## 2019-2020 Interventions and Submissions

### Campus rated 2nd Year Comprehensive Progress – ESF Diagnostic Required

<table>
<thead>
<tr>
<th>Month(s)</th>
<th>Interventions</th>
<th>Submissions</th>
</tr>
</thead>
</table>
| August - September | - TEA staff and Superintendent hold phone conference to discuss interventions and submission requirements  
- Superintendent identifies District Coordinator of School Improvement (DCSI)  
- DCSI and Principal establish Campus Leadership Team (CLT)  
- DCSI holds public meeting(s) at the campus to discuss campus performance and campus performance objectives  
- DCSI and Principal attend Effective Schools Framework (ESF) Overview training at ESC  
- DCSI schedules ESF diagnostic with ESC or external ESF facilitator  
- DCSI and Principal facilitate an ESF self-assessment at the campus  
- **DCSI and relevant stakeholders engage in planning activities and develop ESF-aligned Targeted Improvement Plan (TIP)**  
- **DCSI, Principal and CLT oversee optional STAAR interim assessment at campus (assessment window opportunity 1: August through March, optimal November)**  
|                |                                                                                                                                                                                                                                                                                                                                                                   | - Superintendent uploads DCSI name and attestation statement in ISAM by August 30  
- DCSI submits TIP (Foundation, Student Data and Cycles 1-3 tabs only) in ISAM by September 27  
| October         | - DCSI, ESC staff and TEA staff hold phone conference to discuss initial plan submission  
- DCSI and CLT collect evidence of fidelity of implementation and progress  
|                |                                                                                                                                                                                                                                                                                                                                                                   | - DCSI submits Progress #1 submission in ISAM by November 22. TIP must be board approved.  
| November        | - DCSI takes TIP to School Board for approval  
- **DCSI and CLT collect evidence of fidelity of implementation and progress and update TIP (Results and Reflections on Cycle 1 and Updates to Cycles 2 and 3)**  
- **DCSI, Principal and CLT oversee optional STAAR interim assessment at campus (assessment window opportunity 2: November through March, optimal February)**  
|                |                                                                                                                                                                                                                                                                                                                                                                   |  
| December        | - DCSI, ESC staff and TEA staff hold phone conference to discuss Progress submission #1  
- DCSI and CLT collect evidence of fidelity of implementation and progress  
|                |                                                                                                                                                                                                                                                                                                                                                                   |  
| January         | - DCSI and CLT collect evidence of fidelity of implementation and progress  
|                |                                                                                                                                                                                                                                                                                                                                                                   |  
| February        | - **DCSI and CLT collect evidence of fidelity of implementation and progress and update TIP (Results and Reflections on Cycle 2 and Updates to Cycle 3)**  
|                |                                                                                                                                                                                                                                                                                                                                                                   | - DCSI submits Progress #2 submission in ISAM by February 28  
| March           | - DCSI, ESC staff and TEA staff hold phone conference to discuss Progress #2 submission  
- **DCSI completes Mid-Year Funding Report**  
- DCSI, ESC staff and TEA staff hold phone conference to discuss Mid-Year Funding Report submission  
- DCSI and Principal collect evidence of fidelity of implementation and progress  
|                |                                                                                                                                                                                                                                                                                                                                                                   | - DCSI submits Comprehensive Funding Report in ISAM by March 13  
| April - May     | - DCSI and Principal collect evidence of fidelity of implementation and progress  
|                |                                                                                                                                                                                                                                                                                                                                                                   |  
| June           | - **DCSI and CLT collect evidence of fidelity of implementation and progress and update TIP (Results and Reflections to Cycle 3 and Updates to Cycle 4)**  
- DCSI, ESC staff and TEA staff hold phone conference to discuss Progress #3 submission  
|                |                                                                                                                                                                                                                                                                                                                                                                   | - DCSI submits Progress #3 TIP (Cycle 4 tab) in ISAM by June 5
