

Item 18: COVER PAGE

Type of Agenda Rule Item:

- ✓ **Discussion Only:** TEA staff will present rule items with an update, potential future rule changes, and/or seek SBEC direction on potential rule changes. TEA staff will draft rule changes from the board's discussion on the item and start preparing rule text for proposal to the board.
- ☐ **Proposal:** First SBEC reading (vote). SBEC members will give input on proposed rule text and will approve rule changes that will go out for public comment as a proposed rule with the *Texas Register*. Important to make substantive changes now because only non-substantive changes can be made at adoption.
- ☐ **Adoption:** Second and final SBEC reading (vote). Only non-substantive changes are permissible at adoption phase. If approved will go to SBOE for review and filed as an SBEC rule with *Texas Register* if SBOE takes no action.

Summary:

This item is a discussion of 19 TAC Chapter 231, which covers the criteria for school districts to make personnel assignments based on the correlating certification requirements. This item has potential rule text to identify the appropriate credential for placement in a particular teaching assignment, to incorporate courses approved by the SBOE, and to provide guidance to districts regarding best practices for hiring and placement of educators with the elimination of the federal requirements for highly qualified and No Child Left Behind for classroom teaching assignments.

Statutory Authority:

All of the relevant statutes pertaining to this chapter are listed for you on the agenda title page and the entire statutory language is on Attachment I. This is always helpful in referencing the law the TEA staff was working under when preparing this item.

Relevant SBEC Core Principles:

- *We believe well-prepared educators are essential.*
- *We believe high certification standards measured by rigorous and reliable assessments are essential.*
- *We believe student success is primary, and we must ensure the safety and welfare of Texas school children.*
- *We believe stakeholder input is essential, and we are accountable to all Texas stakeholders.*
- *We believe we must continually improve our policies and processes in response to changing needs.*

Item 18:**Discussion of Proposed Revisions to 19 TAC Chapter 231, Requirements for Public School Personnel Assignments, Subchapter D, Electives, Disciplinary Courses, Local Credit Courses, and Innovative Courses, Grades 6-12 Assignments, Subchapter E, Grades 9-12 Assignments, and Subchapter F, Special Education-Related Services Personnel Assignments****DISCUSSION**

SUMMARY: This item provides the State Board for Educator Certification (SBEC) an opportunity to discuss proposed revisions to 19 TAC Chapter 231, Requirements for Public School Personnel Assignments, Subchapter D, Electives, Disciplinary Courses, Local Credit Courses, and Innovative Courses, Grades 6-12 Assignments, Subchapter E, Grades 9-12 Assignments, and Subchapter F, Special Education-Related Services Personnel Assignments. The proposed amendments to 19 TAC §§231.97, 231.241, 231.251, 231.257, 231.365, and 231.611 and proposed new 19 TAC §231.175 would identify the appropriate credential for placement in a particular teaching assignment, incorporate courses approved by the State Board of Education (SBOE), and provide guidance to districts regarding best practices for hiring and placement of educators since the federal requirements for highly qualified and No Child Left Behind are no longer in place for classroom teaching assignments effective with the 2016-17 school year.

STATUTORY AUTHORITY: The statutory authority for 19 TAC Chapter 231, Subchapters D-F, is the Texas Education Code (TEC), §§21.003(a), 21.031(a), and 21.041(b)(1) and (2).

TEC, §21.003(a), states that a person may not be employed as a teacher, teacher intern or teacher trainee, librarian, educational aide, administrator, educational diagnostician, or school counselor by a school district unless the person holds an appropriate certificate or permit issued as provided by the TEC, Chapter 21, Subchapter B

TEC, §21.031(a), states that the SBEC shall regulate and oversee all aspects of the certification, continuing education, and standards of conduct of public school educators.

TEC, §21.041(b)(1), requires the SBEC to propose rules that provide for the regulation of educators and the general administration of the TEC, Chapter 21, Subchapter B, in a manner consistent with the TEC, Chapter 21, Subchapter B.

TEC, §21.041(b)(2), requires the SBEC to propose rules that specify the classes of educator certificates to be issued, including emergency certificates.

FUTURE ACTION EXPECTED: Texas Education Agency staff plans to present the proposed revisions to 19 TAC Chapter 231, Subchapters D-F, to the SBEC at the August 5, 2016 meeting for approval to be published as proposed in the *Texas Register*.

BACKGROUND INFORMATION AND JUSTIFICATION: Current 19 TAC Chapter 231, Requirements for Public School Personnel Assignments, provides guidance to school districts with regard to the certificates required for specific assignments of public school educators with corresponding certificates for each assignment for ease of use by school district personnel.

The proposed revisions to 19 TAC Chapter 231, Subchapters D-F, shown in Attachment II, would identify the appropriate certificates for placement in particular assignments for Grades 6-12 to teach electives, disciplinary courses, local credit courses, and innovative courses; various assignments for Grades 9-12; and special education-related services personnel assignments.

Subchapter D, Electives, Disciplinary Courses, Local Credit Courses, and Innovative Courses, Grades 6-12 Assignments

Language in 19 TAC §231.97, including the section title, would be amended to delete the reference to magnet course since the TEA stopped approving magnet courses several years ago. The proposed amendment would also strengthen alignment with the internal processes for approval of innovative courses and confirm the TEA's role in identifying the appropriate certificates for assignments to teach innovative courses.

Subchapter E, Grades 9-12 Assignments

Division 3. Social Studies, Grades 9-12 Assignments. Proposed new 19 TAC §231.175, Personal Financial Literacy, Grades 9-12, would be added to incorporate this new course approved by the SBOE. TEA staff has worked closely with the TEA Curriculum Division to confirm the list of certificates appropriate to ensure the individual has the knowledge and skills necessary to teach the course and be eligible for placement into the assignment.

Division 7. Fine Arts, Grades 9-12 Assignments. Language in 19 TAC §231.241, Art, Music, Theatre, and Dance, Grades 9-12, would be amended to add a reference to a proposed new Dance: Grades 6-12 certificate in subsection (d). TEA staff will present the proposed new Dance: Grades 6-12 certificate as part of a separate item in this agenda related to 19 TAC Chapter 233, Categories of Classroom Teaching Certificates. With the addition of the reference to the proposed new certificate, all remaining information under subsection (d) would be renumbered accordingly.

Division 8. Technology Applications, Grades 9-12 Assignments. In response to a citizen petition addressed by the SBEC at the April 2016 meeting, TEA staff has worked closely with the TEA Curriculum Division to confirm the transfer of the reference to "Fundamentals of Computer Science" from 19 TAC §231.251, Computer Science, Grades 9-12, to 19 TAC §231.257, Game Programming and Design or Mobile Application Development, Grades 9-12. This change is an appropriate rulemaking action that accurately addresses the petition and maintains appropriate certification for placement into the assignment. Language in 19 TAC §231.257, including the section title, would also be amended to add "Advanced Placement Computer Science Principles," another course approved by the SBOE that had not yet been incorporated into this chapter.

Division 13. Business Management and Administration, Grades 9-12 Assignments. Subsection (b) in 19 TAC §231.365, Business English, Grades 6-12, would be deleted since TEA staff has confirmed with the TEA Curriculum Division that the reference to the TEA-approved training

requirement is no longer needed. The list of certificates appropriate to teach this course provide individuals with the knowledge and skills needed to teach this course.

Subchapter F, Special Education-Related Services Personnel Assignments

The proposed amendment to 19 TAC §231.611, Special Education Teacher, would specify that anyone delivering content instruction would be required to hold one of the special education certificates listed and a valid certificate that matches the subject and grade level of the assignment. The addition of this requirement parallels the federal requirements for special education that were implemented as part of the highly qualified (HQ) requirements under No Child Left Behind (NCLB). Although NCLB/HQ requirements are no longer in place effective with the 2016-17 school year, TEA staff recommends ensuring that individuals assigned to deliver content instruction in a special education setting are certified in the special education and the specific content area being taught.
