

Action	Career	Program of	Service	Course Title	Change
Add TBD Service ID and Course Title	Agriculture, Food and Natural Resources	Environmental and Natural Resources	13001700	Forestry and Woodlands Ecosystems	Updated Service ID and course name on all documents
Add Innovative Course	Architecture and Construction	Architectural Design	N1300429	Computer Aided Drafting for Architecture (TBD)	Updated Service ID and Grade on all documents
Add Innovative Course	Architecture and Construction	HVAC and Sheet Metal	N1300430	Sheet Metal	Updated Practicum Service ID's on all documents
Add TEKS- Based Course	Architecture and Construction	Plumbing and Pipefitting	N1300427	Pipefitting Technology I Lab	Added course to Program of Study
Add TEKS- Based Course	Architecture and Construction	Plumbing and Pipefitting	N1300428	Pipefitting Technology II Lab	Added course to Program of Study
Add TEKS- Based Course	Arts, Audio Visual Technology and Communication	Design and Multimedia Arts	03580830	Web Game Development	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Business, Marketing and Finance	Marketing and Sales	N1303424	Marketing	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Business, Marketing and Finance	Entrepreneurship	N1303423	Entrepreneurship II	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Education and Training	Early Learning	N1300500	Child Development Associate Foundations	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Education and Training	Teaching and Training	N1300510	Communication and Technology in Education	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Energy	Refining and Chemical Processes	N1303900	Introduction to Instrumentation and Electrical	Added Service ID and Course Information for new Innovative Course
Add TEKS- Based Course	Energy	Refining and Chemical Processes	13040503	Foundations of Energy	Updated Service ID from Innovative to TEKS based course
Add TEKS- Based Course	Energy	Refining and Chemical Processes	13040502	Introduction to Process Technology	Updated Service ID from Innovative to TEKS based course
Add TEKS- Based Course	Energy	Refining and Chemical Processes	13040504	Petrochemical Safety, Health, and Environment	Updated Service ID from Innovative to TEKS based course
Add TBD Service ID and Course Title	Energy	Oil and Gas Exploration and Production	13001255	Oil and Gas Production I/Lab	Added Course and Service ID to At a Glance Accessible document
Add TBD Service ID and Course Title	Energy	Oil and Gas Exploration and Production	13001265	Oil and Gas Production II/Lab	Added Course and Service ID to At a Glance Accessible document
Add TBD Service ID and Course Title	Energy	Oil and Gas Exploration and Production	13040500	Oil and Gas Production III	Update Service ID from Innovative to TEKS based course
Add TBD Service ID and Course Title	Energy	Oil and Gas Exploration and Production	13040501	Oil and Gas Production IV	Update Service ID from Innovative to TEKS based course
Add TEKS- Based Course	Energy	Oil and Gas Exploration and Production	13040503	Foundations of Energy	Update Service ID from Innovative to TEKS based course
Add Innovative Course	Health Science	Healthcare Therapeutic	N1302110	Principles of Therapeutic Healthcare	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Health Informatics	N1302108	Principles of Health Informatics	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Exercise Science and Wellness	N1303107	Principles of Exercise Science and Wellness	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Healthcare Diagnostics	N1302106	Principles of Diagnostic Healthcare	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Medical Therapy	N1302105	Principles of Allied Health	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Exercise Science and Wellness	N1302104	Kinesiology I	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Healthcare Therapeutic	N1302103	Introduction to Pharmacy Science	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Healthcare Diagnostics	N1302102	Introduction to Imaging Technology	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Healthcare Therapeutic	N1302101	Introduction to Dental Science	Add Service ID and Course Information for new innovative course
Add Innovative Course	Health Science	Nursing Science	N1302109	Principles of Nursing Science	Add Service ID and Course Information for new innovative course
Add Innovative Course	Hospitality and Tourism	Culinary Arts	N1302268	Foundations of Restaurant Management	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Hospitality and Tourism	Lodging and Resort Management	N1302269	Introduction to Event and Meeting Planning	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Hospitality and Tourism	Travel, Tourism, and Attractions	N1302270	Tourism Marketing Concepts and Applications	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Human Services	Family and Community Services	N1302542	Principles of Community Services	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Human Services	Health and Wellness	N1302541	Applied Nutrition and Dietetics	Added Service ID and Course Information for new Innovative Course
Add TEKS- Based Course	Information Technology	Information Technology Support and Services	03580900	Independent Study in Technology Applications	Added Technology Applications course to all documents
Updated Course Credit	Information Technology	Information Technology Support and Services	03580900	Independent Study in Technology Applications	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Information Technology	Information Technology Support and Services	03581500	Independent Study in Evolving/Emerging Technologies	Added Technology Applications course to all documents
Updated Course Credit	Information Technology	Information Technology Support and Services	03581500	Independent Study in Evolving/Emerging Technologies	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Information Technology	Networking Systems	03580900	Independent Study in Technology Applications	Added Technology Applications course to all documents
Updated Course Credit	Information Technology	Networking Systems	03580900	Independent Study in Technology Applications	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Information Technology	Networking Systems	03581500	Independent Study in Evolving/Emerging Technologies	Added Technology Applications course to all documents
Updated Course Credit	Information Technology	Networking Systems	03581500	Independent Study in Evolving/Emerging Technologies	Updated course credit range from .5-1 to 1
Add Innovative Course	Information Technology	Networking Systems	N1302813	Advanced Cloud Computing	Added Service ID and Course Information for new Innovative Course
Add TEKS- Based Course	Information Technology	Web Development	03580900	Independent Study in Technology Applications	Added Technology Applications course to all documents
Updated Course Credit	Information Technology	Web Development	03580900	Independent Study in Technology Applications	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Information Technology	Web Development	03581500	Independent Study in Evolving/Emerging Technologies	Added Technology Applications course to all documents
Updated Course Credit	Information Technology	Web Development	03581500	Independent Study in Evolving/Emerging Technologies	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Information Technology	Web Development	03580810	Web Communications	Added Technology Applications course to all documents
Add TBD Service ID and Course Title	Information Technology	Web Development	13027600	Web Technologies	Noted that course has been retired on all documents
Add TBD Service ID and Course Title	Information Technology	Web Development	13027600	Computer Programming I	Noted that course has been retired on all documents
Add TEKS- Based Course	Information Technology	Web Development	03580200	Computer Science I	Added Technology Applications course to all documents
Updated Course Credit	Information Technology	Web Development	03580200	Computer Science I	Updated course credit range from .5-1 to 1
Add Innovative Course	Information Technology	Web Development	N1302809	Foundations of User Experience	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Information Technology	Web Development	N1302814	Advanced User Experience Design	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Law and Public Service	Legal Studies	N1303016	Advanced Legal Skills and Professions	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Manufacturing	Advanced Manufacturing and Machinery Mechanics	N1303689	Programmable Logic Controller I	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Manufacturing	Welding	N1303687	Introduction to Film Interpretation of Weldments	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Science, Technology, Engineering and Math	Engineering	N1303760	Engineering Essentials (PLTW)	Added Service ID and Course Information for new Innovative Course
Add TBD Service ID and Course Title	Science, Technology, Engineering and Math	Cybersecurity	13027600	Computer Programming I	Noted that course has been retired on all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	03580900	Independent Study in Technology Applications	Added Technology Applications course to all documents
Updated Course Credit	Science, Technology, Engineering and Math	Cybersecurity	03580900	Independent Study in Technology Applications	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	03581500	Independent Study in Evolving/Emerging Technologies	Added Technology Applications course to all documents
Updated Course Credit	Science, Technology, Engineering and Math	Cybersecurity	03581500	Independent Study in Evolving/Emerging Technologies	Updated course credit range from .5-1 to 1
Updated Course Credit	Science, Technology, Engineering and Math	Cybersecurity	03580360	Digital Forensics	Updated course credit range from .5-1 to 1
Updated Course Credit	Science, Technology, Engineering and Math	Cybersecurity	03580140	Fundamentals of Computer Science	Updated course credit range from .5-1 to 1
Updated Course Credit	Science, Technology, Engineering and Math	Cybersecurity	03580200	Computer Science I	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	A3580110	AP Computer Science A- MATH	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	A3580120	AP Computer Science B-LOTE	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	A3580300	AP Computer Science Principles	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	I3580310	IB Computer Science Higher Level	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	I3580320	IB Computer Science Higher Level	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	I3580200	IB Computer Science Standard Level	Added Technology Applications course to all documents
Updated Course Credit	Science, Technology, Engineering and Math	Cybersecurity	I3580200	IB Computer Science Standard Level	Updated course credit from 1 credit to 2 credits
Add TEKS- Based Course	Science, Technology, Engineering and Math	Cybersecurity	03580370	Discrete Mathematics for Computer Science	Added Technology Applications course to all documents
Updated Course Credit	Science, Technology, Engineering and Math	Cybersecurity	03580370	Discrete Mathematics for Computer Science	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	A3580110	AP Computer Science A	Added Technology Applications course to all documents

Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	A3580120	AP Computer Science B-LOTE	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	A3580300	AP Computer Science Principles	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	I3580310	IB Computer Science Higher Level- MATH	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	I3580320	IB Computer Science Higher Level- LOTE	Added Technology Applications course to all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	I3580200	IB Computer Science Standard Level	Added Technology Applications course to all documents
Add Innovative Course	Science, Technology, Engineering and Math	Programming and Software Development	N1302813	Advanced Cloud Computing	Added Service ID and Course Information for new Innovative Course
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	O3580900	Independent Study in Technology Applications	Added Technology Applications course to all documents
Updated Course Credit	Science, Technology, Engineering and Math	Programming and Software Development	O3580900	Independent Study in Technology Applications	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	O3581500	Independent Study in Evolving/Emerging Technologies	Added Technology Applications course to all documents
Updated Course Credit	Science, Technology, Engineering and Math	Programming and Software Development	O3581500	Independent Study in Evolving/Emerging Technologies	Updated course credit range from .5-1 to 1
Updated Course Credit	Science, Technology, Engineering and Math	Programming and Software Development	O3580140	Fundamentals of Computer Science	Updated course credit range from .5-1 to 1
Updated Course Credit	Science, Technology, Engineering and Math	Programming and Software Development	O3580200	Computer Science I	Updated course credit range from .5-1 to 1
Add TBD Service ID and Course Title	Science, Technology, Engineering and Math	Programming and Software Development	13027600	Computer Programming I	Noted that course has been retired on all documents
Add TBD Service ID and Course Title	Science, Technology, Engineering and Math	Programming and Software Development	13027700	Computer Programming II	Noted that course has been retired on all documents
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	O3580380	Game Programming and Design	Added Technology Applications course to all documents
Updated Course Credit	Science, Technology, Engineering and Math	Programming and Software Development	O3580380	Game Programming and Design	Updated course credit range from .5-1 to 1
Updated Course Credit	Science, Technology, Engineering and Math	Programming and Software Development	O3580390	Mobile Application Development	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Science, Technology, Engineering and Math	Programming and Software Development	O3580370	Discrete Mathematics for Computer Science	Added Technology Applications course to all documents
Updated Course Credit	Science, Technology, Engineering and Math	Programming and Software Development	O3580370	Discrete Mathematics for Computer Science	Updated course credit range from .5-1 to 1
Add TEKS- Based Course	Science, Technology, Engineering and Math	Renewable Energy	13040503	Foundations of Energy	Updated Service ID from Innovative to TEKS based course
Add Innovative Course	Transportation, Distribution, & Logistics	Distribution and Logistics	N1303800	Concepts of Distribution and Logistics Technology	Added Service ID and Course Information for new Innovative Course
Add Innovative Course	Transportation, Distribution, & Logistics	Distribution and Logistics	N1303801	Logistics Engineering	Added Service ID and Course Information for new Innovative Course
Level changes and others November 2020. See below					
Changed Level/Tier	Science, Technology, Engineering and Math	Renewable Energy	13001100	Energy and Natural Resources Technology	Moved to Level 3
Level Change	Regional POS	Industrial Maintenance	13005600	Electrical Technology I	Moved to Level 2
Level Change	Regional POS	Industrial Maintenance	13005800	Heating, Ventilation, and Air Conditioning (HVAC) and Refrigeration Technology I	Moved to Level 2
Level Change	Regional POS	Retail Management	13011900	Human Resources Management	Moved to Level 3
Level Change	Regional POS	Retail Management	13034200	Advertising	Moved to Level 3
Level Change	Regional POS	Geospatial Engineering and Land Surveying	13037200	Scientific Research and Design	Moved to Level 3
Level Change	Regional POS	Drone (Unmanned Flight)	13037500	Engineering Science	Moved to Level 3
Level Change	Transportation, Distribution, & Logistics	Distribution and Logistics	N1302806	Raster-Based Geographic Information Systems	Moved to Level 2
Level Change	Regional POS	Geospatial Engineering and Land Surveying	N1302806	Raster-Based Geographic Information Systems	Moved to Level 2
Level Change	Regional POS	Retail Management	N1303420	Retail Management	Moved to Level 3
Level Change	Manufacturing	Advanced Manufacturing and Machinery Mechanics	N1303681	Occupational Safety & Environmental Technology II	Moved to Level 3
Level Change	Manufacturing	Manufacturing Technology	N1303681	Occupational Safety & Environmental Technology II	Moved to Level 3
Level Change	Manufacturing	Advanced Manufacturing and Machinery Mechanics	N1303680	Occupational Safety & Environmental Technology I	Moved to Level 2
Level Change	Manufacturing	Manufacturing Technology	N1303680	Occupational Safety & Environmental Technology I	Moved to Level 2
Level Change	Regional POS	Retail Management	TBD	Retail Management II	Moved to Level 4
Level Change	Regional POS	Industrial Maintenance	N1303683	Basic Fluid Power	Moved to Level 3
Level Change	Regional POS	Retail Management	N1302809	Foundations of User Experience (UX)	Moved to Level 2
Level Change	Manufacturing	Manufacturing Technology	N1303682	Occupational Safety & Environmental Technology III	Moved to Level 4
Level Change	Regional POS	Aviation (Flight)	N/A	Framework document	Updated to correct framework document, old one was aviation maintenance
Corrected framework document	Science, Technology, Engineering and Math	Renewable Energy	13001110	Energy and Natural Resources Technology/Lab	Added lab course on to framework document
Corrected framework document	Health Science	Healthcare Diagnostics	13020410	Health Science Theory/Health Science Clinical	Added Clinical on to the course name.
Corrected framework document	Health Science	Healthcare Therapeutic	13020410	Health Science Theory/Health Science Clinical	Added Clinical on to the course name.
Corrected framework document	Health Science	Medical Therapy	13020410	Health Science Theory/Health Science Clinical	Added Clinical on to the course name.
Corrected framework document	Plumbing and Pipefitting	Pipefitting II	N1300428	Pipefitting II	Added lab course on to framework document
Corrected framework document	Plumbing and Pipefitting	Pipefitting I	N1300427	Pipefitting I	Added lab course on to framework document
Updated Innovative to TEKS course ID	Energy	Oil and Gas Exploration and Production	13040503	Foundations of Energy	Changed innovative course number to TEKS number on framework document N1300263 to 13040503
Level Change	Regional POS	Geospatial Engineering and Land Surveying	N1302805	Geographical Information Systems	Moved to Level 2
Updated Innovative to TEKS course ID	Energy	Refining and Chemical Processes	13040502	Introduction to Process Technology	N1300262 to 13040502
