Subchapter A. Admission to Educator Preparation Programs

§227.10. Admission Criteria.

- (a) The educator preparation program (EPP) delivering educator preparation shall require the following minimum criteria of all applicants seeking initial certification in any class of certificate, unless specified otherwise, prior to admission to the program.
 - (1) For an undergraduate university program, an applicant shall be enrolled in an accredited institution of higher education (IHE).
 - (2) For an alternative certification program or post-baccalaureate program, an applicant shall have, at a minimum, a bachelor's degree earned from and conferred by an accredited IHE.
 - (3) For an undergraduate university program, alternative certification program, or post-baccalaureate program, to be eligible for admission into an EPP, an applicant shall have a grade point average (GPA) of at least 2.5 before admission.
 - (A) The GPA shall be calculated from an official transcript as follows:
 - (i) 2.5 on all coursework previously attempted by the person at an accredited IHE:
 - (I) at which the applicant is currently enrolled (undergraduate university program formal admission, alternative certification program contingency admission, or post-baccalaureate program contingency admission); or
 - (II) from which the most recent bachelor's degree or higher from an accredited IHE was conferred (alternative certification program formal admission or post-baccalaureate program formal admission); or
 - (ii) 2.5 in the last 60 semester credit hours on all coursework previously attempted by the person at an accredited IHE:
 - (I) at which the applicant is currently enrolled (undergraduate university program formal admission, alternative certification program contingency admission, or post-baccalaureate program contingency admission). If an applicant has less than 60 semester credit hours on the official transcript from the accredited IHE at which the applicant is currently enrolled, the EPP shall use grades from all coursework previously attempted by a person at the most recent accredited institution(s) of higher education, starting with the most recent coursework from the official transcript(s), to calculate a GPA for the last 60 semester credit hours; or
 - (II) from which the most recent bachelor's degree or higher from an accredited IHE was conferred. If an applicant has hours beyond the most recent degree, an EPP may use grades from the most recent 60 hours of coursework from an accredited IHE (alternative certification program formal admission or post-baccalaureate program formal admission).
 - (B) In accordance with the Texas Education Code, (TEC), §21.0441(b), an exception to the minimum GPA requirement may be granted by the program director only in extraordinary circumstances and may not be used by a program to admit more than 10% of any incoming class of candidates. An applicant is eligible for this exception if:

- (i) documentation and certification from the program director that an applicant's work, business, or career experience demonstrates achievement equivalent to the academic achievement represented by the GPA requirement; and
 - (ii) in accordance with the TEC, §21.0441(a)(2)(B), an applicant must pass an appropriate content certification examination as specified in paragraph (4)(C) of this subsection for each subject in which the applicant seeks certification prior to admission. In accordance with the TEC, §21.0441(b), applicants who do not meet the minimum GPA requirement and have previously been admitted into an EPP may request permission to register for an appropriate content certification examination if the applicant is not seeking admission to the same EPP that previously granted test approval for a certification examination in the same certification class.
 - (C) An applicant who is seeking a career and technical education (CTE) certificate that does not require a degree from an accredited IHE is exempt from the minimum GPA requirement.
 - (D) An applicant who does not meet the minimum GPA requirement and is seeking certification in a class other than classroom teacher must perform at or above a score equivalent to a 2.5 GPA on the Verbal Reasoning, Quantitative Reasoning, and Analytic Writing sections of the GRE® (Graduate Record Examinations) revised General Test. The State Board for Educator Certification will use equivalency scores established by the Educational Testing Service, and the Texas Education Agency (TEA) will publish those equivalency scores annually on the TEA website.
- (4) For an applicant who will be seeking an initial certificate in the classroom teacher class of certificate, the applicant shall have successfully completed, prior to admission, at least:
- (A) a minimum of 12 semester credit hours in the subject-specific content area for the certification sought, unless certification sought is for mathematics or science at or above Grade 7; or
 - (B) 15 semester credit hours in the subject-specific content area for the certification sought if the certification sought is for mathematics or science at or above Grade 7; or
 - (C) a passing score on the appropriate content certification examination as specified in the figure provided in this subparagraph [~~for the calendar year during which the applicant seeks admission. The applicant will not be required to successfully complete a passing score on the appropriate content certification examination until January 27, 2020~~].
