

Parent Petition

Requesting Board of Managers

As a parent¹ of a currently enrolled student² at the _____ campus, I understand that the campus has received an unacceptable performance rating for three consecutive school years after it was ordered to submit a turnaround plan and that, as required by Texas Education Code Section 39A.111, the campus must be closed or have a board of managers appointed.

I request that the Commissioner of Education, under the authority of Texas Education Code Section 39A.112 and 19 Texas Administrative Code Section 97.1065, order the **appointment of a board of managers** to govern the school district.

To be considered a valid signature, a parent must complete all information below.

To preserve the confidentiality of petition signers and students, it is recommended that each signature and accompanying information be provided on a separate sheet of paper.
