Appendix One

DESCRIPTION OF SERVICES

Performing Party shall assist the Agency in identifying a SRG technical provider to develop school redesign grantee profiles. The grantee profiles will provide a holistic analysis of the school redesign grantees to establish a baseline for future technical assistance.

TEA will approve the identified provider that will oversee the project. The selected Provider will create grantee campus profiles to help "tier" the campuses into levels of support. To do so, the Provider(s) will develop a holistic set of assessments. The selected Provider(s) could potentially use, but are not limited to: Leader Description Questionnaire, a Behavioral Interview, a 360 Leadership Profile, a Collaboration Analysis, a synthesis of grantee applications, and conduct a Campus Data Analysis.

Once the information is gathered, the selected provider(s) will create a succinct two-page campus profile for each grantee, which will be used to determine the varied tiers of support.

The selected Provider will create model performance contracts to serve as guides for school redesign grantees pursuing alternative management, restart, or in-district charter strategies. To create model performance contracts, the selected Provider will create a project plan and research proposal based on research from performance contracts used across the country. The deliverables will include draft model performance contracts for internal agency review and final model performance contracts for dissemination to select school redesign grantees.

That Executive Order prohibits any transaction or dealing by United States persons, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the General Services Administration's Excluded Parties List System (EPLS) which may be viewed on the System for Award Management (SAM) site at <http://www.sam.gov>.

AA. Electronic and Information Resources Accessibility Standards and Reporting: State agencies shall procure products which comply with the State of Texas Accessibility requirements for Electronic Information Resources specified in 1TAC Chapter 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation.

Section 508 of the US Rehabilitation Act of 1973 has been revised and adopted. Therefore, all current and potential Contractors are hereby notified of the requirement. The current technical requirements for accessibility contained within this regulation form the basis for our Texas TAC rules on EIR Accessibility.

This refresh of 508 uses the WCAG 2.0 AA Accessibility Guidelines (also ISO/IEC standard 40500) as the new technical standard that Federal agencies are now required to meet when procuring products and services. With the adoption of 508 requirements being adopted, DIR will be modifying the TAC rules to synchronize with it.

Given this coming change, all Texas agencies and institutions of higher education have begun using or specifying WCAG 2.0 AA guidelines for the design of new websites or web applications. The rationale is twofold:

1. It could be technically difficult and expensive to bring these websites/applications to WCAG 2.0 AA later.
2. WG 2.0 AA is a superior, more flexible standard and is in use all over the world. If a website is compliant with WCAG 2.0 AA, it will, by default comply with our current TAC rules on EIR Accessibility.

Web development Contractors should already be familiar with designing to this standard, and their ability to meet these standards should be a strong consideration in the selection process.

The free online resources listed below are available to assist developers and content producers in transitioning to these guidelines.

Contractor must employ real users with disabilities for manual testing. Contract is required to provide a report that will include the results of auto-testing, screen-by-screen assessments, pass/fail status for each of the identified compliance standards to be met and recommendations for how to repair the screens/pages that do not meet the standards. Remediation recommendations shall be provided to the code level. The report should include documentation of the experience of real users with disabilities and may recommend techniques for improving the usable accessibility of the application. Awarded Vendor shall validate, by title, if all accessibility requirements have been met.

All websites must follow Federal 508 accessibility requirements and Web Content Accessibility Guidelines (WCAG) 2.0 AA standards and be tested for accessibility before acceptance by TEA. For sites developed outside of TEA, the contractor must contract with a third party with expertise and a proven track record in accessibility testing. The third party must evaluate the site and produce a report that verifies the site is compliant to (WCAG) 2.0 AA.

BB. Social Security Numbers Withheld: TEA will not provide Social Security Numbers (SSNs) to any Performing Party under this Contract unless specifically specified as part of the Contract Project requirements. TEA, Performing Party and its subcontractors, will not require or request school districts to provide SSNs under this Contract. Performing Party agrees that in executing tasks on behalf of TEA, they will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-

CC. Independent Contractor: Performing Party or Performing Party's employees, representatives, agents and any subcontractors shall serve as an independent contractor in providing the services under any purchase order resulting from this Contract. Performing Party or Performing Party's employees, representatives, agents and any subcontractors shall not be employees of TEA. Should Performing Party subcontract any of the services required in this Contract, Performing Agency expressly understands and acknowledges that in entering into such subcontract(s), TEA is in no manner liable to any subcontractor(s) of Performing Party. In no event shall this provision relieve bidder of the responsibility for ensuring that the services rendered under all subcontracts are rendered in compliance with this Contract.

DD. Termination: This Contract shall terminate upon full performance of all requirements contained in this Contract, unless otherwise extended or renewed as provided in accordance with the Contract terms and conditions.

1. **Termination for Convenience:** TEA may terminate this Contract at any time, in whole or in part, without penalty, by providing fifteen (15) calendar days advance written notice to the Performing Party. In the event of such a termination, the Performing Party shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TEA shall be liable for reimbursing only those expenses incurred by the Performing Party that are permitted, properly performed under this Contract and were incurred prior to the effective termination date.
2. **Termination for Cause/Default:** If the Performing Party fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, TEA may, upon written notice of default to the Performing Party, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

TEA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TEA notifies the Performing Party in writing prior to the exercise of such remedy.

The Performing Party shall remain liable for all covenants and indemnities under the Contract. The Performing Party shall be liable for all costs and expenses, including court costs, incurred by TEA with respect to the enforcement of any of the remedies listed herein.

3. **Termination Due to Changes in Law:** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either party cannot reasonably fulfill this Contract and if the parties cannot agree to an amendment that would enable substantial continuation of the Contract, the parties shall be discharged from any further obligations under this Contract.
4. **Rights upon Termination or Expiration of Contract:** In the event that the Contract is terminated for any reason, or upon its expiration, TEA shall retain ownership of all associated work products and documentation obtained from the Performing Party under the Contract.
5. **Survival of Terms:** Termination of the Contract for any reason shall not release the Performing Party from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.

DD. Amendments: All Amendments to this Contract will be in a manner as prescribed by the TEA Contracting Process and are, subject to Paragraph B of the Terms and Conditions and will be made on the AMENDMENT TO TEA INTERLOCAL COOPERATION CONTRACT form. All Amendments will be initiated by the TEA Contracts staff. An Amendment to this Contract will become effective on the date of signature of TEA or the effective date shown on the Amendment document whichever is first. All Amendments must be signed by both parties.

1. Performing Party is required to report deviations from budget or project scope or objective, and request prior approvals from the TEA designated Project Manager for budget and program plan revisions. The parties are permitted to reallocate up to 25% of the total budget among direct cost categories (except for payroll costs) to meet unanticipated requirements without the issuance of a written Amendment as long as the total budget amount does not change. However, a revised budget document must be submitted and preapproved by the TEA Project Manager before the making the changes. Once approved, the documents must be submitted to the TEA Purchasing and Contracts office for incorporation into the Contract file. Failure to submit the budget documents will result in invoices being rejected or payment delayed.
2. Written Amendments are required for the following Contract changes:
 - a. Any revision which would result in the need for additional funding;
 - b. Any revision to the scope of work, deliverables, or objectives of the Contract
 - c. A request to extend the period of the Contract;

EE. Payment: The approved budget for the contract project summarizes the financial aspects of the project or program as approved by the TEA project manager. It must be related to performance for program evaluation purposes whenever appropriate.

Payment for goods or services purchased with state and federal appropriated funds will be issued by electronic Direct Deposit from the State Treasury. Direct Deposit is the preferred method of payment. Any payment owed by TEA must be transmitted electronically to Contractor no later than 30 days after the later of:

- (1) Day on which TEA received the goods;
- (2) Date the performance of the service under the Contract is completed; or
- (3) Day on which TEA received the complete and correct invoice for goods or services.

Invoices must be submitted to TEAAccountsPayable@tea.texas.gov mailbox and designated TEA Project Manager.

Prior to authorizing payment to Performing Party, TEA shall evaluate Performing Party's performance using the performance standards set forth in all documents constituting this Contract. Performing Party shall provide supporting documentation with every invoice corresponding to each deliverable or services provided/performed. All costs must be necessary and reasonable for the performance of the Contract project and be allocable thereto under these principles. Invoices should be submitted not later than the 30th day of the month after the deliverables are completed. No payment whatsoever shall be made under this Contract without the prior submission of detailed and correct invoices. Subject to the foregoing, TEA must make all payments in accordance with the Texas Prompt Payment Act, Texas Government Code, Chapter 2251. Payments under this Contract are subject to the availability of appropriated funds. Performing Party acknowledges and agrees that payments for services provided under this Contract are contingent upon TEA's receipt of funds appropriated by the Texas Legislature.

FF. Prohibition of text messaging and emailing while driving during official federal grant business: Federal grant recipients and their grant personnel are prohibited from texting messaging while driving a government owned vehicle or while driving their own privately owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email while driving. GG. Force Majeure: Neither Performing Party nor TEA shall be liable to the other for any delay in, or failure of performance, of any requirement included in this Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three business days of the existence of such force majeure, or otherwise waive this right as a defense.

HH. Abandonment or Default: If Performing Party defaults on the Contract, TEA reserves the right to cancel the Contract without notice and either re-solicit or re-award the Contract to the next best responsive and responsible Proposer. The defaulting Performing Party will not be considered in the re-solicitation and may not be considered in future solicitations for the same type of work, unless the specification or scope of work significantly changed. The period of suspension will be determined by TEA based on the seriousness of the default.

II. Applicable Law and Conforming Amendments: Performing Party must comply with all laws, regulations, requirements and guidelines applicable to a Performing Party providing services to the State of Texas as these laws, regulations, requirements and guidelines currently exist and as they are amended throughout the term of this Contract. TEA reserves the right, in its sole discretion, to unilaterally amend this Contract throughout its term to incorporate any modifications necessary for TEA or Performing Party's compliance with all applicable State and federal laws, and regulations. All contracts that are funded with ESSA grant funds may only be used for its intended purpose.

JJ. Performance Measurement: Performing Party shall use OMB-approved standard information collections when providing financial and performance information. Performing Party must be able to relate financial data to performance accomplishments of the project. Performing Party must also provide cost information to demonstrate cost effective practices (e.g., through unit cost data). Contract performance should be measured in a way that will help to improve program outcomes, share lessons learned, and spread the adoption of promising practices. Performing Party must have effective control over, and accountability for, all funds, property, and other assets. The Performing Party must adequately safeguard all assets and assure that they are used solely for authorized purposes.

KK. Change in Law: Any alterations, additions, or deletions to the terms of this Contract which are required by changes in federal or state law or regulations are automatically incorporated into this Contract without written amendment hereto, and shall become effective on the date designated by such law or by regulation.

LL. Boycott Israel. Performing Party represents and warrants that, pursuant to Section 2270.002 of the Texas Government Code, Performing Party does not boycott Israel and will not boycott Israel during the term of the contract.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this Contract, the prospective lower tier participant is stating that it is neither debarred nor suspended.
2. This certification is a material representation of fact upon which reliance was placed when this certification was signed. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment from federal funds participation.
3. The prospective lower tier participant shall provide immediate written notice to the organization to which this Contract is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "contract," and "voluntarily excluded," as used in this certification, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the organization to which this Contract is submitted for assistance in obtaining a copy of those regulations.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
