

Department of Contracts, Grants and Financial Administration
LEA Self-Assessment of Private Nonprofit Equitable Services

Describe your process for consulting with private nonprofit school (PNP) officials.

How do the PNP program services you provide align with specific TEA strategic priorities. If services are not aligned in 2017-2018, how do you plan to prepare for alignment in 2018-2019?

How are the needs of PNP students, teachers, and educational staff identified?

Describe the services to be provided, including how, when, where, and by whom.

How will decisions about the services be made?

How will progress of title program services be monitored for effectiveness throughout and at the end of the school year?

How will you ensure oversight of allowability, program compliance, equipment and materials inventory, and other issues?

What were your administrative costs associated with providing PNP services? Percentage:

Dollar amount:

What specific duties were fulfilled using administrative funds?

How many PNP students do you serve (as indicated on your LEA Compliance form)?
