

**2017-2021 Rule Review Plan for Commissioner of Education Rules**  
*(Approved November 2016, Revised January 2019)*

Texas Government Code, §2001.039, requires a four-year rule review cycle for all state agency rules, including and Commissioner of Education rules. The rule review is designed to ensure that the reason for adopting or readopting the rule continues to exist. It only includes rules currently in effect at the time the plan is adopted.
