

Item 19:

Discussion of Proposed Revisions to 19 TAC Chapter 233, Categories of Classroom Teaching Certificates

DISCUSSION

SUMMARY: This item provides the State Board for Educator Certification (SBEC) an opportunity to discuss proposed revisions to 19 TAC Chapter 233, Categories of Classroom Teaching Certificates. As part of this item, Texas Education Agency (TEA) staff will provide an update and status to allow the SBEC to discuss revisions to the rules as the result of recent legislative changes, SBEC input, stakeholder input, and input received from staff at TEA.

STATUTORY AUTHORITY: The statutory authority for 19 TAC Chapter 233 is the Texas Education Code (TEC), §§21.003(a), 21.031, 21.041(b)(1)-(4) and (6), 21.044(e) and (f), 21.048(a), 21.0487, as added by Senate Bill 1309, 84th Texas Legislature, Regular Session, 2015, 21.050, 22.0831(f), and 29.061(b-1) and (b-2), as amended by House Bill 218, 84th Texas Legislature, Regular Session, 2015.

BOARD RESPONSE: This item is presented for review and comment.

PREVIOUS BOARD ACTION: At the August 2015 meeting, the SBEC approved for adoption the review of 19 TAC Chapter 233, Categories of Classroom Teaching Certificates. The board directed TEA staff at the August 2015 meeting to consider options in response to public comments received concerning substituting the work experience requirement for certain trade and industrial education certificates.

FUTURE ACTION EXPECTED: The proposed revisions to 19 TAC Chapter 233 would be presented to the SBEC for filing as proposed at the December 2015 SBEC meeting.

BACKGROUND INFORMATION AND SIGNIFICANT ISSUES: The TEC, §21.041(b)(2), authorizes the SBEC to adopt rules that specify the classes of educator certificates to be issued, including emergency certificates. The SBEC rules in 19 TAC Chapter 233 are organized by subsection and establish the general categories of classroom teaching certificates, specific grade levels and subject areas of classroom certificates, and the general area(s) of assignments that may be taught by the holder of each certificate.

In August 2015, TEA staff provided a summary of public comments and agency responses on the proposed review of 19 TAC Chapter 233. Comments were received requesting that a bachelor's degree in Criminal Justice be considered as a substitute for the current work experience and licensure requirement for admission into an educator preparation program (EPP) to pursue a Trade and Industrial Education certificate.

The SBEC also requested that TEA staff review Health Science certification requirements and consider options to allow a degree and/or licensure in one of the health professions to substitute for the work experience requirement for admission into an EPP to pursue the Health Science certificates. However, House Bill 3573, 83rd Texas Legislature, Regular Session, 2013, expanded provisions in the TEC, §21.044, to require at least two years of wage-earning

experience in addition to a secondary degree and licensure in a health professions area to be eligible for issuance of a Health Science certificate. The statutory citations for rules related to a Health Science certificate are included in Attachment I.

Additionally, this item provides the SBEC an opportunity to discuss requirements for several other certificate areas and recommend additional rule changes, where applicable, to implement legislation passed during the 84th Texas Legislature, Regular Session, 2015.

Attachment II presents for discussion proposed revisions to 19 TAC Chapter 233 as follows, and Attachment III provides a one-page summary of possible changes to options currently established in rule for admission into an approved EPP for the Trade and Industrial Education certificates.

§233.1. General Authority

TEA staff recommends expanding subsection (e) to include "oral or communication proficiency examination in the target language" to clarify all testing requirements needed for certificate areas such as bilingual, visually impaired, and deaf and hard of hearing.

§233.3. English Language Arts and Reading; Social Studies

TEA staff recommends deleting subsections (d), (g), and (h), which reference the certificates for English Language Arts and Reading: Grades 8-12, Social Studies: Grades 8-12, and History: Grades 8-12, which will be issued for the last time in 2015. Remaining subsections would be relettered accordingly.

§233.4. Mathematics; Science

TEA staff recommends deleting subsections (d), (f), (h), (j), and (p), which reference the certificates for Mathematics: Grades 8-12, Science: Grades 8-12, Life Science: Grades 8-12, Physical Science: Grades 8-12, and Chemistry: Grades 8-12, which will be issued for the last time in 2015. Remaining subsections would be relettered accordingly.

§233.5. Technology Applications and Computer Science

TEA staff recommends deleting subsection (b), Technology Applications: Grades 7-12. The majority of EPPs already offer the Technology Applications: Early Childhood-Grade 12 certificate. When the current Technology Applications: Grades 8-12 certificate is no longer issued, the one remaining technology applications certificate covering all grade levels should be sufficient for classroom assignment coverage. Subsections would be relettered accordingly.

§233.7. English as a Second Language

As a result of House Bill 218, 84th Texas Legislature, Regular Session, 2015, language would be added to address certification requirements for teachers assigned to provide the dual language immersion/one-way or two-way bilingual education program model in English only for prekindergarten-Grade 6 students.

§233.10. Fine Arts

TEA staff recommends specifying that Musical Theatre must be taught by the holder of a Theatre: Early Childhood-Grade 12 certificate, and Dance, Middle School 1-3 courses for Grades 6-8 can be taught by the holder of a Dance: Grades 8-12 certificate. These changes have already been incorporated into 19 TAC Chapter 231, Requirements for Public School Personnel Assignments, to ensure courses approved by the State Board of Education are included in SBEC rules and identify the appropriate teaching certificate needed for these course assignments.

§233.14. Career and Technical Education (Certificates requiring experience and preparation in a skill area)

In response to public comments and SBEC feedback received during the four-year rule review of 19 TAC Chapter 233, TEA staff recommend aligning required degree(s) and years of full-time, wage-earning experience for the six certificates issued under this section for Marketing, Health Science, and Trade and Industrial Education. Staff included text for a new option allowing holders of bachelor's degrees with 24 hours of training in a specific occupation area such as Law Enforcement/Criminal Justice, including those with bachelor's degrees in an occupation area, to be eligible for admission into an approved Trade and Industrial Education certification preparation program.

§233.15. Languages Other Than English

TEA staff recommend deleting subsection (k) that references the Secondary Latin certificate issued for the last time in 2012 and adding two new certificate areas for board consideration: Korean: Early Childhood-Grade 12 and Portuguese: Early Childhood-Grade 12 in response to stakeholder feedback. Remaining subsections would be relettered.

§233.17. Junior Reserve Officer Training Corps

As a result of Senate Bill 1309, 84th Texas Legislature, Regular Session, 2015, a new rule would be added to establish certification requirements for the new five-year standard certificate for JROTC.

FISCAL IMPACT: An assessment of fiscal impact can be made after the SBEC gives guidance to TEA staff.

PUBLIC AND STUDENT BENEFIT: The public and student benefit anticipated as a result of proposed revisions to 19 TAC Chapter 233 would be the continuation of guidelines for categories of classroom teaching certificates.

PROCEDURAL AND REPORTING IMPLICATIONS: An assessment of procedural and reporting implications can be made after the SBEC gives guidance to TEA staff.

LOCALLY MAINTAINED PAPERWORK REQUIREMENTS: An assessment of locally maintained paperwork requirements can be made after the SBEC gives guidance to TEA staff.
