SECTION ONE INTRODUCTION AND PURPOSE

1.1 PURPOSE

The Texas Education Agency (TEA) is soliciting proposals from attorney-mediators to provide special education mediation services.

Historically underutilized businesses (HUBs) are encouraged to submit proposals.

1.2 BACKGROUND

The Individuals with Disabilities Education Act (IDEA) provides federal funds in exchange for the state's agreement to comply with the extensive requirements of the Act and its implementing regulations. IDEA Part B requires public educational agencies to identify, locate, and evaluate all children aged 3 through 21 who may have qualifying disabilities and need special education and related services.

IDEA Part B also establishes an extensive system of procedural safeguards to protect the rights of eligible children and their parents. One of those safeguards is the requirement that participating states establish and implement a mediation program to resolve disputes between parents of children with disabilities and local educational agencies. Accordingly, TEA has adopted mediation procedures that are found in [19 Texas Administrative Code \(TAC\) § 89.1193](#).

1.3 CONTRACT TERM/OPTION TO EXTEND

The term of any contract resulting from this RFQ shall be from contract award until August 31, 2016. TEA, at its own discretion, may extend any contract awarded pursuant to this RFQ for up to three additional fiscal years under the same or different terms. If extended, the first extension period will be from September 1, 2016 through August 31, 2017; the second extension period will be from September 1, 2017 through August 31, 2018; the third extension period will be from September 1, 2018 through August 31, 2019.

1.4 BUDGET

Multiple contracts will be awarded. The total amount of compensation for fiscal year 2016 will be limited to \$700,000.00 inclusive of all payments and expenses. TEA, however, reserves the right to increase this limit if circumstances warrant. This sum represents the total amount available for all contracts awarded.

1.5 COMPENSATION OF SERVICES

In exchange for the services provided by the mediator, TEA will provide the following:

- A. Compensation at the hourly rate of \$150.00 for time spent performing the functions of a mediator.
- B. Time expended traveling to and from a mediation will be compensated at the hourly rate of \$60.00. In cases where return travel is delayed due to inclement weather, canceled flights, or other unforeseen circumstances, TEA will consider on a case-by-case basis and in accordance with state and TEA travel rules, whether the mediator should be compensated for all of the time expended because of the delay.
- C. Mediators will be reimbursed for TEA-sponsored training sessions at the hourly rate of \$150.00 for the actual time spent in training. Mediators will be reimbursed at the current state rates for transportation expenses for all TEA-sponsored training sessions. Lodging and meal expenses will only be reimbursed if the travel requires an overnight stay.
- D. TEA will reimburse a mediator for certain expenses as provided below:

1. Copying costs will be reimbursed at 10 cents per page or the amount invoiced if service was contracted to another vendor, whichever is less.
2. Telephone and long distance charges will be reimbursed at the actual cost incurred.
3. Fax costs will be reimbursed at 10 cents per page.
4. Translation and sign language interpreter costs, if required, will be reimbursed at the current market rate in the region where the service was incurred. When possible, the mediator shall obtain multiple estimates for these services.
5. An amount not to exceed \$1,500.00 for tuition to attend TEA approved seminars for continuing legal education (CLE) credit hours. The \$1,500.00 limit applies to all contractors regardless of whether they serve as both a mediator and a hearing officer or serve in only one capacity. The transportation, lodging, and meal expenses related to attending seminars that fall within the \$1,500.00 tuition cap will be reimbursed at the current state rate, except that TEA will only reimburse a contractor for the travel expenses for one out-of-state seminar per fiscal year. A mediator wanting to attend a seminar must seek TEA's approval before the expiration of the early registration deadline, if any, or at least 30 days before the date on which the seminar begins. Tuition reimbursement for seminars offering an early registration discount will be limited to the amount of the early registration tuition.
6. Lodging and meal expenses to conduct mediations will be reimbursed at the current General Services Administration (GSA)'s federal travel rates, except that the "standard rate" shall be \$85 maximum for lodging and \$46 maximum for meals and will apply for in-state locations that are not specifically listed in the GSA federal rates. Although receipts are not required for meals, reimbursement is limited to actual expenses incurred up to the maximum rate. Meal expenses are reimbursed only for travel requiring overnight stay. (Tips and alcoholic beverages will not be reimbursed.)
7. Mileage will be reimbursed at the current state rate. Car rentals, when required, will be reimbursed at the current state rate and will be limited to full-size or smaller vehicles. Mileage is not reimbursed for car rentals; however, gasoline will be reimbursed at actual cost.
8. Airfare will be reimbursed at the actual cost incurred. First and/or business class fares will not be reimbursed unless the mediator provides documentation dated at the time of ticket purchase that the first and/or business class fare is the only available option.
9. Mediators should ensure that all travel expenses that they incur are the most cost effective considering all relevant circumstances.

E. Mediators will not be compensated for time spent preparing billing invoices.

1.6 MEDIATOR QUALIFICATIONS AND REQUIREMENTS

Although previous experience in this specialized area is highly desirable, all proposals submitted will be evaluated based on the totality of the selection criteria described in this RFQ.

1.6.1 Minimum Qualifications

At a minimum, a mediator must:

- A. Be licensed to practice law in Texas;
- B. Continuously have been in good standing with the State Bar of Texas;

- C. Have been engaged in the active practice of law for at least five years before the date of responding to this RFQ;
- D. Possess knowledge of and the ability to understand the provisions of IDEA, federal and state regulations pertaining to IDEA, and legal interpretations of IDEA by federal and state courts;
- E. Verify completion of a 40-hour basic mediation course; and
- F. Have prior experience conducting mediations involving complex matters.

1.6.2 Requirements

- A. A mediator must be independent and impartial. In this regard, a mediator may not:
 - 1. Be an employee of TEA or any public agency that is involved in the education or care of the student who is the subject of a mediation;
 - 2. Have a personal or professional interest that would conflict with his or her objectivity in a mediation; and
 - 3. Represent, contract with, be employed by, or accept any remuneration from any individual or entity (including, without limitation, any child, parent, teacher, administrator, school district, charter school, or regional education service center) in connection with any matter relating to or involving public education (including, without limitation, any matter arising under or relating to the Texas Education Code, IDEA, Section 504 of the Rehabilitation Act of 1973, and any other federal or state law, rule, or regulation relating to education).

A person who otherwise qualifies to conduct a mediation is not a TEA employee solely because he or she is paid by TEA to serve as a mediator. In addition, the outside practice of law is not barred as long as it is permitted under Section A above and is compatible with the duties of a special education mediator.

- B. A mediator must travel to the school district or charter school involved in a mediation to conduct the mediation.
- C. A mediator must possess, at his or her own expense, the necessary support and equipment to perform his or her duties. At a minimum, the mediator must have and maintain in good working order: (1) a telephone (monitored during business hours by an assistant, answering service, or answering system); (2) a fax machine; (3) a personal computer, with Internet service, running Windows and Microsoft Office compatible software; and (4) an electronic mail (email) address.
- D. A mediator must comply with the standards of neutrality, confidentiality, and conduct required by IDEA, the Family Educational Rights and Privacy Act (FERPA), and the State Bar of Texas Rules.
- E. A mediator must comply with all legal and contractual timelines, including but not limited to the following:
 - 1. Contacting both parties by phone or email within three business days of a case assignment;

2. Conducting the mediation session within 15 days of assignment unless both parties have difficulty agreeing to the date, time, and place of the session; and
 3. Providing a closure letter to both parties that states the date and final outcome of the mediation session (i.e., agreement or no agreement). TEA's mediation survey must be included with the closure letter. The closure letter must be transmitted to the parties within five business days of the closure of the mediation, and a copy of the letter must be uploaded into TEA's electronic docket system.
- F. A mediator must prepare and submit to TEA by the 10th day of each month a standard invoice (on a template provided by TEA) detailing the activities and expenses by case. Payment for services and reimbursement of expenses by TEA is further conditioned upon:
1. The mediator's full compliance with all legal and contractual requirements applicable to mediations (including, without limitation, the specific requirements described in Section D, above);
 2. The reasonableness of the amount of time spent by the mediator on the cases for which he or she is seeking payment/reimbursement; and
 3. The mediator's timely submission of reasonable and acceptable documentation supporting all expenses being claimed.
- G. A mediator must attend all training sessions held at TEA (typically one or two each fiscal year). A mediator must earn at least 10 hours of CLE relating to the practice of mediation, including the study of mediation, negotiation, conflict management techniques or theory, or conflict related topics from communications, psychology or other related disciplines. A mediator who has not previously served as a special education mediator may attend CLE trainings relating to special education law with TEA's prior approval. A mediator who also has a contract to serve as a special education hearing officer must earn at least 5 hours of CLE relating to the practice of mediation, including the study of mediation, negotiation, conflict management techniques or theory, or conflict related topics from communications, psychology or other related disciplines, in addition to the CLE hours required under the contract to serve as a hearing officer.
- H. If a mediator has not previously served as a special education mediator for TEA, he or she must:
1. Attend orientation training required by TEA; and
 2. Observe at least two special education mediations before being assigned a case.
- I. A mediator must provide updates on case activities for each case file in the manner specified by TEA, including but not limited to entering direct updates into TEA's electronic docket system.
- J. A mediator and any of the mediator's staff who will have access to Texas public school campuses must submit to a national criminal history record information review (including fingerprinting) and meet all eligibility standards and criteria set by TEA before serving in assignments on behalf of TEA. If an individual has not completed this requirement or the review results in a determination that the individual is not eligible for assignment, the contract will be terminated effective immediately or on the date of notice of non-eligibility, whichever is earliest.

There is no guarantee as to the number of cases that will be assigned to a mediator. TEA's current practice is to assign cases to mediators based on a random rotation or based on the parties' selection. However, the assignment process could be modified in the future based on program needs.

SECTION TWO GENERAL INSTRUCTIONS AND STANDARD PROPOSAL REQUIREMENTS

2.1 PROPOSAL SUBMISSION, DATE, AND TIME

Proposers must sign the *Execution of Offer, Contract Terms and Conditions and Affirmations* instrument (Attachment B). By signing, Proposer or Proposer's legally authorized agent affirms that the all statements within the proposal are true and correct. 2.1.4 Notice of Intent to Submit a Proposal

2.3 QUESTIONS RECEIVED PRIOR TO OPENING OF PROPOSALS

Any person wishing to obtain clarifying information about this RFQ may contact:

Yvette Butler
TEAContracts@tea.texas.gov

2.3.1 Requests for Additional Information

In order to ensure that no prospective proposer may obtain a competitive advantage because of acquisition of information unknown to other prospective proposers, any additional information, that is different from or in addition to, information provided in the RFQ will be provided only in response to written inquiries. Copies of all such inquiries and the written answers will be posted as an addendum to the RFQ at the Electronic State Business Daily (ESBD) at <http://esbd.cpa.state.tx.us/> and the TEA website. The addendum will be updated as needed on a weekly basis while the RFQ is advertised. Proposer's failure to periodically check the ESBD will in no way release Proposer from "addenda or additional information" resulting in additional cost to meet the requirements of the RFQ. **NO PHONE INQUIRIES WILL BE ACCEPTED.**

Any amendment to this RFQ will be posted as an addendum on the ESBD. If proposers do not have Internet access, copies may be obtained through the point of contact listed in this RFQ. Upon publication of this RFQ, besides written inquiries as described above, employees and representatives of TEA will not answer questions or otherwise discuss the contents of the RFQ with any potential proposer or their representatives. If a proposer fails to observe this restriction, that proposer's response to this RFQ will be disqualified. This restriction does not preclude discussions for the purpose of conducting business unrelated to this RFQ.

TEA will not be bound by any communication with proposers other than the written addenda issued by TEA.

2.4 STANDARD PROPOSAL REQUIREMENTS

- A. Proposals that address only part of the requirements contained in this RFQ may be considered non-responsive.
- B. TEA reserves the right to reject any and all proposals and to negotiate portions thereof including the submitted cost proposals/budget.

- C. TEA reserves the right to select the proposal based on the best value to the State of Texas and TEA. Proposers shall furnish additional information that the evaluation team may require in order to complete the evaluation of the proposals submitted. Failure to provide the requested material or information may disqualify the proposal.
- D. Proposers must work with TEA staff to clarify the design of the materials, project design, project activities, and/or other products, and modify these items if necessary.

2.5 STATE NOT RESPONSIBLE FOR PREPARATION COSTS

TEA will not be liable for any costs incurred in the preparation and submittal of a proposal.

2.6 DISCLOSURE OF PROPOSAL CONTENT

After contract award, proposals are subject to release under the Texas Government Code, Chapter 552, Public Information Act. Proposers must indicate on their proposal cover if their submission contains proprietary information. It is recommended that a proposer identify the specific sections within the proposal that it considers proprietary.

2.7 HISTORICALLY UNDERUTILIZED BUSINESS (HUB) SUBCONTRACTING PLAN

It is the policy of TEA to promote and encourage contracting and subcontracting opportunities for HUBs in all contracts. Accordingly, TEA has adopted the Policy on Utilization of HUBs. If TEA determines that subcontracting opportunities are probable, then a HUB Subcontracting Plan (HSP) is a required element of the proposal.

Statement of Probability – TEA has determined that subcontracting opportunities are probable for only a subset of the work expected to be performed or the funds to be expended under the contract. Specifically, TEA has identified the following National Institute of Governmental Purchasing (NIGP) class and item code for potential subcontracting opportunities:

961-02 Administrative Services, All Kinds (Incl. Clerical, Secretarial Services, etc.).

Therefore, all proposers must submit the HSP as a part of the response.

1. If Proposer is a HUB, an HSP is still required in order to identify the percentage of the work to be performed by subcontractors.
2. If Proposer (HUB or non-HUB) is not subcontracting any portion of the work, the Self Performance portion of the HSP must be completed and returned with the proposal.

Proposer shall develop and administer the HSP as a part of Proposer's proposal in accordance with the TEA Policy on Utilization of HUBs and state law. Proposer must make a good faith effort and solicit a minimum of three Texas certified HUBs from the Centralized Master Bidders List (CMBL)/HUB Directory for work that it cannot complete with its own staff and resources. Proposers must also notify minority or women trade organizations or development centers of subcontracting opportunities. Additional requirements are listed in the HSP (Attachment C).

The HUB goal for this procurement is **26.0%** minority, woman-owned and/or veteran service disabled owned business participation. The HSP will be incorporated into the contract between TEA and the selected proposers. Contractors are encouraged to collaborate with TEA to develop mentor protégé opportunities. Under TAC Title 34, §20.14, a proposer's participation in a Mentor Protégé Program under Texas Government Code §2161.065, and the submission of a protégé as a subcontractor in the HSP constitutes a good faith effort for the particular area to be subcontracted with the protégé.

Proposals that fail to submit the HSP will be rejected for non-compliance with the advertised contract specifications.

Proposers who are awarded a contract will be responsible for maintaining business records documenting compliance with HUB Program requirements. Selected proposers shall submit a Progress Assessment Report (PAR) monthly documenting all subcontractor payments made in the preceding month. Submission of the PAR is a condition for payment. Selected proposers shall also report all 2nd and 3rd Tier subcontracting in the monthly PAR. PARs are due no later than the 10th day of the following month. The PAR is required to be submitted monthly, even if no activity occurred for the month. Reports shall be submitted electronically to the HUBOffice@tea.texas.gov.

2.7.1 How to Find Texas Certified HUBs for Subcontracting Opportunities

Use the Centralized Master Bidders List (CMBL)/HUB Directory (make sure to check both "HUBs on the CMBL" and "HUBs only" or use "All Contractors").

2.8 CONFLICT OF INTEREST

A proposer will not be selected if it has a conflict of interest that will or may arise during the performance of its obligations under the contract. For this reason, Proposer's response to this RFQ must disclose any existing or potential conflicts of interest or possible issues that might create appearances of impropriety relative to the submission of a proposal from Proposer, and possible selection as Successful Proposer, or its performance of the contract.

As part of this disclosure requirement, Proposer must include in its proposal all past and present contractual, business, financial or personal relationships between Proposer and TEA and between Proposer's proposed subcontractors, if any, and TEA. For purposes of this disclosure requirement: (i) "past" is defined as within the two calendar years prior to the deadline for submission of proposals in response to this RFQ; (ii) TEA is defined as the statewide elected official who heads the agency as well as TEA's employees or recent former employees; and (iii) "recent former employees" are defined as those TEA employees who have terminated TEA employment within the two calendar years prior to the deadline for submission of proposals in response to this RFQ. For each item, Proposer must provide a detailed explanation of why Proposer does or does not believe such item poses a conflict of interest, potential conflict of interest, or appearance of impropriety issue relative to Proposer's submission of a proposal, possible selection as Successful Proposer, or its performance of the contract.

For purposes of this RFQ, "personal relationship" is defined as a current or past connection other than a clearly contractual, business, financial, or similar relationship and includes family relationships or other connections outside simply providing a response to this RFQ. For this purpose, "family relationship" means a relationship within the third degree of consanguinity or second degree of affinity (see Chapter 573 of the Texas Government Code) which defines these degrees of consanguinity and affinity.

Connections other than such family relationships fall within this definition and must be disclosed if a reasonable person could expect the connection to diminish Proposer's independence of judgment or effectiveness in the performance of Proposer's responsibilities to TEA or the state under the contract. Connections also fall within this definition if a reasonable person could expect the connection, within the overall context of Proposer's submission of a proposal, possible selection as Successful Proposer, or its performance of the contract, to create an issue for TEA's consideration relative to a potential appearance of impropriety or conflict of interest.

Proposer certifies that it is in compliance with Texas Government Code §669.003, relating to contracting with executive head of a state agency. If Proposer employs or has used the services of a former executive head of TEA or other state agency, Proposer must complete the section relating to Texas Government Code §669.003 in the *Execution of Offer, Contract Terms and Conditions and Affirmations* instrument (Attachment B) in order for the proposal to be evaluated.

If the circumstances certified by Proposer change or additional information are obtained subsequent to submission of proposals, by submitting a response Proposer agrees that it is under a continuing duty to supplement its response under this provision and that the duty to disclosure of any conflicts of interest is an ongoing obligation throughout the term of the contract. Proposer shall submit updated information as soon as reasonably possible upon learning of any change to its affirmation.

SECTION THREE PROPOSAL FORMAT AND CONTENT

3.1 PROPOSAL FORMAT AND CONTENT

Proposals must be written entirely on 8 ½" X 11" white paper and must be limited to twenty (20) pages not including appendices and attachments. Proposals should be stapled in the top left corner. Proposals must be submitted in a manner that does not carry any benefit, keepsake, or value for members of the review panel.

3.1.1 Proposal Cover Page

Proposals should include a cover page, which clearly states the name of the organization or individual and the name, position, and telephone number of Proposer's Project Administrator who may be contacted regarding the proposal (Attachment D).

3.1.2 Response Checklist

This checklist is to assist proposers in ensuring that all information is included in their proposals. Proposers must refer to the appropriate section of the RFQ for detailed information on the following:

<input type="checkbox"/>	Proposal Cover Page	Sec. 3.1.1/Attachment D
<input type="checkbox"/>	Management Plan and Experience for the Project	Sec. 3.3 and Sec. 1.6.1 and 1.6.2
<input type="checkbox"/>	Signed <i>Execution of Offer, Contract Terms and Conditions and Affirmations</i>	Attachment B
<input type="checkbox"/>	HUB Subcontracting Plan (HSP)	Attachment C

3.2 CONDITIONS FOR SUBMITTING PROPOSALS

- A. TEA reserves the right to reject any and all proposals and to negotiate portions thereof.
- B. TEA reserves the right to select the proposal based on consideration of the outcomes desired. Proposer shall furnish such additional information that TEA may reasonably require.
- C. Selected proposals will be incorporated into a contract prepared by TEA for signature by the contracting parties.
- D. Proposer must agree to work with TEA staff so that the mediation program remains in compliance with IDEA and any other applicable laws.
- E. Proposer must agree to comply with all of the requirements set forth in this RFQ.
- F. In the event that an unforeseeable error occurs in this RFQ, TEA reserves the right to correct any such error.

SECTION FOUR REVIEW OF PROPOSALS

4.1 REVIEW OF PROPOSALS

The review of proposals will begin as soon as practical after receipt. The evaluation team will consist of TEA staff knowledgeable in the content area, and may also include reviewers from outside TEA with expertise in the area. The recommendations of the review panel will be assembled and presented to senior executive TEA staff who will:

1. Approve the proposal in whole or in part;
2. Disapprove the proposal; or
3. Defer action on the proposal for such reasons as a requirement for further evaluation.

By law, TEA may not disclose any information until a contract is executed by both parties. Upon contract award, TEA will post the contract award notice to the Electronic State Business Daily (ESBD) at: <http://esbd.cpa.state.tx.us/>. Additional copies of proposals **not selected for funding** will be destroyed in accordance with TEA approved records retention policy.

4.2 SELECTION CRITERIA

Proposals will be selected based on the ability of each proposer to carry out all of the requirements contained in this RFQ. TEA will base its selection on, among other things, demonstrated competence, qualifications, past contractor performance, and the proposed budget/cost. A proposer who is in default or otherwise not in good standing under any other current or prior contract with TEA at the time of selection will not be eligible for award of this contract. Past performance on contracts with other state agencies may be used as a factor in selecting proposals under this RFQ.

Because federal funds will be used for the resulting contracts, TEA will also consider past performance on contracts relating to federal programs and activities, including any current or prior contracts with TEA.

Following are the criteria and the total number of points of each portion of the RFQ that will be applied in selecting proposals:

1. Mediator experience	20

5.2 PROJECT REVIEW REQUIREMENTS

TEA reserves the right to review any materials, and/or products developed or adapted by contractors. All documents created at any time during the contract period belong to TEA and must be returned to TEA or destroyed as specified in the contract between the parties.

5.3 PAYMENT

Payment is contingent upon submission of properly prepared and certified invoices.. The information provided on each detailed status report must coincide with the tasks outlined in the approved budget, as negotiated by TEA. The TEA Project Manager will approve invoices based upon project progress, task completion, deliverables received, inspected, tested and approved and satisfactory performance of services as outlined in the progress report. The invoice shall note the period of time payment is for, the agreed upon monthly amount, contract number, purchase order number, and the Texas Comptroller of Public Accounts Payee Identification Number (TIN).

TEA shall not be required to pay any standby hourly rates during a suspension of Work, if TEA suspends performance of the Work because the Work is defective, or Contractor fails to supply sufficiently skilled workers or suitable materials or equipment, or fails to provide required insurance coverage, or fails to furnish or perform the Work in such a way that the completed Work will conform to this contract.

Sanctions

If Contractor, in TEA's sole determination, fails or refuses for any reason to comply with or perform any of its obligations under this contract, TEA may impose such sanctions as it may deem appropriate. This includes but is not limited to the withholding of payments to Contractor until Contractor complies; the cancellation, termination, or suspension of this contract in whole or in part; and the seeking of other remedies as may be provided by this contract or by law. Contractor represents and warrants that it will take all necessary and appropriate action within its abilities to safeguard TEA Confidential Information and to protect it from unauthorized disclosure. If Contractor discloses any TEA confidential information to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Contractor. Whenever communications with Contractor necessitate the release of Confidential TEA Information, additional TEA Confidential forms will need to be signed by each individual who will require access to or may be exposed to that information. Contractor shall access TEA's systems or Confidential TEA Information only for the purposes for which it is authorized. TEA reserves the right to review the Contractor's security policy to ensure that any data that is on the Contractor's servers is secure. Contractor shall cooperate fully by making resources, personnel, and systems access available to TEA and TEA's authorized representative(s).

Contractor shall ensure that any TEA Confidential Information in the custody of Contractor is properly sanitized or destroyed when the information is no longer required to be retained by TEA or Contractor in accordance with this contract. Electronic media used for storing any Confidential TEA Information must be sanitized by clearing, purging or destroying in accordance with such standards established by the National Institute of Standards and Technology and the Center for Internet Security. These standards are also required if the Contractor is collecting, maintaining, or analyzing data gathered, collected, or provided under this contract. Contractor must maintain a record documenting the removal and completion of all sanitization procedures with the following information:

- (1) Date and time of sanitization/destruction;
- (2) Description of the item(s) and serial number(s) if applicable;

No later than 30 days from contract expiration or termination or as otherwise specified in this contract, Contractor must complete the sanitization and destruction of the data and provide to TEA documentation that the sanitization has been completed. The documents must be certified by an authorized agent of the company.

Access to Internal TEA Network and Systems

As a condition of gaining remote access to any internal TEA network and systems, Contractor must comply with TEA's policies and procedures. TEA's remote access request procedures will require Contractor to submit TEA access request forms for TEA's review and approval. Remote access technologies provided by Contractor must be approved by TEA's Information Security Officer. TEA, in its sole discretion, may deny network or system access to any individual that does not complete the required forms. Contractor must secure its own connected systems in a manner consistent with TEA's requirements. TEA reserves the right to audit the security measures in effect on Contractor's connected systems without prior warning. TEA also reserves the right to immediately terminate network and system connections not meeting such requirements.

Disclosure of Security Breach

Contractor shall provide notice to TEA's Project Manager and TEA's Information Security Officer as soon as possible following Contractor's discovery or reasonable belief that there has been unauthorized use, exposure, access, disclosure, compromise, modification, or loss of sensitive or confidential TEA information ("Security Incident"). Within 24 hours of the discovery or reasonable belief of a Security Incident, Contractor shall provide a written report to TEA's Information Security Officer detailing the circumstances of the incident which includes at a minimum:

- (4) What steps Contractor has taken or will take to mitigate any negative effect of the Security Incident; and
- (5) What corrective action Contractor has taken or will take to prevent future similar unauthorized use or disclosure.

Contractor shall confer with TEA's Chief Information Security Officer regarding the proper course of the investigation and risk mitigation. TEA reserves the right to conduct an independent investigation of any Security Incident, and should TEA choose to do so, Contractor shall cooperate fully by making resources, personnel, and systems access available to TEA and TEA's authorized representative(s). Subject to review and approval of TEA's Information Security Officer, Contractor, at its own cost, shall provide notice that satisfies the requirements of applicable law to individuals whose personal, confidential, or privileged data were compromised or likely compromised as a result of the Security Incident. If TEA, in its sole discretion, elects to send its own separate notice, then all costs associated with preparing and providing notice shall be reimbursed to TEA by Contractor. If Contractor does not reimburse such costs within 30 days of TEA's written request, then TEA shall have the right to collect such costs.

- L. Refunds Due to TEA:** If TEA determines that TEA is due a refund of money paid to Contractor pursuant to this contract, Contractor shall pay the money due to TEA within 30 days of Contractor's receipt of written notice that such money is due to TEA. This provision applies to any and all furniture and/or equipment regardless of unit price and how the

item is classified in Contractor's accounting record. This provision is applicable when federal funds are utilized for the contract.

- N. TEA Property (terms):** In the event of loss, damage or destruction of any property owned by or loaned by TEA while in the custody or control of Contractor, Contractor shall indemnify TEA and pay to TEA the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of Contractor's receipt of written notice of TEA's determination of the amount due. This applies whether the property is developed or purchased by Contractor pursuant to this contract or is provided by TEA to Contractor for use in the Contract Project. If Contractor fails to make timely payment, TEA may obtain such money from Contractor by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to Contractor by TEA.
- O. State of Texas Laws:** In the conduct of the Contract Project, Contractor shall be subject to laws or rules of the State of Texas pertaining to and or governing this contract and the Contract Project. - T. Forms, Assurances, and Reports:** Contractor shall timely make and file with the proper authorities all forms, assurances and reports required by federal laws and regulations. TEA shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to TEA's attention, and may deny payment or recover payments made by TEA to Contractor in the event of Contractor's failure so to comply. Contractor who is indebted or owes delinquent taxes to the state will have any payments under the contract applied toward the debt or delinquent taxes owed the state until the account is paid in full, regardless of when the debt or delinquency was incurred. This provision does not apply if the warrant or transfer results in payments being made in whole or in part with money paid to the state by the federal government. Pursuant to 34 TAC §201.14 -18 and Texas Government Code, Chapter 2161, Contractors shall maintain business records documenting compliance with the HUB subcontracting plan (HSP) and shall submit a compliance report to TEA monthly, in the format required by TEA. The compliance report submission shall be required as a condition for payment. If Contractor subcontracts any part of the contract in a manner that is not consistent with its HSP, Contractor must submit a revised HSP before subcontracting any of the work under the contract. If Contractor subcontracts any of the work without prior authorization and without complying with this section, Contractor is deemed to have breached the contract and is subject to any remedial actions provided by Texas Government Code, Chapter 2161, and other applicable state law.
- U. Signature Authority; Final Expression; Superseding Document:** Contractor certifies that the person signing this contract has been properly delegated this authority. The contract represents the final and complete expression of the terms of agreement between the parties. The contract supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises or warranties that differ from the contract shall have no force or effect. The contract may be modified, amended or extended only by formal written amendment properly executed by both TEA and Contractor.
- V. Antitrust:** By signing this contract, Contractor, represents and warrants that neither Contractor nor any firm, corporation, partnership, or institution represented by Contractor, or anyone acting for such firm, corporation or institution has, (1) violated the antitrust laws of the State of Texas under Texas Business and Commerce Code, Chapter 15, or the federal antitrust laws; or (2) communicated directly or indirectly the Proposal to any competitor or any other person engaged in such line of business during the procurement process for this contract.
- W. Family Code Applicability:** By signing this contract, Contractor, if other than a state party, certifies that under Section 231.006, Texas Family Code, that Contractor is not ineligible to receive specified grant, loan, or payment under this contract and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate. TEA reserves the right to terminate this contract if Contractor is found to be ineligible to receive payment. If Contractor is found to be ineligible to receive payment and the contract is terminated, Contractor is liable to TEA for attorney's fees, the costs necessary to complete the contract, including the cost of advertising and awarding a second contract, and any other damages or relief provided by law or equity.
- X. Dispute Resolution:** The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used by TEA and Contractor to attempt to resolve all disputes arising under this contract. The parties may agree to mediation of their dispute at any time. However, if all issues in dispute are not completely resolved through direct negotiations between the parties within 180 days after TEA receives Contractor's notice

of claim, then the parties must submit the dispute to mediation before a mutually acceptable mediator in Travis County, Texas. The mediation must be completed on or before 270 days after TEA receives Contractor's notice of claim. Completion of the mediation is a condition precedent to the filing of a contested case hearing under Chapter 2260. TEA's participation in mediation or any other dispute resolution process shall not waive any of TEA's contractual or legal rights and remedies, including but not limited to sovereign immunity.

- Y. Interpretation:** In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, Appendices, General Provisions, Special Provisions, Exhibits, and Attachments or other documents, the TEA Contract and its General Provisions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this contract.
- Z. Education Service Center:** No funds transferred to Regional Education Service Centers or to school districts may be used to hire a registered lobbyist.
- AA. Compliance with Laws:** Contractor shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any court or administrative bodies or tribunals in any matter affecting Contractor's performance, including if applicable, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, prompt payment and licensing laws and regulations. For the entire duration of the contract, Contractor shall maintain all required licenses, certifications, permits, and any other documentation necessary to perform this Contract. When required or requested by TEA, Contractor shall furnish TEA with satisfactory proof of its compliance with this provision.
- BB. Public Information:** TEA is subject to the provisions of the Texas Public Information Act. If a request for disclosure of this contract or any information related to the goods or services provided under the contract or information provided to TEA under this contract constituting a record under the Act is received by TEA, the information must qualify for an exception provided by the Act in order to be withheld from public disclosure. Contractor authorizes TEA to submit any information contained in the contract, provided under the contract, or otherwise requested to be disclosed, including information Contractor has labeled as confidential proprietary information, to the Office of the Attorney General for a determination as to whether any such information may be exempt from public disclosure under the Act. If TEA does not have a good faith belief that information may be subject to an exception to disclosure, TEA is not obligating itself by this contract to submit the information to the Attorney General. It shall be the responsibility of Contractor to make any legal argument to the Attorney General or appropriate court of law regarding the exception of the information in question from disclosure. Contractor waives any claim against and releases from liability TEA, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this contract or otherwise created, assembled, maintained, or held by Contractor and determined by the Attorney General or a court of law to be subject to disclosure under the Act.
- Under Section 2252.907 of the Texas Government Code, a contract between a state governmental entity and a nongovernmental contractor involving the exchange or creation of public information, as defined by Texas Government Code Section 552.002, must require the nongovernmental contractor to make any information created or exchanged with the state pursuant to the contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. The TEA Project Manager will provide the specific format by which Contractor is required to make the information accessible by the public.
- CC. Gratuities:** By signing this contract, Contractor represents and warrants that Contractor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted response.
- DD. Venue and Jurisdiction:** Subject to and without waiving any of TEA's rights, including sovereign immunity, this contract is governed by and construed under and in accordance with the laws of the State of Texas. Venue for any suit concerning this solicitation and any resulting contract or purchase order shall be in a court of competent jurisdiction in Travis County, Texas.
- EE. Protests:** Any actual or prospective Bidder, Respondent, or Contractor who is aggrieved in connection with the solicitation, evaluation, or award of this or any other contract by TEA may submit a formal protest to the Director of TEA's Contracts, Purchasing and Agency Services (PCAS) Division. This protest procedure shall be the exclusive method by which anyone may make a challenge to any aspect of TEA's contracting process. TEA will not be required to consider the merits of any protest unless the written protest is submitted within 10 working days after such aggrieved person knows, or reasonably should have known, of the occurrence of the action which is protested. The protest document must meet with all requirements in applicable law and TEA's rules (Title 19 of the Texas Administrative Code, at § 30.2002) <http://ritter.tea.state.tx.us/rules/tac/index.html>.
- If the protest procedure results in a final determination by TEA that a violation of law has occurred in its contracting process in a case in which a contract has been awarded, then TEA may declare the contract void at

inception. In that event, the party who had been awarded the contract shall have no rights under the contract and no remedies under the law against TEA

- FF. Liability for and Payment of Taxes:** Contractor represents and warrants that it shall pay all taxes or similar amounts resulting from this contract, including, but not limited to, any federal, state, or local income, sales or excise taxes of Contractor or its employees. TEA shall not be liable for any taxes resulting from this contract.
- GG. Severability:** In the event that any provision of this contract is later determined to be invalid, void, or unenforceable, the invalid provision will be deemed severable and stricken from the contract as if it had never been incorporated herein. The remaining terms, provisions, covenants, and conditions of this contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
- HH. Conformance:** Contractor warrants that all goods and services furnished shall conform in all respects to the terms of this contract, including any drawings, specifications or standards incorporated herein, and any defects in materials, workmanship, and free from such defects in design. In addition, Contractor warrants that goods and services are suitable for and will perform in accordance with the purposes for which they are intended.
- II. Felony Criminal Convictions:** Contractor represents and warrants that Contractor has not and Contractor's employees assigned to TEA projects have not been convicted of a felony criminal offense, or that, if such a conviction has occurred, Contractor has fully advised TEA as to the facts and circumstances surrounding the conviction.
- JJ. Criminal Background Checks:** If during the term of this contract, Contractor, and/or Contractor staff, or subcontractor have access to Texas public school campuses, all Contractor and/or Contractor's staff must submit to a national criminal history record information review (includes fingerprinting) and meet all eligibility standards and criteria as set by TEA before serving in assignments on behalf of TEA. This requirement applies to all individuals who currently serve or will serve in TEA assignments that have the possibility of direct contact with students. Assignments are contingent upon meeting TEA eligibility standards. Contractor and/or any staff member of Contractor who may perform services under this contract must complete this criminal history review before the beginning of an assignment. If said individuals have not completed this requirement or the review results in a determination that Contractor is not eligible for assignment, this contract will be terminated effective immediately or the date of notice of non-eligibility, whichever is earliest.
- KK. Assignment of Contract:** This contract may not be assigned, sold, or transferred without the express written consent of the TEA PCAS Division. An attempted assignment after contract award without TEA approval will constitute a material breach of contract.
- LL. Buy Texas:** In accordance with Texas Government Code, Section 2155.444, the State of Texas requires that during the performance of a contract for services, Contractor shall purchase products and materials produced in the State of Texas when available at a price and time comparable to products and materials produced outside the state. This provision does not apply if Contractor receives any federal funds under this contract.
- MM. Excluded Parties List System:** TEA and Contractor must adhere to the directions provided in the President's Executive Order (EO) 13224, Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, which may be viewed at <http://www.whitehouse.gov/briefing-room/presidential-actions/executive-orders>. That Executive Order prohibits any transaction or dealing by United States persons, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the General Services Administration's Excluded Parties List System (EPLS) which may be viewed on the System for Award Management (SAM) site at <http://www.sam.gov>.
- NN. Suspension and Debarment:** Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntary excluded from participation in this transaction by any federal, state or local government entity and that Contractor is in compliance with the State of Texas statutes and rules relating to procurement. If Contractor is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this contract.
- OO. Electronic and Information Resources Accessibility Standards:** State agencies shall procure products which comply with the State of Texas Accessibility requirements for Electronic Information Resources specified in 1 TAC Chapter 213 when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation.

Regulations updating the accessibility requirements for entities covered by [Section 508 of the Rehabilitation Act of 1973](#) will likely be adopted sometime in FY 2015. Therefore, all current and potential contractors are hereby notified of the impending changes. The current technical requirements for accessibility contained within the regulations form the basis for our Texas TAC rules on EIR Accessibility.

This refresh of 508 will be using the [WCAG 2.0 AA Accessibility Guidelines](#) (also ISO/IEC standard 40500) as the new technical standard that federal agencies will be required to meet when procuring products and services. Once the 508 refresh is adopted, the Texas Department of Information Resources will be modifying the TAC rules to align with it.

Given this coming change, all Texas agencies and institutions of higher education should begin using or specifying WCAG 2.0 AA guidelines for the design of new websites or web applications. The rationale is twofold:

1. It could be technically difficult and expensive to bring these websites/applications to WCAG 2.0 AA later.
2. WG 2.0 AA is a superior, more flexible standard and is in use all over the world. If a website is compliant with WCAG 2.0 AA, it will, by default comply with our current TAC rules on EIR Accessibility.

Web development contractors should already be familiar with designing to this standard, and their ability to meet these standards should be a strong consideration in the selection process.

The free online resources listed below are available to assist developers and content producers in transitioning to these guidelines.

PP. Collusion: Contractor certifies and represents that Contractor has not colluded with, nor received any assistance from, any person who was paid by TEA to prepare specifications or a solicitation on which Contractor's bid or proposal is based and will not allow any person who prepared the respective specifications or solicitation to participate financially in any contract award.

QQ. Social Security Numbers Withheld: TEA will not provide Social Security Numbers (SSNs) to any Contractor under this contract unless specifically specified as part of the project requirements. TEA, its Contractors and their subcontractors, will not require or request school districts to provide SSNs under this contract.

RR. Proprietary; Confidential Information; Nondisclosure; Press Releases: All information gathered, produced, derived, obtained, analyzed, controlled or accessed by Contractor in connection with a contract resulting from a solicitation ("Confidential Information") shall be and remain confidential information and shall not be released or disclosed by Contractor without the prior written consent of TEA, which consent must specifically identify the confidential information to be disclosed by Contractor and the nature of the disclosure for which consent is sought. Contractor, its employees and subcontractors, agree that in executing tasks on behalf of TEA, will not use any student-identifying information in any way that violates the provisions of FERPA, and will destroy or return all student-identifying information within 30 days of project completion. Contractor also agrees not to disclose any information to which it is privy under this contract without the prior consent of TEA. Contractor will indemnify and hold harmless the State of Texas, its officers and employees, and TEA, its officers and employees for any claims or damages that arise from the disclosure by Contractor or its Contractors of information held by the state of Texas. Except when defined as part of the Work under this contract. Contractor will not make any press releases, public statements, or advertisement referring to the Contract Project or the engagement of Contractor in connection with the Contract Project, or release any information relative to the Contract Project for publication, advertisement or any other purpose without the prior written approval of TEA.

Within 30 days of completion of the Contract Project, Contractor or Contractor's authorized agent must provide a signed written statement certifying that all media used for storing TEA Confidential Information has been sanitized and that all TEA Confidential Information has been destroyed or returned to TEA and that there are no copies of the information.

SS. Independent Contractor: Contractor shall serve as an independent contractor in providing services under this contract. Contractor's employees are not and shall not be construed as employees or agents of the State of Texas.

TT. Contractor Performance: All state agencies must report unsatisfactory contractor performance on purchases over \$25,000. Proposers who are in default or otherwise not in good standing under any other current or prior contract with TEA at the time of selection will not be eligible for award of this contract. A proposer's past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of §§2155.074, 2155.075, 2156.007, 2157.003, and 2157.125, Texas Government Code. Proposers may fail this selection criterion for any of the following conditions: A score of less than 90% in the Contractor Performance Tracking System, currently under a Corrective Action Plan, having repeated negative contractor performance reports for the same reason, having purchase orders that have been cancelled in the previous 12 months for non-performance (i.e. late delivery, etc.). TEA may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Contractor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.108), TEA may examine other sources of contractor

performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of TEA, and any negative findings, as determined by TEA, may result in non-award to Proposer.

Agencies report satisfactory and exceptional Contractor performance to assist in determining best value. In accordance with Texas Government Code, §2155.074 and §2155.75, contractor performance may be used as a factor in future contract awards.

Contractor performance information is located on the CPA website at http://www.cpa.state.tx.us/procurement/prog/vendor_performance/

UU. Termination: This contract shall terminate upon full performance of all requirements contained in this contract, unless otherwise extended or renewed as provided in accordance with the contract terms and conditions.

1. **Termination for Convenience:** TEA may terminate this contract at any time, in whole or in part, without penalty, by providing 15 calendar days advance written notice to Contractor. In the event of such a termination, Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TEA shall be liable for reimbursing only those expenses incurred by Contractor that are permitted, properly performed under this contract and were incurred prior to the effective termination date.
2. **Termination for Cause/Default:** If Contractor fails to provide the goods or services contracted for according to the provisions of the contract, or fails to comply with any of the terms or conditions of the contract, TEA may, upon written notice of default to Contractor, immediately terminate all or any part of the contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the contract.

TEA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the contract, or to recover damages for the breach of any agreement being derived from the contract. The exercise of any of the foregoing remedies will not constitute a termination of the contract unless TEA notifies Contractor in writing prior to the exercise of such remedy.

Contractor shall remain liable for all covenants and indemnities under the contract. Contractor shall be liable for all costs and expenses, including court costs, incurred by TEA with respect to the enforcement of any of the remedies listed herein.

3. **Termination Due to Changes in Law:** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either party cannot reasonably fulfill this contract and if the parties cannot agree to an amendment that would enable substantial continuation of the contract, the parties shall be discharged from any further obligations under this contract.
4. **Rights upon Termination or Expiration of Contract:** In the event that the contract is terminated for any reason, or upon its expiration, TEA shall retain ownership of all associated work products and documentation obtained from Contractor under the contract.
5. **Survival of Terms:** Termination of the contract for any reason shall not release Contractor from any liability or obligation set forth in the contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.
6. **Contract Transition:** In the event a subsequent competitive solicitation is awarded to a New Contractor, the Outgoing Contractor shall hand-over to the New Contractor all "Works" including but not limited to the following: data, materials, database access, intellectual property, source code, training materials, access to websites, asset transfer, and maintenance of service commitments. The purpose of transition planning is to ensure a seamless and continuous service when changing from one contract to another. The Outgoing Contractor will begin shipping, transmitting or providing access to all appropriate materials and data to the New Contractor within 10 days of announcement of award at the New Contractor's expense for data processing and production, packing and shipping. The Outgoing Contractor will be responsible for providing the services identified in the contract until all records have been completely transferred to the New Contractor. The Outgoing Contractor is responsible for performing due diligence to ensure that all the transition activities are identified and completed during the contract transition.

The Outgoing Contractor shall submit to TEA requested reports and data. TEA will not release the final invoice until all materials are returned to TEA or its designee. The TEA Project Manager shall approve

the Transition Plan prior to its implementation. The Transition Plan must minimize the impacts on continuity of operations and maintain communication with the TEA Project Manager and the New Contractor.

- VV. Amendments:** All amendments to this contract will be in a manner as prescribed by TEA Contracting Process and are, subject to Paragraph B of the General Provisions and will be made on AMENDMENT TO TEXAS EDUCATION AGENCY STANDARD CONTRACT form. All amendments will be initiated by the TEA PCAS staff. An amendment to this contract will become effective on the date of signature of TEA or the effective date shown on the amendment document whichever is first.

If the initial major contract (defined as expected value of \$10 million or more) solicitation document submitted to the CPA Contract Advisory Team (CAT) changes substantially, agencies are required to resubmit their solicitation documents(s) for CAT review. Changes in the major contract solicitation are considered substantial when: 1) the solicitation change caused the estimated value for the original term of the contract, not including renewal periods, to increase by 25% or more; 2) or there are significant revisions, deletions and/or additions to the specifications, statement of work (SOW), set(s) of deliverables, performance measures, payment methodology, etc.

1. Contractor is permitted to re-budget among direct cost categories within the approved budget to meet unanticipated requirements and to make limited changes to the approved budget without the issuance of a written amendment as long as the total budget amount does not change. However, a revised budget document must be submitted to the TEA Project Manager for approval. Once approved, the documents must be submitted to the PCAS Division for incorporation into the contract file. Failure to submit the budget documents will result in invoices being rejected or payment delayed.
2. Written amendments are required for the following contract changes:
 - a. Any revision which would result in the need for additional funding;
 - b. Any revision to the scope of work, deliverables, or objectives of the contract (regardless of whether there is an associated budget revision requiring prior approval) additionally increases of 25% or more for major contracts must be approved by the Comptroller;
 - c. A request to extend the period of the contract;
 - d. Cumulative transfers among direct cost categories which exceed or are expected to exceed 25% of the current total approved budget category;
 - e. Any reduction of funds or reduction in the scope of work;
 - f. Whenever a line item within a class/object code is added;
 - g. An increase in the quantity of capital outlay item(s) requested; and
 - h. An increase or decrease in the number of positions charged to contract.

All Amendments must be signed by both parties.

- WW. Payment:** Payment for goods or services purchased with state-appropriated funds will be issued by electronic Direct Deposit from the State Treasury. Direct Deposit is the preferred method of payment. Any payment owed by TEA must be transmitted electronically to Contractor no later than 30 days after the later of:

- (1) Day on which TEA received the goods;
- (2) Date the performance of the service under the contract is completed; or
- (3) Day on which TEA received the complete and correct invoice for goods or services.

Additional information and a Direct Deposit Authorization application may be found at: <https://fmx.cpa.state.tx.us/fm/payment/index.php>.

- A. Payment for service(s) described in this contract is contingent upon satisfactory completion of the Deliverables and Services Review and Acceptance Process. Contractor must submit final deliverables to TEA for review and approval prior to invoicing. These include test items developed under the contract. "Final" deliverable means a deliverable that, in the belief and testimony of Contractor, is in final completed form and in compliance with all required specifications as defined by project documentation and this contract. TEA will review each deliverable, including test items, submitted by Contractor for quality and alignment to the deliverable definition agreed to under the "Deliverables and Services Definition Process." TEA will have 15 working days to approve a deliverable or request revisions to the deliverable. TEA must review and approve any deliverable before it may be invoiced by Contractor. If TEA finds a submitted deliverable to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process" in the Service Level Agreement or the Contract Monitoring Tool, Contractor will have 10 working days to provide a Corrective Action Plan and address the quality or other compliance requirement and resubmit the deliverable. Additional costs

incurred by Contractor that result from repeated submissions and revising of substandard deliverables will be borne solely by Contractor and not charged against the contract or to TEA. This process will apply to all deliverables and requirements of the contract, including test items developed. This does not preclude an arrangement that allows Contractor to bill against a deliverable as progress is made toward completing that deliverable, so long as documentation of such progress in a form and nature satisfactory to TEA is provided and is approved by TEA. It is up to Contractor to request incremental billing based on progress towards a deliverable, and such a request must be approved by TEA prior to submission of any invoice by Contractor. TEA reserves the right to reject and not provide payment for deliverables found to be substandard or not in compliance with the deliverable definition agreed to under the "Deliverables and Services Definition Process", including test items developed under the contract. Contractor is strongly encouraged to collaborate with TEA on draft versions of any deliverables or services and request review(s) of such draft versions before submitting a final version.

- B. Retainage: TEA may withhold 5% or less of each payment as retainage for certain projects. Retainage fees shall be documented in the contract and may not be arbitrarily imposed after execution of the contract. The release of retainage may be requested in the final invoice.
- C. Unless otherwise stated, payment under this contract will be made upon performance of services based upon submission of an expenditure report/invoice, properly prepared and certified, outlining expenditures by cost category. Include the contract number, purchase order number, and the Texas Comptroller of Public Accounts Texas Identification Number (TIN) on all invoices/expenditure reports. The cost categories provided in the expenditure report/invoice must coincide with the cost categories detailed in the approved budget. A list of tasks/activities performed during the invoice period must accompany the expenditure report/invoice. The final expenditure report/invoice is due within 45 days after the end of the contract. Payment on the final expenditure report is contingent upon receipt of all reports/products required by this contract.
- D. An encumbrance, accounts payable, and expenditure, as with all other contract accounting terms, will be as defined in the *Financial Accounting and Reporting Module of the TEA Financial Accountability System Resource Guide*. All goods must have been received and all services rendered by the ending date of this contract in order for Contractor to include these costs as either expenditures or as accounts payable and, thereby, recover funds due. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures.
- E. Contractor who is indebted or owes delinquent taxes to the state will have any payments under the contract applied toward the debt or delinquent taxes owed the state until the amount is paid in full, regardless of when the debt or delinquency was incurred. TEA shall determine whether a payment law prohibits the Comptroller from issuing a warrant or initiating an electronic funds transfer to a person before TEA enters into a written contract with that person.

Contractor may verify its account status by accessing the Comptroller's website at https://fmx.cpa.state.tx.us/fm/pubs/purchase/restricted/index.php?section=indebted&page=persons_indebted

XX. Questions and Answers

Q1 I am not an employee of a school district and do not receive any remuneration from a school district. However, I am an elected school board member. My term expires in May 2017. Would this disqualify me from being considered as a Special Education mediator?

R Your position on the school board will not disqualify you. In the event of your selection, the agency would ensure you would not be sent to any schools in your ISD.

Q2 I received my basic mediation training from Settlement Consultants International about 1990 and then did some mediations through the District Courts in Dallas. However, when I relocated to American Samoa I misplaced the certificate which evidences my training. SCI seems to no longer exist, so I can't replace it. Would this inability to provide the certificate be fatal to my application?

R While proposers typically provide certificates, the requirement is to provide evidence verifying completion of the course.

Q3 What is the Requisition number (subsequent pages of the HSP also require the Requisition number at the top of each page) -- is it the same thing as the RFQ number? and what is the Bid Open Date?

R The requisition number is the same as the RFQ number. The bid open date is the day Purchasing, Contracts, and Agency Services will start opening the proposals received. For this solicitation, the bid opening date is July 8, 2015 after 2:00 P.M. as stated in the RFQ and the ESBD announcement.

Q4 (a) Is it possible to review past RFQs that were submitted for this position?

(b) Will submitting my income tax returns suffice for the Proper's Financial Responsibility section?

(c) In the packet there is a lot of discussion about subcontracting, so as a solo practitioner, do I have to have a subcontractor?

(d) Please explain the cost proposal budget?

(e) Since there is a set compensation hourly rate, is there a need for the proposer to write in a cost proposal budget?

R (a) In 2011, TEA published RFQ. No. 701-11-008 Special Education Hearing Officers for Due Process Hearings and Mediators for Mediations Brought Pursuant to the Individuals with Disabilities Act. A copy of the RFQ and responses to the previous RFQ may be requested by submitting a public information request to TEA. Information on options to submit a public information request can be viewed at:
http://tea.texas.gov/About_TEA/Contact_Us/Public_Information_Requests/.

(b) For this solicitation, proposers are not required to submit proof of financial responsibility. During the evaluation process and prior to award, TEA may require individuals to submit proof of financial responsibility.

(c) The Historically Underutilized Business Subcontracting Plan (HSP) is a required document and must be submitted with your response. Respondents that are not subcontracting any of the work must still complete the HSP. Refer to Section 2.7 of the solicitation for detail information on possible subcontracting opportunities.

(d) For this solicitation, there is no need to submit a cost proposal budget.

(e) Same response as (d)

Q5 Do you have to be an attorney to mediate? I am not an attorney but I am a mediator/arbitrator. I have worked as an investigator for many years with several school districts in the past. Would my application be considered for these special cases even though I am not an attorney?

R. Respondents must be licensed to practice law in Texas. Please refer to Section 1.6.1 of the RFQ.
