**Subject: Update to 2019–2020 and 2021–2022 Testing Calendars**

To the District and ESC Testing Coordinator Addressed:

The purpose of this email is to notify you of updates to the 2019–2020 Student Assessment testing calendar and the posting of the approved 2021–2022 testing calendar.

The revised 2019–2020 Student Assessment testing calendar is posted to the Texas Education Agency's (TEA) website at <http://www.tea.texas.gov/student.assessment/calendars/>. This calendar reflects the following changes previously communicated to school districts:

- National long-term trend (LTT) assessments will be administered for the National Assessment of Educational Progress (NAEP) in mathematics and reading for three different age levels during three different windows in 2019–2020.
- Report dates for the April 2020 State of Texas Assessments of Academic Readiness (STAAR®) grades 5 and 8 mathematics and reading tests have changed. Test results will be available by May 1, 2020, for these tests.

The approved 2021–2022 Student Assessment testing calendar is also posted at the above-linked website.

Comments to the proposed 2021–2022 Student Assessment testing calendar were requested and taken into consideration before the document was finalized. Based on the review of comments received, there were no changes to the proposed calendar.

Please call the Student Assessment Division at (512) 463-9536 if you have any questions about this information.
