Houston Independent School District Board of Trustees
Superintendent Richard Carranza
4400 W 18th Street
Houston, TX 77092-8501

Dear Houston Independent School District Board of Trustees and Superintendent Carranza:

As required by state law, school districts whose wealth level per weighted average student exceeds certain statutorily defined amounts are required to take a wealth equalization action. The most commonly used action is to hold an election asking voters to agree to remit certain property tax revenues to the state. If the vote to remit fails, state law then requires that the commissioner of education detach property from that school district in amounts that will reduce wealth down to statutorily-determined levels.

I received your letter dated December 1, 2016, regarding the certified results of the November 8, 2016, election under Texas Education Code (TEC) §41.096. Because the election failed to pass, in accordance with my statutorily required duties and obligations under Chapter 41 of the TEC and 19 Texas Administrative Code Chapter 62, I am required to serve this second supplemental order and notice of detachment of property from Houston Independent School District (HISD) and annexation to Aldine Independent School District (AISD). Please see TEC §§41.004 and 41.208. The portion of the taxable value of the property to be detached from HISD is \$8,004,093,166.

Attached is the list of properties and other related required information pursuant to TEC §§ 41.202, 41.208(a) and (b) and other applicable law. The attached list includes the real properties being detached and annexed along with the personal property accounts that were located on that real property in 2015. In accordance with the law, these personal properties were used to make the calculation of the amount of property to detach in order to reach the equalized wealth level. **The attached list supersedes the list of properties that accompanied the first supplemental order dated February 9, 2017.**

TEA is committed to providing all taxpayers, property owners, and school and appraisal districts with accurate and transparent information regarding these matters as quickly as possible and to complying with statutory obligations under Texas law. Please contact Leo Lopez at (512) 463-9179 or leo.lopez@tea.texas.gov with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Morath". The signature is fluid and cursive, with the first letter "M" being particularly large and stylized.

Mike Morath
Commissioner of Education
