# Proficiency Level Descriptors (PLDs)

- **The PLDs are the rubrics teachers use to determine students' English language proficiency for ongoing formative assessment and the spring TELPAS administration.**
- **Originally developed for TELPAS, the PLDs were incorporated into the Texas English language proficiency standards (ELPS) in the 2007-2008 school year to reinforce their use in instruction.**

# 6 Sets of PLDs

- **Listening**      **Grades K–12**
  
- **Speaking**      **Grades K–12**
  
- **Reading**      **Grades K–1**  
                                 **Grades 2–12**
  
- **Writing**      **Grades K–1**  
                                 **Grades 2–12**

# Key Features of Each Proficiency Level

- **Beginning**
  - Little or no English ability
- **Intermediate**
  - Limited ability, simple language structures, high-frequency vocabulary, routine contexts
- **Advanced**
  - Grade appropriate, with second language acquisition support
- **Advanced High**
  - Grade appropriate, with minimal second language acquisition support

# Reflect on how well the students write in English during activities such as:

- Journal writing for personal reflections
- Shared writing for literacy and content area development
- Language experience dictation
- Organization of thoughts and ideas through prewriting strategies
- Publishing and presenting
- Making lists for specific purposes
- Labeling pictures, objects, and items from projects
- Cooperative group work
- First drafts

# Writing in Content Areas

## Sample ELPS Student Expectations

**Narrate, describe, and explain with increasing specificity and detail to fulfill content area writing needs as more English is acquired (c)(5)(G)**

In science, this expectation can be addressed through writing assignments in which students, for example, observe, describe, and compare physical properties.

**Write using newly acquired basic vocabulary and content based grade-level vocabulary (c)(5)(B)**

In math, this expectation can be addressed by having students, for example, write about the shapes they are studying and name items at home that are the same shapes.
