

2019-2020 District Coordinator of School Improvement Superintendent Attestation

Superintendents of districts, campuses, or charter schools that are required to identify a District Coordinator of School Improvement (DCSI) will print, sign, scan, then upload this statement to ISAM **no later than August 30, 2019**.

The superintendent must name a District Coordinator of School Improvement (DCSI) if their local education agency (LEA) meets one or more of the following criteria:

- the LEA, including those evaluated under alternative education accountability, was assigned an overall rating of F;
- a campus within the LEA, including alternative education campuses, was assigned rating of D or F for overall performance or D in a domain;
- a campus was identified as in need of Comprehensive Support, Targeted Support, or Additional Targeted Support; or
- the LEA, campus, or charter school has an appeal of a 2019 accountability rating pending.

The DCSI oversees the work of school improvement as a required member of the Campus Intervention Team (CIT), leads and participates in the needs assessment, improvement planning, and monitoring processes, and ensures requirements and submissions are completed on time. The DCSI supports campus and district improvement by ensuring that the district creates the conditions for campus implementation of best practices. The district commitments in the Effective Schools Framework (ESF) describe what the district does to create the foundations upon which school-based best practices are built, and the district's actions are captured in the Targeted Improvement Plan (TIP). The DCSI needs to be in a position to impact and/or influence the ESF district commitments aligned to campus needs. DCSIs are principal supervisors or other district-level leaders with direct responsibility for campuses that have been identified for improvement under state and/or federal accountability.

Beginning in the 2019-2020 school year, it is strongly encouraged that the DCSI be the supervisor of the principal for the campus with an unacceptable performance rating. If the DCSI is not the principal supervisor, the principal supervisor will be required to be a member of the CIT.

I, the superintendent of schools, attest that I have read the [DCSI Job Description](#), and that the DCSI selected can perform all the duties included in the job description.
