This form is intended to be used by applicants for the Innovative Preparation Program Commendations: Category 4. Submit this checklist along with your application. Incomplete packets will not be considered for review by TEA.

A complete set of materials includes:

- Completed Category 4: Innovative Educator Preparation Program Checklist.
- Executive Summary: a description of the program's innovative practices in authentic, practice-based educator preparation
- Explanation of related programmatic values and goals
- Description of the implementation of current practices as part of a continuous improvement effort
- Documentation demonstrating success including measurable outcomes (changes in behavior or condition that reflect a positive impact to the programs innovative practices) and outputs (define outputs)
- Supporting information from candidates, LEAs, and other EPP partners.
- Peer reviewed research identifying the EPP practices as best practices in the field
