

## ACT Campus Variables Layout for Class of 2011 Data Download

Variable	Description
Above_Crit_Rate	Percent of graduating examinees receiving ACT composite scores of 24 or higher
AIcode	Attending Institution Code assigned by College Board
Campname	Campus name
Campus	Campus number
Compos	Average ACT composite score
Cntyname	County name
Crit_Mskd	Number of graduating examinees receiving ACT composite scores of 24 or higher (masked)
Distname	District name
District	District number
English	Average ACT English score
Exnees_Mskd	Number of graduates taking the ACT (masked)
Grads_Mskd	Number of non-special education graduates (masked)
Group	Economic status, gender, race/ethnicity, or all students group
Math	Average ACT math score
Part_Rate	Percent of non-special education graduates taking the ACT
Reading	Average ACT reading score
Region	Region number
Regname	Region name
Science	Average ACT science score

*Note.* Numbers of non-special education graduates and graduating examinees are masked in such a manner as to provide a general idea of the size of the group while maintaining student anonymity. In addition, blank cells indicate: (a) average scores were not available because no non-special education graduates took the ACT or no valid scores were reported by the testing company; or (b) percentages are not reported to prevent imputation.

District	District number
English	Average ACT English score
Exnees_Mskd	Number of graduates taking the ACT (masked)
Grads_Mskd	Number of non-special education graduates (masked)
Group	Economic status, gender, race/ethnicity, or all students group
Math	Average ACT math score
Part_Rate	Percent of non-special education graduates taking the ACT
Reading	Average ACT reading score
Region	Region number
Regname	Region name
Science	Average ACT science score

*Note.* Numbers of non-special education graduates and graduating examinees are masked in such a manner as to provide a general idea of the size of the group while maintaining student anonymity. In addition, blank cells indicate: (a) average scores were not available because no non-special education graduates took the ACT or no valid scores were reported by the testing company; or (b) percentages are not reported to prevent imputation.

## SAT Campus Variables Layout for Class of 2011 Data Download

Variable	Description
Above_Crit_Rate	Percent of graduating examinees receiving SAT critical reading and math combined scores of 1110 or higher
Campname	Campus name
Campus	Campus number
Cntyname	County name
Crit_Mskd	Number of graduating examinees receiving SAT critical reading and math combined scores of 1110 or higher (masked)
CritRd	Average SAT critical reading score
Distname	District name
District	District number
Exnees_Mskd	Number of graduates taking the SAT (masked)
Grads_Mskd	Number of non-special education graduates (masked)
Group	Economic status, gender, race/ethnicity, or all students group
Math	Average SAT math score
Part_Rate	Percent of non-special education graduates taking the SAT
Region	Region number
Regname	Region name
Total	Average SAT critical reading and math combined score
Writing	Average SAT writing score

*Note.* Numbers of non-special education graduates and graduating examinees are masked in such a manner as to provide a general idea of the size of the group while maintaining student anonymity. In addition, blank cells indicate: (a) average scores were not available because no non-special education graduates took the SAT or no valid scores were reported by the testing company; or (b) percentages are not reported to prevent imputation.
