- (b) The qualifications for certification as a principal must be sufficiently flexible so that an outstanding teacher may qualify by substituting approved experience and professional training for part of the educational requirements. Supervised and approved on-the-job experience in addition to required internship shall be accepted in lieu of classroom hours. The qualifications must emphasize:

 - (2) administration, supervision, and communication skills;
 - (3) curriculum and instruction management;
 - (4) performance evaluation;
 - (5) organization; and
 - (6) fiscal management.
- (c) Because an effective principal is essential to school improvement, the board shall ensure that:
 - (1) each candidate for certification as a principal is of the highest caliber; and
 - (2) multi-level screening processes, validated comprehensive assessment programs, and flexible internships with successful mentors exist to determine whether a candidate for certification as a principal possesses the essential knowledge, skills, and leadership capabilities necessary for success.
- (d) In creating the qualifications for certification as a principal, the board shall consider the knowledge, skills, and proficiencies for principals as developed by relevant national organizations and the State Board of Education.
- (e) For purposes of satisfying eligibility requirements for certification as a principal, a teacher who is certified under Section [21.0487](#):
 - (1) is considered to hold a classroom teaching certificate; and
 - (2) may apply as creditable years of teaching experience as a classroom teacher any period during which the teacher was employed by a school district as a Junior Reserve Officer Training Corps instructor before or after the teacher was certified under Section [21.0487](#).
