A Couple Important Notes...

1

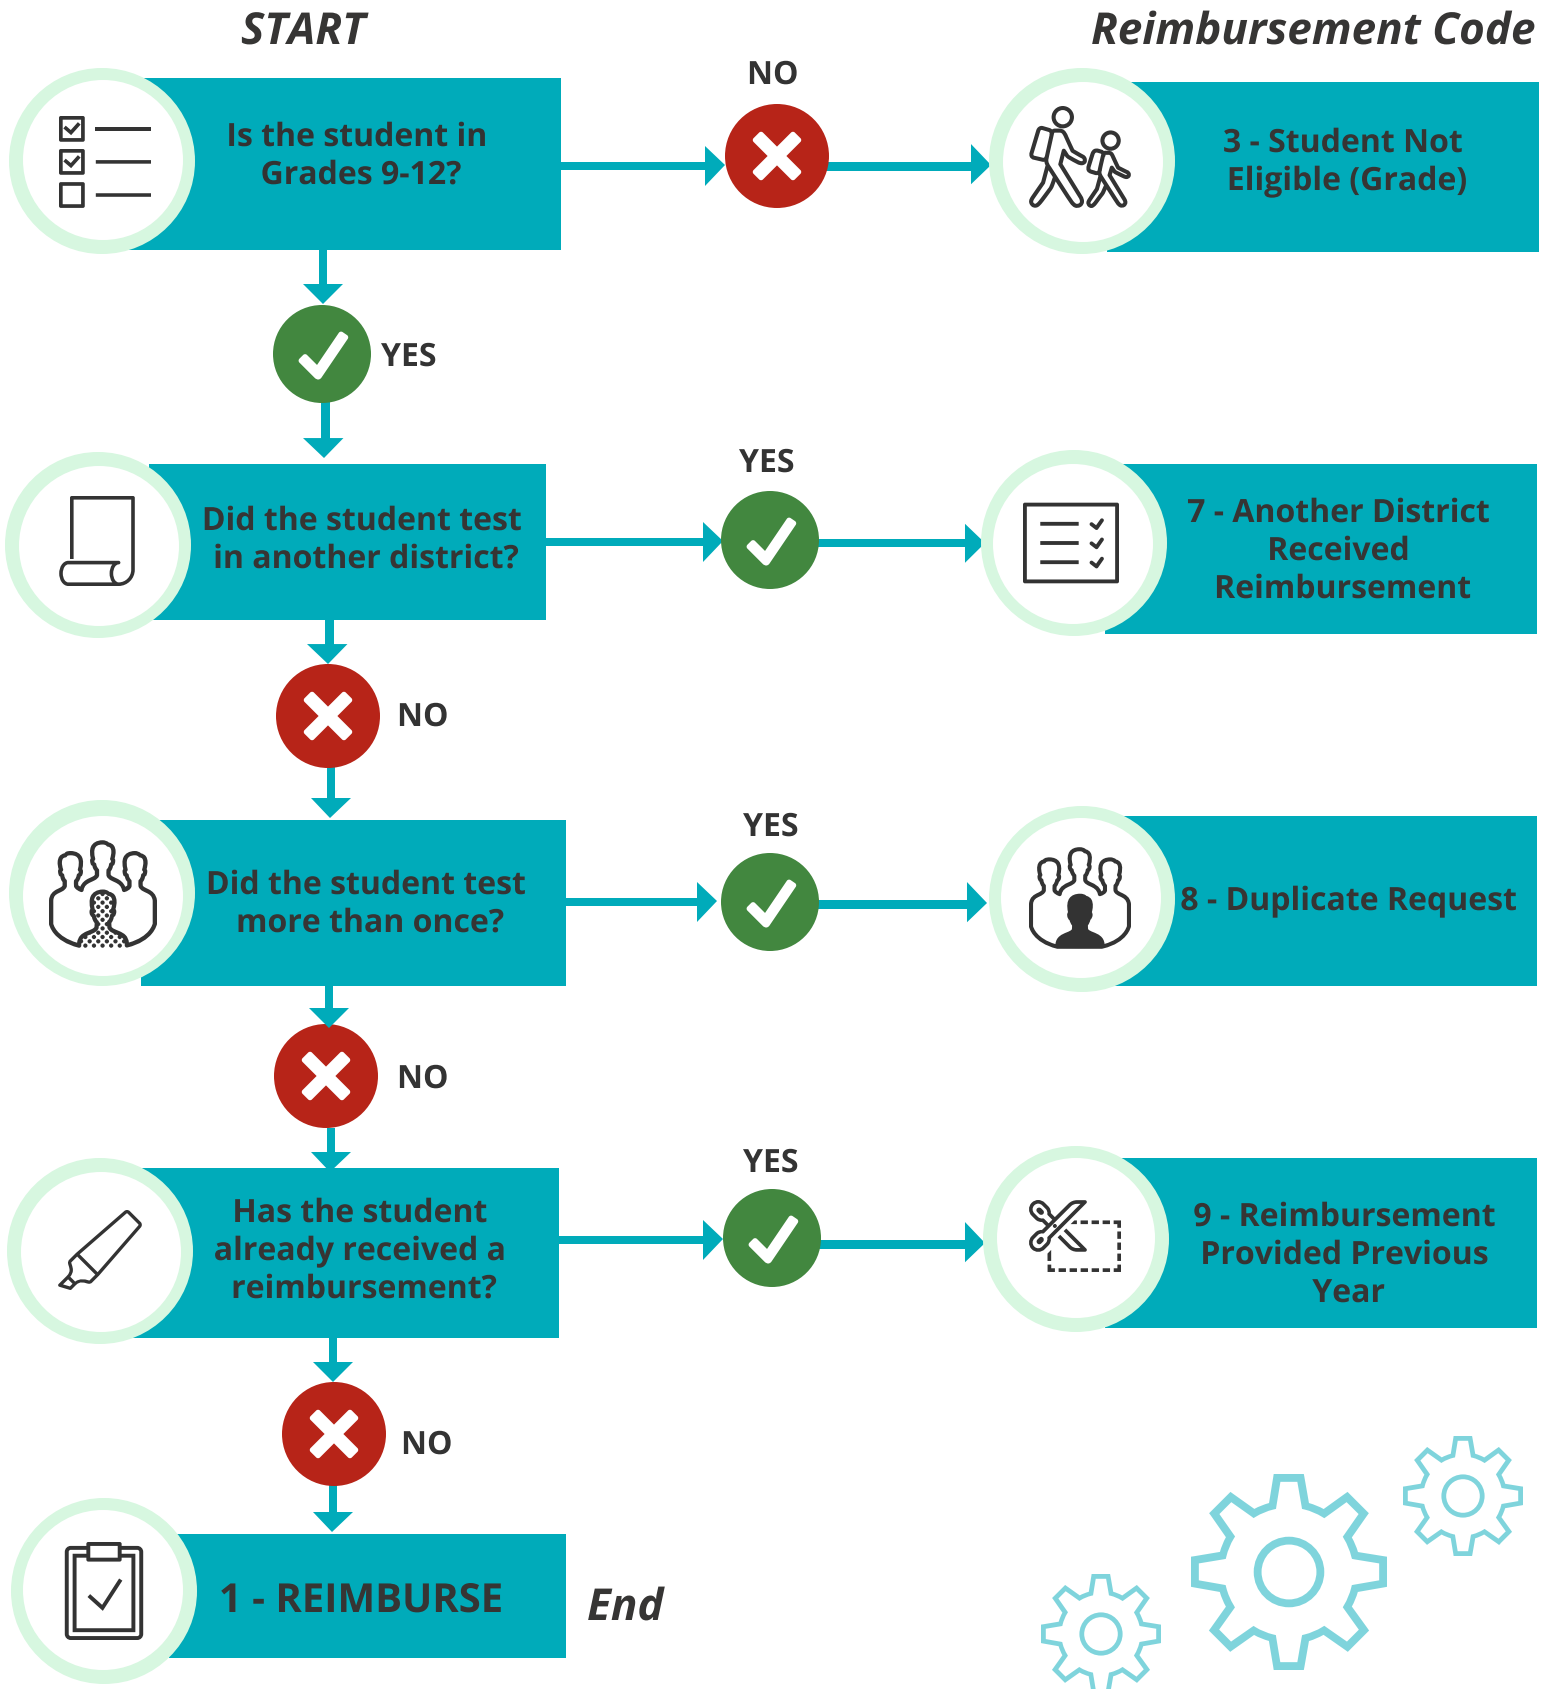

TEA determines grade level eligibility using PEIMS attendance data at time of test administration. Grade level eligibility are students who tested in the spring of their junior year or during their senior year.

2

TEA removes duplicates by reimbursing the first, highest cost assessment

REIMBURSEMENT FLOW CHART

Industry-Based Certifications

A Couple Important Notes...

1

TEA can only reimburse IBCs found in the correct PEIMS submissions.

2

TEA removes duplicates by reimbursing the first IBC with an associated cost above \$0.
