

2021-2025 Rule Review Plan for Commissioner of Education Rules
(Approved July 2021)

Texas Government Code, §2001.039, requires a four-year rule review cycle for all state agency rules, including Commissioner of Education rules. The rule review is designed to ensure that the reason for adopting or readopting the rule continues to exist. It only includes rules currently in effect at the time the plan is adopted.
