If an audit has been announced, the records shall be retained until such audit has been completed.

Pursuant to Section 2262.154 of the Texas Government Code, the state auditor may conduct an audit or investigation of Performing Agency or any other entity or person receiving funds from the state directly under this Contract or indirectly through a subcontract under this Contract. The acceptance of funds by Performing Agency or any other entity or person directly under this Contract or indirectly through a subcontract under this Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, Performing Agency or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Performing Agency will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Performing Agency and the requirement to cooperate is included in any subcontract it awards.

Performing Agency further agrees that acceptance of funds under this Contract acts as acceptance for TEA to conduct an audit or investigation in connection with those funds. Performing Agency, subcontractors, and any entities receiving funds through this Contract shall cooperate fully with TEA in the conduct of the audit or investigation, including providing all records pertaining to this Contract that are requested.

- G. **Intellectual Property Ownership:** Performing Agency agrees that all Works are, upon creation, works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered works made for hire, Performing Agency hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Performing Agency agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Performing Agency for the Contract Project, granting Performing Agency rights sufficient to support the performance and grant of rights to TEA by Performing Agency. Copies of such agreements shall be provided to TEA promptly upon request.

Performing Agency warrants that (i) it has the authority to grant the rights herein granted, (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Contract, and Performing Agency will not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works created or conceived by colleges or universities under the Contract, they are granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. Colleges and universities are prohibited, however, from advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative works from the Works that are created or conceived under this Contract, without the express written permission of TEA's Office of Deputy Commissioner for Finance.

- H. **Information Security Requirements, FERPA and Confidential Information:**
Access to TEA Confidential TEA Information

Performing Agency represents and warrants that it will take all necessary and appropriate action within its abilities to safeguard TEA Confidential Information and to protect it from unauthorized disclosure. Whenever communications with Performing Agency necessitate the release of TEA Confidential Information, additional TEA Confidential forms will need to be signed by each individual who will require access to or may be exposed to that information. If Performing Agency discloses any TEA Confidential Information to a subcontractor or agent, Performing Agency will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Performing Agency. Whenever communications with Performing Agency necessitate the release of TEA Confidential Information, additional TEA Confidential forms will need to be signed by each individual who will require access to or may be exposed to that information. Performing Agency shall access TEA's systems or TEA Confidential Information only for the purposes for which it is authorized. TEA reserves the right to review the Performing Agency's security policy to ensure that any data that is on the Performing Agency's servers is secure. Performing Agency shall cooperate fully by making resources, personnel, and systems access available to TEA and TEA's authorized representative(s).

Performing Agency shall ensure that any TEA Confidential Information in the custody of Performing Agency is properly sanitized or destroyed when the information is no longer required to be retained by TEA or Performing Agency in accordance with this Contract. Electronic media used for storing any TEA Confidential Information must be sanitized by clearing, purging or destroying in accordance with such standards established by the National Institute of Standards and Technology and the Center for Internet Security. These standards are also required if the Performing Agency is collecting, maintaining, or analyzing data gathered, collected, or provided under this Contract. Access to Internal TEA Network and Systems

As a condition of gaining remote access to any internal TEA network and systems, Performing Agency must comply with TEA's policies and procedures. TEA's remote access request procedures will require Performing Agency to submit TEA Applicable Access Request forms for TEA's review and approval. Remote access technologies provided by Performing Agency must be approved by TEA's Information Security Officer. TEA, in its sole discretion, may deny network or system access to any individual that does not complete the required forms. Performing Agency must secure its own connected systems in a manner consistent with TEA's requirements. TEA reserves the right to audit the security measures in effect on Performing Agency's connected systems without prior warning. TEA also reserves the right to immediately terminate network and system connections not meeting such requirements.

Disclosure of Security Breach

Performing Agency shall provide notice to TEA's Project Manager and TEA's Information Security Officer as soon as possible following Performing Agency's discovery or reasonable belief that there has been unauthorized use, exposure, access, disclosure, compromise, modification, or loss of sensitive or TEA Confidential Information ("Security Incident"). Within 24 hours of the discovery or reasonable belief of a Security Incident, Performing Agency shall provide a written report to TEA's Information Security Officer detailing the circumstances of the incident which includes at a minimum:

1. Description of the nature of the Security Incident;

2. Whether there is any knowledge if TEA information has been abused or compromised;
3. What additional steps Performing Agency has taken or will take to investigate the Security Incident;
4. What steps Performing Agency has taken or will take to mitigate any negative effect of the Security

Incident; and

5. What corrective action Performing Agency has taken or will take to prevent future similar unauthorized use or disclosure.

Performing Agency shall confer with TEA's Chief Information Security Officer regarding the proper course of the investigation and risk mitigation. TEA reserves the right to conduct an independent investigation of any Security Incident, and should TEA choose to do so, Performing Agency shall cooperate fully by making resources, personnel, and systems access available to TEA and TEA's authorized representative(s). Subject to review and approval of TEA's Information Security Officer, Performing Agency, at its own cost, shall provide notice that satisfies the requirements to individuals whose personal, confidential, or privileged data were compromised or likely compromised as a result of the Security Incident. If TEA, in its sole discretion, elects to send its own separate notice, then all costs associated with preparing and providing notice shall be reimbursed to TEA by Performing Agency. If Performing Agency does not reimburse such costs within 30 days of TEA's written request, then TEA shall have the right to collect such costs.

- I. **Refunds Due to TEA:** If TEA determines that TEA is due a refund of money paid to Performing Agency pursuant to this Contract, Performing Agency shall pay the money due to TEA within 30 days of Performing Agency's receipt of written notice that such money is due to TEA. If Performing Agency fails to make timely payment, TEA may obtain such money from Performing Agency by any means permitted by law.
- J. **Capital Outlay:** If Performing Agency purchases capital outlay (furniture and/or equipment) to accomplish the Contract Project, title will remain with Performing Agency for the period of the Contract. TEA reserves the right to transfer capital outlay items for Contract noncompliance during the Contract period or as needed after the ending date of the Contract. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in Performing Agency's accounting record. This provision is applicable when federal funds are utilized for the Contract.

- L. **Point of Contact and Escalation:** All notices, reports and correspondence required by this Contract shall be in writing and delivered to the TEA Project Manager listed in 6.2 of this IAC. Within 30 days of execution of this Contract, the respective Parties will designate the next level of personnel within each organization to address conflicts or ambiguity that cannot be resolved at the Project Manager level.

- N. **Signature Authority, Final Expression, and Superseding Document:** Performing Agency certifies that the person signing this Contract has been properly delegated this authority. The Contract represents the final and complete expression of the terms of agreement between the parties. The Contract supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises or warranties that differ from the Contract shall have no force or effect. The Contract may be modified, amended or extended only by formal written amendment properly executed by both TEA and Performing Agency.
- O. **Dispute Resolution:** The parties agree to use good-faith efforts to resolve questions, issues, or disputes of any nature that may arise under or by this Contract; provided, however nothing in this paragraph shall preclude either party from pursuing any remedies as may be available under Texas law.

- P. **Compliance with Laws:** Performing Agency shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any court or administrative bodies or tribunals in any matter affecting Performing Agency's performance, including if applicable, prompt payment and licensing laws and regulations. For the entire duration of the Contract, Performing Agency shall maintain all required licenses, certifications, and any other documentation necessary to perform this Contract. When required or requested by the Agency, Performing Agency shall furnish TEA with satisfactory proof of its compliance with this provision.
- Q. **Public Information:** The Parties acknowledge they are subject to the provisions of the Texas Public Information Act.
- R. **Gratuities:** By signing this Contract, Performing Agency represents and warrants that Performing Agency has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the project.
- S. **Severability:** In the event that any provision of this Contract is later determined to be invalid, void, or unenforceable, the invalid provision will be deemed severable and stricken from the Contract as if it had never been incorporated herein. The remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
- T. **Criminal Background Checks:** If during the term of this Contract, Performing Agency, and/or Performing Agency's staff, or subcontractor have access to Texas public school campuses, all Performing Agency and/or Performing Agency's staff must submit to a national criminal history record information review (includes fingerprinting) and meet all eligibility standards and criteria as set by TEA before serving in assignments on behalf of TEA. This requirement applies to all individuals who currently serve or will serve in TEA assignments that have the possibility of direct contact with students. Assignments are contingent upon meeting TEA eligibility standards. Performing Agency and/or any staff member of Performing Agency who may perform services under this Contract must complete this criminal history review before the beginning of an assignment. If said individuals have not completed this requirement or the review results in a determination that Performing Agency is not eligible for assignment, this Contract will be terminated effective immediately or the date of notice of non-eligibility, whichever is earliest.
- U. **Assignment:** No assignment of this Contract or of any right accruing hereunder shall be made, in whole or part, by Performing Agency without prior consent of TEA.
- V. **Electronic and Information Resources Accessibility Standards and Reporting:** State agencies shall procure products which comply with the State of Texas Accessibility requirements for Electronic Information Resources specified in 1 TAC Chapter 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation.

Section 508 of the US Rehabilitation Act of 1973 has been revised and adopted. Therefore, all current and potential Contractors are hereby notified of the requirement. The current technical requirements for accessibility contained within this regulation form the basis for our Texas TAC rules on EIR Accessibility.

This refresh of 508 uses the WCAG 2.0 AA Accessibility Guidelines (also ISO/IEC standard 40500) as the new technical standard that Federal agencies are now required to meet when procuring products and services. With the adoption of 508 requirements being adopted, DIR will be modifying the TAC rules to synchronize with it. Given this coming change, all Texas agencies and institutions of higher education have begun using or specifying WCAG 2.0 AA guidelines for the design of new websites or web applications. The rationale is twofold:

1. It could be technically difficult and expensive to bring these websites/applications to WCAG 2.0 AA later.
2. WCAG 2.0 AA is a superior, more flexible standard and is in use all over the world. If a website is compliant with WCAG 2.0 AA, it will, by default, comply with our current TAC rules on EIR Accessibility.

Web development Contractors should already be familiar with designing to this standard, and their ability to meet these standards should be a strong consideration in the selection process.

The free online resources listed below are available to assist developers and content producers in transitioning to these guidelines.

Contractor must employ real users with disabilities for manual testing. Contract is required to provide a report that will include the results of auto-testing, screen-by-screen assessments, pass/fail status for each of the identified compliance standards to be met and recommendations for how to repair the screens/pages that do not meet the standards. Remediation recommendations shall be provided to the code level. The report should include documentation of the experience of real users with disabilities and may recommend techniques for improving the usable accessibility of the application. Awarded Vendor shall validate, by title, if all accessibility requirements have been met.

All websites must follow Federal 508 accessibility requirements and Web Content Accessibility Guidelines (WCAG) 2.0 AA standards and be tested for accessibility before acceptance by TEA. For sites developed outside of TEA, the contractor must contract with a third party with expertise and a proven track record in accessibility testing. The third party must evaluate the site and produce a report that verifies the site is compliant to (WCAG) 2.0 AA.

- W. Excluded Parties List System:** The Texas Education Agency and the Performing Agency must adhere to the directions provided in the President's Executive Order (EO) 13224, Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism. That Executive Order prohibits any transaction or dealing by United States persons, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the General Services Administration's Excluded Parties List System (EPLS) which may be viewed on the System for Award Management (SAM) site at <http://www.sam.gov>.
- X. Social Security Numbers (SSNs) Withheld:** TEA will not provide SSNs to any Performing Agency under this Contract unless specifically specified as part of the Contract Project requirements. TEA, Performing Agency and its subcontractors, will not require or request school districts to provide SSNs under this Contract. Performing Agency agrees that in executing tasks on behalf of TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information to TEA within 30 days of project completion. An authorized officer of the Performing Agency must certify that ALL records have either been properly destroyed or returned to TEA in order to close out the Contract.
- Y. Nondisclosure and Press Releases:** All information gathered, produced, derived, obtained, analyzed, controlled or Accessed by Performing Agency in connection with this Contract shall be and remain confidential and shall not be released or disclosed by Performing Agency without the prior written consent of the TEA, which consent must specifically identify the confidential information to be disclosed by Performing Agency and the nature of the disclosure for which consent is sought. Performing Agency, its employees and subcontractor's, agree that in executing tasks on behalf of the TEA, Performing Agency also agrees not to disclose any information to which it is privy under this Contract without the prior consent of the agency. Performing Agency will not make any press releases, public statements, or advertisement referring to the Contract Project or the engagement of Performing Agency in connection with the Contract Project, or release any information in relation to the Contract Project for publication, advertisement or any other purpose without the prior written approval of TEA.
- Z. Independent Contractor:** Performing Agency or Performing Agency's employees, representatives, agents and any subcontractors shall serve as an independent contractor in providing the services under any purchase order resulting from this Contract. Performing Agency or Performing Agency's employees, representatives, agents and any subcontractors shall not be employees of TEA. Should Performing Agency subcontract any of the services required in this Contract, Performing Agency expressly understands and acknowledges that in entering into such subcontract(s), TEA is in no manner liable to any subcontractor(s) of Performing Agency. In no event shall this provision relieve bidder of the responsibility for ensuring that the services rendered under all subcontracts are rendered in compliance with this Contract.
- AA. Termination:** This Contract shall terminate upon full performance of all requirements contained in this Contract, unless otherwise extended or renewed as provided in accordance with the Contract terms and conditions.
- 1. Termination for Convenience:** TEA may terminate this Contract at any time, in whole or in part, without penalty, by providing 15 calendar days' advance written notice to the Performing Agency. In the event of such a termination, the Performing Agency shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TEA shall be liable for reimbursing only those expenses incurred by the Performing Agency that are permitted, properly performed under this Contract and were incurred prior to the effective termination date.
 - 2. Termination for Cause/Default:** If the Performing Agency fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, TEA may, upon written notice of default to the Performing Agency, immediately terminate all or

any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

TEA may exercise any other right, remedy or privilege which may be available to it under applicable law. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TEA notifies the Performing Agency in writing prior to the exercise of such remedy.

The Performing Agency shall remain liable for all covenants and indemnities under the Contract. The Performing Agency shall be liable for all costs and expenses, including court costs, incurred by TEA with respect to the enforcement of any of the remedies listed herein.

3. **Termination Due to Changes in Law:** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either party cannot reasonably fulfill this Contract and if the parties cannot agree to an amendment that would enable substantial continuation of the Contract, the parties shall be discharged from any further obligations under this Contract.
 4. **Rights upon Termination or Expiration of Contract:** In the event that the Contract is terminated for any reason, or upon its expiration, TEA shall retain ownership of all associated work products and documentation obtained from the Performing Agency under the Contract.
 5. **Survival of Terms:** Termination of the Contract for any reason shall not release the Performing Agency from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination.
- BB. Amendments:** All amendments to this Contract will be in a manner as prescribed by the Agency Contracting Process and are, subject to Paragraph B of the Terms and Conditions and will be made on the AMENDMENT TO TEA INTERAGENCY CONTRACT form. All Amendments will be initiated by the TEA Purchasing and Contracts staff. An amendment to this Contract will become effective on the date of signature of TEA or the effective date shown on the amendment document whichever is first. All amendments must be signed by both parties.
1. The parties are permitted to re-budget among direct cost categories within the approved budget to meet unanticipated requirements and to make limited changes to the approved budget without the issuance of a written amendment as long as the total budget amount does not change. However, a revised budget document must be preapproved by the TEA Project Manager before the making the changes. Once approved, the documents must be submitted to the TEA Purchasing and Contracts office for incorporation into the Contract file. Failure to submit the budget documents will result in invoices being rejected or payment delayed.
 2. Written amendments are required for the following Contract changes:
 - a. Any revision which would result in the need for additional funding;
 - b. Any revision to the scope of work, deliverables, or objectives of the Contract
 - c. A request to extend the period of the Contract;
 - d. Cumulative transfers among direct cost categories which exceed or are expected to exceed 25 percent of the current total approved budget category;
 - e. Any reduction of funds or reduction in the scope of work;
 - f. Whenever a line item within a class/object code is added;
 - g. An increase in the quantity of capital outlay item(s) requested; and
 - h. An increase or decrease in the number of positions charged to Contract.
- CC. Payment:** Payment for goods or services purchased with state-appropriated funds will be issued by electronic Direct Deposit from the State Treasury. Direct Deposit is the preferred method of payment. Invoices must be submitted to TEAAccountsPayable@tea.texas.gov and the TEA Project Manager. Any payment owed by TEA must be transmitted electronically to Contractor no later than 30 days after the later of:
1. Day on which TEA received the goods;
 2. Date the performance of the service under the Contract is completed; or
 3. Day on which TEA received the complete and correct invoice for goods or services.

Prior to authorizing payment to Performing Agency, TEA shall evaluate Performing Agency's performance using the performance standards set forth in all documents constituting this Contract. Performing Agency shall provide invoices to TEA for deliverables or services provided/performed. Invoices must be submitted not later than the 15th day of the month after the deliverables are completed. No payment whatsoever shall be made under this Contract without the prior submission of detailed, correct invoices. Subject to the foregoing, TEA must make all payments in accordance with the Texas Prompt Payment Act, [Texas Government Code Chapter 2251](#). Payments under this Contract are subject to the availability of appropriated funds. Performing Agency acknowledges and agrees that payments for services provided under this Contract are contingent upon TEA's receipt of funds appropriated by the Texas Legislature.

- DD. Prohibition of text messaging and emailing while driving during official federal grant business:** Federal grant recipients and their grant personnel are prohibited from texting messaging while driving a government owned vehicle or while driving their own privately owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email while driving. Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," effective October 1, 2009.
- EE. Applicable Law and Conforming Amendments:** Performing Agency must comply with all laws, regulations, requirements and guidelines applicable to a Performing Agency providing services to the State of Texas as these laws, regulations, requirements and guidelines currently exist and as they are amended throughout the term of this Contract. TEA reserves the right, in its sole discretion, to unilaterally amend this Contract throughout its term to incorporate any modifications necessary for TEA or Performing Agency's compliance with all applicable State and federal laws, and regulations.

SPECIAL PROVISIONS - B INSTRUCTIONS FOR CERTIFICATION

By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. The prospective lower tier participant shall provide immediate written notice to the contracting director if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. This is a Congress of the United States and the U. S. Department of Education requirement. The Contractor must submit this schedule to TEA for a federal-funded contract(s) with an approved amount in excess of \$100,000. In addition, if the Contractor makes a subgrant or subcontract in excess of \$100,000 to another organization of any type, then the Contractor shall require this form to be filed with and retained by the Contractor. According to federal law, failure to obtain the certification subjects the Contractor to civil penalties.

- (1) This certification states that the Contractor is prohibited from using federal funds for influencing or attempting to influence any member of Congress or its employees or any federal agency employee concerning the making or awarding of a federal grant.
- (2) This certification states that the Contractor is prohibited from using federal funds for influencing or attempting to influence any member of Congress or its employees or any federal agency employee concerning the making or awarding of a federal grant.
- (3) This certification also states that if the Contractor pays or has paid any funds other than federal funds to any one person or organization for influencing or attempting to influence any member of Congress or its employees, or any federal agency employee concerning the making or awarding of a federal grant, that the Contractor will disclose to whom payments were made, how much money was involved and the type of work involved. The Contractors must use Special Provisions D Part B, Disclosure of Lobbying Activities for complying with this disclosure requirement. The Contractor shall require this form to be filed with the Contractor on any subgrants or subcontracts it makes in excess of \$100,000 if funds have been spent as stipulated in this paragraph.
