Appendix A: Detailed Review of CCR Advising Program Activities and Metrics

Expand CCR Advising for High School Students - The Beyond Grad initiative seeks to award multi-year grants to eligible college and career readiness advising organizations to support programs that increase college and career readiness, postsecondary enrollment, and post-secondary persistence among Texas students.

* Grant funding agreements entered under this LOI will be for renewable one-year grants up to three (3) years. All grant awards will be reviewed at the end of each academic year for renewal. All funding awards, and renewals, will be made based upon CCR advising organizational performance and available funding. The three-year award period will run from the initial award date through July 2022.
