Objectives

We will address the following:

• Array of Learning Experiences
• Placement Options
• Special Opportunities
• Out-of-School Options
• Documentation of Services
State Goal for Gifted/Talented

Students who participate in services designed for gifted/talented students will demonstrate skills in self-directed learning, thinking, research and communication as evidenced by the development of innovative products and performances that reflect individuality and creativity and are advanced in relation to students of similar age, experience, or environment. High school graduates who have participated in services for gifted/talented students will have produced products and performances of professional quality as part of their program services.
Service Design

Types of services should be designed based on the following:

- Needs assessment
- Areas of giftedness served
- State and program goals
- Campus arrangement
Fidelity of Implementation

The State Plan Series
A flexible system of viable service options provides a research-based learning continuum that is developed and consistently implemented throughout the district to meet the needs and reinforce the strengths and interests of gifted/talented students.
3.10 A person who has thirty (30) hours of professional learning in gifted/talented education and annual six (6) hour professional learning updates as required in 19 TAC §89.2(1) is assigned to coordinate district level services for gifted/talented students in grades K–12.

3.10.1. A person or persons with a gifted/talented endorsement, supplementary certification, or advanced degree in gifted/talented education is assigned to coordinate the district’s K–12 gifted/talented education services.
