delinquent taxes owed the state until the amount is paid in full, regardless of when the debt or delinquency was incurred. TEA shall determine whether a payment law prohibits the Comptroller from issuing a warrant or initiating an electronic funds transfer to a person before TEA enters into a written contract with that person.

Contractor may verify its account status by accessing the Texas Comptroller's website at https://fmx.cpa.state.tx.us/fm/pubs/purchase/restricted/index.php?section=indebted&page=persons_indebted

TT. Prohibition of text messaging and emailing while driving during official federal grant business: Federal grant recipients and their grant personnel are prohibited from texting messaging while driving a government owned vehicle or while driving their own privately owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email while driving. Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership On Reducing Text Messaging While Driving," effective October 1, 2009.

Contractor represents and warrants that it shall maintain the above insurance coverage during the term of this Contract, and shall provide TEA with an executed copy of the policies immediately upon request.

VV. Force Majeure: Neither Contractor nor TEA shall be liable to the other for any delay in, or failure of performance, of any requirement included in any contract resulting from this RFP caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three business days of the existence of such force majeure, or otherwise waive this right as a defense.

WW. Drug Free Workplace Policy: Contractor shall comply with the applicable provisions of the Drug-Free Work Place Act of 1988 (Public Law 100-690, Title V, Subtitle D; 41 U.S.C. 701 ET SEQ.) and maintain a drug-free work environment; and the final rule, government-wide requirements for drug-free work place (grants), issued by the Office of Management and Budget and the Department of Defense (32 CFR Part 280, Subpart F) to implement the provisions of the Drug-Free Work Place Act of 1988 is incorporated by reference and Contractor shall comply with the relevant provisions thereof, including any amendments to the final rule that may hereafter be issued.

XX. Abandonment or Default: If Contractor defaults on the Contract, TEA reserves the right to cancel the Contract without notice and either re-solicit or re-award the Contract to the next best responsive and responsible Proposer. The defaulting Contractor will not be considered in the re-solicitation and may not be considered in future solicitations for the same type of work, unless the specification or scope of work significantly changed. The period of suspension will be determined by TEA based on the seriousness of the default.

By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. The prospective lower tier participant shall provide immediate written notice to the contracting director if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. 7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. **SPECIAL PROVISIONS - C
PART A
INSTRUCTIONS FOR CERTIFICATION**

This is a Congress of the United States and the U. S. Department of Education requirement. The Contractor must submit this schedule to TEA for a federal-funded contract(s) with an approved amount in excess of \$100,000. TEA will be unable to pay for any obligations established by the Contractor unless this schedule is submitted.

In addition, if the Contractor makes a subgrant or subcontract in excess of \$100,000 to another organization of any type, then the Contractor shall require this form to be filed with and retained by the Contractor. According to federal law, failure to obtain the certification subjects the Contractor to civil penalties.

- (1) This certification states that the Contractor is prohibited from using federal funds for influencing or attempting to influence any member of Congress or its employees or any federal agency employee concerning the making or awarding of a federal grant.
- (2) This certification states that the Contractor is prohibited from using federal funds for influencing or attempting to influence any member of Congress or its employees or any federal agency employee concerning the making or awarding of a federal grant.
- (3) This certification also states that if the Contractor pays or has paid any funds other than federal funds to any one person or organization for influencing or attempting to influence any member of Congress or its employees, or any federal agency employee concerning the making or awarding of a federal grant, that the Contractor will disclose to whom payments were made, how much money was involved and the type of work involved. The Contractors must use Special Provisions D Part B, Disclosure of Lobbying Activities for complying with this disclosure requirement. The Contractor shall require this form to be filed with the Contractor on any subgrants or subcontracts it makes in excess of \$100,000 if funds have been spent as stipulated in this paragraph. The Contractor will then forward a legible copy of Special Provisions D Part B, Disclosure of Lobbying Activities to the Texas Education Agency.

Additionally, this certification requires the Contractor to incorporate the language of this certification into any award or Contract documents for awarding subgrants or subcontracts that exceed \$100,000 and that subgrantees and subcontractors shall certify and disclose accordingly.

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or services under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB Subcontracting Plan (HSP)

May 2014

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- 11.2 percent for heavy construction other than building contracts,
- 21.1 percent for all building construction, including general contractors and operative builders' contracts,
- 32.9 percent for all special trade construction contracts,
- 23.7 percent for professional services contracts,
- 26.0 percent for all other services contracts, and
- 21.1 percent for commodities contracts.

-- Agency Special Instructions/Additional Requirements --

In accordance with 34 TAC §20.14(d)(1)(D)(ii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only contracts that have been in place for five years or less shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.

HUB Status code "A" signifies that the company is a Texas certified HUB.
