

# Texas Performance Standards Project Virtual Showcase Panel Expert Registration

Are you a teacher of gifted/talented students? Are you an expert in a specific field of study, profession, vocation, or the performing arts? Are you a hobbyist with unique ideas? Are you interested in innovative products or performances created by gifted/talented students? Then, we need you to serve on a panel of experts for the First Annual Texas Performance Standards Project Virtual Showcase

The First Annual Texas Performance Standards Project Virtual Showcase is open to gifted/talented students in grades K - 12 and who are enrolled in any Texas Public School or an Open Enrollment Charter.

**To register as a potential Panel Expert for the Texas Performance Standards Project Virtual Showcase, complete the following:**

**Last Name**

**First Name**

**Brief summary of your expertise and or credentials in a specific field of study, profession, vocation, performing arts, or hobby**

**Grade level of interest . (We will endeavor to meet your grade level of choice, but you may be asked to judge additional levels.)**

**Briefly discuss any experience you have with the Texas Performance Standards Project**

**Panel Expert Responsibilities:**

1. Familiarize yourself with the Texas Performance Standards Project. <https://www.texaspsp.org/>
2. Review and discuss with other Panel Experts (as needed) 3 - 5 minutes videos submitted by gifted/talented students enrolled in a Texas Public School or an Open Enrollment Charter.
3. Attend and/or view the Texas Performance Standards Project (TPSP) Assessment Rubric Review Session.
4. Provide written feedback to students that includes opportunities for growth.
5. Submit all assessment rubrics upon completion.

**Send the completed registration form to:**
